DETAILS:

This investigation is predicated upon information received that members of the Communist Party (CP) have infiltrated the captioned organization. Our investigation is directed solely toward establishing the extent and the result of this infiltration. The Federal Bureau of Investigation (FBI) is not investigating the legitimate activities of this organization.

For the purpose of brevity, the National Association for the Advancement of Colored People will henceforth be referred to as the NAACP.

CP EFFORTS TO INFILTRATE NAACP
CONVENTION

NY T-1 on May 11, 1962, advised that a meeting of part of the CP, USA National Negro Commission was held on May 5, 1962, at the Chelsea Hotel, New York City. The major portion of this meeting was devoted to discussing matters pertaining to the NAACP and of the coming convention of the NAACP. The main report was given by TED BASSETT, who recapped some of the problems in the NAACP. BASSETT noted the failure of the Party to take advantage of the many situations that have been presented by virtue of the struggles that have taken place. He said that one of the problems that the NAACP has, with

NY 100-7629

regard to the Atlanta convention, is the matter of discrimination in the hotels. He stated that the people in Atlanta will permit desegregation of the hotels during the NAACP convention, but both before and after the convention will not make a change in the segregation policy. In other words, the segregation will be lifted while the convention is going on and delegates to the convention can have all the privileges of the hotel.

Next BASSETT recapped the developments in civil rights by the NAACP since 1952. He indicated that the NAACP national policy has been to serve as a brake on the aggressive tendencies of the membership. This tendency has been evidenced in the resolutions submitted at the previous conventions. Now the NAACP leadership finds itself in a position in which they have to examine this situation. BASSETT brought out the fact that directives have been issued by the National Office of the NAACP which only give lip service to the resolutions submitted to and accepted by the convention. He said that they never put themselves in a position in which they could be charged with not doing what the convention passes on, but they do it in such a way that it is ineffective. He cited as an example the fact that the last convention had called for the issuance of an emancipation proclamation and noted that such a proclamation was issued, but it was a watered-down version.

BASSETT further mentioned that the youth had been able to win some concessions in 1960, but were not nearly so successful in the 1961 convention.

NY 100-7629

He stated that 2,000 delegates were expected to attend the 1962 convention and that the theme of the 1962 convention would be the fight for the ballot and for job opportunities.

During the discussion on the NAACP Convention, it was brought out that the Party finds itself in the same situation that it was in last year, prior to the convention. That is, that the Party forces have not gotten together and, therefore, the Party must operate at the coming convention without the cooperation and coordination necessary to effectively influence the convention.

The informant reported that WILLIAM PATTERSON spoke and in his remarks indicated that there is a crisis in the Negro movement. He spoke of things that the Party has done, but in which the Party has not made any organizational gains. PATTERSON stated that the CP has been able to get a lot of things moving, but through all this, the Party has not made any organizational gains.

BENJAMIN DAVIS also spoke and stated that although the CP influence is felt, "we" do not make gains. "We are reduced to the characterization of Communist professors. If we cannot take an organization like the NAACP and cannot solve its problems, then we are not going to make it."

DAVIS pointed out that, "How can you explain year after year the activities and maneuverings of the various NAACP Conventions, in which people are influenced undercover, and yet after which we are never any better off in facing the next convention than we were before the last convention? Somewhere along the

NY 100-7629

"line the CP must examine this to find out what is wrong."

JAMES JACKSON spoke and stated that he thought he had a couple of proposals that he felt were possible, even though the time was getting late. He stated that he thought that perhaps LESTER DAVIS, identified as a CP member from Chicago, could get some resolutions for submission to the NAACP Convention and if that fails, then maybe others could do it in other areas. If this fails, then perhaps the resolutions could be introduced at the convention itself. He then proposed that a resolution be introduced and that the forces work for a massive legislative lobby that would mobilize the NAACP's full resources and seek to secure cooperative efforts from other organizations on the basis that this is the 99th year since the Emancipation Proclamation and the CP wants to pressure Congress and the President to call for an Emancipation Proclamation.

JACKSON proposed that the CP work for a three-day holiday or work stoppage in commemoration of 100 years of deferred rights.

The informant reported that in the discussion which followed these proposals, it was felt that those present did not think too much of the possibility of getting a work stoppage or work holiday, however, it was felt that something could be obtained regarding the Emancipation Proclamation. It was felt that this could be done by working through the youth to get them to form a massive youth march.

NY 100-7629

It was agreed to work for a resolution dealing with the peace issue that would take the form of job training for Negro youth as opposed to the tremendous war budget, that is, that money now being spent on defense as a result of the world situation, could be utilized for training Negro youths, if the peace issue was successful.

~~Ted Bassett~~ SUBJECT ORGANIZATION
NY T-2 on June 8, 1962, identified THEODORE R. ~~BASSETT~~ as a member of the New York District CP Committee

"The Worker", an east coast Communist newspaper, issue of September 24, 1961, page 11, refers to WILLIAM L. ~~RATTERSON~~ as Chairman of the New York State CP.

NY T-3 on May 7, 1962, advised that BENJAMIN J. ~~DAVIS~~ on May 6, 1962, while addressing the Crown Heights Forum in Brooklyn, New York, stated that he is the National Secretary of the CP, USA.

NY T-4 on January 17, 1961, advised that the Crown Heights Forum is sponsored by the Crown Heights Section of the Kings County CP and is open to both Party and non-Party members.

"The Worker" issue of December 20, 1959, reported that JAMES ~~JACKSON~~, at a meeting of the National Committee, CP, USA on December 14, 1959, was elected National Secretary for the South and a member of a five-man Secretariat to conduct the current work of the Party.

-NY 100-7629

"The Worker" issue of January 31, 1960, announced that JAMES JACKSON had been appointed by the publishers as Editor of "The Worker".

53RD ANNUAL CONVENTION OF THE NAACP

NY T-5 on July 2, 1962, furnished a 27 page pamphlet entitled "53rd Annual Convention, Atlanta, Georgia, July 2 - 8, 1962, National Association for the Advancement of Colored People". This pamphlet contains the entire program for the convention and identifies the convention headquarters as Municipal Auditorium, Atlanta, Georgia.

CP Program, Strategy and Tactics at NAACP Convention

SUBJECT ORGANIZATION

NY T-6 on July 11, 1962, advised that he had received information that on July 2, 1962, the CP held its first meeting in connection with the NAACP Convention at the Royal Hotel in Atlanta, Georgia. LESTER DAVIS, a CP member from Chicago, stated at this meeting that the "left" was weak and that the Party would be coming up short at the convention.

On July 3, 1962, another meeting of the CP members present at the convention was held at the Royal Hotel. At this meeting it was decided to support the hotel picketing in Atlanta. In addition, it was agreed that the CP would support a resolution to change the name of the NAACP by deleting "Colored People" and adding "Minority Groups".

The informant continued that meetings of the CP members were also held on July 4 and 6, 1962, and

NY 100-7629

the only topics discussed at these meetings were the possibility of introducing a peace resolution and possibly changing the resolution passed annually banning Communism. The Party desired to change the anti-Communism resolution, but did not think a direct attack on the resolution would have any chance of success.

The informant stated that it was learned on July 7, 1962, that the resolution for changing the name of the NAACP had failed because the resolution received no support on the floor of the convention.

NY T-6 advised that a final meeting of this CP group was held on July 8, 1962, and the tenor of the meeting was discouragement, because only five persons had participated on behalf of the Party. LESTER DAVIS was particularly upset and stated that the Party should either make a good showing or not try to do anything at all.

NY T-6 advised that it was his opinion that the CP accomplished little or nothing at the convention and it did not influence the outcome of the convention in any significant way.

SUBJECT ORGANIZATION

NY T-1 on July 23, 1962, advised that he had learned that at a meeting of the National Negro Commission, CP, USA held in June, 1962, in New York City, a Party committee was formed which was responsible for the conduct of the CP activities within the NAACP Convention. This committee included OLIVER MARTIN and TED BASSETT, CP members from New York, and LESTER DAVIS, a CP member from Chicago. DAVIS was to serve as Chairman of this committee and all CP

NY 100-7629

members who were to be delegates or alternate delegates to the convention were to be instructed by their CP Districts to make contact with LESTER DAVIS at the NAACP Convention.

^{SUBJECT ORGANIZATION}
The informant advised that he received information that a meeting of the CP caucus present at the NAACP Convention was held on July 3, 1962, at the Royal Hotel, Atlanta, Georgia. ALVA BUXENBAUM was in attendance at this meeting and indicated that she had no status within the convention, but was there representing the attitude of the CP youth. She stated that she could and would attend the youth meetings of the NAACP Convention and would make every effort to establish contacts and relations, which might make it possible to influence the course of the convention.

NY T-7 on March 23, 1962, advised that ALVA BUXENBAUM was a member of the Brooklyn Youth Club, New York District CP.

At this meeting an effort was made to assess the strength of the CP within the convention. It was learned that a number of the key Party members that had been expected to attend the convention either were not in attendance, had not been located or were not able to attend.

OLIVER MARTIN was defeated for election as a delegate from the Bronx NAACP Branch and JAMES JACKSON, who previously indicated he would attend, was not observed. It was learned that a CP member and a delegate to the convention had been a candidate for nomination for the Resolutions Committee from the mid-

NY 100-7629

west region, but was defeated. This was considered by the CP caucus as a serious setback because it destroyed the only possible effective vehicle within which the CP could work to influence the policies of the convention.

The informant reported that the CP program at the convention was as follows:

1. To work for a resolution calling for a youth march.
2. To work for a resolution calling for a national observance of the Emancipation Proclamation to take place sometime between November 1, 1962 and January 1, 1963.
3. To work for a resolution to call for a Presidential Emancipation Proclamation to end all Jim Crowism in America.

The informant learned that TED BASSETT had stated that this was the most poorly organized NAACP Convention from the Party's point of view, but that the Party delegates would have to do the very best they could. He stated that the thing to do was for each person present to determine what people were functioning on a national level on the Resolutions Committee and with which ones it was possible to establish friendly relations. This would have to be done in a short order if such relations were to be established prior to resolutions being introduced at this convention.

Those present agreed to canvass the convention to make every effort to locate Party delegates and other "left" appearing delegates,

NY 100-7629

who might offer an opportunity for help within the convention. They agreed to meet daily to discuss progress and to meet for a final session, at which time a general assessment of the convention would be made. This would be valuable to the National Office of the Party in assessing the work of the NAACP.

The informant learned that at another meeting of the CP caucus the Party members expressed disappointment in making contacts with convention delegates and they noted that the Party was weak and lacked organization at the convention. It was pointed out that BERNICE GABRIEL, a CP delegate from Boston, was observed at the convention, as well as an unknown CP female delegate from New York. : SUBJECT ORGANIZATION

CP FUNCTIONARIES MEETING

NY T-8 advised in July, 1962, that a meeting of leading CP functionaries was held at CP headquarters, New York City, on July 11, 1962.

At this meeting TED BASSETT gave a report on his impressions of the recent convention of the NAACP. BASSETT commented that he attended the convention as an observer and the most important development was that the NAACP took direct action on integration. This was expressed by all the speakers. There were 1,228 delegates present, whereas last year there were 1,714 delegates. Membership in the NAACP in the past year dropped 8,197, which was due, according to their report, to a loss in the industrial centers, due to economic reasons.

NY 100-7629

BASSETT related that at the convention the NAACP went on record again of calling for the abolition of the House Un-American Activities Committee (HUAC). They also attacked the Eastland Committee, but pushed the anti-Communist resolution, in spite of the fact, as pointed out, that the NAACP was the victim of anti-Communist attacks. The NAACP is concerned about THURGOOD MARSHALL's lack of Senate confirmation for United States Judge and are going to ask NAACP branches to send delegates to see various United States Senators. The NAACP contrasted the big expense of the Peace Corps with the failure of the government to spend anything in relation to Mississippi and called for the removal of Southern representatives from Chairmanship of House and Senate Committees.

The informant advised that following BASSETT's remarks, JAMES JACKSON stated that the NAACP remains the decisive, well-organized center of the Negro struggle. The struggle on the political front is related directly to the economic question and the unfolding suffrage drive.

WILLIAM L. PATTERSON commented that the NAACP's calling for the abolition of the HUAC is a tremendous advance and "we" should support this action. He suggested sending a carefully worded letter to the NAACP supporting them on this matter.

GUS HALL remarked that the convention was truly historical and "we" should have a person on a national level that can mix with the NAACP.

NY T-9 on May 7, 1962, advised that GUS HALL is General Secretary, CP, USA.

CONFIDENTIAL

NY 100-7629

The informant also advised that it was announced at this meeting that the chapters of the NAACP are not geared for mass activities. The Party has to help on this and "we" have to realize that the NAACP branches are the focus through which "we" must operate.

ARNOLD JOHNSON stated that the Party can sharpen the struggle on the basis of Negro-white unity. "We" must give attention to the youth section of the NAACP, which is a militant section.

NY T-10 on December 14, 1959, advised that ARNOLD JOHNSON was elected to the National Committee, CP, USA at the National Convention of the CP, USA, held in New York City on December 10-13, 1959.

CP, USA NEW YORK DISTRICT BOARD
MEETING

NY T-11 on July 16, 1962, advised that on July 12, 1962, a CP, USA New York District Board meeting was held in New York City. At this meeting TED BASSETT gave a report on the NAACP Convention recently held in Atlanta, Georgia. He stated that compared with the 1961 NAACP Convention held in Philadelphia, Pennsylvania, where the Party was better organized, they had contributed more than ^{than} they did at this year's convention in Atlanta.

CP Attempts to Infiltrate NAACP Convention

NY T-1 in February, 1960, advised that the Secretariat

NY 100-7629

of the CP, USA, and invited guests met during February, 1960, at CP Headquarters, 23 West 26th Street, New York City.

On the topic of "The 1960 Elections and the Negro Liberation Movement", CLAUDE LIGHTFOOT gave a report and stated that included among the problems being considered by the Negro Commission of the CP, USA, is the NAACP Convention.

In discussing the NAACP, LIGHTFOOT stated that the NAACP National leadership and the leadership of the branches in the larger cities follow a pattern of conservatism as they prepare for the National Convention in St. Paul, Minnesota. Yet, the NAACP membership is showing a restlessness and in the smaller cities they are organizing, adopting resolutions and influencing the preparations for the NAACP National Convention in a progressive direction. Discussing the NAACP slogan of "Free by '63", LIGHTFOOT stated that the goal of this slogan is not realistic. Yet, the CP has to support it and has to show how to organize and mobilize for some of the things which are embodied in this slogan. The CP must show that the Negro in the United States cannot wait another 100 years for freedom, and that it is possible to obtain more freedom and equality in the present situation.

"The Worker", an East Coast Communist weekly newspaper, issue of December 20, 1959, reported that CLAUDE LIGHTFOOT, at a meeting of the National Committee, CP, USA, on December 14, 1959, was elected Vice-Chairman of the CP, USA.

NY T-2 on March 28, 1960, advised that the National Committee of the CP, USA, met on March 26-27, 1960, in

NY 100-7629

Chicago, Illinois. At the meeting on March 26, 1960, BEN DAVIS gave a report on the "Struggle of Negro Students in the South". He stated that there was no doubt as to what the tasks of the Party must be. The Party must mobilize all-out support for the student movement in the South. Funds must be raised and sent to the students, to the NAACP or to Reverend MARTIN LUTHER KING. DAVIS stated that it was the Party's responsibility to help direct money into any available channel which will lead to the support of the Negro student movement. The Party must also give unqualified support to every action taken by the students.

The informant advised that DAVIS made several proposals at the meeting, which included one that the CP must begin preparation for the NAACP Convention at once and discussions should be held in every Party district.

"The Worker", issue of February 21, 1960, Page 1, identified BENJAMIN J. DAVIS, Jr. as the National Secretary, CP, USA.

NY T-1 in June, 1960, advised that a meeting of the Steering Committee of the National Negro Commission, CP, USA, would be held in New York for the purpose of discussing the NAACP National Convention to be held in the latter part of June, 1960.

"Political Affairs", issue of May, 1960

The May, 1960 issue of "Political Affairs" contains an article by CLAUDE LIGHTFOOT entitled, "The Negro People And The 1960 Elections". The article in part reads as follows:

NY 100-7529

"The 1960 elections are being waged in circumstances of great changes among the Negro people. As a consequence, the Democratic and Republican Parties are confronted with a Negro electorate quite different from that of any previous period in our history. The Negro people's movement, no longer satisfied by small concessions, is placing demands for drastic changes in the second class citizenship status of Negroes. The concept of 'Freedom Now' gains momentum, with each passing day. Unlike the situation which prevailed at the time the NAACP raised the slogan 'Free by 63' and relied upon court actions to achieve it, today's movement is developing a strategy and tactics which project it forward as the most dynamic and compelling force on the American scene today."

* * * * *

"Forces in the NAACP which heretofore relied solely on the legal struggle, and deprecated mass actions under today's circumstances, are being forced to embrace mass activity as a principal weapon. This is most clearly demonstrated in what is happening around the student sit-in strikes in the South. These have already assumed the character of a national people's crusade. Supporting actions of a mass character are developing everywhere and the NAACP is playing a pivotal role."

"Political Affairs" is characterized in the Appendix Section attached hereto.

NY T-4 on January 4, 1960, advised that a meeting of the Harlem Region CP Committee was held on December 29, 1959, in New York City. On January 11, 1960, NY T-4 advised that the Harlem Region CP Committee and CP State delegates held a meeting on January 3, 1960, at the home of RAPHAEL HENDRIX in New York City.

The informant advised that RAPHAEL HENDRIX was elected to the CP State Committee and will continue functioning in the NAACP but not as a known Communist. The informant stated that in the event it was necessary for HENDRIX to give a report at a CP Convention on mass organizations in Harlem, the report would be made by someone else but credit would be given to HENDRIX.

NY T-5 on March 8, 1960, advised that the Educational Committee of the Manhattan NAACP Branch had voted to have its co-chairman, RAPHAEL HENDRIX, represent the committee in Washington, D. C., at the National Organizations of Women

NY 100-7629

for Integration Conference on February 17-20, 1960. The informant advised that the Educational Committee provided no funds to HENDRIX for the trip and HENDRIX could not attend the conference because he did not have sufficient funds.

The informant further advised that this situation was brought to the attention of the New York State CP Committee and because of the importance placed on the trip by the New York State CP Committee, HENDRIX's trip was financed by the CP.

NY T-6 on March 25, 1960, furnished a list of the chairmen of the various committees of the New York (Manhattan) NAACP Branch. Included on the list were the names of RAPHAEL HENDRIX, Co-chairman of the Educational Committee and STANLEY LEVISON, Co-chairman of the Entertainment Committee.

NY T-7 on June 25, 1957, identified STANLEY LEVISON as a CP member with no official title, who performs his CP work through activity in mass organizations.

On January 15, 1960, NY T-17 advised that a meeting of the Kings County CP Board was held January 12, 1960, in Brooklyn, New York. At the meeting a report was made on the

NY 100-7629

recent elections of the Brooklyn NAACP Branch and it was noted that more work should have been done by the Party to have placed more friends of the CP in good positions in the NAACP.

NY T-18 on February 8, 1960, advised that WILLIAM L. PATTERSON, General Manager of "The Worker" and a Vice Chairman of the New York State CP, met with Reverend MILTON A. GALAMISON, a member of the Executive Board of the Brooklyn NAACP Branch, and former President of the Brooklyn NAACP. The purpose of this meeting was to induce Reverend GALAMISON to make a trip to Washington, D. C. to visit JAMES V. BENNETT, the Director of Prisons. As a result of this meeting, Reverend GALAMISON agreed to go to Washington, D. C. on February 9, 1960, to make an appeal for the release of HENRY WINSTON from prison.

The "Daily Worker", a former East Coast Communist newspaper, which suspended publication on January 13, 1958, issue of January 1, 1951, identified HENRY WINSTON as a member of the National Committee, CP, USA, elected at its 15th National Convention in December, 1950.

WINSTON was convicted in United States District Court, New York, on October 14, 1949, for violation of the Smith Act. He also was convicted for contempt in failing to surrender to serve his sentence until 1950. He is in custody for these violations.

The informant identified VICTOR SCHERMER as the son of JEAN SMITH, a CP member and stenographic employee at CP Headquarters, 23 West 26th Street, New York

NY 100-7629

City. The three page letter was mimeographed at CP Headquarters with the consent of WILLIAM ALBERTSON and with the proviso that all copies of stencils were to be removed from CP Headquarters.

NY T-20 on July 21, 1958, advised that on July 20, 1958, STANLEY GOODMAN stated that he was then a CP member.

NY T-18 on February 15, 1960, advised that an informal meeting of Kings County CP members was held on February 12, 1960, at 726 Nostrand Avenue, Brooklyn, New York. The purpose of the meeting arose from the fact that CLAIRE GUMBERBATCH who was present at the meeting and former CP member, had been proposed as the Assistant Educational Director of the Brooklyn NAACP Branch.

Clear

NY 100-7629

The informant stated that ~~JIM TORMEY~~, a CP member, had received word that ~~CUMBERBATCH~~ did not want to accept the position because she had been defeated in the elections as a member of the Executive Board of the Brooklyn NAACP Branch. ~~TORMEY~~ who was present at the meeting, encouraged ~~CUMBERBATCH~~ to accept the position because the Party would have someone in a leadership capacity in the Brooklyn NAACP Branch who would be friendly to the Party. As a result of the discussion which took place on this matter, ~~CUMBERBATCH~~ would not state whether or not she would accept the position, however, ~~TORMEY~~ was of the opinion ~~CUMBERBATCH~~ would accept after thinking it over.

As a result of the discussion which took place on this matter, ~~CUMBERBATCH~~ would not state whether or not she would accept the position, however, ~~TORMEY~~ was of the opinion ~~CUMBERBATCH~~ would accept after thinking it over.

The 1960 Annual Report

The "New York Amsterdam News", a weekly Negro newspaper, issue of January 14, 1961, contained an article captioned "NAACP Membership is up 45,000 over 1959".

The article states that the NAACP national membership for 1960 as of December 19, 1960 is 386,808 an increase of 45,000 over the same period in 1959. The NAACP now has 1,434 units in 45 states, including Alaska and Hawaii.

NY 100-7629

Detroit, Michigan, replaces Philadelphia as the largest unit with 24,800 members; Chicago, Illinois, is next with 15,025; Cleveland, Ohio, 13,547; Philadelphia, Pennsylvania, 12,585 and Washington, D.C., 11,372.

CP Attempts to Infiltrate NAACP Convention
Held June 20-26, 1960 at St. Paul, Minnesota

NY T-1 in June, 1960, advised that GUS HALL, General Secretary of the CP, USA, had given permission to a Negro CP Functionary to [obtain money] from the CP, USA in connection with the NAACP Convention.

NY T-1 in June, 1960, also advised that CLAUDE LIGHTFOOT would obtain [\$400.00] from the CP in connection with Communist activities at the NAACP Convention.

"The Worker" an East coast Communist weekly newspaper, issue of December 20, 1959, reported that CLAUDE LIGHTFOOT, at a meeting of the National Committee, CP, USA, on December 14, 1959, was elected Vice-Chairman of the CP, USA.

NY T-2 on June 23, 1960, advised that SAMUEL K. DAVIS, Secretary, Minnesota-Dakotas District, CP, USA, had been assigned by the CP, USA Headquarters in New York City to cover the NAACP Convention being held in St. Paul, Minnesota.

NY T-2 advised that DAVIS attended the first session of the convention and was scheduled to attend other sessions. According to NY T-2, DAVIS did not attend the sessions of the convention as an observer, but actually spent time talking to delegates.

NY T-2 advised that there was no indication that the local district of the CP had influenced the activities of the NAACP Convention.

NY 100-7629

NY T-3 on July 12, 1960, advised that at a meeting of the CP Illinois State Committee held July 8, 1960, in Chicago, Illinois, CLAUDE LIGHTFOOT gave a report on the NAACP Convention.

LIGHTFOOT stated that he ^{had} planned to give a different report on the latest developments of the Negro people's struggle, but since that time a number of things had taken place, including the NAACP Convention, which he and a number of other comrades had attended. LIGHTFOOT stated that he therefore felt it expedient to give a full report on the NAACP Convention and touch briefly on other aspects of the Negro people's struggles.

LIGHTFOOT stated that it was his feeling that the 51st National Convention of the NAACP, which took place in St. Paul, Minnesota, was a very significant convention. He added that his overall estimate of the convention was that it was a very positive convention. There were a few negative points, but these were outweighed by the positive aspects of the convention.

LIGHTFOOT said that the convention was held against a background of the growing collapse of world imperialism. The dominant forces among the Negro people today are those who associate themselves with militant mass action. The NAACP finds itself in a position where it has to change its tactics in order to maintain its status.

In summing up the positive aspects of the convention, LIGHTFOOT listed the following points:

1. He felt there was, within the convention, the recognition of mass action as a principal method of struggle.

NY 100-7629

2. The convention reflected a new movement and revolutionary moods.

In citing the negative aspect of the convention, LIGHTFOOT stated that there was no review of past policy. He stated that the CP cannot go on forever building, creating or working with movements that limit the Party's potential for growth within them.

NY T-4 in July, 1960, advised that a meeting of the CP, USA Secretariat and invited guests, was held at CP Headquarters, 23 West 26th Street, New York City, on July 13, 1960.

At this meeting CLAUDE LIGHTFOOT gave a report on the NAACP Convention. LIGHTFOOT noted that the convention took place against a background of the emergence of independence for 16 Negro led African states. He said that this was having a profound effect on millions of American Negroes and was becoming an important point in American foreign policy. He contrasted this against the present internal situation of the United States wherein he said that the struggle for Negro rights is not progressing. In speaking of the convention, LIGHTFOOT commented that the convention was divided into panels dealing with leadership, political action and the use of economic weapons and others.

LIGHTFOOT commented that no substantial headway was made in terms of integrating young people on a policy level. The young people had influenced the convention more than any other class of people. LIGHTFOOT commented that in his opinion, the primary thing was that the leadership of the NAACP, in the past decade, has had no conception of what is required to win freedom in the United States. He said that the convention was free of "red baiting" in the principal speeches, and panels.

NY 100-7629

LIGHTFOOT said that "we" were pitifully small in number and the main problem is that "we" have very few Communist-led movements in the organization, adding that he believed that they have thrown out of the organization those that were in it.

NY T-4 advised that following LIGHTFOOT's report, a discussion period was held. WILLIAM WEINSTONE stated that it was necessary to take up the struggle against "Communism in the NAACP." BEN DAVIS felt that the Party must support any and all organizations that further the Negro Peoples Movement and he said that the NAACP is an essential organization to express the aim of the Negro people. DAVIS regarded the NAAJP as an important organization in the Negro People's Movement.

Continuing, DAVIS remarked that the actions of the organizations in the Negro People's Movement will determine how the Negro will act and how the Negro will vote. DAVIS stated that it was ^{to} the Party's advantage to build the Negro People's Movement in the South and the Negro American Labor Council (NALC) in order that the NAACP will not continue to dominate the thinking of the Negro. He said that the Party must point out that "red baiting" is the one remaining way in which the ruling class of this country maintains its ties with the Negro People's Movement.

The informant advised that CLAUDE LIGHTFOOT agreed with the comments made by BEN DAVIS and said that the Party should explore the possibility of building a cadre among these organizations. LIGHTFOOT added that the Party must move to increase its cadre within the NAACP.

Informant advised that LIGHTFOOT then made the following proposals:

NY 100-7629

1. An article should be prepared for "Political Affairs" regarding this field and he volunteered to submit a draft for approval.

2. The article written last year entitled, "High Cost of Red Baiting" should be published in mimeographed form and sent to the districts. The districts in turn should get the article into the hands of local chapter members of the NAACP.

3. A committee should be appointed to meet and discuss youth councils.

NY T-5 on January 22, 1961, advised that WILLIAM WEINSTONE was elected to the National Committee, CP, USA, at a meeting of the National Committee, CP, USA, held on that date in New York City.

"The Worker" issue of December 20, 1959, reported that BENJAMIN J. DAVIS, at a meeting of the National Committee, CP, USA, on December 14, 1959, was elected National Secretary and a member of the Five-Man Secretariat to conduct the current work of the Party.

852 DAVIS was convicted in the United States District Court, New York, on October 14, 1949, for violation of the Smith Act.

"Political Affairs" is characterized in the appendix section attached hereto.

NY T-6 on July 7, 1960, furnished the following information concerning the NAACP Convention held in St. Paul, Minnesota:

NY 100-7629

The 51st Annual Convention of the NAACP opened at St. Paul, Minnesota, on Tuesday, June 21, 1960, with headquarters at the Municipal Auditorium, St. Paul, and much of the activity centering around the St. Paul Hotel.

CLAUDE LIGHTFOOT, Chairman, CP of Illinois, appeared in St. Paul early in the morning of June 21, 1960, to contact his associates. LIGHTFOOT was in St. Paul to coordinate and direct CP strategy in an attempt to influence the NAACP Convention. LIGHTFOOT indicated that his "key men" at the convention, through whom he would try to work, were OLIVER MARTIN, a CP member from New York City, who was a delegate to the National Convention, and ROBERT HYMER, a CP member from Chicago, who was an alternate delegate to the convention. HYMER eventually became a delegate on June 22, 1960. -11
MINN

It had originally been suggested that PETTIS PERRY, a CP official who is familiar with NAACP affairs, was to have come from the West Coast to attend the St. Paul convention, but LIGHTFOOT stated PERRY was unable to do so because of the expenses involved, and accordingly, LIGHTFOOT was taking his place.

LIGHTFOOT's early instructions to CP members active at the convention were to push housing for Negroes by recommending the establishment of a National Housing Committee and a definite legislative program assuring open occupancy on a national level. The CP also urged active interest in discussions involving youth participation in segregation protests and preparing youth for NAACP leadership, which were items on the agenda set up by the National Office of the NAACP.

In connection with individuals in attendance at the NAACP Convention, OLIVER MARTIN, CP member from the Bronx, was observed on June 20, 1960, in connection with pre-convention activities. MARTIN occupied Room 316 at the St. Paul Hotel and was attending the convention as an official delegate from the Bronx, New York group of NAACP.

NY 100-7629

(NY T-6 Report Continued)

BARBARA TILLER from Chicago, who has been connected with the Progressive Movement in the past and is scheduled to be asked to join the CP, was observed at pre-convention activities on June 20, 1960, and was attending the convention as an alternate delegate from the Morgan Park Youth Council Section. TILLER is active in youth work in Chicago and is vice-president of the Morgan Park Youth Council. TILLER was staying at Room 664 of the Ryan Hotel.

CLAUDE LIGHTFOOT was supposed to have arrived in St. Paul on Monday, June 20, 1960, but was not observed until Tuesday morning. On the morning of June 21, 1960, LIGHTFOOT tried to register as an official observer at the convention, but when the official listings of observers were subsequently released later during the morning, it was noticed that his name had been scratched out on these listings and that he had not been accepted by the registration committee in this capacity.

The opening session of the convention started at 1:00 p.m., on Tuesday, and during these early convention sessions LIGHTFOOT introduced himself to various NAACP officials, including ROY WILKINS, NAACP Executive Secretary, and tried to develop friendly contacts with some of these individuals, but the very mention of his name caused considerable consternation among NAACP leaders and convention delegates. When the Chicago delegation to the convention noticed LIGHTFOOT's name scratched out on the observer sheets, they were all aware and concerned over his presence at the convention.

Accordingly TED R. BASSETT, a New York reporter for "The Worker", stated during the afternoon session that it had been decided that he, BASSETT, was to serve as liaison man for LIGHTFOOT during the convention and would contact individuals for LIGHTFOOT and arrange meetings, etc.

NY 100-7629

(NY T-6 Report Continued)

In connection with the meeting held at Room 221, Ryan Hotel at 11:00 p.m., Tuesday, June 21, 1960, which had been announced by a note circulated by TED BASSETT, New York Reporter for "The Worker," the following is noted:

ALBERT JANNEY,^{SI} in whose room the meeting was held, is known to be a CP member at Chicago, and was attending the NAACP Convention as an observer.

LIGHTFOOT instructed those present in what was to be done in connection with the convention:

1. OLIVER MARTIN, who had been invited to this meeting but had not attended, was to push resolutions concerning jobs (Fair Employment Practices).

2. JANNEY was to circulate a folder and cover letter to convention delegates. This pamphlet, captioned "Freedom Now! A Plan to Increase the Political Power of Negro Citizens," dated June, 1960, and issued by LEMUEL E. BENTLEY, Midwest Conference of Negro Voters, and BENNETT J. JOHNSON, Executive Director, Chicago League of Negro Voters, Post Office Box 6133, Chicago 80, Illinois. The cover letter to be circulated with the pamphlet was on the letterhead of the Chicago League of Negro Voters and introduced HERMAN GILBERT and ALBERT JANNEY as official delegates of the Chicago League of Negro Voters to the NAACP Convention. The letter was signed by BENTLEY and JOHNSON.

Subj.
3. The CP wanted to introduce and obtain support for a resolution on Civil Rights, which resolution had been written by ALBERT JANNEY, apparently at the suggestion of LIGHTFOOT. This resolution declared that the 51st Annual Convention of the NAACP should state emphatically that no candidate nor platform would be accepted which did not call for the following:

"(a.) A Presidential Executive Order creating a Federal Fair Employment Practices Act with full powers to investigate and remedy discriminatory employment practices in both public and private concerns.

NY 100-7629

(NY T-6 Report Continued)

"(b.) A Presidential Executive Order against segregated housing with special emphasis on the prohibition of Federal Reserve Banks providing mortgage money for the building, financing, etc., of segregated housing.

(c.) A Presidential Order implementing and guaranteeing the right of Negro citizen to vote in the South; that under this order the President use the full powers of his office to protect the lives, properties and fortunes of Negro citizens exercising this right.

(d.) The setting up, under the Department of Health, Education, and Welfare, of agencies throughout the country to promote better relationships between the races by carrying on a nation-wide program of human relations.

(e.) The appointment of a Negro to the Cabinet of the President of the United States.

(f.) The appointment of a Negro to fill the first vacancy occurring on the Supreme Court."

The group discussed the difficulty in introducing this resolution to the convention and considered the possibility of approaching Dr. WARREN SPENCER, Evanston, Illinois, NAACP delegate serving on the Resolutions Committee, in this connection. There was no indication during this discussion that SPENCER was in any way sympathetic to the CP or to any of the individuals involved, but only that he might be used as an innocent instrument for this group. It was decided to consider this further.

It is to be noted that all of these above-mentioned resolutions pertain to items that are already of interest and concern to the NAACP Convention workshops, i.e., voter's rights, housing, Fair Employment Practices, Civil Rights, etc.

NY 100-7629

(NY T-6 Report Continued)

During this meeting on June 21, 1960, it was learned that BENNETT JOHNSON of Chicago, a CP official in Illinois, had called JANNEY long distance and had indicated that he, JOHNSON, might be in St. Paul later during the convention.

The following day, June 22, 1960, OLIVER MARTIN stated that he was to have attended the meeting at JANNEY's room the night before, but that he had become lost and was unable to get there.

On the late afternoon of June 22, 1960, after the convention workshop sessions had terminated, CLAUDE LIGHTFOOT advised a few of his friends that he was concerned and discouraged over the lack of progress made by the Party in trying to influence convention activities. He indicated that to date these activities had generally failed; that ROBERT HYMER had failed to be elected to the National Youth Work Committee and had been unable to have any influence in that area; that Party-instigated attempts to introduce a resolution urging housing matters had failed and it was being abandoned.

LIGHTFOOT said that ALBERT JANNEY had not been very active circulating the pamphlet on the Negro's Political Power which he was supposed to be circulating in connection with the Chicago League of Negro Voters; and that to date no delegate had been located to introduce to the convention the Civil Rights resolution written by JANNEY.

LIGHTFOOT stated that he planned to attend a convention workshop on Wednesday, dealing with the Negroes' use of economic power and urged other CP members to attend convention workshops.

NY 100-7629

(NY T-6 Report Continued)

During the late afternoon session at the NAACP National Convention at St. Paul on June 21, 1960, TED BASSETT, who is a reporter for "The Worker" in New York City, contacted several individuals at the convention and advised them in writing of a meeting to be held at 11:00 p.m., that night in Room 221 at the Ryan Hotel, St. Paul, Minnesota. That night, shortly past 11:00 p.m., it was noted that the following individuals were among those present in Room 221:

HERMAN C. GILBERT and ALBERT JANNEY, who are active in the Chicago Negro Voters League and are CP members;

CLAUDE LIGHTFOOT, and ROBERT HYMER, a CP member from Chicago who was an alternate delegate to the NAACP Convention.

During this meeting, LIGHTFOOT laid down the CP tactics for upcoming sessions of the National Convention, and called for support for a resolution calling for support of measures to bring about equal rights for Negroes. LIGHTFOOT indicated that although one CP member at the convention was originally to have pushed a resolution on housing, these instructions were being revised and a resolution on youth activities was to be pushed.

It was also learned that OLIVER MARTIN, a delegate to the convention from New York City, was in the CP faction and was to push two resolutions at the National Convention; one on jobs and one on South Africa.

In the late evening of June 22, 1960, OLIVER MARTIN called a meeting in his room, Room 316 at the St. Paul Hotel. This meeting was attended by various individuals, some of whom were obviously not CP members. Among those in attendance were the following:

NY 100-7629 (NY T-6 Report Continued)

OLIVER MARTIN,
New York;

ALBERT JANNEY,
Chicago;

HERMAN C. GILBERT,
Chicago;

ROBERT HYMER,
Chicago;

WILLIAM FITZGERALD from
Argo, Illinois, delegate to the NAACP Convention,
who was interested in a labor resolution;

DON HILL from
Detroit, Michigan, an
observer at the convention,
interested in a labor resolution;

ARNOLD GILLESPIE from
Detroit, an observer at the
convention;

JAMES HOCKER, River Rouge,
Michigan, an alternate
delegate to the convention
who was interested in a peace
resolution.

CLAUDE LIGHTFOOT intentionally did not attend
this meeting so as not to alarm the non-Party people
as to his CP connections.

OLIVER MARTIN generally ran this meeting and urged
the presentation of three resolutions to the convention,
as follows:

NY 100-7629

(NY T-6 Report Continued)

1. A peace resolution which had been written by HERMAN GILBERT, OLIVER MARTIN himself will try to present this resolution.
2. A Civil Rights resolution which had been written by ALBERT JANNEY, which HYMER will try to have introduced to the convention.
3. A labor resolution which they would try to have introduced by someone not necessarily a CP member. It was hoped that FITZGERALD would take action on this resolution.

MARTIN called another meeting for this group for 11:00 p.m., Friday, June 24, 1960, in his hotel room.

At the close of business sessions at the convention on Thursday, June 23, 1960, which sessions were devoted primarily to the meeting of Regional Workshops, ALBERT JANNEY stated that attempts to introduce his Civil Rights resolution had failed to date; that HYMER had given it to a minister in the Chicago delegation who was not a CP member, and that no action had been taken on the resolution so far. As of that time it was felt that CP members active at the convention, had not been in any way active in pushing their causes, and that during the workshop sessions on Thursday, no CP members were known to have been vocal or active in any way.

Saturday, June 25, 1960, was devoted to the Convention Plenary Session on Legislative Matters, and during this session the CP, through its few controlled delegates, was not active to any degree from the convention floor and had no influence on convention affairs.

After the general legislative session on Saturday, TED BASSETT, CLAUDE LIGHTFOOT and associates

NY 100-7629

(NY T-6 Report Continued)

held a brief conference at the Convention Hall. BASSETT and LIGHTFOOT each indicated that the Plenary Session had "been a bust" as far as the CP was concerned.

It was also learned on Saturday that the meeting scheduled for 11:00 p.m., Friday night in OLIVER MARTIN's room, #316 at the St. Paul Hotel, had not been well attended. This meeting which had included non-Party people, had been directed toward obtaining support by these people for CP resolutions, but it was apparent from the lack of activity on Saturday during the general session, that this meeting had accomplished nothing.

On the morning of June 24, 1960, ALBERT JANNEY, Room 221 Ryan Hotel, conferred with HERMAN GILBERT and others concerning the failure to date to obtain any concrete results in the presentation of resolutions urged by the CP. JANNEY indicated that his Civil Rights resolution had apparently failed in the Resolutions Committee, however, when the NAACP resolution on Civil Rights would be presented to the convention, they would have a last ditch try at making amendments from the floor in connection with this resolution. JANNEY indicated that the labor resolution was still "in the mill" and indicated that perhaps BILL FITZGERALD from Argo, Illinois, a delegate to the convention, would carry through on this resolution.

At noon on June 24, 1960, after the morning Convention Plenary Session, CLAUDE LIGHTFOOT, who had attended the morning session, contacted a few of his associates at Convention Hall. LIGHTFOOT was concerned about what had happened to the Civil Rights resolution which had been written by JANNEY, and upon learning that it had apparently failed to be presented to the Resolutions Committee, LIGHTFOOT indicated he would have to challenge ROBERT HYMER on his failure to properly handle this assignment. At that time CLAUDE LIGHTFOOT

NY 100-7629

(NY T-6 Report Continued)

announced that there was to be a meeting in JANNEY's room, number 221, at the Ryan Hotel, at 10:00 p.m., Saturday night, to evaluate the CP's work at this convention. It is to be noted that at no time during the convention was there any proposal on the part of LIGHTFOOT or the others, to try and block the "red baiting" resolution on Communism always passed at these NAACP conventions.

At the direction of CLAUDE LIGHTFOOT, a meeting was held at 10:00 p.m., on Saturday, June 25, 1960, in a hotel room on the second floor of the Ryan Hotel. The announced purpose of this meeting was to evaluate the CP's work at the NAACP Convention. This meeting was poorly attended, with only a few CP members present, including LIGHTFOOT. As the meeting got under way, CLAUDE LIGHTFOOT called for some observations by those in attendance, as to the positive and negative results of CP attempts to influence convention activities.

OLIVER MARTIN stated that he thought this year's convention had been better than in the past, and that in spite of the passage of the "red baiting" resolution, the Party had succeeded in inserting a shorter work week amendment in the labor resolution. MARTIN indicated that the group he had met with Friday night had generally deserted the cause on the floor during the Saturday session, and that apparently they were not the right people. He indicated the Party should place more people in NAACP activities because only voting delegates were of any value at a convention such as this, and only two or so delegates at this convention were CP controlled and even they were restricted by conservative elements.

It was generally agreed that more work should be done by the Party in the branch level presenting proposals for resolutions far in advance of the convention date, gaining support for their causes, and assuring their election as delegates to the convention. Someone indicated that it was hoped the Party could get many more delegates to the NAACP convention next year in Philadelphia.

NY 100-7629

(NY T-6 Report Continued)

There was some discussion on the fact that the re-organization of the NAACP in many communities, from smaller units into larger big city branches, had handicapped the CP and generally diminished the effect of any Communist infiltration. ROBERT HYMER stated that although the Party had had no particular influence in the NAACP youth work at the convention, the NAACP itself had developed an ambitious and militant program which was generally in keeping with the CP's objectives.

TED BASSETT indicated he would write an editorial for "The Worker" in connection with the convention and stated he would confer further with OLIVER MARTIN in this connection on their return to New York.

CLAUDE LIGHTFOOT indicated that he was generally dissatisfied with the CP's accomplishments at the convention, but that it was gratifying to see that the NAACP Youth Movement was developing rapidly and that the NAACP had taken initiative in aligning itself and working harmoniously with other mass organizations, labor, etc., which was in accord with the Party's program. He generally agreed that the Party had not been too influential at the convention in view of its weak representation among the convention delegates and because of the fact that the NAACP had developed a full and ambitious program on its own.

As a result of this discussion CLAUDE LIGHTFOOT proposed that the Party should establish a National Committee on NAACP affairs.

From LIGHTFOOT's comments it appeared that PETTIS PERRY who has previously handled the NAACP work for the Party, has had this assignment taken away from him and has been replaced by LIGHTFOOT.

NY 100-7629 (NY T-6 Report Continued)

LIGHTFOOT stated that he would present this proposal to the National Committee in New York City in the near future, and that if this committee is approved, it should meet in New York City in January, 1961, to formulate a policy.

NY T-7 advised on January 11 and 22, 1960, that at the January 9, 1960 session of the reconvened New York State CP Convention, TED BASSETT was elected to the New York State CP Committee.

CP Attempts to Infiltrate

NY T-8 on July 11, 1960, advised that ARTHUR EDELMAN during July, 1960, contacted the New York NAACP under the name of BEN BLOM, a representative from Congress of Racial Equality (CORE), for the purpose of obtaining sound equipment for outdoor meetings to be held in Harlem, sponsored by CORE. At the time EDELMAN, still under the name of BEN BLOM, advised the NAACP that his wife MILDRED EDELMAN was available to assist and work for the NAACP.

NY T-9 on March 24, 1960, advised that as of that date ARTHUR EDELMAN was the Section Organizer of the Washington Heights Section of the New York County CP and a member of the New York County CP Committee.

NY T-10 on April 24, 1958, advised that MILDRED EDELMAN attended a CP meeting held on April 18, 1958, at 35 Ft. Washington Avenue, New York City.

NY T-13 on December 13, 1960, advised that a meeting of the Harlem Region Staff New York District, CP, USA, was held on November 28, 1960 at the home of RAPHAEL HENDRIX. At the meeting RAPHAEL HENDRIX gave a report on her activities in the New York NAACP Branch. She stated that the NAACP elections would be

NY 100-7629

held in December, 1960, and urged everyone who was a member of the NAACP to be sure to vote. Every effort should be made by the Party to defeat JOSEPH OVERTON if the NAACP is to be active in the best interests of the Negro people in New York City.

NY T-13 in January, 1960, advised that RAPHAEL HENDRIX had been elected to the New York State CP Committee.

NY T-14 on December 20, 1960, advised that a membership meeting of the 12th Assembly District (AD) CP Club was held on December 6, 1960, at 305 West 150th Street, New York City. At the meeting DOROTHY DAILEY, Club Organizer, stated that the New York NAACP Branch elections would be held on December 20, 1960. DAILEY urged all members present to vote in the NAACP elections prior to attending the next meeting of the 12th AD CP Club.

NY T-15 on January 9, 1961, furnished a sample ballot of the election held by the New York NAACP Branch on December 20, 1960, at 165 West 131st Street, New York City. Among the nominees for the Executive Board for the New York NAACP Branch were:

~~JESSE GRAY~~
RAPHAEL HENDRIX

NY 100-7629

NY T-14 on January 9, 1961, furnished information concerning CP participation in the New York (Harlem) NAACP Branch. Informant advised that although RAPHAEL HENDRIX is an active member of the NAACP Branch and an elected member of the Executive Board, the CP influence and control is minimal. NY T-14 stated that even though the CP supported PERCY SUTTON, the new President of the New York NAACP Branch, SUTTON would have won easily without the CP support.

NY T-14 advised that HENDRIX does not attempt to control or influence branch policies, but instead only participates in matters already presented by the members of the branch.

Queens County NAACP

CP Attempts to Infiltrate

NY T-11 on July 25, 1960, advised that DAVID SALES while discussing CP activity in mass organizations, stated that the CP had comrades in the NAACP Branches located in Far Rockaway, Jamaica, Bayside and that the CP has relations in Astoria. NY T-11 advised that according to SALES, the CP has eight or nine comrades who are active in the NAACP.

NY T-12 advised on December 19, 1960, that DAVID SALES was at that time Queens County CP Organizer and Chairman, Queens County CP Committee.

NY T-18 on October 24, 1960, advised that on October 23, 1960, a Bedford-Stuyvesant CP Section Work Conference, was held at 739 St. Marks Avenue, Brooklyn, New York. The informant advised that AGNES WILLIS stated at this affair that she did not have sufficient time to devote to her Party assignment in the NAACP and requested that she be relieved of her NAACP assignment. Her release was approved and HY BERSHAD and ALONZO GUYTON volunteered to work on the Brooklyn NAACP Labor Committee.

NY T-7 on November 10, 1960, advised that ALONZO GUYTON and AGNES WILLIS attended a meeting of the Section Executive Committee, Bedford-Stuyvesant Section, Kings County CP on November 3, 1960.

NY T-7 on November 10, 1960, advised that a meeting of the Section Executive Committee, Bedford-Stuyvesant Section, Kings County CP, was held on November 3, 1960, at 726 Nostrand Avenue, Brooklyn, New York. At the meeting SYLVIA

NY 100-7629

NEAL^{NY} stated that it is election time again for the NAACP and that the Party members must be brought back into office. It was announced that CLAIRE CUMBERBATCH should run for an office and SYLVIA NEAL was instructed to see CUMBERBATCH in this regard.

NY T-18 advised on November 1, 1957, that CLAIRE CUMBERBATCH from Brooklyn was one of a group of Negro women of the New York State CP who met on October 31, 1957, in Washington Heights, New York City, to discuss the program for Negro women in the CP.

NY T-18 on November 4, 1960, advised that on November 3, 1960, a meeting of the Bedford - Stuyvesant CP Section was held at 726 Nostrand Avenue, Brooklyn, New York. The principal business concerned a discussion of the NAACP and how to get people on the Executive Board of the Brooklyn NAACP Branch, who either belonged to the CP or were sympathetic to the CP.

AGNES WILLIS stated that she had been nominated for a position on the Executive Board of the Brooklyn NAACP Branch, but that she was hesitant about accepting such a position because of her other activities. It was agreed by the members present that WILLIS should accept the position in the NAACP.

A committee was appointed to investigate the organization of the Brooklyn NAACP Branch and to ascertain who was on the nominating committee and who was on the slate of officers. Informant advised that after the committee had learned this information, it would recommend ways in which the Party could influence the NAACP.

NY 100-7629

NY T-7 on November 18, 1960, advised that a CP meeting was held on November 17, 1960, at 726 Nostrand Avenue, Brooklyn, New York, to discuss the matter of the coming elections in the Brooklyn NAACP Branch. The informant advised that it was announced that THOMAS JONES would run for office again, but CLAIRE CUMBERBATCH was undecided as to whether she could assume a position. SYLVIA NEAL stated that she would run if needed and HY BERSHAD would run for executive board member.

NAACP Activity

The "New York Amsterdam News" issue of December 3, 1960 states that the Nominating Committee of the Bronx NAACP presented a slate of officers headed by OLIVER MARTIN as President. However, the branch members rejected the nomination of MARTIN because he did not sign an acceptance statement.

The "New York Amsterdam News" issue of December 10, 1960, page 3, states that PERRY WEISS was elected to the Executive Committee of the Bronx NAACP Branch.

NY T-7 on September 9, 1959, advised that he had no information as to whether or not THOMAS RUSSELL JONES was a registered CP member, however, the informant believed that JONES was a CP member because JONES was considered as such by the members of the Bedford-Stuyvesant Section of the CP in Brooklyn. JONES was once placed on a committee by the Bedford-Stuyvesant Section Executive Committee and while that committee never acted, the mere placing of his name on the committee indicated that he was probably a member of the CP or at least sympathetic enough to be trusted as a CP member would be.

NY 100-7629

The informant never observed JONES at a CP meeting and had no other reason to connect JONES with the CP other than the attitude of CP members toward JONES.

CP Attempts to Infiltrate NAACP Convention

National Negro Commission, CP, USA

NY T-1 on April 10, 1961, advised that the National Negro Commission of the CP, USA met on April 8, 9, 1961, at 303 West 125th Street, New York City. The initial report of the meeting was made by TED BASSETT on April 8, 1961, and pertained to the NAACP and Party work within the NAACP. LESTER DAVIS gave a report regarding the work of the CP in the NAACP and urged that every state group must make every

NY 100-7629

effort within the branches of the NAACP to bring three resolutions to the floor of the NAACP Convention to be held in Philadelphia on July 10 - 16, 1961.

The three resolutions are:

1. Ban Colonialism
2. Support NAACP slogan "Freedom by 1963".
3. Support the 15 point program of the Negro American Labor Council.

The informant advised that it was announced at the meeting that it was the responsibility of the CP to see that these resolutions were presented at the convention of the NAACP in Philadelphia.

This informant advised that the following members of the National Negro Commission were named to the NAACP Committee to co-ordinate the Party efforts at the NAACP Convention:

TED BASSETT (Chairman) - New York

CLAUDE LIGHTFOOT - Chicago

ELSIE DICKERSON - Philadelphia

AGNES WILLIS - New York

LESTER DAVIS - Chicago

RAPHAEL HENDRIX - New York

National Executive Committee
CP, USA

NY T-2 during May, 1961, advised that a meeting of the enlarged National Executive Committee, CP, USA and invited guests was held on May 27, 28, 1961 at CP Headquarters, New York City. Included on the agenda for the meeting was a report on the approaching convention of the NAACP. CLAUDE LIGHTFOOT spoke

NY 100-7620

generally about the Negro question, noting that the Party was better prepared for participation in various conventions of Negro organizations coming up this year.

LIGHTFOOT stated that the Party should have more discussion and preparation in order to prepare for the advancement of the Negro movement to a higher level. He declared that the Party should work for a convocation of a National Negro People's Assembly, at which time a common approach should be worked out for furthering the concept of Negro unity.

New York District CP Board

NY T-3 in May, 1961, advised that a meeting of the New York District CP Board was held on May 25, 1961 at CP Headquarters, New York City. The agenda for this meeting included a report on the NAACP Convention.

The informant advised that TED BASSETT gave this report and stated that the convention opens on July 10, 1961, in Philadelphia. He stated that even though the Party forces are small, the CP can help shape the convention to strengthen the role of the NAACP in the liberation movement.

The informant advised that BASSETT emphasized the following points:

1. Getting delegates. If no delegates, then observers.
2. The question of resolutions. BASSETT stated that a few things which lead ^{to the} main resolutions are how to deal with the Negro American Labor Council; the target date for freedom; and the African question. These resolutions need to be submitted to the membership and regions prior to the convention.

NY 100-7629

BASSETT continued that the four things the CP, USA Negro Commission wants to achieve at the convention are:

1. The NAACP to reaffirm the slogan of adoption of a target date for liberation.
2. To bring the Negro American Labor Council's Program into the convention.
3. To get something done around the question of Africa; to get African delegates or students as observers
4. The issue of peace and nuclear ban.

NAACP Convention Held
July 10 - 16, 1961,
Philadelphia, Pennsylvania

NY T-4 on July 21, 1961, advised that the 52nd Annual Convention of the NAACP was held July 10 through 16, 1961, at the Sheraton Hotel, 17th Street and Pennsylvania Boulevard, Philadelphia, Pennsylvania.

CP Program, Strategy
and Tactics

NY T-4 on July 21, 1961, and NY T-5 on July 18, 19, 1961, advised that the CP held a caucus at the Sheraton Hotel, Philadelphia, Pennsylvania on July 10, 1961, under the direction of TED BASSETT, from the New York area. It was agreed at this caucus that the CP would attempt to have the following resolutions passed at the convention:

NY 100-7629

1. Resolution for a united front of Negro organizations under the leadership of the NAACP on problems confronting Negroes.
2. Resolution supporting the Freedom Riders.
3. Resolution calling on the President to issue a second Emancipation Proclamation in support of civil rights.

NY T-4 on July 21, 1961, advised that LESTER DAVIS had been assigned by TED BASSETT to write resolutions in which the CP was interested. TED BASSETT instructed also that ROBERT HYMER should make an effort to get elected to the Resolutions Committee at the NAACP Convention in order to facilitate the passage of resolutions in which the CP is interested.

NY T-4 on July 21, 1961, advised that LESTER DAVIS and ROBERT HYMER are CP members.

NY T-4 on July 21, 1961, and NY T-5 on July 18, 19, 1961, advised that on July 10, 1961, ROBERT HYMER was elected to the Resolutions Committee of the 52nd Annual NAACP Convention as a representative of Region 3, which consists of the States of Illinois, Indiana, Ohio, Michigan, and Wisconsin.

NY T-4 on July 21, 1961, reported that the Resolutions Committee consisted of four officers and 11 subcommittees.

NY T-5 on July 13, 19, 1961, advised informant had learned that LESTER DAVIS on July 10, 1961, had drawn up resolutions for submission to the Resolutions Committee concerning (1) Freedom Riders and (2) a call for a second Emancipation Proclamation by the President.

NY 100-7629

This informant continued that the resolution calling for a united front of Negro organizations under the leadership of the NAACP on problems confronting Negroes had already been drawn up by the Bronx Branch of the NAACP and submitted to the Resolutions Committee through normal channels. At a CP caucus meeting held July 10, 1961, at the Sheraton Hotel it was agreed that the CP would support the Bronx Branch resolution.

This informant added that the resolutions were mimeographed and ready for distribution on July 11, 1961. TED BASSETT handled the mimeographing since he had contacts in the Philadelphia area.

NY T-4 on July 21, 1961, advised that it had come to informant's attention that when ROBERT HYMER submitted the three resolutions to the secretary of the Resolutions Committee, she accepted two of them. The so-called united front resolution was rejected since an identical resolution had previously been presented by the Bronx Branch of the NAACP.

NY T-5 on July 18, 19, 1961, advised that, according to rumors, informant had heard there was some friction developing within the CP group at the convention. On July 12, 1961, the resolution of the Bronx Branch of the NAACP calling for a "Summit Meeting of Negro Leaders," (united front) was rejected by a subcommittee of the Resolutions Committee.

In addition, another resolution submitted by a New York branch of the NAACP asking that the National Office confer with state offices before taking a stand on political issues was defeated by a vote of 11 to 10.

This informant learned that TED BASSETT was furious when he learned of this, particularly since the CP representative on the Resolutions Committee had voted to reject the resolution. It was informant's understanding that the CP role is to try to weaken control of the National Office of the NAACP over various branches in order to create disunity and factionalism.

This informant further learned that the Freedom Riders resolution had been "watered down" in the Resolutions Committee to the point where it was considered innocuous.

NY 100-7629

Insofar as the so-called Emancipation Proclamation resolution was concerned, informant was told that it would be included in the preamble to the general statement of the Resolutions Committee. Therefore, a separate resolution was not felt necessary. At this point, the CP decided if they were to have CP favored resolutions adopted, they would have to be introduced from the floor of the convention as amendments.

NY T-4 on July 21, 1961, advised that on July 13, 1961, TED BASSETT instructed CP members to refrain from raising questions on peace or the testing of atomic devices, as it was felt to be "too risky."

NY T-5 on July 18, 19, 1961, advised that an amendment was made on the floor of the convention on July 15, 1961, to change the Freedom Riders resolution, putting the NAACP on record as to whether Freedom Riders should or should not accept bail rather than be jailed. After a lengthy floor fight, amendments failed to gain support and the resolution was passed in the form it was reported out of committee.

(It is noted that information previously appears in this report describing the resolution adopted concerning the Freedom Riders as innocuous.)

This informant continued that when resolutions on civil rights were introduced, an amendment was proposed from the floor which was almost identical with the resolution calling for a second Emancipation Proclamation by the President. There was only a slight change in the wording as compared to the resolution originally sponsored by the CP. This indicated to the informant that the unidentified person who introduced the amendment from the floor was possibly a CP member. The representatives from the National Office who were on the stand had no objection to this amendment. It was read and handed to the secretary and will be included as an amendment to the civil rights resolution.

NY 100-7629

This informant also stated that an amendment calling for abolition of the House Committee on Un-American Activities (HCUA) for failure to investigate anti-Negro organizations was introduced on the convention floor by a member of the Resolutions Committee, name unknown to informant. This resolution was voted on and passed. The passage of this resolution came as a great surprise to the CP.

This informant also stated the Resolutions Committee failed to list an anti-Communism resolution on the published list of resolutions. Voting on the resolutions was almost over when someone on the Resolutions Committee, identity not recalled by informant, introduced it. The resolution was voted on and passed after some discussion. The informant had no information indicating that individual CP members on the floor of the convention participated in this discussion.

Extent of Communist
Infiltration and Influence

NY T-4 on July 21, 1961, advised that a CP caucus meeting was held on July 14, 1961, which was in the form of an evaluation session. There was some criticism to the effect that the CP member on the Resolutions Committee had not insisted on a word by word acceptance of CP resolutions but had allowed them to be consolidated with other resolutions on the same subject submitted by various NAACP branches. It was agreed that the CP had accomplished more than in previous years; that as long as the essence of the CP resolutions were contained in the resolutions redrafted by the Resolutions Committee, the CP should be satisfied.

NY 100-7629

This informant advised that OLIVER MARTIN, delegate from New York, stated at this caucus that two CP sponsored resolutions were passed in whole or part; namely, (1) support of Freedom Riders and (2) Emancipation Proclamation resolution. He added that the resolution to abolish the HCUA was passed to the surprise of the CP, who supported it when it was presented to the convention.

NY T-5 on July 19, 1961, advised that OLIVER MARTIN was a CP member from the New York area.

NY T-5 on July 18, 19, 1961, advised that there was a further evaluation session which was held July 15, 1961, by the CP. The comment was made at this meeting that the placement of a CP member on the Resolutions Committee was the most significant achievement of the CP in that it would provide a base for CP resolutions at future conventions.

It was emphasized that the CP should begin preparations for the 1962 NAACP Convention in Atlanta. CP members were urged to fight for a more organized approach by the CP. It was stressed that greater coordination of CP members coming to future conventions from various parts of the country must be realized.

It was also emphasized that resolutions to be introduced at the 1962 convention should be initiated through local NAACP branches.

This informant advised that the fact that the convention passed a resolution calling for abolition of the HCUA was believed by CP members to be a sign that the trend in the NAACP is away from a violent anti-Communist attitude.

Informant continued that JAMES JACKSON, who was to be in charge of CP activities, did not come to Philadelphia during the convention. As a result, TED BASSETT and OLIVER

NY 100-7620

MARTIN, from the New York area, had to do most of the organizational work. In addition, BASSETT's time was taken up almost continuously in preparing articles for "The Worker," an East Coast Communist publication. New York CP members returned to New York on Friday since they had to attend a special meeting of the New York State Committee of the CP, as a crisis had arisen, as a CP member there was agitating for dissolution of the CP.

On July 18, 1961, NY T-5 advised that JAMES JACKSON is a member of the National Committee, CP, USA.

NY T-6 on July 27, 1961, advised that based on informant's activities from club to district level, Communist Party of Eastern Pennsylvania and Delaware (CPEPD), over a period of years, CP members and officials tend to magnify their successes and play down their failures. Informant observed the CP will take credit for enactment of various programs, for election of local political candidates, for passage of progressive type legislation, etc., whereas, in most cases, CP contributions are small and seldom get beyond the "taking stage." While resolutions similar to CP resolutions were accepted at the NAACP convention, it does not necessarily follow that CP influence was dominant since these resolutions may have been passed had no CP members been present. Informant concluded that in a convention the size of the 52nd Annual NAACP Convention, considering the number of people participating and the complexity of this type convention, any true assessment of CP successes or failures is difficult to reach.

NY T-6 further commented that THOMAS NABRIED had criticized the national CP leadership for not setting up and carrying through a coordinated plan of activity whereby all delegates sympathetic to the CP could have been welded together in a cohesive force. Preconvention planning by the CP, according to NABRIED, was slipshod and uncoordinated.

NY 100-7629

NY T-6 on July 17, 1961, advised that THOMAS NABRIED is Chairman, CPEPD, a member of the National Committee, CP USA, and the National Negro Commission, CP USA.

NEW YORK AND VICINITY

CP Attempts to Infiltrate NAACP

NY T-7 on January 8, 1961, advised that on January 8, 1961, the New York District CP held an all day conference of the State Committee members and club chairmen at the American - Russian Center, 61 Rivington Street, New York City. The informant advised that a topic discussed at this conference was CP efforts in mass organizations. The discussion on this topic resulted in many of those present agreeing that the CP should continue to join and be active in organizations such as the NAACP.

NY T-1 on April 7, 1961, advised that a meeting of the New York State CP Negro Commission was held on March 17, 1961, at 74 Fifth Avenue, New York City. The initial report at this meeting was given by WILLIAM L. PATTERSON Chairman, who stated that the New York State CP Negro Commission would assume the vanguard role in the Negro movement in New York City. He stated that the Commission must concentrate on the NAACP.

NY T-8 on March 24, 1961, advised that a meeting of the New York District CP Youth Commission was held on March 20, 1961, in New York City. The informant stated that a discussion was held on which mass organizations CP youth should become active in. It was decided that the NAACP was one of these organizations.

NY 100-7629

NY T-9 during June, 1961, advised that on June 1, 1961, BETTY GANNETT stated that the CP has a number of people who hold membership cards in the NAACP, but the number of people working in the NAACP is negligible. This is true for Harlem, Brooklyn and New York area in general according to GANNETT.

NY T-10 on June 28, 1960, identified BETTY GANNETT as the Educational Director of the New York District of the CP.

NY T-10 on January 27, 1961, advised that at an NAACP rally at the Ame Zion Church, Tompkins Avenue and Decatur Avenue, Brooklyn, New York, held January 22, 1961, SYLVIA NEAL gave \$25.00 to the NAACP for their fund to help the Tennessee Negroes. According to the informant, the money was given to the NAACP as a donation from friends, however, the money was actually donated by the Bedford - Stuyvesant Section of the CP.

NY T-10 on January 30, 1961, advised that a group of CP members from Kings County CP met in Brooklyn on January 29, 1961. At this meeting SYLVIA NEAL gave a report on her work in the Brooklyn NAACP Branch.

NY T-1 on March 13, 1961, advised that a meeting of the Kings County CP Negro Commission was held in Brooklyn, New York, on March 12, 1961. WILLIAM L. PATTERSON reported on Negro matters stating that the time has come to expand Party activity in the mass organizations in the Negro field. PATTERSON specifically mentioned the NAACP among other organizations.

The informant advised that PATTERSON declared that the Party should assess their membership in these various organizations and make plans to get more Party members into them. He also stated that there should be two types of Party people working on infiltration of these organizations. First, the known Party members should become active but not seek office or membership on policy making bodies. Second, Party members not identified as such who should become officers of these organizations and members of the policy making bodies within the organizations.

The informant

ARTHUR B. SPINGARN

In the March 18, 1945, edition of the "Daily Worker", a former East Coast Communist newspaper, there appeared an article concerning the War Department's order that Communists and alleged Communists were eligible for Army commissions. This article contained a statement which had been circulated by the National Federation for Constitutional Liberties and which supported the commissioning of Communists and alleged Communists. Among the signers to this statement, according to the "Daily Worker" article, was ARTHUR B. SPINGARN, President of the National Association for the Advancement of Colored People.

The "Daily Worker" of April 1, 1946, Page 2, Columns 2-4, contains an article captioned, "800 Noted Americans Denounce the Use of Injunctions and Strikes." According to this article, ARTHUR B. SPINGARN, President of the National Association of the Advancement of Colored People was one of the 300 signers of a statement released by the National Federation for Constitutional Liberties which denounced the use of court injunctions in labor disputes.

A check of the indices and/or printed hearings of the House Committee on Un-American Activities (HCUA) on the name ARTHUR B. SPINGARN on April 21, 1958, by SE FRANCIS E. LITTLE reflected the following reference:

A pamphlet, entitled "For a New Africa", page 37, dated April 14, 1944, listed one ARTHUR B. SPINGARN as a conference participant at the Council on African Affairs.

BISHOP STEPHEN GILL SPOTTSWOOD

NY T-1, in 1941 furnished the name of "REVEREND STEPHEN G. SPOTTSWOOD, 1324 Q. Street, North West, No. 3905," as being contained in the active indices of the Washington Chapter of the American Peace Mobilization as of February, 1941.

NY 100-7629

NY T-2, advised in May, 1942, that among the correspondence of the Citizen's Committee to Free Earl Browder, which was maintained by MARTIN CHANCEY, Secretary of the Communist Party (CP) of the District of Columbia, were several pencil notations of individuals who were to be approached concerning their participation in this movement, and included with these pencil notations were two typewritten letters bearing the names of various individuals, among whom was the name of "REVEREND STEPHEN G. SPOTTSWOOD, 1324 Q. Street, North West".

NY T-3, on June 21, 1950, made available a letter dated February 9, 1950, written on the letterhead stationery of the African Aid Committee, 23 West 26th Street, New York, New York. Enclosed with this letter was a reprint from the January, 1950, monthly bulletin of the Council on African Affairs which on the reverse side contained a list of the sponsors of the African Aid Committee. The name of "REVEREND STEPHEN G. SPOTTSWOOD, Washington, D.C." was included in this list of sponsors. It is noted that on the letterhead stationery of the African Aid Committee, the address was shown as 23 West 26th Street, New York, New York, and is identical with that shown as the address for the Council on African Affairs.

NY T-4, on April 14, 1947, made available a four page printed announcement issued by the Washington Committee of the Southern Conference for Human Welfare informing that its third annual dinner was to be held on April 17, 1947, at the Hotel Statler, Washington, D.C. The name of "REVEREND STEPHEN GILL SPOTTSWOOD" was set forth on page two of this announcement as being a sponsor of the Washington Committee of the Southern Conference for Human Welfare.

NY T-5, another governmental agency which conducts intelligence and personnel investigations, advised in July, 1947, that REVEREND STEPHEN GILL SPOTTSWOOD, President, Washington Branch, NAACP, signed a petition in 1947 urging the President and Congress to reject the proposal to legalize the CP.

NY 100-7629'

The "Evening Star," Washington, D.C. newspaper for October 12, 1949, Page B-19, contains an announcement that the Negro Freedom Rally Committee, 1015 M Street, North West, Washington, D.C., will present PAUL ROBESON on October 13, 1949, at Turney's Arena, 14th and W Street, North West, in "Washington's answer to Peekskill."

The "Daily Worker", a former east coast Communist daily paper which suspended publication on January 13, 1958, in its issue of October 10, 1949, page nine, in an article captioned "ROBESON to Sing in Washington" reported that PAUL ROBESON will make his first Washington, D.C. appearance since the Peekskill incident. The article goes on to state that leaders of Washington Negro Community joined last night in a strongly worded statement which "vigorously and without qualification" defended ROBESON's appearance here. "REVEREND STEPHEN GILL SPOTTSWOOD, President of the Washington Chapter, NAACP," was listed as being among those who signed the statement.

NY T-6, concerning the Peekskill incident mentioned above, has advised that the so-called Peekskill incident occurred in September, 1949, in the vicinity of Peekskill, New York, as a result of an outgrowth of a concert planned by the singer PAUL ROBESON in that area. NY T-6 stated that the concert was held under the auspices of the Harlem Division of the Civil Right's Congress.

NY T-7 advised in June, 1950, that PAUL ROBESON was known to him prior to 1945, as a concealed Communist.

ALFRED BAKER LEWIS

NY T-8, advised on February 20, 1946, that the Stamford, Connecticut, Branch of the Communist Party held a meeting on February 11, 1946, at Park Road, Stamford, Connecticut. A discussion was held concerning National Negro History Week and LOUIS SCALA, known to NY T-8 as an active CP member, indicated that ALFRED BAKER LEWIS, an ex-Socialist from Massachusetts, was carrying on the fight for Negro Liberty in the United States.

NY 100-7629

NY T-8 advised on February 18, 1946, that the West Side Committee of the Communist Party of Stamford, Connecticut, intended to sponsor a meeting on February 17, 1946, at 33 Mission Street, Stamford, Connecticut. The informant advised that JAMES W. FORD, known to the informant as a three-time candidate for Vice President of the United States on the Communist Party ticket, was scheduled to speak. The informant advised that ALFRED BAKER LEWIS was also scheduled to speak at this CP meeting.

The April 1, 1949, issue of the "Hartford Times" contained an article by ALFRED BAKER LEWIS, Greenwich, Connecticut, which advised the true liberals to work through non-Communist organizations such as the NAACP. The article pointed out the folly of genuine liberals joining with Communists in supporting meetings and forming organizations to work even for laudable purposes.

The September 9, 1949, issue of the "Hartford Times" contained an article by ALFRED BAKER LEWIS which stated, "Those of us who are opposed to Communism should bend every effort to keep the Communists out in the open, not to suppress them by law or by force. They should be opposed politically, by showing how their support of truly liberal causes always harms such causes, and that their only real purpose is to advance the interests of Soviet Russia and defend her dictatorship and her acts of aggression. To try to suppress the Communists would merely drive them underground or into various camouflaged organizations and would harm, not help, the task of opposing their ideas.

NY 100-7629

A review of the indices and/or printed hearings of the HCUA on the name of ALFRED BAKER LEWIS on May 26, 1958 by SE CARL H. PETERSON, reflected the following references:

1. The "Daily Worker" of July 19, 1942, page four, reflects one ALFRED BAKER LEWIS, NAACP, Executive Board; United For Democratic Action, Executive Board, New York City, as a signer of an Open Letter sponsored by the National Federation for Constitutional Liberties, denouncing Attorney General BIDDLE's charges against HARRY BRIDGES and the Communist Party.
2. Page 11 of House Report 2277 on June 25, 1942, which is a Special Report on Subversive Activities Aimed at Destroying Our Representative Form of Government, is a chart of individuals and organizations to which they belong. This chart indicates one ALFRED BAKER LEWIS, Board of Directors, U.D.A., as a member of the National Negro Congress.
3. Page 21 of the above-mentioned report reflects that one ALFRED BAKER LEWIS of the Union for Democratic Action has been affiliated with the National Negro Congress in one way or another.
4. Pages 982 and 983 concern letterheads for The League for Mutual Aid on which one ALFRED BAKER LEWIS is listed as a member of the Advisory Committee.

NY 100-7629

One HARRY J. GREENE was listed as a signer of the letter.

On January 17, 1943, NY T-14 furnished information reflecting that GREENE was a sponsor of the National Federation for Constitutional Liberties.

According to the informant, the purpose of this rally was to aid indigent and oppressed Negroes in the South. Dr. GREENE, President of the Philadelphia Chapter of the NAACP, represented this organization and was the first speaker. GREENE devoted most of his time to a criticism of the CP. He stated that the NAACP had led the fight against the CP both nationally and locally and that they intended to continue this fight. He said that the CP in the United States represented a foreign government and the only reason for this organization entering the Emmett Till case was to agitate and to instigate trouble between the various classes of people in this country. He said that the struggle for Negro liberation should be confined to the people involved and unfortunate situations should not be utilized as a propaganda weapon to benefit a foreign government such as Russia.

According to the informant, THOMAS NABRIED and other CP members present were extremely disturbed over GREENE's remarks.

Mrs. PRICE advised that many people consider DUNJEE to be a Communist inasmuch as he is known to have associated with ALAN SHAW, State Secretary of the Communist Party in Oklahoma, and other members of the CP. Mrs. PRICE stated through her close association with DUNJEE, she is convinced he is not a member of the CP.

She explained his association with members of the CP by stating that DUNJEE, as a typical newspaperman, associated with people like ALAN SHAW in order to keep abreast of the Russian activities and to know at all times what lines the CP follows. Mrs. PRICE related that DUNJEE had not associated with the Communists since Russia ceased to be considered our ally. She further advised she had not seen ALAN SHAW at the office of "The Black Dispatch" inasmuch as she understood he left Oklahoma City in the Fall of 1950.

On Page 20 of the above publication appears the comments of LEWIS GANNETT, Critic, which reads as follows:

"'Red-baiting' needs a little definition. Some people call any criticism of Communist personalities or policies 'Red-baiting.' I don't see why Communists should be immune from criticism. They've had more than their share of abuse from some quarters, but perhaps not enough from others. They are entitled to their opinions, and I will fight for their rights to them; but the rest of us are entitled to state our conviction that the herd-mindedness of Communist and near-Communist blocs has worked to corrupt the processes of democracy in the unions, and that the irresponsibility of the Party--both leaders and herd--in the period of the Russo-German pact manaced the world and properly left us dubious about Communist 'cooperation.'

NY 100-7629

"I loathe the spiteful liberal-baiting of ROOSEVELT, THURMAN ARNOLD, ELEANOR HERRICK, JIM CAREY, SIDNEY HILLMAN and DAVID DUBINSKY and others, which at one time or another has been a Communist policy, as loud-mouthed and unfair as the rantings of a Dies or a Pegler. I respect the sacrificial ardor with which Communists give themselves to the causes in which they believe, even when the cause includes support of Boss Hague of Jersey City; but I have come to fear that a condition of that ardor is abandonment of individual thinking. I could understand why Russia accepted the pact, as, for Russia, the best way out of a bad situation; but I could not understand a herd of Americans shouting in defense of it that Churchill's England and Hitler's Germany were equally bad, and I cannot comfortably cooperate with Americans who took that dangerously irresponsible course, even when they have swerved far from it. I don't trust leaders like Browder who were bell wethers in a policy that, to my mind, menaced the whole future of democracy.

"I don't think the Communist Party is 'an integral part of the nation's win-the-war forces'; it is a belated hitch-hiker. I'd let it ride, but not invite it to cooperate at the steering wheel."

"You may tell the representatives of the CP... that any vote I cast on labor legislation in the Senate of the United States will not be based on any advice or desires of the Communist Party. My stand and votes on labor legislation pending before the Senate are motivated entirely by my desire to protect civil liberties and individual rights guaranteed to every citizen in this country by the American Bill of Rights. The Communists seek to destroy those rights and seek to substitute for individual liberty in this country, state control and domination of the life of every person. I shall oppose that totalitarian philosophy with all the vigor I can muster".

A. PHILIP RANDOLPH

The October 17-24, 1937, edition of the "Philadelphia Independent", a Negro newspaper in Philadelphia, Pennsylvania, reflected that A. PHILIP RANDOLPH was elected president of the National Negro Congress at a convention held in Philadelphia during October 15 to the 17, 1937.

NY T-29 advised that at a meeting of the Socialist Workers Party (SWP) held on July 28, 1944, in St. Louis, Missouri, Mr. A. PHILIP RANDOLPH, introduced as head of the Pullman Porters Union, made a talk and stated that the only way Negroes will get their rights is by revolution and change in the present system of government.

On Page 2 of the September 12, 1950, edition of the "Daily Worker" there appears an article which reflects that A. PHILIP RANDOLPH, President of the AFL Brotherhood of Sleeping Car Porters, opposed the outlawing of the Communist Party, jailing of Communist leaders and barring of the "Daily Worker".

On page 64 of the Guide to Subversive Organizations and Publications, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., there appears, in part, the following concerning the National Negro Congress:

A. PHILIP RANDOLPH, President of the Congress since its inception in 1936, refused to run again in April, 1940, "on the ground that it was 'deliberately packed with Communists and Congress of Industrial Organizations members who were either Communists or sympathizers with Communists.'"

In the December 22, 1943, edition of the "New York Times," a New York City daily publication, there appears an article, "Warns of Red Inroads." This article reflects that A. PHILIP RANDOLPH stated that the Communists are trying to organize a strong Left Wing element among Negroes. To combat this trend, he suggested that the other Parties make a sincere effort to combat existing prejudices.

In the January 16, 1948, edition of the "New York Times" there appears an article which reflects that A. PHILIP RANDOLPH, President of the Brotherhood of Sleeping Car Porters, accused American Communists of having used the fight against racial discrimination as a device to advance the cause of Russia.

A review of the HCUA records under the name of A. PHILIP RANDOLPH on May 6, 1958, by SE HERBERT J. LAVOIE reflected the following references:

NY T-7 advised on June 23, 1950, that he knew W.E.B. DUBOIS, nationally known Negro educator and writer, to be a concealed Communist. The informant described a concealed Communist as one who does not hold himself out as a Communist and who would deny membership in the Party. He stated although DU BOIS has been on friendly terms with the CP for a number of years, with the CP making a great effort to win his sympathies and support, Dr. DU BOIS actually joined the Party in about 1944.

The October 4, 1951 edition of the "Cincinnati Enquirer" reflected on page eight an article entitled, "Berry's Reply, Denies Guild Tag." This article stated in part that BERRY in reply to an attack by the Republican Campaign Committee regarding his membership two years ago in the National Lawyers Guild. BERRY said that at the time he was a member of the Lawyers Guild, it included some of the nation's leading jurists and also some of the Ninth Street Organization itself (the Ninth Street Organization in Cincinnati is the name used for the Republican Party). BERRY said. . . "In 1939, when I joined the National Lawyers Guild, it was the only national organization of professional standing which opened its membership to Negroes "I have not been a member of the Guild since 1949, when its left wing drift began to appear. The April 4, 1951 issue of the "Daily Worker," page 8, column 1, reflects that ALGERNON BLACK was one of the individuals who had joined in serving as sponsors for the American Committee for Protection of Foreign Born.

DR. RALPH J. BUNCHE

LEONARD PATTERSON, a self-admitted CP member from 1928 to 1937 and a former student of the Lenin School, advised that he first met Dr. BUNCHE at a meeting of leaders of the Communist fraction of which the National Negro Congress was organized in Washington, D.C. The purpose of the Communist fraction meeting was to formulate plans to assume Communist control of the National Negro Congress. PATTERSON said that during the meeting, BUNCHE was introduced to him as a member of the CP, and that only leading Negro Communists attended the caucus meeting. He advised that BUNCHE was a concealed Communist, whose membership was known to very few members of the CP.

MANNING JOHNSON, a self-admitted member of the CP from 1930 to 1940 and a member of the National Committee of the CP from 1936 to 1938, advised that in the early summer of 1935, a national conference was held on the campus of Howard University to organize the National Negro Congress. On the opening day of the conference, a meeting of the top leaders of the CP fraction of the National Negro Congress was called by JAMES W. FORD, a CP functionary for the purpose of outlining procedures and policies to be followed

NY 100-7629 ,

by the Communist fraction in order to maintain control over the National Negro Congress so that its activities could be directed and controlled by Communists. JOHNSON advised that this meeting was held at the office used by JOHN P. DAVIS.

MANNING JOHNSON recalled that at this meeting Dr. BUNCHE was introduced to him individually by JAMES W. FORD as a CP member. It is his recollection that BUNCHE was introduced to the meeting again as a Party member. JOHNSON stated that BUNCHE cautioned that the Communist influence and direction of the Negro Congress should be kept from becoming obvious.

JOHNSON said that he had not previously known Dr. BUNCHE to be a member of the CP and never saw him at any other meetings of Communist leaders. He said that BUNCHE's membership in the CP was made known to the Central Committee of the CP and a few top level members, as it was believed he could be more valuable to the CP if he was not openly known to be a member. He stated that JAMES FORD and JOHN P. DAVIS acted as liaisons between Dr. BUNCHE and the Central Committee of the CP.

JOHN P. DAVIS, publisher of "Our World", 35 West 43rd Street, New York, New York, reported by MANNING JOHNSON to have been present at a meeting of the Communist fraction leaders at a conference held at Howard University in 1935, advised that in May, 1935, a conference was held at Howard University, Washington D.C., sponsored by the Social Science Department of Howard University and the Joint Committee on National Recovery, of which he, DAVIS, was the director. Mr. DAVIS advised that Dr. BUNCHE was active at the organizational conference of the National Negro Congress and was considered one of its founders. JOHN P. DAVIS stated that at the time of its origin, the National Negro Congress was a completely respectable organization and that in his opinion the Communists were not a dominant influence until the 1940's. He said that it was possible that the Communists in the National Negro Congress did try to get control of it from the beginning but were not successful. He said that he considered himself to be the

NY 100-7629

founder of the National Negro Congress and the leading organizer of the 1935 congress. DAVIS said that in many respects he was pro-Communist at the time of the 1935 congress, but indicated he had not been a member of the CP and consequently had no information concerning any meeting of the CP fraction at the 1935 conference. He said that he knew of no association on the part of Dr. BUNCHE with any of the CP leaders at this conference or at any other time or on any occasion on which Dr. BUNCHE might have spoken or met with CP leaders. DAVIS said that he has always considered Dr. BUNCHE to be anti-Communist, citing as an example a conversation he had with Dr. BUNCHE in the mid 1930's in which Dr. BUNCHE, who had just returned from China, expressed fear that China was in serious danger because of the increasing strength of the Chinese Communists.

During the course of another investigation conducted by the Federal Bureau of Investigation, Dr. BUNCHE stated that he believed the idea of the National Negro Congress was fundamentally a good idea, and that so long as PHILIP RANDOLPH was President, the attempts of the Communists to dominate the organization were generally unsuccessful. He said that in 1940 at the Third National Convention of the National Negro Congress at Washington, D.C., RANDOLPH made a speech critical of the Soviet Union after which Communists took control of the organization and elected MAX YERGAN president to replace RANDOLPH who resigned. Dr. BUNCHE said that he had very little to do with the National Negro Congress after 1935 and the First Annual Convention in Chicago in 1936. He said that since he was in accord with Mr. RANDOLPH's position in opposing the Communists at the National Negro Congress, he resigned shortly after the 1940 convention.

Dr. BUNCHE listed on his Loyalty Form under the provisions of Executive Order 10422 "Institute of Pacific Relations New York - Foreign Affairs Type, 1942 to 1945, Member of the Delegation to IPR Conference Mont Tremblant, Canada, 1942 and Hot Springs 1944; Member of Secretariat, Meeting of Pacific Council Atlantic City, 1944."

KLEINKAUF that on March 14, 1952, Judge DELANY made a statement that he was fully in accord with the feeling that Communists should be permitted to serve in the NAACP. DELANY said that, "If they would put me on the stand and ask me if I were a Communist, I should refuse to answer, as I figure this was unconstitutional. However, I will tell you as a gentleman that I am not." He went on to say he was regarded as a Liberal by some and a Radical by others, but that actually he had not veered toward either left or right in the past 25 years, whereas many of his friends had gone so far right that he seemed leftist to them. He said that he was making speeches against the Smith Act not because he held any brief for Communists, but because he was for Government in an orderly and constitutional manner. He said he felt the Smith Act was a repressive bit of legislation and unconstitutional.

DELANY said that one reason that he could act as he did without fear, was that he was not seeking reappointment as a judge after this term ran out. He said that he felt that the NAACP should leave Communist chasing to the FBI and not try to do any in the National Board of Directors, (NAACP).

NY 100-7629

Records of the NYCPD, New York, New York, furnished to SA AUGUST J. MICEK, on April 12, 1949, reflected: DELANY was a member, Board of Directors, George Washington Carver School, 1943.

NY T-44 advised that on October 23, 1953, EARL B. DICKERSON is definitely not a CP member and has never attended CP functions, if he had knowledge that such functions were CP sponsored. NY T-44 stated that he considers DICKERSON to be an opportunist and the informant believes that DICKERSON accepted support from the CP and from Communist front groups for reasons of personal gain; NY T-44 stated that he has had no personal contact with DICKERSON but based his comments on conversations with CP members.

The letter addressed to all District Organizers states that Dr. BENJAMIN E. MAYS, has "lent his name" to the amnesty campaign.

BENJAMIN E. MAYS, in his column in the Pittsburgh "Courier" of April 26, 1947, entitled "Communism" pointed out in substance that the best way to kill Communism was to make Democracy work by practicing real Democracy in the United States in government, in labor, education, religion, etc. In May's opinion, Communism as such would die out within five years and there would be no need to spend four hundred million dollars to fight Communism in a foreign land.

NY 100-7629

The March 14, 1950, issue of "the Atlanta Constitution", an Atlanta, Georgia daily newspaper, contained an article reflecting that Dr. BENJAMIN E. MAYS, President, Morehouse College on March 13, 1950, at the 19th annual Founders Day at Boston University, Boston, Massachusetts, denounced Communism as atheistic and totalitarian but warned its appeal to great masses in many parts of the World could be attributed partly to racial and cultural discrimination.

The March 7, 1951, issue of "The Cincinnati Times-Star," a Cincinnati, Ohio daily newspaper, contained an article captioned "Global War Would Aid Communism, Educator Asserts". This article states that Dr. BENJAMIN E. MAYS, Negro educator, asserted that Communism would profit from another global war. Commenting on the problems faced by Negroes in the United States Dr. MAYS declared that under a Communist regime the situation would be much worse, that they would have equality, but it would be the equality of slaves. As anti-Communist measures, Dr. MAYS urged military strength, the teaching of democracy and an effort by this nation to feed the world's hungry and try to cure the diseased.

DR. JAMES J. MC CLENDON

NY T-49 advised on September 15, 1943, that Dr. JAMES J. MC CLENDON was a sponsor of the "Call to the State-Wide United We Stand Conference" held under the auspices of the Michigan Civil Rights Federation on September 12, 1943.

Dr. JAMES J. MC CLENDON, President of the Detroit Chapter of the NAACP, on January 28, 1943, was interviewed by Special Agent JOHN C. HALL and Special Agent L. BYRON LOCKHART. Dr. MC CLENDON volunteered this interview. Dr. MC CLENDON stated that he did not think that the Communists had made any inroads into the NAACP. Dr. MC CLENDON stated that he did not

NY 100-7629

have enough knowledge of the subject to give an opinion as to whether he thought Communism was un-American. He said that he had never attended a Communist meeting and that he had never been invited to attend a Communist meeting. He also stated that he did not know that any member of his organization or of his acquaintance was a Communist. He also said that he had never heard any person of his acquaintance authoritatively reported as a Communist. Therefore, he did not feel that he knew a great deal about Communism.

Dr. MC CLENDON further stated that with respect to his attitude on cooperation between the CP and the NAACP, it was a long time principle of the NAACP that any person, white, black, red or colored, would be allowed to work with the NAACP and become a member if he chose to do so. MC CLENDON stated that he believed there were enough level-headed Negroes in the NAACP to keep control of the organization on what he termed a conservative basis and to keep control out of the hands of the Communists. He stated that he had absolutely no fear of Communist infiltration or domination. He also felt that Communism was not a thing to be combatted inasmuch as the Communist Party at the present time was a legal political party.

A review of the records of the HCUA under the name of JAMES J. MC CLENDON on May 15, 1958 by SE HERBERT J. LAVOIE reflected the following reference:

A program, "Call National Action Conference for Civil Rights", dated April 4 - April 6, 1941 and a letterhead dated November 6, 1940, reflects that one (Doctor) JAMES J. MC CLENDON, Detroit, Michigan, was a sponsor of the National Federation for Constitutional Liberties.

CARL MURPHY

A review of the HCUA records under the name of CARL MURPHY on May 12, 1958, by SE CARL H. PETERSON reflected the following reference:

The "New Masses" of January 11, 1944, page 18, reflects one CARL MURPHY, President, Baltimore "Afro-American" as a contributor of "New Masses".

WALTER REUTHER

NY T-50 advised on January 2, 1951, that in the early 1930's, WALTER REUTHER was a member of the so-called Left Section of the Socialist Party and at that time a large group of Socialist (left wingers) joined the CP outright. The informant, at the time, had no factual knowledge as to whether WALTER REUTHER ever became a CP member.

The informant advised that the REUTHERS (WALTER and VICTOR REUTHER) spent a year in the Soviet Union about 1933, and when they returned to the United States they worked closely with the CP forces in the auto industry.

NY T-50 advised that this close feeling of cooperation continued between WALTER REUTHER and the CP group in the auto industry until 1940 when WALTER REUTHER broke with the left wing group and started up a group of his own, which was anti-Communist.

NY T-50 characterized WALTER REUTHER and his brother, VICTOR REUTHER, as opportunists who saw the general sentiment of the people was shifting in 1940 - 1941 to that of anti-Communist and as a result, the REUTHERS immediately drifted along with the general feeling breaking any connections they had with the CP left wingers in the automobile industry.

NY 100-7629

NY T-50 was recontacted in December, 1955, and advised that the information which he had supplied in 1951, to the best of his knowledge, was correct.

The informant advised in December of 1955, that he had no information concerning WALTER REUTHER having been a member of the CP. However, WALTER REUTHER was extremely close to the CP and was meeting and working with CP groups. NY T-50 explained that during the organization of the UAW, non-Communists met with CP groups and closely worked with them on campaign aims, but factually and technically were not CP members. WALTER REUTHER, according to NY T-50 was one of these people.

(JACOB SPOLANSKY, 924 West End Avenue, New York City,) advised on January 16, 1955, that he first went to Detroit in 1927, as a representative of the (National Metal Trades Association) to study the Communist situation there. (SPOLANSKY) advised that he worked with the Wayne County Sheriff's Office and that he had sources who kept him informed on Communist activities in Detroit and in the Flint, Michigan, area. (SPOLANSKY) said he had an informant on the CP District Committee for the Detroit area and that WALTER REUTHER's name was never mentioned to him as a CP member. Had WALTER REUTHER ever been a CP member, said (SPOLANSKY,) he ((SPOLANSKY)) would have known it. He stated that he is not personally acquainted with WALTER REUTHER but knows of him through the positions, he, (SPOLANSKY,) held.

(SPOLANSKY) advised that he could not base any opinion of REUTHER on personal observation but that through observations of the labor movement development in Detroit, he could state that in the early days of the UAW union. REUTHER would collaborate with CP elements. He said that this was chiefly opportunism on REUTHER's part as he desired to further himself in the labor movement and the Communists were in control at the time. He noted that the CP was divided into the LOVESTONE faction and the Stalinist faction. The latter group was by far the stronger and closely aligned to the Russian CP.

NY 100-7629

It was the Stalinist faction that REUTHER was forced to "play ball" with to advance in the United Automobile Workers. SPOJANSKY noted that as soon as REUTHER became head of the Union, he began cleaning out the Communists.

JACKIE ROBINSON

During 1947, NY T-51 made available the names and addresses of a considerable number of past and present officers of the International Workers Order in the New York area. The following information concerning JACKIE ROBINSON was noted.

Lodge number 691
Solidarity House
124 West 124th Street
Advisory Board
JACKIE ROBINSON
(among others)

The June 1, 1946 issue of "The Peoples Voice" page 10, column 3, contains an article and photograph of JACKIE ROBINSON reflecting that JACKIE ROBINSON, the first negro to break into organized baseball, accepted chairmanship of the New York State Organizing Committee for United Negro and Allied Veterans of America (UNAVA). BERT ALVES, Regional Director for UNAVA made the announcement.

On January 22, 1943, NY T-52 advised that BERT ALVES was a member of the CP.

HON. THEODORE SPAULDING

On August 7, 1944, NY T-53 advised that VERA RUTTENBERG, in talking with a CP member on August 7, 1944, stated that TED SPAULDING, President of the NAACP, would attend a meeting sponsored by the Communist Political Association (CPA) to be held at the

NY 100-7629

White Rock Baptist Church in Philadelphia on August 8, 1944. This informant said the purpose of the meeting was to discuss the Negro problem in connection with the Philadelphia Transit Company strike.

From NY T-54, on March 31, 1944, there was obtained a list of persons who had paid dues to Branch 52 North, Sixth Congressional District, CP of Eastern Pennsylvania and Delaware. The name of VERA RUTTENBERG was included on the list and it was indicated she paid dues from March, 1944.

NY T-17 advised on April 25, 1950, that the Executive Committee of the Unity Club of the CP's West Park Branch held a meeting on April 18, 1950, at 427 North Wilton Street, Philadelphia. At this meeting the Acting Section Organizer commented that the Party, in view of its fight for Negro rights, had decided to support Mr. SPAULDING who was running for Congress on the Republican Ticket.

NY T-55 another governmental agency conducting security investigations, on January 4, 1946, advised that information from a confidential, reliable informant disclosed that in the past the Philadelphia School of Social Science and Art had been endeavoring to purchase a building in the 1700 block of Walnut Street. According to NY T-55's informant, THEODORE SPAULDING, Esq., and one other person held a conference with the Directors of the Philadelphia School of Social Science and Art regarding this purchase and assured the Directors that if the school did purchase such a location they would maintain their law offices in the building and, in addition, promised to help promote this idea through a substantial loan.

NY T-56 on December 15, 1947, furnished a letter which was sent out by the local chapter of the Civil Rights Congress dated December 3, 1947, announcing a rally to be ^{held} on December 16, 1947. One of the sponsors listed on the letter was THEODORE SPAULDING.

NY 100-7629

The "Daily Worker" of July 17, 1941, page 4, column 3, reported THEODORE SPAULDING as one of several signers of a letter to the Governor of Pennsylvania, which stated that the CP in common with other parties is entitled to the full rights guaranteed by the Constitution. The letter pointed out that the attempts to ban the Communist Party on the ballot is tantamount to banning the right of suffrage.

The November 12, 1943 edition of the "Daily Worker" contained an article entitled "Philadelphia Negroes Hail Election of Davis." This article reflects that the election of BEN DAVIS to the City Council in New York City was enthusiastically greeted by outstanding Negro leaders. BENJAMIN J. DAVIS, JR., has been Chairman of the National Negro Commission of the CP, USA. In the article, THEODORE SPAULDING, Philadelphia President of the NAACP, is quoted as saying, "It is world news. When I was in New York last week I heard, of course, about the strong campaign Mr. DAVIS was making. His election is a wonderful achievement."

On January 13, 1944, THEODORE SPAULDING, MILG MANLY and CAROLYN DAVENPORT MOORE, President, Vice-President and Executive Secretary, respectively of the Philadelphia NAACP visited the Philadelphia Office of the Federal Bureau of Investigation. Mr. SPAULDING, spokesman for the group, indicated the purpose of their visit was to seek advice in dealing with a Communist element infiltrating into the NAACP and to go on record for the organization as opposing such infiltration.

NY T-17 advised on March 19, 1958, that he never knew THEODORE SPAULDING to be associated in any subversive organization and was never, to his knowledge, a member of the CP.

NY T-57 on March 17, 1958, advised that he has been acquainted with SPAULDING for over twenty years and is well aware of his work in the NAACP through the years. He said SPAULDING was President of the local chapter from about 1941 until about 1945 and performed an excellent job of leadership. He said SPAULDING's character, reputation and loyalty to the United States are above reproach and his work in behalf of both the community and the United States Government could never be questioned.

NY 100-7629

JAMES EDWARD STEWART

On November 14, 1957, NY T-58 advised that JIMMY STEWART, Post Office Box 1254, Oklahoma City, Oklahoma, was at that time a subscriber to the "People's World."

On December 15, 1958, NY T-59 advised that Post Office Box 1254, Oklahoma City, Oklahoma, has been rented to the "Black Dispatch", Oklahoma City, since 1947.

A review of issues of the "Black Dispatch" since 1943 to date reflects that JIMMY STEWART is the author of a column entitled "JIMMY Says," which appears weekly in that publication.

DR. J. M. TINSLEY aka
Dr. Jesse Monroe Tinsley

On June 22, 1953, NY T-60 advised that the members of the Richmond Branch of the CP met on June 14, 1953, in an emergency meeting to mail leaflets on the Rosenberg Case. LOUIS KALB, whom the informant described as a CP member was assigned to contact Dr. TINSLEY in order to try and have him take action by either going to Washington, D.C. for the demonstration in protest of the Rosenberg Case or to send an appeal for clemency to the President of the United States.

The informant advised on June 22, 1953, that on June 16, 1953, LOUIS KALB, reported that he had contacted Dr. TINSLEY who at first was not agreeable to the discussion but later agreed that there should be some action to save the Rosenbergs from death.

JULIUS and ETHEL ROSENBERG were convicted in the United States District Court, Southern District of New York, on March 29, 1951, of conspiracy to commit espionage on behalf of the Soviet Union. The ROSENBERGS were sentenced to death on April 5, 1951.

NY 100-7629

JULIUS and ETHEL ROSENBERG were legally executed at Sing Sing Prison, Ossining, New York, on June 19, 1953.

On September 17, 1942, Dr. J.M. TINSLEY was interviewed by Special Agents of the Federal Bureau of Investigation. He stated he had been contacted by members of the CP from time to time and that while they had a program which was appealing and appeared beneficial to the colored man, nevertheless he believed that the disadvantages of the program of the Communist ideology outweighs the advantages. Dr. TINSLEY stated that any group seeking the following of the Negro people would have to appeal to them through the church rather than through the atheistic program of the Communist. He also stated that he could say definitely that insofar as the activities of the NAACP were concerned in the State of Virginia, there was no Communist or other foreign infiltration into the NAACP.

Dr. TINSLEY also stated that he was present when the National Negro Congress (NNC) was organized in Richmond, Virginia, but that it was no longer active. He expressed the opinion that Communists had infiltrated the organization.

A review of the records of the HCUA under the names J. M. TINSLEY and JESSE MONROE TINSLEY on May 21, 1958, by SE HERBERT J. LAVOIE reflected the following references:

1. The Official Proceedings of the National Negro Congress, 1936, page 41, reflected that one (Dr.) J. M. TINSLEY of Virginia was a member of the National Executive Council of the National Negro Congress.
2. The "Daily Worker", for April 7, 1936, page 3, reflected that one J.M. TINSLEY was Treasurer of the Richmond Chapter, National Negro Congress.

NY 100-7629

3. The "Daily Worker", for February 25, 1938, page 3, reflected that one J.M. TINSLEY was an endorser of the Southern Negro Youth Congress.

The name Doctor ROBERT C. WEAVER, Director, American Council on Race, Relations, appears on this list.

A review of the records of the HCUA under the name of Dr. ROBERT C. WEAVER and ROBERT CLIFTON WEAVER on April 29, 1958, by SE HERBERT J. LAVOIE reflected the following references:

NAACP 52nd Annual Meeting

The "New York Times" issue of January 3, 1962, page 14, states that the annual membership meeting of the NAACP was held January 2, 1962, at 20 West 40th Street, New York, New York.

NY T-61 on February 12, 1962, furnished the February, 1962 issue of "The Crisis", official organ of the NAACP. On page 108 appears an article concerning the 52nd Annual Meeting of the NAACP which states that the NAACP presently has 1,494 branches in 48 states and the membership amounts to 371,060. During 1961, 104 youth units and 59 adult branches were chartered including one in North Dakota for the first in the history of the association.

In 1961, for the first time the general fund income of the NAACP exceeded \$1,000,000. Income amounted to \$1,018,857.70 through December 26, 1961. More than half of the sum \$558,787.34 came from local branches in the form of memberships and special contributions. Despite increased income the NAACP incurred a net operating loss of \$131,254.79 because of rising costs and expanded program activities. This deficit was met by transfer of money from reserve funds.

NY 100-7629

Concerning life memberships, ^{the} article reveals that a total of \$256,695.00 in life memberships was received by the National Office of the NAACP. In addition, \$140,939.00 was retained by the NAACP branches through which the life membership had been recruited. All together the national life membership income amounted to \$352,010.00 as of December 29, 1961.

During the year a total of 356 persons or organizations became fully paid life members. An additional 1,120 made initial payments on life memberships and another 2,183 continued to make payments on earlier commitments.

Socialist Workers Party (SWP)

NY T-63 on September 26, 1961, made available the SWP Discussion Bulletin, Volume 22, Number 18, dated August, 1961. This bulletin contains, in its entirety a discussion entitled "New Trends and New Moods in the Negro Struggle" by GEORGE BREITMAN.

BREITMAN evaluates the current organizational structure and influence of the NAACP and comments that this organization suffers from a basic weakness of inadequacy in

NY 100-7629

relation to its leaders, stating particularly that the NAACP leadership insists on only one kind of action, i.e., "non-violent". He states that the SWP supports and engages in all struggles against the Jim Crow System; however, criticizes the leaders of various Negro organizations for restricting their lines of action.

Concerning conclusions to be drawn from the above, BREITMAN suggests that the SWP consider, discuss and act on the following:

* * * * *

BREITMAN states that the NAACP should continue the same policy as before and when it engages in a struggle or is under attack, the SWP should work with it and in it, and defend/against its Jim Crow enemies. BREITMAN adds, however, that the Party recognize that in most cities/NAACP no longer attracts the best young fighters, who are knocking on other doors. He relates that the SWP does not assign most of its forces to work in the NAACP when there are other groups that offer better prospects.

* * * * *

NY T-64 on June 27 - 28, 1961,
advised that on June 25, 1961, GEORGE
BREITMAN was re-elected a National
Committee member of the SWP.

JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report on the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 11, 1961, a source advised that the ELF is one of several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION Government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receives support from the "Morning Freiheit" and any other Jewish progressive organizations.

The source also stated that the ELF is recognized by the CP, USA as an important progressive national organization of women.

The address of the national office of the ELF is 160 Fifth Avenue, Room 911, New York City.

THE PHYSICIANS' FORUM, INC.

Records in the Office of the Clerk of the New York State Supreme Court, Foley Square, New York, reflect that The Physicians' Forum, Inc. (PF) was issued a Certificate of Incorporation on April 27, 1944, under the laws of the State of New York, to operate as a non-profit, membership organization principally in the United States. The PF, under the name of the New York Physicians' Forum, had been in existence as an unincorporated association since about 1939.

A source, on September 13, 1954, furnished a folder of PF entitled, "What is the Physicians' Forum?" which stated in part that to maintain freedom of thought and expression in medicine, the Forum opposes the imposition of "loyalty oaths" as a prerequisite for licensure, for hospital appointments or privileges, in medical schools, on hospital staffs and against patients; to re-establish the freedom of the medical press, the Forum urges medical society publications to open their volumes to diverse views on controversial subjects; and to provide a forum wherein socially liberal doctors may express their views in opposition to the policies of organized medicine.

The report of the Sub-Committee to Investigate the Administration of the Internal Security Act and other Security Laws of the Committee of the Judiciary, United States Senate, 82nd Congress, 1952, on "Subversive Influence in the Educational Process" on page 37 sets out the testimony of BELLA DODD, member of the National Committee of the Communist Party from 1944 to 1948. DODD testified that the PF was established primarily by the Communist Party (CP) and although not all members of the PF were Communists, the "initiative for organizing the PF came from the CP, came from the ninth floor (35 E. 12th Street, New York City), where the National Committee of the CP existed."

The CP, USA has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

YOUNG SOCIALIST LEAGUE (YSL)

The March 1, 1954, issue of the "Young Socialist Challenge," published as page three of "Labor Action," an official publication of the Independent Socialist League (ISL), contained an article concerning the creation of the YSL, which pointed out that at a unity conference occurring February 12-14, 1954, at Labor Action Hall, New York, New York, a merger occurred between the Young People's Socialist League (YPSL) and the Socialist Youth League (SYL). The new organization was named the YSL.

A confidential informant on June 15, 1954, made available the minutes of the YSL's National Action Committee meeting of April 13, 1954, which reflected that one S. SITEMAN, "Chairman of SP (Socialist Party) Youth Committee," had objected to a statement appearing in "Commerce," a New York University journal, which indicated that the YPSL merged with the SYL to form the YSL. He explained that the YPSL did not merge with anyone, that it continued to exist as the youth section of the Socialist Party. He explained that a small group of the YPSL was dropped, expelled, or suspended from that organization and joined the SYL, which he characterized as the youth group of the "Trotskyite ISL." He explained that after these few former members of the YPSL joined the SYL, the SYL then proceeded to change its name for its own purposes.

On April 9, 1956, another confidential informant advised as follows:

The YSL has frequently worked in close sympathetic cooperation with the ISL toward similar objectives, although each major issue given mutual consideration is decided upon by these organizations individually. The YSL serves as an apprenticeship for the ISL, but ISL selection of members from YSL ranks is made on an individual and personal basis. In many instances YSL members are also members of the ISL.

MOLLIE ILLSON spoke at the convention on the
evils of racism and the issues facing people today.
She stated that civil rights takes precedence over
everything else.

JUNE GORDON spoke about the 1964 Presidential
elections and BARRY GOLDWATER. She said that Jews
cannot remain neutral on the election. She discussed
membership in the ELF and called for an increase in
membership and the building of new clubs.

Resolutions were discussed at the convention
but were not acted upon. They were concerned with
such matters as the repeal of the ^{Walter} McCarran Law, the
extension of the Statute of Limitations for the
prosecution of Nazi war criminals, anti-semitism,
Medicare, Genocide, the status of women, civil
rights, peace and membership.

MOLLIE ILLSON, the outgoing ELF president, who gave the keynote address at the convention and stated the following:

"As we enter into our deliberations at this convention we are aware of the threatening coalition of evil forces, an alliance of war-crazy, fanatical racists and white supremacists. All anti-labor, anti-democratic outfits, the Birchites, Minute-Men and the Ku Klux Klan have now coalesced into a new and serious challenge to all the economic and cultural gains of the American people.

"These evil forces intensified their bid for political power after the assassination of President Kennedy.

and.

"Suffice it to say that the Ultra-right soon after, feeling very confident, began to show their teeth.

"The present-day ultra-reactionaries have taken over the Republican party, the Party of Abraham Lincoln, and placed as its standard-bearer and nominee for President, Senator Barry Goldwater, its most reactionary spokesman.

NY T-3
December 3, 1964

JUNE GORDON, Executive Director, stated the following at the convention:

NY 100-104142

"The Ultra-right's capturing of the Republican Party, one of the two major parties, is a sinister development that goes way beyond that of McCarthyism. Governor Rockefeller's vigorous speech of objection at the Convention has yet to be followed by him, or by any other leading Republican, with a denunciation of Goldwater as their standard bearer.

"We therefore propose a policy for this Presidential Election that should help not only to defeat Goldwater for President, but smash the power of the Ultra-right and to do so on the basis of a program of action for Peace, enforcement of the Civil Rights Bill, expansion of the Anti-Poverty Bill, passage of a Medicare Bill through Social Security and Senate ratification of the U. N. Genocide Convention; repeal of all thought control measures and bills like the Smith and McCarran Acts and for an amendment of our immigration laws to remove all discriminatory -- second-class citizenship -- clauses against foreign-born Americans."

GORDON concluded by stating that they should celebrate the 45th anniversary of the adoption of the 19th Amendment, which granted women the right to vote "as full fledged citizens, by helping to win full fledged citizenship for the Negro people in every sphere of life and together with them and all the other Americans who are considered minority Americans. Together we roll up a majority. We the women and 'minorities' have the most compelling reasons for burying the Ultra-right under an overwhelming defeat for Barry Goldwater. Jews can't be neutral. Women, the bearers of life, can't be neutral. A smashing defeat for Barry Goldwater in the voting booth. A landslide victory to secure our

NY 100-104142

"democracy's progress and peace in the world."

At the second session on Friday afternoon, September 18, 1964, there were two seminars. A seminar on the question of "Textbooks and Their influence in the schools" was conducted by Professor DOXEY WILKERSON of Yeshiva University. WILKERSON criticized old-fashioned textbooks as being filled with prejudice.

The second seminar was on the theme of the "Role of the Citizen in Legislation" which was conducted by Mrs. SAUL SHANDLOW and Mrs. HOWARD BACKENHEIMER from the League of Women Voters.

In an ELF Action Letter to Club Presidents dated November 18, 1964, JUNE GORDON stated that the Fifth National Convention met "two months before the crucial presidential election", and "faced a difficult test of our non-partisan policy. Convention delegates met this test by probing evaluation of the danger that confronted our nation and concluded that the contest was not between the Democratic and Republican Parties, but between democracy and the advances of fascism. Approval of the policy calling for a resounding defeat of GOLDWATER and the Ultra-Right was unanimous.

"Your club leadership and membership-your enthusiastic and energetic implementation of this policy helped to achieve the results of the election;

NY 100-104142

"a people's mandate for Peace, Civil Rights, an enlarged program for the War on Poverty, and progress in all spheres of domestic welfare.

"We rejoice with you and are confident that all of the people's organizations who helped to achieve this victory over the Ultra-Right, will in one measure or another act to have the mandate fulfilled. But all indications are that the Ultra-Right has not and will not cease its pressures.

"The Ultra-Right has been beaten but not defeated."

NY T-3
December 3, 1964

The ELF issued a leaflet entitled, "A Vote for Goldwater is a Vote for the Ultra-Right", which stated:

"We are a non-partisan organization and do not endorse candidates. But we cannot be neutral. We remember how SIX million Jews, together with millions of Polish, Czech, Ukrainian and Russian men, women and children were driven into slave labor camps for the Krupps and the Thyssens in Germany and from there into concentration camps and the crematoriums. And we cannot forget how Hilter came to power. The crime the German people committed against humanity began when they allowed Hitler to come to power. The time to stop the Ultra-Right from coming to power is NOW!

"Smash the ultra-right! Make your vote count in a landslide defeat for Barry Goldwater. Don't leave the ultra-right alive to pressure for

NY 100-104142

"war and a police state. Protect your rights as citizens to voice your views and make your will felt in Washington."

1.APPENDIXCOMMITTEE AGAINST NAZISM AND ANTI-SEMITISM

A source advised on January 25, 1960, that a meeting was sponsored by "The Worker," an east coast Communist newspaper, on January 24, 1960, at the Park Plaza, New York City. EVELYN WIENER, described by the source as the chairman of the New York County Communist Party (CP), invited the audience to attend a protest meeting to be held in Union Square, New York City, on January 26, 1960, to protest anti-Semitism in West Germany.

A second source on January 26, 1960, advised that the CP had prepared 6,000 leaflets in connection with anti-Semitism to be distributed at a rally to be held that day at Union Square, New York City. These leaflets, according to the source, were not distributed since the CP was not openly represented at the meeting. However, according to the source, known Communists participated openly in the meeting.

On September 13, 1961, a Special Agent of the Federal Bureau of Investigation by means of a suitable pretext, spoke to SAM PEVZNER, who stated that he is the public relations officer of the Committee Against Nazism and Anti-Semitism. He stated that the organization initially known as the Committee To Stop The Revival of Nazism and Anti-Semitism, originated as an "ad hoc" committee to sponsor a rally on January 26, 1960, in New York City, to protest the rise of Nazism and anti-Semitism. It is now a continuing organization springing into action when the need arises.

On October 29, 1964, a third source stated that captioned organization is located in Room 1429, 1133 Broadway, New York City.

This third source on May 14, 1964, advised that SAM PEVZNER was a member of the CP, USA, at that time.

EMMA LAZARUS FEDERATION OF
JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 14, 1964, a source advised that the ELF is one of several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION Government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receives support from the "Morning Freiheit" and other Jewish progressive organizations.

The source also stated that the ELF is recognized by the CP, USA, as an important progressive national organization of women.

The address of the national office of the ELF is 160 Fifth Avenue, Room 911, New York City.

"Jewish Life" for October, 1957, announced that after the October issue, and with the next issue to be published in January, 1958, the magazine was changing its name to "Jewish Currents," because of the claim to the name "Jewish Life" by the magazine "Orthodox Jewish Life."

The May, 1964, issue reported that "Jewish Currents" is published by Jewish Currents, Incorporated, Room 601, 22 East 17th Street, New York City.

F. Publication of Pamphlet

The January - February 1964 issue of "Club News", issued by the Jewish Cultural Clubs and Societies (JCCS), announced the issuance of a pamphlet "Women In The Life And Time Of Abraham Lincoln" published by the ELF. The pamphlet of 64 pages was to be a facsimile of the original printed record of a national meeting on May 14, 1863, where 1,000 women founded the Women's National Loyal League which resolved to work for Negro freedom and full citizenship. The announcement stated that the issues discussed and the approaches to the problems of the Civil War have an important bearing upon the contemporary struggles of the Negro people and white attitudes in relation to them.

II. PROGRAM AND GENERAL ACTIVITIES

5th National Convention September 18 - 20, 1964

The ELF issued a Call for the Election of Delegates to the 5th National Convention of the ELF which was to be held at the George Washington Hotel, 23rd Street and Lexington Avenue, New York City, on June 12 - 14, 1964, with a Convention banquet on Saturday evening, June 13, 1964.

The Call stated that "103 years have passed since the Civil War was launched in defense of slavery. The Confederacy was defeated, but the swamps of racism, hate and slavery, were overlooked and side-stepped. Untouched, these swamps continued to contaminate the good earth of our democracy with an undergrowth of white supremacist-racist-anti-Semitic organizations - a veritable jungle of Ultra-rightists throughout the country where numerous Nazi war criminals, admitted to the United States, find a climate in which Nazism can flourish.

"That we may be able to chart a course - as all peace and freedom loving Americans must - to rout racism and all its sinister, anti-democratic by-products, we call upon all Emma Lazarus Clubs to open their pre-convention discussions with a reading of this Call and a review of their participation in the peace and Civil Rights Movements of their communities."

Convention delegates were to be elected by the clubs in May on the basis of one delegate for every ten paid-up members or major fraction thereof, and one alternate delegate for each 20 members.

NY 100-104142

Clubs in cities outside of New York where Club Councils or City Committees function, will hold city-wide membership meetings to elect the following number of delegates whose travel and housing costs will be paid out of the Convention fund:

The letter called for the removal of the author, Mr. KIRCHKO, in the Academy; and for an investigation of him and all others involved in the publication to determine if they should be placed on trial for violating the Soviet Constitution which makes anti-Semitism a crime against the State. The letter was concluded by stating "We rejoiced with all other peace loving Americans when the United States and the Soviet Union initiated and signed the limited but historic test-ban treaty. The ELF issued a mimeographed copy of a telegram sent to President LYNDON B. JOHNSON, on June 26, 1964, by Mrs. MOLLIE BERGER, Chairman of a seminar of New York Clubs of the ELF. The telegram stated that on June 25, 1964, at a seminar on "Civil Rights, Peace, and the 1964 Elections", for New York Club executives, a resolution was adopted urging President JOHNSON to invoke the full powers of his office to provide "Federal protection for the total corps of Civil Rights volunteers who are about to arrive in Mississippi to assist and accelerate the registration of Negro voters and in St. Augustine where racist elements persist in rioting and violently attacking Civil Rights fighters."

Another resolution adopted took issue with the Administration's policy which led to the appointment of a military man - General MAXWELL TAYLOR - as Ambassador to Viet Nam and urged instead that "immediate steps be taken for negotiations with all countries concerned, mainland China included, peacefully to solve the problems of Viet Nam."

Chain telephone calls were to be made to club members and friends and sample telegrams sent to them as a follow-up.

The following telegrams were given as samples:

- "1. I SUPPORT NAACP CALL FOR FEDERAL PROTECTION FOR YOUTH CIVIL RIGHTS CORPS IN MISSISSIPPI.
- "2. URGE CIVIL RIGHTS WORKERS IN MISSISSIPPI BE DEPUTIZED DOMESTIC PEACE CORPS TO ENABLE FEDERAL PROTECTION.
- "3. URGE TOTAL PRESIDENTIAL POWER TO STOP OUTRAGES AGAINST CIVIL RIGHTS FIGHTERS ST. AUGUSTINE AND MISSISSIPPI."

Opposition To Republican Party
Nomination Of Senator BARRY GOLDWATER

A news release, dated July 8, 1964, was prepared by the ELF advising that Senators JACOB K. JAVITS and KENNETH B. KEATING were urged in identical telegrams to advise Governor SCRANTON that only the ultra-right can benefit from his declaration that he will support any candidate the Republican Party Convention would nominate for President, and called upon them to expose the "ultra-rights' cynical attitude to democracy expressed by their standard bearer Senator Barry Goldwater who declared that all party platforms are 'at best misinformation and lies". This the ELF stressed was also the attitude

NY 100-104142

of HITLER who deliberately misinformed and lied to the German people in order to gain power. The telegram cited the New York State Delegation to the National Nominating Convention of the Democratic Party for their decision to vote against the Southern Dixiecrat Delegations and urged Senators JAVITS and KEATING to fight for the adoption of a strong civil rights plank in the Republican platform pledging implementation of the Civil Rights Bill, and planks in support of peaceful negotiations in current trouble spots as well as for world disarmament. The ELF also called for Republican platform planks in support of amendments to the Walter-Mc Carran Immigration Law including a Statute of Limitations to "do away with second-class citizenship for foreign born" and for United States ratification of the United Nations Genocide Convention. The ELF highlighted the fact that this year will mark the 45th anniversary of women's right to vote and informed the Senators that they had adopted a standard for measuring the candidates of both parties for the 1964 Presidential elections "in which the above issues lead the list".

IV. CONNECTIONS WITH OTHER ORGANIZATIONS

"Jewish Currents", Camps Kinderland and Lakeland

In regard to the problem of electing delegates to the Conference of "Jewish Currents" on January 18, 1964, at Adelphi Hall, New York City, and of Camps Kinderland and Lakeland on January 25, 1964, at the Hotel Woodstock, the ELF clubs of New York and New Jersey were advised on January 10, 1964, to elect one or two delegates for each conference instead of three or more from each club, since the conferences were taking place on consecutive Saturdays.

NY 100-104142

The clubs were advised that club representation would benefit club work, since "Jewish Currents" provides valuable material for group discussions. The MF of April 25, 1964, contained an article about the new Jewish Culture Center of Brighton, located at 3117 Coney Island Avenue, Brooklyn, which will replace the old center at 3200 Coney Island Avenue, Brooklyn.

The progressive elements in Brighton have purchased the new building which consists of a large hall and two small rooms. The committee handling it needs money to complete the purchase and remodel it. Letters were to be sent to all members of the progressive organizations to become sponsors of the center. Among the organizations listed which met in the old center and are expected to help purchase the new one were the Brighton ELC and the Shore Front ELC.

The 1943-1944 American Jewish Year Book reflects that the American Federation For Polish Jews (AFPJ) was founded in 1908 for the purpose of promoting social and cultural activities among its affiliates and guarding and promoting the interests of the Jews in Poland.

A source advised on May 12, 1949, and May 16, 1963, that at the convention of the AFPJ held in New York City on March 26 and 27, 1949, a "left-wing Communist element" was elected to direct the activities of this organization.

On December 20, 1949, the above source reported he had been informed by a member of the Communist Party, United States of America (CPUSA), that the above Federation was under the full control of the "left-wing and progressive elements."

The same source stated on May 14, 1964, that the AFPJ continues to function from its headquarters at 1133 Broadway, Room 732, New York, New York, and is still controlled by Communists and "left-wingers."

COMMITTEE AGAINST NAZISM AND ANTI-SEMITISM

A source advised on January 25, 1960, that a meeting was sponsored by "The Worker," an east coast Communist newspaper, on January 24, 1960, at the Park Palace, New York City. EVELYN WIENER, described by the source as the chairman of the New York County Communist Party (CP), invited the audience to attend a protest meeting to be held in Union Square, New York City, on January 26, 1960, to protest anti-Semitism in West Germany.

A second source on January 26, 1960, advised that the CP had prepared 6,000 leaflets in connection with anti-Semitism to be distributed at a rally to be held that day at Union Square, New York City. These leaflets, according to the source, were not distributed since the CP was not openly represented at the meeting. However, according to the source, known Communists participated openly in the meeting.

On September 13, 1961, a Special Agent of the Federal Bureau of Investigation by means of a suitable pretext, spoke to SAM PEVZNER, who stated that he is the public relations officer of the Committee Against Nazism and Anti-Semitism. He stated that the organization initially known as the Committee To Stop The Revival of Nazism and Anti-Semitism, originated as an "ad hoc" committee to sponsor a rally on January 26, 1960, in New York City, to protest the rise of Nazism and anti-Semitism. It is now a continuing organization springing into action when the need arises.

On May 14, 1964, a third source stated that captioned organization is located in Room 732, 1133 Broadway, New York City.

This third source on May 14, 1964, advised that SAM PEVZNER was a member of the CP, USA, at that time.

EMMA LAZARUS FEDERATION OF
JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 14, 1964, a source advised that the ELF is one of several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION Government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receives support from the "Morning Freiheit" and other Jewish progressive organizations.

The source also stated that the ELF is recognized by the CP, USA, as an important progressive national organization of women.

The address of the national office of the ELF is 160 Fifth Avenue, Room 911, New York City.

JEWISH CULTURAL CLUBS AND SOCIETIES
Also known as Jewish Program
Service Committee

A source advised on April 27, 1954, that the former leaders, including GEDALIA SANDLER, Executive Secretary, of the Jewish People's Fraternal Order (JPFO), Jewish nationality section of the International Workers Order (IWO), had established a committee at 1133 Broadway, New York, New York. Through this committee they were organizing cultural clubs and societies based on JPFO lodges which had been dissolved on December 15, 1953, in the course of proceedings by the New York State authorities culminating in the liquidation of the IWO.

A second source advised on March 15, 1961, that a meeting of the National Groups Commission of the Communist Party, United States of America, was held on March 2, 1961, in New York City. GEDALIA SANDLER was among those present and spoke of his experiences in maintaining the Jewish lodges after the dissolution of the IWO, which, to avoid prosecution, have no national name or organization.

SANDLER stated that these lodges "lived" as clubs and societies by maintaining their cultural, fraternal and civic activities, but which activities are less political than in the former lodges. New York gave leadership to the rest of the country since the New York lodges were the strongest and had the more politically developed comrades.

These clubs and societies still maintain a medical plan, funeral benefits and mutual aid funds. There are 132 clubs and societies nationally, 63 of which are located in New York City.

A third source furnished information in May, 1963, that the clubs and societies are located at 1133 Broadway, Room 1429, New York, New York, under the name of the Jewish Program Service Committee, but are more widely known as the Jewish Cultural Clubs and Societies.

The IWO and the JPFO have been designated pursuant to Executive Order 10450.

The May, 1963, issue reported that "Jewish Currents" is published by Jewish Currents, Inc., Room 601, 22 East 17th Street, New York City.

Concerning "Jewish Life," the Guide to Subversive Organizations and Publications, dated December 1, 1961, and prepared by the Committee on Un-American Activities, United States House of Representatives, stated:

II. PROGRAM AND GENERAL ACTIVITIES

Genocide Petition Campaign

On October 23, 1963, JUNE GORDON^{issued} a Call for the Celebration of the 15th Anniversary of the United Nations Convention on Genocide, December 8, 1963, and the Universal Declaration of Human Rights, December 10, 1963. Club Council leadership and Club Executives were urged to plan public rallies in keeping with the United Nations Call for community observances of these events.

NY 100-104142 .

The immediate goal of the ELF to celebrate these events was a "Preview Presentation" of ELF petitions to ADLAI E. STEVENSON, United States Ambassador to the United Nations, during the first week of December, 1963. The drive for these petitions was launched in April, 1963, by the ELF and called for the United States Senate ratification of the United Nations Convention on Genocide.

The ELF had collected 25,030 signatures and hoped to reach a total of 50,000. The signatures were collected on petitions in the following ELF districts:

	<u>Petitions</u>	<u>Signatures</u>
Brooklyn	1,013	10,130
Bronx	264	2,640
Manhattan	112	<u>1,120</u>
Total for New York		13,890
Los Angeles	560	5,600
Chicago	218	2,180

Washington, DC	37	370
San Francisco	21	210
New Jersey	16	160
Connecticut	0	0
Detroit	0	<u>0</u>

According to GORDON, "work on the petition is our particular contribution to the Negro Freedom Movement and the burgeoning forces for peace in our country, for peace and Freedom are indivisible even as Jewish freedom is indivisible from Negro freedom in our land."

CELIA VOSK reported on her work in the ELF at a meeting of the Tremont Club of the Bronx County CP on December 4, 1963. VOSK stated that the ELF is a 'leftist' organization composed of progressive people and some Party people. Although the ELF has often taken a stand with the Party's position in such things as peace petitions and support of the ROSENBERGS, it is difficult to present the Party's position to the members or even take "The Worker" to them.

VOSK stated she is hesitant about asking the members to join the CP or to subscribe or contribute to "The Worker". She felt she might approach one or two members to join but could not do it on a large scale. It was then suggested that the name of sympathetic members be given to others for contact.

VOSK further stated that her ELF club formerly met at 868 East 180th Street, Bronx, and now meets at the new YMHA on Crotona Parkway. She described the members as mostly elderly women active in various ways around the issue of peace and banning of nuclear weapons. They subscribe to the MF, hold luncheons and lectures, and collect money for such purposes as a home in Israel.

AMERICAN FEDERATION FOR
AID TO POLISH JEWS OF THE
AMERICAN ALLIANCE OF JEWISH
POLISH SOCIETIES, INCORPORATED

The 1943-1944 American Jewish Year Book, reflects that the American Federation For Polish Jews (AFPJ) was founded in 1908 for the purpose of promoting social and cultural activities among its affiliates and guarding and promoting the interests of the Jews in Poland.

A source advised on May 12, 1949, and May 16, 1963, that at the convention of the AFPJ held in New York City on March 26 and 27, 1949, a "left-wing Communist element" was elected to direct the activities of this organization.

On December 20, 1949, the above source reported he had been informed by a member of the Communist Party, USA (CPUSA) that the above Federation was under the full control of the "left-wing and progressive elements."

The same source stated on May 16, 1963, that the AFPJ continues to function from its headquarters at 1133 Broadway, Room 732, New York, New York, and is still controlled by Communists and "left-wingers."

CONSTITUTIONAL LIBERTIES

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1951, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning Citizens Committee for Constitutional Liberties:

"CITIZENS COMMITTEE FOR CONSTITUTIONAL
LIBERTIES (NEW YORK CITY)

- "1. 'On the basis of its investigations and hearings to date, the committee concludes that the National Assembly for Democratic Rights and a coordinating and organizing group in support thereof, titled the "Citizens Committee for Constitutional Liberties," are Communist fronts. Created, dominated, and controlled by members and officials of the Communist Party, the National Assembly for Democratic Rights and the Citizens Committee for Constitutional Liberties were organized as propaganda devices for the conduct of "mass activity" in support of the avowed objective of "reversal or nonapplication" of the Supreme Court decisions of June 5, 1961, which upheld the constitutionality of the registration and disclosure provisions of the Internal Security Act of 1950 as applied to the Communist Party, and the Smith Act membership clause making punishable active and purposive membership in the Communist Party.'

'* * * The long-range objective of the Citizens Committee for Constitutional Liberties is to serve as the vehicle for concealed Communist participation in, and direction of, propaganda and agitational activities aimed to nullify the Internal Security and Smith Acts.'

COMMITTEE AGAINST NAZISM AND ANTI-SEMITISM, Formerly known as the Committee To Stop The Revival of Nazism and Anti-Semitism

A source advised on January 25, 1960, that a meeting was sponsored by "The Worker," an east coast Communist newspaper, on January 24, 1960, at the Park Palace, New York City. EVELYN WIENER, described by the source as the chairman of the New York County Communist Party (CP), invited the audience to attend a protest meeting to be held in Union Square, New York City, on January 26, 1960, to protest anti-Semitism in West Germany.

A second source on January 26, 1960, advised that the CP had prepared 6,000 leaflets in connection with anti-Semitism to be distributed at a rally to be held that day at Union Square, New York City. These leaflets, according to the source, were not distributed since the CP was not openly represented at the meeting. However, according to the source, known Communists participated openly in the meeting.

On September 13, 1961, a Special Agent of the Federal Bureau of Investigation by means of a suitable pretext, spoke to SAM PEVZNER, who stated that he is the public relations officer of the Committee Against Nazism and Anti-Semitism. He stated that the organization initially known as the Committee To Stop The Revival of Nazism and Anti-Semitism, originated as an "ad hoc" committee to sponsor a rally on January 26, 1960, in New York City, to protest the rise of Nazism and anti-Semitism. It is now a continuing organization springing into action when the need arises.

On April 25, 1963, a third source stated that captioned organization is located in Room 732, 1133 Broadway, New York City.

This third source on May 3, 1961, advised that SAM PEVZNER was a member of the CP, USA, at that time.

EMMA LAZARUS FEDERATION
OF JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page C, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On April 25, 1963, a source advised that the ELF is one of several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION Government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receives support from the "Morning Freiheit" and other Jewish progressive organizations.

The source also stated that the ELF is recognized by the CP, USA, as an important progressive national organization of women.

The address of the national office of the ELF is 150 Fifth Avenue, Room 911, New York City.

NATIONAL COMMITTEE AGAINST NAZI CRIMINALS
AND NAZISM IN AMERICA, Formerly known as
National Committee Against Nazi War Criminals
and Nazism in America, and Committee Against
Nazi Criminals and Nazism in America

A source advised on February 11, 1963, that at a meeting in Chicago on February 10, 1963, a group of former members of the Chicago Anti-Adolph Heusinger Committee (CAAHC), recently disbanded, together with representatives of several other nationality groups met and formed a Committee Against Nazi Criminals and Nazism in America, subsequently renamed the National Committee Against Nazi Criminals and Nazism in American.

This organization's headquarters is in a private residence. It is a non-membership organization and reportedly represents some 15,000 persons from various nationality groups.

Its aims and purposes are to seek out men who committed war crimes in Europe, apprehend them, and force their return to the countries in which their crimes were committed. The President of this Committee is Rabbi S. BURR YAMPOL who is anti-communist, but would accept aid from communists if it would serve his purpose. JACK KLING has played a leading role in the formation of this committee and is preparing the "fact sheet" setting out the purposes of this committee.

A second source advised between January, 1963, and April 23, 1963, that four of the five Vice Chairmen of this committee are Communist Party (CP) members and that in April, 1963, JACK KLING, a leading CP of Illinois District functionary, instructed these Vice Chairmen that he did not want the committee identified as communist, and therefore they should arrange for replacements to further remove the possibility of identifying the committee as communists.

JEWISH CULTURAL CLUBS AND SOCIETIES
Also known as Jewish Program
Service Committee

A source advised on April 27, 1954, that the former leaders, including GEDALIA SANDLER, Executive Secretary, of the Jewish People's Fraternal Order (JPFO), Jewish nationality section of the International Workers Order (IWO), had established a committee at 1133 Broadway, New York, New York. Through this committee they were organizing cultural clubs and societies based on JPFO lodges which had been dissolved on December 15, 1953, in the course of proceedings by the New York State authorities culminating in the liquidation of the IWO.

A second source advised on March 15, 1961, that a meeting of the National Groups Commission of the Communist Party, United States of America, was held on March 2, 1961, in New York City. GEDALIA SANDLER was among those present and spoke of his experiences in maintaining the Jewish lodges after the dissolution of the IWO, which, to avoid prosecution, have no national name or organization.

SANDLER stated that these lodges "lived" as clubs and societies by maintaining their cultural, fraternal and civic activities, but which activities are less political than in the former lodges. New York gave leadership to the rest of the country since the New York lodges were the strongest and had the more politically developed comrades.

These clubs and societies still maintain a medical plan, funeral benefits and mutual aid funds. There are 132 clubs and societies nationally, 63 of which are located in New York City.

A third source furnished information in May, 1963, that the clubs and societies are located at 1133 Broadway, Room 1429, New York, New York, under the name of the Jewish Program Service Committee, but are more widely known as the Jewish Cultural Clubs and Societies.

The IWO and the JPFO have been designated pursuant to Executive Order 10450.

SERVICE BUREAU OF JEWISH EDUCATION
Also known as Service Bureau for Jewish
Education, Jewish Education Service,
Committee For Progressive Jewish Education

On March 12, 1953, a source made available a pamphlet captioned "Questions and Answers About The Progressive Jewish Children's Schools," which states that for more than twenty years the children's schools of the Jewish People's Fraternal Order (JPFO) constituted the progressive wing of secular Jewish education.

On March 17, 1951, another source reported that as of January 17, 1951, the school system of the JPFO was then known as the Committee for Progressive Jewish Education (CPJE), the former name being the National School and Cultural Commission of the JPFO.

On September 14, 1955, the second source, mentioned above, advised that on the afternoon of September 13, 1955, the CPJE acceded to the demands of the New York State Department of Insurance as liquidator of the International Workers Order (IWO) that the CPJE surrender itself to the State as an asset of the IWO. The State, on that date, took control and closed the office of the CPJE located in Room 903, 160 Fifth Avenue, New York City.

On January 23, 1956, a third source made available a letter of the Service Bureau of Jewish Education (SBJE), Room 1005, 1123 Broadway, New York City, dated January 19, 1956, which reflected that although "to a certain extent, the attacks on our schools paralyzed our normal contact with you," the SBJE established its own office, opened and is serving all progressive Jewish children's schools.

A fourth source advised on June 20, 1963, that courses in the various progressive children's schools serviced by the SBJE are taught with a Marxist-Socialist philosophy and the SBJE is dominated by the Communist Party (CP) inasmuch as most of the SBJE leadership, as well as many of the school teachers, are either CP members or supporters of the CP.

The current Borough of Manhattan (New York City) Telephone Directory, reflects the address of the SBJE as 1123 Broadway, New York City.

The JPFO, the Jewish Nationality Section of the IWO and the IWO have been designated pursuant to Executive Order 10450.

II. PROGRAM AND GENERAL ACTIVITIES

Genocide Petition Campaign

The National Office of the ELF in April, 1963, sent out petitions to its various local chapters to be taken in through solicitation of local residents and then returned. The petitions are then to be forwarded to President JOHN F. KENNEDY in Washington, D.C.

The petitions call for the ratification of the Genocide Convention, which was previously adopted by the General Assembly of the United Nations. They called upon the President to urge the United States Senate to recognize the United Nations Genocide Convention of 1948 without further delay.

On the back of the petitions are sample cards reported to be sent by the American Nazi Party, Arlington, Virginia, to various people. They state "Juden Raus" (Jews Get Out); "Bring Back Auschwitz"; "Rockwell to Power"; "The Jews Are Going up the Smokestack". These sayings are given as examples of "Direct and Public Incitement to Commit Genocide."

The letter stated that the Leadership Conference had issued a call for action at the same time that more than 100 civic, labor and religious organizations had endorsed President Kennedy's Civil Rights Bill and agreed to support a nation-wide demonstration in Washington, D. C.

The ELF board members, city and borough committees were asked to contact their local ELF club officers to arrange for meetings to decide ways of reaching the club membership since many are away on vacation.

In support of the program adopted by the Leadership Conference, club members are to be urged to plan to participate in the March on Washington on August 28, 1963. They are to enlist the participation of other organizations and their community representatives. Club and neighborhood delegations are to visit their local congressmen.

Rally, May 15, 1963

A draft of a resolution was prepared by the ELF for President JOHN F. KENNEDY. The resolution stated that the following appeal was agreed upon at a meeting on May 10, 1963, which had been called to hear a report of the Warsaw Ghetto Commemoration observances held in Warsaw, Poland, last month:

"We have just heard a report from one of the American delegates to the 20th Anniversary Commemoration of the Warsaw Ghetto Uprising held last month in Warsaw, Poland. On April 21 here in New York we participated in impressive commemorations with overflow audiences, and many observances were held throughout the country.

"The proclamation issued by you, Mr. President, on March 4, 1963, calling upon the American people to observe the 20th Anniversary of the Warsaw Ghetto Uprising 'with appropriate ceremonies and activities,' doubtlessly moved many Americans to attend these observances and honor heroes of this historic Uprising as 'an inspiration to the peace-loving peoples of the world and a warning to would-be oppressors which will long be remembered.'

"The report we heard tonight was a stark and moving reminder that the heritage of the Warsaw Ghetto Uprising embodies a call 'Never to Forgive - Never to Forget' - to be forever vigilant against racism wherever it raises its venomous head."

Annual Ceremony at the Statue of Liberty, July 16, 1963

On July 8, 1963, LOUIS J. HAFNER, Supervisory Ranger, National Parks Service, United States Department of the Interior, Liberty Island, New York, advised that the ELF was holding its annual ceremony at the Statue of Liberty, Liberty Island, on the afternoon of July 16, 1963.

On July 16, 1963, Special Agents of the Federal Bureau of Investigation observed the proceedings of the ELF ceremony, on the theme of civil rights, at the Statue of Liberty from 1:35 p.m. to 2:20 p.m. The affair celebrated the 114th anniversary of the birth of EMMA LAZARUS, author of the sonnet "New Colossus", which is inscribed on a bronze plaque within the pedestal of the statue. Approximately 150 women and eight men were in attendance.

Due to construction work in the building of the American Museum of Immigration within the pedestal, the affair was held in an open area under two trees, where no facilities were available for a public address system. The construction also prevented the annual wreath placing ceremony at the plaque and group singing.

MIRIAM SILVER chaired the affair. Silver spoke briefly on the life of EMMA LAZARUS and on the Constitution that guaranteed freedom to all, regardless of race, creed or color.

NY 100-104142 *

SILVER introduced REVEREND WILBUR MILLER, St. Luke's Church, Brooklyn, as a guest speaker. REVEREND MILLER discussed his reading of the ELF book, "Emma Lazarus: Woman With A Torch" and extolled the deeds of EMMA LAZARUS. He spoke entirely on the rights of the Negro as guaranteed to him under the Constitution. He stated the Supreme Court Decision of 1954 was the beginning. The Negro is on the march forward now for his due rights. He can no longer sit and wait.

REVEREND MILLER stated that the crux of the problem is not "who is right or who is wrong", but "what is right - what is wrong". He stated Americans must be aware that all the great empires of the world, the Roman, the Byzantine and others, all broke up from within".

He stated the high percentage of poverty and low income found among Negroes is the result of segregation. He emphasized that the Negro belongs in this country. He and generations before him were born here and have no intention of going to Africa. He stated that if the white people begin to move out when the Negroes move into their neighborhoods, where can they go. Must it be the Atlantic Ocean?

MOLLIE ILSON spoke on racism and anti-Semitism. She stated that the Irish, the French, the English, the Jews and the Italians came to this country voluntarily. Negroes, however, came to America in chains as slaves. She stated that "we Jews have a saying 'never to forgive - never to forget' and that is true for Negroes".

JUNE GORDON rose from her chair to add that the organization hopes to have at least 100 members going to Washington from New York. She stated that the ELF will pay the bus fare of the second member of each club joining the group.

AMERICAN ALLIANCE OF JEWISH
POLISH SOCIETIES, INCORPORATED

The 1943-1944 American Jewish Year Book, reflects that the American Federation For Polish Jews (AFPJ) was founded in 1908 for the purpose of promoting social and cultural activities among its affiliates and guarding and promoting the interests of the Jews in Poland.

A source advised on May 12, 1949, and May 16, 1953, that at the convention of the AFPJ held in New York City on March 25 and 27, 1949, a "left-wing Communist element" was elected to direct the activities of this organization.

On December 20, 1949, the above source reported he had been informed by a member of the Communist Party, USA (CPUSA) that the above Federation was under the full control of the "left-wing and progressive elements."

The same source stated on May 16, 1963, that the AFPJ continues to function from its headquarters at 1133 Broadway, Room 732, New York, New York, and is still controlled by Communists and "left-wingers."

AMERICAN NAZI PARTY,

GEORGE LINCOLN ROCKWELL PARTY

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS, stating that he expects to become the President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by ROCKWELL attacking Jews as traitors to the United States; attempts by ROCKWELL to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. ROCKWELL prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

On June 29, 1962, the State of Virginia revoked the charter of the American Nazi Party.

EMMA LAZARUS FEDERATION
OF JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 23, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On April 25, 1963, a source advised that the ELF is one of several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION Government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receives support from the "Morning Freiheit" and other Jewish progressive organizations.

The source also stated that the ELF is recognized by the CP, USA, as an important progressive national organization of women.

The address of the national office of the ELF is 160 Fifth Avenue, Room 911, New York City.

The May, 1963, issue reported that "Jewish Currents" is published by Jewish Currents, Inc., Room 601, 22 East 17th Street, New York City.

Concerning "Jewish Life," the Guide to Subversive Organizations and Publications, dated December 1, 1961, and prepared by the Committee on Un-American Activities, United States House of Representatives, stated:

APPENDIX1963 UNION SQUARE MAY DAY COMMITTEE

On February 26, 1963, a source advised that a meeting of the Communist Party, USA (CPUSA), New York District (NYD) Board was held on February 25, 1963, at Academy Hall, 853 Broadway, New York City. WILLIAM ALBERTSON, Executive Secretary of the NYD CP, gave a brief report on the 1963 May Day Committee. He stated that a representative of each CP club in the city should attend a meeting of the committee on March 23, 1963, at which time plans would be drawn up for the 1963 May Day celebration.

Records of the Department of Parks, New York City, reflect that a permit had been issued to the 1963 Union Square May Day Committee to hold a rally at Union Square Park Plaza, 17th Street between Broadway and Park Avenue South, New York City, on May 1, 1963, 4:00 - 8:00 p.m.

The midweek edition of "The Worker," dated May 7, 1963, page 3, columns 3-5, contained a report of the May Day rally held on May 1, 1963, at Union Square Park Plaza, the theme of which was Peace and Peaceful Coexistence. According to the article, GUS HALL, Communist leader, and WILLIAM L. PATTERSON, as New York State Communist spokesman, were among the speakers who "sounded the May Day keynotes of 'Peace,' 'Civil Rights,' and 'Job Security.'"

"The Worker" is an east coast Communist newspaper.

On April 4, 1963, a second source advised that the 1963 Union Square May Day Committee had an office at 130 East 16th Street, New York City, room 201, telephone GR 3-8490.

On May 16, 1963, the Information Operator of the New York Telephone Company, advised that telephone number GR 3-8490 was changed to OR 9-9450. By means of a suitable pretext, a Special Agent of the Federal Bureau of Investigation determined from LOUIS WEINSTOCK, General Manager of "The Worker," that OR 9-9450 is listed to "The Worker" and that the May Day Committee has been disbanded.

On September 4, 1962, the ELF issued a Call for a Midterm National Board meeting on September 15, 1962. According to the Call, the agenda was to include a discussion of the following:

1. An evaluation of developments and steps being taken with regard to the United Nations (UN) Genocide Convention.
2. Club and membership campaigns.

A meeting of the Chicago ELF Council was held at 59 Monroe, Chicago, Illinois, on October 7, 1962. RUTH GASSMAN gave a report of the Eastern Seaboard Conference held in New York on September 15, 1962. GASSMAN stated that JUNE GORDON gave an evaluation of the year's work. Their shortcomings were the failure to properly "esteem" the organization and work of the clubs.

GASSMAN stated at the meeting that the future work of the clubs will be a petition campaign for the ratification of the UN Genocide Convention by the United States Senate. Several other Jewish women's organizations have been contacted by the ELF but have refused to take part in the campaign.

NY T-11
October 18, 1962

The ELF issued an "Action Letter", dated October, 1962, for all club executives, which included a discussion of the following:

1. Calendar, Jewish Book Month and 75th Anniversary of Death of EMMA LAZARUS The letter opened with a statement that "we look forward to a most productive and gratifying season of activities on the crucial problems confronting our nation, prime among them the twin issues of civil rights and peace." The letter suggested that club programs for Jewish Book Month, November 16 - December 16, be dedicated to a discussion of the reprint of two EMMA LAZARUS articles, "The Jewish Problem" and "The Last Revolt of the Jews", in relation to "the rising tide of anti-Semitism stimulated by the growth of the ultra-Right movement."

2. Membership and Club Building In regard to membership and club building, the letter stated that the Midterm Board meeting had reviewed and evaluated the results of the membership drive launched at the Fourth National Convention in November, 1961, at which a goal was set for a 25 per cent increase in membership by June, 1962, and 50 per cent by the next convention. It stated that per capita payments received by the time of the meeting indicated that there was a ten per cent increase in membership and several new clubs formed.

NY 100-104142

It was felt that good progress was made since it was the first year in which such goals were undertaken in an organized manner, with concentration in three areas - Los Angeles, Detroit and Brooklyn.

The letter stated that as an experiment to reduce the loss of new members in New York, new members were induced to pay a year's dues and receive a gift copy of "Emma Lazarus, Woman With a Torch." In paying two years' dues, the new member received a copy of the ERNESTINE ROSE book. In addition, club members enrolling three new members received a copy of the ERNESTINE ROSE book. The experiment proved to be successful when more than 100 new members paid up one or two years' dues and have stayed with their club.

3. ERNESTINE ROSE Headstone

The Convention approved project of selecting a delegation to send to London, England, for the unveiling of a headstone over the grave of ERNESTINE ROSE has been amended. Instead of applying to the three largest districts, Los Angeles, Chicago and Brooklyn, each district will now have the opportunity of selecting one member as part of the delegation if the district attains a goal of a 50 per cent increase over and above the membership recorded at the end of 1961 or at the time of the November, 1961 Convention.

4. Convention Fund

The payment of \$1.00 per member was due for 1962, towards a total of \$2.00 per club member before the next convention.

5. UN Genocide Convention

A signature drive on a petition for the United States Senate ratification of the UN Genocide Convention of 1948 would be launched soon.

III. CONNECTIONS WITH THE CP, USA

A meeting of the New York State CP Board was held on June 28, 1962, at the Fraternal Clubhouse, 110 West 48th Street, New York City, with JUNE GORDON among those in attendance. During this meeting, there was a brief discussion regarding peace petitions being circulated by the Women Strike for Peace. A proposal that the CP ask this organization for some of the petitions for CP circulation was vetoed.

NY 100-104142

BETTY GANNETT stated that she knew someone in the organization whom she felt would definitely be opposed to CP handling of any of these petitions officially. It was then decided that the individual CP clubs or sections be instructed to obtain the peace petitions from whatever contacts they had within the organization.

"The Worker" is an East Coast Communist newspaper.

The ELF issued an announcement for club members and their neighbors that the Women Strike for Peace was "sponsoring two peace actions": a demonstration at the UN building on July 18, and at Bryant Park, Sixth Avenue between 41st and 42nd Streets, New York City, on August 6, 1962.

NY T-1
July 17, 1962

By letter dated August 20, 1962, over the name of JUNE GORDON, Executive Director, the Los Angeles ELF Clubs were advised that, "It has just been brought to our attention that you may not have been alerted to a most timely action sponsored by the Women Strike for Peace. We are therefore enclosing a small number of the 'Pledge Petitions' addressed to all Political Parties and Congressional Candidates....."

NY 100-104142

"Active as you have been in all public and civic efforts to support and advance a United States policy for peace, you need no urging or pleading from us to involve your club membership in a short but speedy drive for signatures on these petitions."

The clubs were requested to return the Pledge Petitions to their City Committee leadership in Los Angeles before October 1, 1962. The City Committee was to decide whether to return the completed petitions to the ELF Office or the local leadership of the Women Strike for Peace.

NY T-1
August 22, 1962

The informant furnished information reflecting that according to JUNE GORDON, the ELF has followed a policy of cooperating with all peace organizations which initiate actions, but has avoided direct involvement or affiliation with one organization or another, in order not to become involved in differences that arise between the various organizations and committees in the peace movement.

GORDON stated that one of the deciding factors in affiliating with such an organization would be to decide the extent the Emma Lazarus Clubs could help to involve the Jewish community in the peace movement. The main question is, will affiliation help to get other Jewish organizations become affiliated.

NY T-1
September 4, 1962

"The Worker" of December 23, 1962, contained an article captioned, "American Jewish Congress Hits HUAC's Anti-Peace Campaign". According to the article, the American Jewish Congress issued a statement on Tuesday condemning the House Committee on Un-American Activities' (HCUA) investigation in Washington, D.C. of the Women Strike for Peace and other peace organizations. According to the article, the ELF sent a telegram to ADLAI STEVENSON, Senator JACOB K. JAVITS and JOHN W. MC CORMACK, Speaker of the House, calling upon them to try to bring about the cancellation of the investigation.

NY 100-104142

The telegram stated "HCUA, an official committee of Congress, is brazenly serving the will and purpose of the ultra-Right who clamor for war now and oppose the United Nations and all efforts at negotiation to save humanity from nuclear war." It was signed: MOLLIE ILSON, President.

"The Worker"
December 23, 1962

The "Morning Freiheit" of December 13, 1962, contained a similar article which was captioned, "Witch-Hunters are Answered By the Women Peace Fighters". The article stated that the ELF was among those organizations which protested the hearings and called for the dissolution of the HCUA which "arrogantly serves the will and aims of extreme right."

CORLISS LAMONT

On September 28, 1953, LOUIS F. BUDENZ testified before the United States Senate Permanent Investigations Subcommittee that EARL BROWDER, as head of the CP in the United States, had referred to CORLISS LAMONT as one of the "four prides" of the CP because CORLISS LAMONT was ready to cooperate with any Communist front or any Communist cause. BROWDER made this reference at a National Committee meeting of the CP in the early 1940s. BUDENZ also recalled that LAMONT was a member of the CP, when he, BUDENZ, was a member.

"Rights", self-identified as a publication of the Emergency Civil Liberties Committee (ECLC), April-May, 1962 issue, listed CORLISS LAMONT as Vice-Chairman of the ECLC.

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the Emergency Civil Liberties Committee:

"Emergency Civil Liberties Committee

- '1. 'The Emergency Civil Liberties Committee is an organization with headquarters in New York, whose avowed purpose is to abolish the House Committee on Un-American Activities and discredit the FBI. * * * The committee finds that the Emergency Civil Liberties Committee, established in 1951, although representing itself as a non-Communist group, actually operates as a front for the Communist Party. It has repeatedly assisted, by means of funds and legal aid, Communists involved in Smith Act violations and similar legal proceedings. One of its chief activities has been and still is the dissemination of voluminous Communist propaganda material.'

'FRANK WILKINSON was called as a witness when he appeared in Atlanta as a representative of the Emergency Civil Liberties Committee to propagandize against the Committee on Un-American Activities and to protest its hearings. In 1956 WILKINSON was identified as a Communist Party member by a former FBI undercover agent within the party. Summoned at that time to answer the allegation, his reply to all questions was, "I am answering no questions of this committee." This also became his stock reply to questions when he appeared during the Atlanta hearings. * * * WILKINSON has since been convicted of contempt of Congress and sentenced to one year in jail.'

(Committee on Un-American Activities, Annual Report for 1958, House Report 187, March 9, 1959, pp. 34 and 35.)

'To defend the cases of Communist law-breakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the * * * Emergency Civil Liberties Committee. When the Communist Party itself is under fire these fronts offer a bulwark of protection.'

EMMA LAZARUS FEDERATION OF
JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 15, 1962, a source advised that the ELF is one of several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION Government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receives support from the "Morning Freiheit" and other Jewish progressive organizations.

The source also stated that the ELF is recognized by the CP, USA, as an important progressive national organization of women.

The address of the national office of the ELF is 160 Fifth Avenue, Room 911, New York City.

JEWISH CULTURAL CLUES AND SOCIETIES
Also known as Jewish Program Service Committee

A source advised on April 27, 1954, that the former leaders, including GEDALIA SANDLER, Executive Secretary, of the Jewish People's Fraternal Order (JPFO), Jewish nationality section of the International Workers Order (IWO), had established a committee at 1133 Broadway, New York City, New York. Through this committee they were organizing cultural clubs and societies based on JPFO lodges which had been dissolved on December 15, 1953, in the course of proceedings by the New York State authorities culminating in the liquidation of the IWO.

A second source advised on March 15, 1961, that a meeting of the National Groups Commission of the Communist Party, United States of America, was held on March 2, 1961, in New York City. GEDALIA SANDLER was among those present and spoke of his experiences in maintaining the Jewish lodges after the dissolution of the IWO, which to avoid prosecution, have no national name or organization.

SANDLER stated that these lodges "lived" as clubs and societies by maintaining their cultural, fraternal and civic activities, but which activities are less political than in the former lodges. New York gave leadership to the rest of the country since the New York lodges were the strongest and had the more politically developed comrades.

He stated these clubs and societies still maintain a medical plan, funeral benefits and mutual aid funds. He also stated there are 132 clubs and societies nationally, 63 of which are located in New York City.

A third source furnished information in May, 1962, reflecting that the clubs and societies are located at 1133 Broadway, Room 1429, New York, New York, under the name of the Jewish Program Service Committee, but are more widely known as the Jewish Cultural Clubs and Societies.

The IWO and the JPFO have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

"Jewish Life" for October, 1957, announced that after the October issue, and with the next issue to be published in January, 1958, the magazine was changing its name to "Jewish Currents," because of the claim to the name "Jewish Life" by the magazine "Orthodox Jewish Life."

The May, 1962, issue reported that "Jewish Currents" is published by Jewish Currents, Inc., Room 601, 22 East 17th Street, New York City.

Concerning "Jewish Life," the Guide to Subversive Organizations and Publications, dated December 1, 1961, and prepared by the Committee on Un-American Activities, United States House of Representatives, stated:

"(1) Cited as a Communist-front which first appeared in November, 1946, as a monthly published by the Morning Freiheit Association, publishers of the Yiddish Communist daily, Morning Freiheit. . . . The first issue contained this announcement of policy: Jewish Life dedicates itself to strengthening the friendship of the Jewish people with the Soviet Union. . . ."

JEWISH COMMITTEE FOR CIVIL
WAR CENTENNIAL CELEBRATION

The bi-monthly organizational bulletin of the Yiddisher Kultur Farband (YKUF) for February, 1961, reported that on the initiative of the YKUF and other cultural-social organizations, a conference was being called for February 18, 1961, at the Hotel New Yorker, New York City, in order to celebrate the 100th anniversary of the American Civil War.

A source advised on February 23, 1961, that the purpose of the above conference was to involve all Jewish mass organizations in the preparation of Civil War celebrations and to combine these celebrations with the present day struggles for civil rights and civil liberties.

On April 10, 1961, a Special Agent of the Federal Bureau of Investigation, by means of a suitable pretext, spoke to JUNE GORDON and was told that the Jewish Committee for Civil War Centennial Celebration hopes to continue through 1965 commemorating the Civil War in New York City and in other cities. In addition, it hopes to reveal the part that the American Jews played in the Civil War and to fight to preserve the rights of all the people.

A second source advised on January 23, 1960, that at a meeting of the New York State Communist Party (CP) Committee which was held at Adelphi Hall, New York City, on January 23, 1960, JUNE GORDON, a member of the New York State CP Committee, was elected a member of the New York State CP Board, at this meeting.

On April 19, 1962, a Special Agent of the Federal Bureau of Investigation, by means of a suitable pretext, spoke to JUNE GORDON and was told that subject organization is located at 189 Second Avenue, New York City, the address of the YKUF.

The YKUF has been designated pursuant to Executive Order 10450.

A source advised on May 15, 1962, that the JMA is part of a number of organizations comprising the Jewish cultural progressive movement in which the Yiddisher Kultur Farband (YKUF) is the most prominent. All of these organizations are directed and led by Jewish functionaries of the Communist Party, United States of America (CP, USA).

RELIGIOUS FREEDOM COMMITTEE

On March 21, 1955, a source furnished a copy of a letter from the Methodist Federation for Social Action (MFSA) dated March 7, 1955, addressed to all members of the MFSA. This letter states in part, "Out of the M.F.S.A. Defense Fund was organized the Religious Freedom Committee to defend the injunctions of the first amendment, to alert churchmen of all faiths to the danger of the attacks and to defend religious persons who might become involved with the government investigating bodies on matters challenging their religious freedom."

Material circulated by the Religious Freedom Committee during the last seven years indicates that its principal activity has been agitation for the abolishment of the House Committee on Un-American Activities.

The "Guide to Subversive Organizations and Publications" published by the House Committee on Un-American Activities, United States House of Representatives, Washington, D.C., (revised December 1, 1961) stated the following on page 107 concerning the MFSA:

- "1. 'With an eye to religious groups, the Communists have formed religious fronts such as the Methodist Federation for Social Action * * * *.'
(Internal Security Subcommittee of the Senate Judiciary Committee, Handbook for Americans, S. Doc. 117, April 23, 1956, p. 91)."

SOUTHERN CONFERENCE EDUCATIONAL FUND, INC.

"The Southern Patriot," a monthly publication, shows that it is published by the Southern Conference Educational Fund, Inc. (SCEF).

"The Southern Patriot" was cited as an "organ" of the Southern Conference for Human Welfare (SCHW) by the Committee on Un-American Activities, House Report 592, on the SCHW, June 12, 1947.

The SCHW was cited as a communist front by the Committee on Un-American Activities, House Report 592, June 16, 1947.

An amendment to the charter of the SCHW changed the name of that organization to the SCEF, and listed its purpose as being to improve the educational and cultural standards of the Southern people in accordance with the highest American democratic institutions, traditions, and ideals. The amendment was dated April 26, 1946.

A source, who is familiar with some phases of Communist Party (CP) activity in the New Orleans area, advised on May 18, 1960, that during the time the SCHW was in existence, CP members were members of and worked actively in the SCHW. However, since the formation of the SCEF, rank and file CP members have not been encouraged to work in the SCEF. The source stated that the SCEF is a progressive, liberal organization, which he considers a CP front organization because it has gone along with the CP on certain issues, particularly on the racial question, and through the years, certain CP members in the New Orleans area have been assigned to work in the organization to further CP principles.

On May 18, 1960, the source advised that in the past, he has considered James Dombrowski, the Executive Director of the SCEF, to be a communist, if not an actual CP member, because he followed communist principles.

On December 4, 1961, a source advised the financial records maintained by the PCCJCA and HB reflected the organization had changed its name to the United States Committee For Cooperation with the Japan Council Against the A and H Bombs (U.S. Committee).

On December 1, 1961, a second source advised that the U.S. Committee had sought Communist Party (CP) support after its founding and that after approximately six weeks later CP support was gained in the person of HERBERT APTHEKER, who wrote articles concerning the peace movement in Japan and attended the 7th World Conference Against The A and H Bomb held during August, 1961, in Japan.

"The Worker," an east coast Communist newspaper, in its issue of July 30, 1961, on page 2, column 4, referred to Dr. HERBERT APTHEKER as a member of the National Committee of the CPUSA.

On January 31, 1962, the second source advised that the office headquarters of the U.S. Committee is in the apartment of JEANETTE TURNER, 41-44 48th Street, Long Island City, New York, and that all activities are directed from this address.

II. PROGRAM AND GENERAL ACTIVITIES

A. Seminar, January 23, 1962

The ELF planned a "Seminar On the Women Strike for Peace Movement", on January 23, 1962, with JUNE GORDON

NY 100-104142

leading the discussion. The Seminar was to be held for the benefit of club presidents in New York City and New Jersey for the purpose of examining the rapid growth of the movement, as a basis for developing the growth of ELF clubs and membership.

(NY T-1, January 16, 1962)

B. Opposition to Activities of
GEORGE LINCOLN ROCKWELL

The ELF planned a "Seminar For Club Executive Members on GEORGE LINCOLN ROCKWELL and the United Nations Convention on Genocide" at Adelphi Hall, 74 Fifth Avenue, New York City, on February 27, 1962. LEAH NELSON, ELF Cultural Chairman, was to lead the seminar.

(NY T-1, February 15, 1962)

By letter dated March 8, 1962, the ELF advised that an evening "Seminar on GEORGE LINCOLN ROCKWELL and the United Nations Convention on Genocide" was planned for April 5, 1962, to enable working officers to attend.

(NY T-1, March 23, 1962)

On March 22, 1962, the ELF sent telegrams to New York City Park Commissioner, NEWBOLD MORRIS; Mayor ROBERT F. WAGNER; and United States Ambassador to the United Nations, ADLAI E. STEVENSON, protesting the scheduled appearance of GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party, on April 20, 1962, at a public rally in New York City to celebrate HITLER's birthday. The telegram included a statement, "We could not be silent if one of the neo-Nazi groups in West Germany were given a permit for a public rally to celebrate Hitler's birthday. We must, in all conscience, memory and vigilance, oppose a Rockwell-Nazi rally honoring Hitler in New York City"

(NY T-1, March 23, 1962)

NY 100-104142

A characterization of the American Nazi Party appears in the Appendix section of this report.

C. ELF Petition Campaign

The ELF was preparing a press release on April 6, 1962, announcing that on Friday morning (April 6, 1962) Congressman EMANUEL CELLER, Chairman of the Judiciary Committee, received a petition with 12,000 signatures calling for the enactment of a statute of limitations in deportation and denaturalization proceedings.

Mrs. MOLLIE ILSON, ELF President, headed the delegation of five women asking Congressman CELLER to bring the petition before his committee and convey its contents to President JOHN F. KENNEDY.

According to the release, the Walter-McCarran Immigration and Nationality Law "stigmatizes Americans of foreign birth as 'second-class citizens'." It stated "the protections provided by due process, right of appeal and statutes of limitations can be extended to non-citizens without hampering the security of our nation."

Other members of the ELF delegation were MOLLIE BERGER, Vice-President, LEAH NELSON, Cultural Chairman, MIRIAM SILVER, Secretary-Treasurer, and DOROTHY MOSER, President of the ELF Brooklyn Council.

MEMBER OF SUBJECT ORGANIZATION
(NY T-1, April 6, 1962)

DOROTHY MOSER

Mrs. SOL (DOROTHY) MOSER was a member of the Brooklyn delegation to the New York State CP Convention, held on January 25 - 27, 1957, in New York City.

(NY T-7, March 18, 1957)

NY 100-104142

"The Worker", in its issue of April 15, 1962, contained a short article stating that Representative EMANUEL CELLER told a delegation of women from the ELF that he would personally deliver the above petition to President KENNEDY.

("The Worker", April 15, 1962,
Page 10, Column 4)

"The Worker" is an East Coast Communist newspaper.

The ELF issued an "Action Letter" for Club Presidents and Executive Committees, dated May 17, 1962, over the name of JUNE GORDON, captioned "Mission Accomplished - Statute of Limitations Petitions Delivered to President Kennedy". The letter called upon the clubs to write letters or to elect a delegation of three members to visit their local congressmen with Photostats of letters from Representative CELLER and the White House, and seek their support of legislation for the enactment of a Statute of Limitations.

The clubs were also requested to obtain volunteers or assign three or four members to write letters to the Reader's Columns of their local press, including the National Yiddish and local Anglo-Jewish papers, in favor of such legislation.

The clubs were urged to plan public forums for October on the subject so that candidates from all Parties, up for election or re-election to the House and Senate, can be invited as their guest speakers. The clubs were to "Make the enactment of a Statute of Limitations in all deportation or denaturalization proceedings part of your YARDSTICK or TEST of all candidates in 1962 elections."

(NY T-1, May 18, 1962)

NY 100-104142

D. Publication of Pamphlet
"Peace or Perish"

A reception and seminar for club presidents, cultural chairmen and other club executives to celebrate the publication of an ELF pamphlet was planned for May 3, 1962. The pamphlet, "Peace or Perish", contains the report of MILDRED SIMON given at the 10th Anniversary Convention of the ELF held on November 3 - 5, 1961, in New York City, which reported on her participation, as an ELF observer from Los Angeles, on the Seventh World Conference Against "A" and "H" Bombs, held in July, 1961 in Japan. The reception and seminar was to provide an opportunity for the clubs to exchange experiences acquired in the course of their peace activities.

(NY T-1, April 25, 1962)

This informant furnished a copy of the pamphlet "Peace or Perish", published by ELF.

(NY T-10, June 4, 1962)

E. Annual Ceremonies at Statue
of Liberty, July 17, 1962

LOUIS J. HAFNER, Supervisor National Park Service, United States Department of Interior, Liberty Island, New York, advised that the ELF would hold its annual ceremonies at the Statue of Liberty, Liberty Island, on the afternoon of July 17, 1962.

(LOUIS J. HAFNER, July 6, 1962)

NY 100-104142'

On July 17, 1962, Special Agents of the Federal Bureau of Investigation (FBI) observed the proceedings of the ELF ceremonies at the Statue of Liberty from 1:15 to 2:35 p.m., which was held in celebration of the 113th anniversary of the birth of EMMA LAZARUS, author of the sonnet "New Colossus", which is inscribed on a bronze plaque within the pedestal of the statue. The ceremonies were attended by approximately 230 women and a few men.

MOLLIE BERGER, ELF Vice-President, opened the ceremonies and acted as Chairman. She mentioned how the ELF contributed \$5,000.00 to become one of the founders of the American Museum of Immigration, which was then under construction beneath the statue.

The Star Spangled Banner was sung by a woman accompanied by TEDDL SCHWARTZ, folk singer and guitarist. SCHWARTZ later sang some songs in Yiddish and English.

BERGER introduced MORRIS U. SCHAPPES, Editor of "Jewish Currents", as an historian and author of the book, "Emma Lazarus--Selections from her Prose and Poetry". SCHAPPES praised the ELF for paying tribute to EMMA LAZARUS and in having selected her name as its symbol and inspiration in its program of first-class citizenship, equal rights and opportunities for all. He stated that he was happy to have been commissioned by the ELF to study the life of EMMA LAZARUS for the book, which was published several years ago.

SCHAPPES stated that there was anti-Semitism after the Civil War and that EMMA LAZARUS spoke out against those bigots who directed their attacks against immigrant Jews. He described EMMA LAZARUS as a controversial figure in her time, who fought for the abolition of slavery and fought for civil rights for all, regardless of birth. He ended by stating "may she continue to inspire you, the ELF".

NY 100-104142

Mrs. THELMA HAMILTON was introduced as a leader in the Negro liberation movement and as Executive Secretary of the Parents Workshop for Integration of Public Schools. HAMILTON spoke of the deeds of EMMA LAZARUS in fighting anti-Semitism.

HAMILTON stated that the United States is a great country, but she finds it necessary to be critical. She stated that in 1958, people were shocked to hear that a Jewish Temple was bombed in Atlanta, Georgia. People were shocked with the unjust treatment of Negroes in the South. The leaders of the country spoke out against these attacks, yet such incidents occurred again and again and in the North, with the further desecration of synagogues and the segregation of the Negro in housing and schools.

She emphasized that "segregation in public schools must end if we are to make this a better world. We must take up the cross for human dignity". If laws are to be passed, they should be enforced. She concluded that the women of today must follow in the footsteps of EMMA LAZARUS. All nationalities, including the Negro and the Jew, must stand together.

JUNE GORDON, ELF Executive Director, spoke of the contributions of EMMA LAZARUS in combatting anti-Semitism. She mentioned how the ELF urged JOSEPH PAPP, Director of the Shakespearean Festival of New York, to cancel the recent television presentation of the "Merchant of Venice" because of the anti-Semitic nature of the play in the character of Shylock. She stated that though the ELF and other organizations were unable to stop the presentation, they succeeded in alerting the community to the impact of such art upon the public.

NY 100-104142

GORDON stated that an ELF delegation had visited Congressman EMANUEL CELLER, Chairman of the House Judiciary Committee, in April, and presented him with a petition of "15,000" signatures calling for the enactment of a statute of limitations in denaturalization and deportation proceedings.

She stated that crimes, with the exception of murder, offer criminals the protection of a statute of limitation. However, the foreign born have no such protection.

GORDON read a letter of Congressman CELLER acknowledging his receipt of the petition and of his intent to present them to President JOHN F. KENNEDY. GORDON then read a letter from the White House acknowledging the President's interest in such legislation.

GORDON concluded her speech with an appeal to put an end to anti-Semitism, Nazism and H-bomb testing. She stated nuclear war must be banished from the world. She asked for the unity of all people to live in peace and freedom.

At the conclusion of GORDON's speech, the assemblage proceeded to place a wreath beneath the bronze plaque within the pedestal of the statue.

On May 11, 1962, ELF club presidents in New York and New Jersey were advised to read the following letter entitled "Let Freedom Ring - June 7 at Manhattan Center", at club meetings:

"One of the most important resolutions adopted at our 4th-Tenth Anniversary Convention dealt with the McCarran Internal Security Act and the June 5, 1961 Supreme Court decision upholding it by a majority of ONE -- the vote was 5-4. Our resolution took note of the fact that President Truman vetoed the Act when it was passed in 1950.

"Our resolution like those of the National Council of Jewish Women, the American Jewish Congress and many other organizations of the people including major trade unions, denounced the McCarran Internal Security Act as an attack upon the very foundations of our democracy.

"In adopting this resolution we resolved to exercise our civic duty by calling upon President Kennedy to STOP the enforcement of this act as President Thomas Jefferson did in his time when, backed by the people, he refused to enforce the Alien and Sedition Acts.

NY 100-104142

"The June 7th FIGHT BACK RALLY sponsored by the Citizens Committee for Constitutional Liberties, on the first anniversary of the Supreme Court's split decision on the McCarran Act, provides an opportunity for every American who cherishes democracy to ACT -- TO MAKE FREEDOM RING true and clear throughout the land.

"We, therefore, call upon ALL members of Emma Lazarus Clubs and all the friends and neighbors they can reach to fill Manhattan Center to overflowing with the voice and 'vote' of the people so that President Kennedy may be moved, as the great Thomas Jefferson was, to stop the enforcement of the McCarran Act.

"Where freedom ends -- dictatorship and war begins!

"Help to keep our precious FREEDOM ROAD open for all of the peoples' movements for PEACE."

(NY T-1, May 14, 1962)

A source advised on February 27, 1959, that GEORGE LINCCIN ROCKWELL, of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprises National Socialists (WUFENS) at his residence on February 26, 1959.

SERVICE BUREAU OF JEWISH EDUCATION
 also known as Service Bureau for Jewish
 Education, Jewish Education Service,
 Committee for Progressive Jewish
 Education

On March 12, 1953, a source made available a pamphlet captioned, "Questions and Answers About The Progressive Jewish Children's Schools," which states that for more than twenty years the children's schools of the Jewish People's Fraternal Order (JPFO) constituted the progressive wing of secular Jewish education.

On March 17, 1951, another source reported that as of January 17, 1951, the school system of the JPFO was then known as the Committee for Progressive Jewish Education (CPJE), the former name being the National School and Cultural Commission of the JPFO.

On September 14, 1955, the second source, mentioned above, advised that on the afternoon of September 13, 1955, the CPJE acceded to the demands of the New York State Department of Insurance as liquidator of the International Workers Order (IWO) that the CPJE surrender itself to the State as an asset of the IWO. The State, on that date, took control and closed the office of the CPJE located in Room 903, 160 Fifth Avenue, New York City.

On January 23, 1956, a third source made available a letter of the Service Bureau of Jewish Education (SBJE), Room 1005, 1123 Broadway, New York City, dated January 19, 1956, which reflected that although "to a certain extent, the attacks on our schools paralyzed our normal contact with you," the SBJE established its own office, opened and is serving all progressive Jewish children's schools.

The current Borough of Manhattan (New York City) Telephone Directory, reflects the address of the SBJE as 1123 Broadway, New York City.

The JPFO, the Jewish Nationality Section of the IWO and the IWO have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

II. PROGRAM AND GENERAL ACTIVITIES

A. Annual Ceremonies at Statue of Liberty, July 25, 1961

On July 20, 1961, LOUIS HAFNER, Assistant Superintendent, National Park Service, United States Department of Interior, Liberty Island, New York, advised that the ELF would hold its annual ceremonies at the Statue of Liberty, Liberty Island, on the afternoon of July 25, 1961.

(LOUIS HAFNER, July 20, 1961)

On July 25, 1961, Special Agents of the Federal Bureau of Investigation (FBI) observed the annual ELF ceremonies at the Statue of Liberty from 1:40 to 2:35 p.m. in celebration of the 112th anniversary of the birth of Emma Lazarus, author of the sonnet "New Colossus," which is inscribed on a bronze plaque within the pedestal of the statue. Approximately 110 women and 10 men were in attendance.

MOLLIE ILSON, ELF President, opened the affair by introducing MIRIAM SILVER, ELF Secretary-Treasurer, who sang the National Anthem.

ILSON spoke briefly on the history of the National Monument and quoted from the sonnet of Emma Lazarus.

ILSON introduced MARK LANE, guest speaker, as the State Assemblyman from the Yorkville and Harlem areas of New York City, and as a modern abolitionist and a Freedom Rider. LANE stated that he has been criticized by many people including President JOHN F. KENNEDY for his actions in traveling to the southern states, being referred to as a "meddler from the north".

NY 100-104142

LANE stated that he fought with the Army in World War II with one purpose in mind which was for the whole country. He does not feel that he was an outsider in going to Montgomery, Alabama, and feels that the President should take an affirmative stand supporting the action of these people who wish to see that the Negro and the white can travel together.

LANE stated that he is opposed to a Welfare Residency Bill in New York State since such legislation would be a form of bigotry. He stated that welfare should be judged by the need and the need alone.

ILSON stated that the ELF was supporting a bill of Congressman EMMANUEL CELLER which opposes the quota system on alien entry and which would place a Statute of Limitations on the Walter-Mc Carran Law.

ILSON stated that the ELF is engaged in a campaign for 25,000 signatures on petitions urging that Congress approve a Statute of Limitations on the Walter-Mc Carran Law. ILSON urged those present to complete their petitions and return them to their clubs.

MIRIAM SILVER sang some songs in Yiddish and English, including, "America".

ILSON then introduced LEAH NELSON as the ELF Educational Director. NELSON spoke about the life of Emma Lazarus and her efforts to raise funds to build the pedestal for the monument. NELSON stated that the ELF has dedicated this year's celebration of her birth to the Civil War Centennial. She described Emma Lazarus as a crusader and a fighter against anti-Semitism and discrimination. She stated the ELF will fight for the unity of all people and will join-patriotic efforts to protect the rights of the foreign born.

NY 100-104142

NELSON stated that the ELF is dedicated to the support of the Freedom Riders and to the support of the Negro people in their fight for equal rights. She urged President KENNEDY to come out and support the Freedom Riders.

B. Opposition to Immigration Bill

The ELF issued a press release for distribution on September 20, 1961, advising that MOLLIE ILSON, ELF President, had sent a telegram to President JOHN F. KENNEDY expressing alarm over press reports that the President was "considered certain to sign" a new immigration bill introduced by Representative FRANCIS E. WALTER, which would "impose additional restrictions upon foreign born Americans by limiting their right of court appeals in cases of deportation."

NY 100-104142

The President was urged to "address a personal message to Congress and provide leadership to unite Democratic Congressmen for rejection of additional court restrictions in deportation cases and to adopt a Statute of Limitations to protect foreign born Americans against deportation after a lifetime in the United States and denaturalization of Americans after years of citizenship."

(NY T-1, September 20, 1961)

The "Morning Freiheit" of September 20, 1961, contained an article entitled, "Emma Lazarus Federation Calls Upon President Not to Sign Harmful Anti-Immigration Bill", concerning the above ELF press release.

("Morning Freiheit," September 20, 1961, Page 2, Columns 4 - 5)

A characterization of the "Morning Freiheit" is contained in the Appendix of this report.

C. Proceedings of ELF Convention
November 3-5, 1961

The ELF issued a letter dated September 13, 1961, stating that "Peace in the World and Civil Rights for all of the people in our nation will be the two major convention issues discussed following an evaluation of Jewish Values. On the basis of this evaluation, action will be planned to advance the participation of the Jewish community in the movement for peace and civil rights."

(NY T-1, September 28, 1961)

The ELF issued a "Call For the Election of Delegates to the 10th Anniversary - 4th National

NY 100-104142

Convention" at the George Washington Hotel on Friday, November 3, 1961, at 7:30 p.m. and on Saturday and Sunday, November 4-5, 1961, at 10:00 a.m. to 5:00 p.m. The "Call" stated that the issues to be discussed and acted upon at the convention were:

"I. Jewish Values

"The current, turbulent discussion of Jewish Values within some of the major Jewish organizations, and particularly the controversy over Israel's place in the affairs of the United States Jewish Community is the inevitable result of a Zionist policy which makes Israel the MAINSPRING of Jewish life everywhere. Based on kinship with the Israeli people and not on Israel as the core of Jewish life in the United States of America, Federation's ten-year-old policy requires no REVISION because it creates no CONFLICT between support of Israel and a realistic and purposeful approach to Jewish values in our country. We plan, in fact, to accelerate our support of the Emma Lazarus Day Nursery in Tel-Aviv and to increase the tempo of our civic activities for the achievement of a United States foreign policy which would advance democracy and peace in the Middle East. We consider this the most vital service we can render to Israel for its security while serving our and all humanity's aspirations for peace.

"Our Convention keynote on Jewish values will stress efforts for moving the Jewish community into action in unison with all other Americans who fervently desire universal peace and civil rights for all of the people. This approach will require further development of our general line of policy.

NY 100-104142

"II. Action for Peace and Civil Rights"

1. Against the threat of a third - a nuclear war.
2. For German disarmament and denazification.
3. An evaluation of the EICHMANN trial and its revelations in relation to -
4. Lincoln Rockwell, the would-be-Hitler of the United States of America, the Birch Society, and all other manifestations of rising anti-Semitism.
5. The Negro Freedom Movement and all aspects of Civil Liberties in which the Negro people are now the pace setters."

(NY T-1, September 28, 1961)

The 10th Anniversary - 4th National Convention of the ELF was held as scheduled on November 3-5, 1961. The convention commenced at 8:00 p.m. on November 3, with MILLIE ILSON giving the keynote address in which she stated that ELF activity for the year has been highlighted with projects centered around the celebration of the Civil War Centennial. She referred to documents in public libraries regarding the work of ERNESTINE ROSE, and a campaign initiated by her in which 100,000 signatures were obtained and presented to President ABRAHAM LINCOLN in 1863, petitioning the freedom of slaves. ILSON stated that the ELF in its projects will carry forward the traditions of ERNESTINE ROSE.

JUNE GORDON, ELF Executive Director, gave a lengthy address stating that the ELF is primarily a secular women's organization to advance Jewish culture, and has Peace and Welfare of the Home as a 5th point in its program. She stated even though the ELF is not a peace

NY 100-104142

organization, the question of peace is important to it. She pointed out that as long as there is an arms race, there will be nuclear testing and the danger of a nuclear war will become greater. She blamed the Berlin crisis on the arms race, and quoted Premier NIKITA KHRUSHCHEV as stating the Soviet Union resumed nuclear testing because of the militarization of West Germany and the buildup of United States Military and North Atlantic Treaty Organization (NATO) forces.

GORDON related that some scientists, including ALBERT EINSTEIN, advocated the production of the atom bomb because they feared the Nazis were about to produce a similar weapon. Now, the former Nazi General ADOLF HEUSINGER, as Chairman of the Permanent Committee of NATO, occupies an office in the Pentagon, where he is dangerously close to trigger happy militarists. The ELF was among the first of a few Jewish organizations to protest his appointment.

GORDON further stated that the ELF will do everything to persuade our statesmen to relieve the fears of the Soviet Union, by removing the Bundeswehr (West German Army) as an obstacle to liquidating the cold war, and the Soviet Union's reason for the resumption of testing.

EMMA LAZARUS Federation

CA:if
MILDRED SIMON of Los Angeles, ELF observer at the Seventh World Conference of the Japan Council against Atomic and Hydrogen Bombs held during August, 1961, in Japan, gave a detailed report of her participation at the conference. SIMON spoke of her extensive research in libraries of the bombing of Hiroshima and Nagasaki prior to her departure to Japan. She spoke of her attendance at the conference, her interviews with people who witnessed and suffered from the bombings, of the destruction of homes and farms, and of the present conditions in those cities. She stated that the American

NY 100-104142

delegates to the conference felt a tremendous guilt in having dropped the bomb. The Americans joined with the representatives of the 28 countries at the conference in an appeal for an end to atomic and hydrogen bombs.

The sessions on November 4, 1961, lasted from 10:40 a.m. until 5:00 p.m. with time out for lunch. They included reports and discussions from panels on club status and leadership in the community, civil rights and peace.

The afternoon session was followed by a banquet from 6:30 p.m. until 9:55 p.m.

MORRIS U. SCHAPPES, Editor of "Jewish Currents", and author of "Emma Lazarus - Selections from her Poetry and Prose", praised the ELF for continuing the work of EMMA LAZARUS and ERNESTINE ROSE.

The sessions on November 5, 1961, ran from 11:00 a.m. until 4:45 p.m. with time out for lunch.

The following resolutions were approved by the convention:

1. That a delegation be elected to present the 10,000 signatures obtained on ELF petitions, calling for a statute of limitation amendment in the Walter-Mc Carran Law, to an appropriate committee of Congress when it convenes in January, 1962.

NY 100-104142

2. That the leaders of the world get together for a cessation of bomb testing and for total disarmament.

3. That the clubs join in the celebration of the Civil War Centennial (1961-1965) with projects undertaken to point out the participation of Jews in the war.

4. That there be a 50 per cent increase (about 1,000) in club membership by 1963.

5. That the clubs celebrate Mother's Day with a mother of a Freedom Writer selected as the Mother of the Year.

Resolutions were also adopted calling for the repeal of the Mc Carran and Smith Acts; favoring medical care for the aged receiving Social Security; opposing federal aid to private schools; favoring full equality for the Negro; and against anti-Semitism.

EMMA LAZARUS FEDERATION OF
JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report on the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 11, 1961, a source advised that the ELF is one of several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION Government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receives support from the "Morning Freiheit" and any other Jewish progressive organizations.

The source also stated that the ELF is recognized by the CP, USA as an important progressive national organization of women.

The address of the national office of the ELF is 160 Fifth Avenue, Room 911, New York City.

- "1. A 'Communist Yiddish daily.'
(Attorney General FRANCIS BIDDLE, Congressional Record, September 24, 1942, p. 7686.)
- "2. 'The Freiheit has been one of the rankest organs of Communist propaganda in this country for almost a quarter of a century.'

"JEWISH CURRENTS"
Formerly known as "Jewish Life"

"Jewish Life" for October, 1957, announced that after the October issue, and with the next issue to be published in January, 1958, the magazine was changing its name to "Jewish Currents," because of the claim to the name "Jewish Life" by the magazine "Orthodox Jewish Life."

The May, 1961, issue reported that "Jewish Currents" is published by Jewish Currents, Inc., Room 601, 22 East 17th Street, New York City.

Concerning "Jewish Life," the Guide to Subversive Organizations and Publications, dated January 2, 1957, and prepared by the Committee on Un-American Activities, United States House of Representatives, stated:

"(1) Cited as a Communist front which first appeared in November, 1946, as a monthly published by the Morning Freiheit Association, publishers of the Yiddish Communist daily, 'Morning Freiheit'..... The first issue contained this announcement of policy: 'Jewish Life dedicates itself to strengthening the friendship of the Jewish people with the Soviet Union.....'

JEWISH PROGRAM SERVICE COMMITTEE

A source advised in April, 1954, that the former leaders of the Jewish People's Fraternal Order (JPFO), Jewish nationality section of the International Workers Order (IWO), had established the Jewish Publication and Research Committee (JPRC). Through this committee they were organizing cultural clubs and societies based on JPFO Lodges which had been dissolved on December 15, 1953, in the course of proceedings by the New York State authorities culminating in the liquidation of the IWO.

The above source on April 27, 1955, advised that New York area clubs and societies of the JPRC were divided into four districts, Bronx, Manhattan, East Brooklyn and West Brooklyn, with each district having a district coordinating committee which in turn are represented on the General Coordinating Committee of Jewish Clubs and Societies (GCC).

A second source provided information in June, 1955, reflecting that the JPRC had changed its name to Jewish Publication and Cultural Committee (JPCC) about that time.

The second source advised on April 16, 1956, that the East Brooklyn Committee and West Brooklyn Committee were unified into the Brooklyn Committee of Jewish Societies having co-chairmen and co-secretaries of the then East and West Brooklyn committees.

A third source on March 3, 1957, advised that the City Committee of Jewish Clubs is the New York delegated body of the English speaking clubs of the New York area clubs and societies which is represented on the GCC. The GCC in turn gives leadership to the clubs and societies in the New York area as well as throughout the country.

The building management at 1133 Broadway, New York, New York, where the JPCC occupied Room 1429, advised that the JPCC on May 9, 1961, renewed its lease for a two-year period as the Jewish Program Service Committee (JPSC).

A fourth source on May 8, 1960, advised that the clubs and societies in the New York area are at times referred to collectively as the Clubs and Societies, Jewish Cultural Clubs and Societies, Jewish Cultural Clubs and/or Jewish cultural and aid societies. These clubs through their district coordinating committees are represented on the GCC which is the governing body of the JPSC located in Room 1429, 1133 Broadway, New York, New York.

The IWO and the JPFO have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

THE NEW YORK COUNCIL TO
ABOLISH THE UN-AMERICAN
ACTIVITIES COMMITTEE

On March 9, 1961, a source advised that the New York Council To Abolish the Un-American Activities Committee (NYCAUAC), 150 West 34th Street, New York City, New York, was formed at a meeting held in New York City on November 17, 1960. This organization was founded principally through the efforts of FRANK WILKINSON, Field Representative of the National Committee To Abolish the Un-American Activities Committee (NCAUAC).

A second source advised on September 17, 1952, that FRANK WILKINSON was a Communist Party member as of September, 1952.

The "National Guardian" in January 16, 1961, issue, page 7, column 1, contained an article which states that the NYCAUAC has only one objective: "to help the National Committee as vigorously as possible in its endeavors to mobilize the American people in a campaign to abolish the House Committee on Un-American Activities."

A third source furnished on March 9, 1961, a prospectus of the NCAUAC prepared principally by FRANK WILKINSON, which in reference to "local abolition committees" stated that these committees may identify and coordinate their efforts as closely as they desire with NCAUAC, still maintaining their autonomy for as flexible and independent program as possible. The prospectus also stated that the NYCAUAC was responsible for coordinating abolition activities on the Atlantic coast.

Various sources have advised in April, 1961, that Communist Party members in the New York City area have been solicited to support activities of the NYCAUAC during attendance at Communist Party club meetings.

APPENDIX

SERVICE BUREAU OF JEWISH EDUCATION

On March 12, 1953, a source made available a pamphlet captioned, "Questions and Answers About The Progressive Jewish Children's Schools," which states that for more than twenty years the children's schools of the Jewish People's Fraternal Order (JPFO) constituted the progressive wing of secular Jewish education.

On March 17, 1951, another source reported that as of January 17, 1951, the school system of the JPFO was then known as the Committee for Progressive Jewish Education (CPJE), the former name being the National School and Cultural Commission of the JPFO.

On September 14, 1955, the second source, mentioned above, advised that on the afternoon of September 13, 1955, the CPJE acceded to the demands of the New York State Department of Insurance as liquidator of the International Workers Order (IWO) that the CPJE surrender itself to the State as an asset of the IWO. The State, on that date, took control and closed the office of the CPJE located in Room 903, 160 Fifth Avenue, New York City.

On January 23, 1956, a third source made available a letter of the Service Bureau of Jewish Education (SBJE), Room 1005, 1123 Broadway, New York City, dated January 19, 1956, which reflected that although "to a certain extent, the attacks on our schools paralyzed our normal contact with you," the SBJE established its own office, opened and is serving all progressive Jewish children's schools.

The current Borough of Manhattan (New York City) Telephone Directory, reflects the address of the SBJE as 1123 Broadway, New York City.

The JPFO, the Jewish Nationality Section of the IWO and the IWO have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

II. PROGRAM AND GENERAL ACTIVITIES

A. Activities in Behalf of JUNE GORDON

1. Formation of June Gordon Defense Committee

The ELF Executive Board met on August 8, 1960, in regard to the Deportation Order of the Immigration and Naturalization Service (INS) against JUNE GORDON. The meeting adopted a plan to issue a statement for the ELF to help organize a June Gordon Defense Committee, and launch an ELF petition campaign for an amendment to the Walter-Mc Carran Law.

According to the informant, the ELF as such could not undertake the expense of her legal defense. However, due to the response of New York club executives, funds were to be solicited from club members and friends in the month of September, since the ELF organizational fund drive takes place in October.

NY 100-104142

Funds volunteered by club members or raised among friends and admirers of JUNE GORDON and were to be sent payable to ANNA FRIEDLANDER, June Gordon Defense Committee, 160 Fifth Avenue, Room 911, New York, New York.

3. Press Statements Supporting JUNE GORDON

The "Morning Freiheit" of August 15, 1960, contained an article entitled "June Gordon Appeals Deportation Order" stating that the ELF in a public statement labeled as "a shocking procedure" the steps taken by the Government to deport JUNE GORDON. According to the article, the ELF statement emphasized that Mrs. GORDON is a "tireless defender of democracy, a devoted leader in the field of Jewish culture" and "a champion of civil rights for all the people." It stated that the Federation undertakes to support Mrs. GORDON's appeal with all its resources. "We will work energetically with other elements which are engaged in a campaign for an amendment to establish a limiting statute to the Mc Carran-Walter Immigration Act."

According to the article, the statement points out that the Deportation Order on August 4, 1960, against Mrs. GORDON, "affects not only her and her family, but also millions of Americans who were born abroad. Mrs. Gordon's beliefs and organizational experiences enriched the work of the ELF and its clubs."

4. Petition Campaign for Statute of Limitations Amendment in Walter-Mc Carran Law

On October 27, 1960, the informant stated that according to JUNE GORDON, the ELF would soon announce to its clubs, a campaign for 25,000 signatures on an ELF petition for an amendment placing a statute of limitations on the Walter-Mc Carran Law. GORDON stated that in connection with this campaign a tour was to be organized for MOLLIE ILSON, ELF President, which would be highlighted by city-wide mass rallies on the law and the need for a statute of limitations in each city visited by ILSON. Newly elected Congressmen and leaders of other "appropriate" organizations were to be invited to participate as speakers.

ILSON was tentatively scheduled to visit the following cities:

Los Angeles	November 25 to December 4, 1960
San Francisco	December 5 - 6, 1960
Chicago	December 7 - 10, 1960
Detroit	December 11 - 12, 1960

(NY T-1, October 27, 1960)

In a letter dated November 18, 1960, to all club presidents in New York and New Jersey and resident board members, the ELF advised that the main legislative activity

NY 100-104142

for this season's work was the petition campaign. The letter stated that your "response to the Deportation Order against June Gordon has been the warmest. Your cooperation financially and morally has been everything we could wish for. In putting all our efforts towards getting a Statute of Limitations Amendment to the Walter-Mc Carran law, we will help June Gordon and millions of others in similar circumstances."

(NY T-1, November 30, 1960)

The informant made available a printed copy of the "Petition for a Statute of Limitations on Deportation and Denaturalization" reflecting sponsorship by the ELF. This petition also bears the printed stamp of the June Gordon Defense Committee.

The petition is worded as follows:

"WHEREAS all other civil and criminal laws in the U.S.A., in keeping with our democratic traditions, include a Statute of Limitations to protect the individual against prosecution for a crime after a lapse of a stipulated number of years and

"WHEREAS the absence of such a Statute of Limitations in the WALTER-McCARRAN IMMIGRATION AND NATIONALITY LAW deprives foreign born residents and naturalized citizens of such protection and is one of the ways in which the Walter-McCarran law stigmatises Americans of foreign birth as second class citizens and

"WHEREAS millions of American families are thereby subjected to fear of sudden deportations and denaturalization proceedings throughout their lives

"THEREFORE, WE, THE UNDERSIGNED, PETITION THE CONGRESS of the United States in its 87th session to amend the Walter-McCarran Immigration and Nationality Law of 1952, to provide for a FIVE-YEAR but not more than TEN-YEAR STATUTE OF LIMITATIONS within which proceedings for deportation must be instituted."

(NY T-1, December 14, 1960)

AMERICAN FEDERATION FOR AID
TO POLISH JEWS

The 1943-1944 American Jewish Year Book reflects that the American Federation for Polish Jews (AFPJ) was founded in 1908 for the purpose of promoting social and cultural activities among its affiliates and guarding and promoting the interests of the Jews in Poland.

A source advised on May 12, 1949, that at the convention of the AFPJ held in New York City on March 26, 27, 1949, the "right-wing elements" were eliminated and the "left-wing Communist element" was elected.

On December 20, 1949, the above source reported he had been informed by a member of the Communist Party, USA, that the above federation was under the full control of the "left-wing and progressive elements".

The same source stated on April 29, 1960, that the AFPJ continues to function from its headquarters at 1133 Broadway, Room 732, New York, New York, and is still controlled by Communists and "left-wingers".

The Communist Party, USA has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

"JEWISH CURRENTS"
Formerly known as "Jewish Life"

"Jewish Life" for October, 1957, announced that after the October issue, and with the next issue to be published in January, 1958, the magazine was changing its name to "Jewish Currents," because of the claim to the name "Jewish Life" by the magazine "Orthodox Jewish Life."

The May, 1960, issue reported that "Jewish Currents" is published by Jewish Currents, Inc., Room 601, 22 East 17th Street, New York City.

Concerning "Jewish Life," the Guide to Subversive Organizations and Publications, dated January 2, 1957, and prepared by the Committee on Un-American Activities, United States House of Representatives, stated:

"(1) Cited as a Communist front which first appeared in November, 1946, as a monthly published by the Morning Freiheit Association, publishers of the Yiddish Communist daily, 'Morning Freiheit'..... The first issue contained this announcement of policy: 'Jewish Life dedicates itself to strengthening the friendship of the Jewish people with the Soviet Union.....'

An undated pamphlet entitled, "The Story of the Jewish Music Alliance," published by the Jewish Music Alliance (JMA) sets forth the following on Page 2:

A confidential source advised on May 7, 1959, that the JMA is part of a number of organizations comprising the Jewish cultural progressive movement in which the Yiddisher Kultur Farband (YKUF) is the most prominent. All of these organizations are directed and led by Jewish functionaries of the Communist Party, USA (CP,USA).

However, since the formation of the SCEF, Inc., rank and file Communist Party members have not been encouraged to work in the SCEF. Informant stated that the SCEF is a progressive liberal organization which he considers a Communist Party front organization because it has gone along with the Communist Party on certain issues, particularly on the racial question, and through the years certain Communist Party members in the New Orleans area have been assigned to work in the organization to further Communist Party principles.

Informant considers JAMES DOMBROWSKI, the Executive Director of the SCEF, as a Communist Party member because he follows Communist principles, but he is not under Communist Party discipline. Many prominent people who are officials and members of the organization, while liberal in their views, are by no means Communist.

This confidential informant advised on June 21,

III. GENERAL ACTIVITIES

Annual Ceremonies at Statue
of Liberty, July 22, 1959

On July 22, 1959, Special Agents of the Federal Bureau of Investigation (FBI) observed the annual ELF ceremonies at the Statue of Liberty, Liberty Island, held in celebration of the 110th anniversary of the birth of Emma Lazarus, author of the sonnet, "New Colossus," which is inscribed on a bronze plaque within the pedestal of the statue. Approximately 150 women were in attendance.

~~MOLLIE~~ MOLLIE ILSON, ELF President, was the Chairman.
71.34
~~JACQUELINE~~ JACQUELINE BERMAN, Folksinger, played the guitar and sang.

LOUISE PETTIBONE SMITH, Professor Emeritus, Wellesley College, guest speaker, spoke in general terms on freedom of the press, ideas and speech. She related how patriots, such as GEORGE WASHINGTON, THOMAS JEFFERSON, THOMAS PAYNE and HAYM SOLOMON, at one time or another, were called radicals. People today are called radical when they speak out for freedom and against fear.

She criticized the American Government for loaning money to Franco Spain, while even Mexico has refused to recognize the Franco dictatorship.

She stated that there are no freedoms in this country except to a limited extent.

Smith related that there are over four hundred organizations on the Attorney General's list. Any member of one of these sundry organizations have in effect been ostracized in their jobs.

They planned instead a program to suit the needs and possibilities of their community --- A BROTHERHOOD PUPPET SHOW FOR CHILDREN. They sought the support of two local school principals to help them. They hoped to rally TWO HUNDRED children to the show. Instead, thanks to the school principals who authorized distribution of folders and sale of tickets in the classrooms and the resulting community support - FOURTEEN HUNDRED NEGRO AND WHITE ELEMENTARY SCHOOL CHILDREN attended TWO performances."

AMERICAN COUNCIL FOR WARSAW JEWS

On January 29, 1951, a confidential source advised that the American Council for Warsaw Jews (ACWJ) was originally organized in 1941, for the relief of Warwaw Jews in Poland and other countries. In either April or May, 1948, a meeting of all officers, except the "left-wingers", decided that the ACWJ had completed its relief work. A motion to dissolve the ACWJ was proposed at its National Convention held on May 16, 1948, in New York City. The motion was opposed by the "left-wingers" and some "well meaning people" and was defeated.

The above source stated that the then President of the ACWJ, SAMUEL WOHL, resigned in September, 1948, and was followed by various other officers plus the withdrawal from the council by 44 of 48 affiliated organizations. Of the four remaining organizations, the source recalled that three were Lodges of the Jewish People's Fraternal Order (JPFO).

The same confidential source stated that when he described some of the officers as being "left-wingers", he did so because they tended to follow the line of the Communist Party, USA (CP,USA).

On May 5, 1959, another confidential source stated that the ACWJ was still controlled by Communists and "left-wingers", but was relatively inactive.

The JPFO and the CP,USA, have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

The 1943-1944 American Jewish Year Book reflects that the American Federation for Polish Jews (AFPJ) was founded in 1908 for the purpose of promoting social and cultural activities among its affiliates and guarding and promoting the interests of the Jews in Poland.

A confidential source advised on May 12, 1949, that at the convention of the AFPJ held in New York City on March 26, 27, 1949, the "right-wing elements" were eliminated and the "left-wing Communist element" was elected.

On December 20, 1949, the above confidential source reported he had been informed by a member of the Communist Party, USA, that the above federation was under the full control of the "left-wing and progressive elements."

The same source stated on May 5, 1959, that the AFPJ continues to function from its headquarters at 1133 Broadway, New York City, and is still controlled by Communists and "left-wingers."

The Communist Party, USA, has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

that this would avoid a confrontation between the militants
and the deputy sheriffs who would have to effect the eviction.
T-1 immediately advised SA G. DARGAN FRIERSON of MAJOR HIGH's
agreement to present such a motion to a Superior Court Judge

CE T-1 advised on January 19, 1970, that the attorney

Greensboro on the morning of January 20, 1970, in an effort

who would try to effect any eviction.

On January 20, 1970, Sheriff PAUL GIBSON, Guilford

This is to notify the entire Greensboro Community that the tenants of AAA Realty Company are being treated in the cruelest sort of way. Little children are being padlocked out of their houses in cold weather. The homes of invalids are being padlocked. Men and women are being forced to move out into the street. Tenants must live in fear of evictions even though they have paid their rent into the escrow account set up by the court.

Why is all of this happening? Because Kaye Agapion of AAA Realty is refusing to follow the court ordered injunction. Because Kaye Agapion claims that we tenants have not paid our rent. Because Kaye Agapion is arbitrarily demanding payments for unexplained fees. Because the court and the sheriff's office are supporting Kaye Agapion in her cruel and unjust actions. Because the news media is supporting Kaye Agapion and AAA Realty by printing misleading and false articles about the strike being near settlement. We had to write our own leaflet because we could not trust the news media to print the truth.

We, the tenants of AAA Realty, have tried to work with the court, but we have only received greater persecution and harrassment from AAA Realty as a result. Today alone, at least ten families have been padlocked out. Little children are outside without food and clothing. There are ten families with no where to sleep in Greensboro tonight, but these people have paid their rent according to court order. They have obeyed the law, why doesn't some one make AAA Realty and Kaye Agapion obey the law and treat her tenants like human beings?

We have decided that the court has not and will not help us. The court has worked to our disadvantage. We must now take things into our own hands and seek justice for ourselves. We will not sit back and continue to have our children and sick treated this way. We will not have any person treated this way any longer. This notice is to inform all of the Greensboro Community of the real state of affairs with the strike. We urge those persons in positions of authority to act now. We urge all Black people to join us in our fight.

WE GOT NO PROTECTION FROM THE COURT.

WE GOT NO PROTECTION FROM THE SHERIFF ' S DEPARTMENT.

THE NEWS MEDIA REFUSED TO PRINT HONEST STORIES.

WE ARE FORCED TO FIGHT FOR OURSELVES.

AAA TENANT STRIKE

TERRORISM IN THE BLACK COMMUNITY

Evictions and padlocking are occurring every day in the Black Community. the persons that have had their homes padlocked are members of the AAA rent strike. Kay Agapion of AAA Realty is padlocking and evicting tenants who are on a rent strike to gain better living conditions and fair rental prices. AAA Realty claims that tenants have not paid their rent into the special escrow account. This is simply not true; most tenants on the strike are paid up but they are still getting evicted. Men, women and little children are being put into the street. Black People are out of homes that they have paid to live in.

Paul Gibson, of the sheriff department has denied locking out children, this too, is al- false. You can check for yourself. The Greensboro Daily News and Record have not given an accurate account of the strike. In the last two weeks the news media has refused to print the cold truth of the evictions and crude treatment given the AAA tenants. A list of 28 AAA Realty

tenants were scheduled for eviction on March 9th 1970. Now, at least 15 of those Tenants

RE: POSSIBLE RENT STRIKE SPONSORED BY GAPP, GREENSBORO,
NORTH CAROLINA

On March 12, 1970, Lieutenant FORD advised that there had been some evictions of AAA Realty tenants in the past few days and he had learned that in at least three or four instances Negroes had gone back to the houses that had been padlocked, had broken off the locks, and had moved the tenants back into the houses. AAA Realty Company had not made any efforts to further evict these particular tenants, but the situation was very tense.

CE T-1 advised on March 10, 1970, that NELSON NAPOLEON JOHNSON had prepared both of the leaflets that had been distributed in the Negro sections relative to the AAA Realty Company. He said these had been passed out all over the Negro section and that tempers were rising as far as the AAA Realty Company was concerned.

On March 12, 1970, T-1 advised that there would be a mass meeting in the Negro community on Ross Avenue relative to the strike. T-1 stated that the real difficulty was that a number of tenants claim that they had made their payments to AAA Realty Company through the Greensboro Association of Poor People, but that the money they had paid had not been credited to their account. He said at least four or five individuals claimed that they were all paid up in their rent and yet were being evicted, and this was being used as an issue by the black community generally in its opposition to AAA Realty Company.

On March 13, 1970, Lieutenant S. N. FORD advised Mr. B. J. BATTLE, representative of the National Association for the Advancement of Colored People (NAACP), had obtained a parade permit on the morning of March 13, 1970, for a parade to be held at 6 p.m., that evening. The purpose of the parade was to protest AAA Realty Company and BATTLE had told the Police Department that he estimated there would be approximately 200 participants.

The permit was granted for the parade to be held from the Negro section of Greensboro into the downtown area of Greensboro and back to Hayes Taylor YMCA for a mass protest meeting on the evening of March 13, 1970. Lieutenant FORD

RE: POSSIBLE RENT STRIKE SPONSORED BY GAPP, GREENSBORO,
NORTH CAROLINA

pointed out that Hayes Taylor YMCA is located immediately adjacent to A & T State University and he felt that although a permit had been granted for only 200 participants in this march, there might just as easily be 2,000 if the student body at A & T State University decided to participate. He also pointed out that NELSON NAPOLEON JOHNSON, the Vice-President of A & T State University student body, had been responsible for the setting up and organizing this whole rent strike against AAA Realty Company and if JOHNSON was so inclined, there was no doubt that he could bring a large segment of the student body of A & T State University off campus to participate in such a march.

On the evening of March 13, 1970, Lieutenant S. N. FORD advised that only 33 participants left the Hayes Taylor YMCA carrying placards, decrying the treatment by AAA Realty Company and marched into the downtown section. They marched up the main street of Greensboro and then turned and headed back to Hayes Taylor YMCA. By the time they returned to the YMCA, 48 individuals were participating in the march.

Lieutenant FORD noted that THOMAS BAILEY and NELSON JOHNSON were the individuals who were in charge of the march and participated in it.

After the marchers returned to Hayes Taylor YMCA, they dispersed without incident.

Lieutenant FORD further advised that on March 14, 1970, another march by the same group of individuals left Hayes Taylor YMCA at 1:30 p.m. On this occasion, there were 65 individuals participating and they walked on exactly the same route downtown, up the main street, and then back to Hayes Taylor YMCA. By the time the marchers returned to the YMCA, there were 71 participants. THOMAS BAILEY and LOUIS BRANDON were in charge of this particular march and NELSON JOHNSON was observed in the vicinity not actually participating.

RE: POSSIBLE RENT STRIKE SPONSORED BY GAPP, GREENSBORO,
NORTH CAROLINA

Lieutenant FORD pointed out that at the end of the march, there were individuals who had been identified as members of the Black Panther Party when that organization was active in Greensboro last year. He recognized in the group MICHAEL AIKEN, CHARLIE CALDWELL, ROBERT EVANS, HAROLD DAVIS. S N.

The group sang songs, clapped their hands, and carried again the placards pointing out the treatment that had been afforded tenants by AAA Realty Company.

According to Lieutenant FORD, the group upon returning to Hayes Taylor YMCA stayed for just a few minutes and then dispersed without incident.

A characterization of the Black Panther Party is attached as an appendix to this memorandum.

BLACK PANTHER PARTY,
Also Known As
Black Panther Party for Self-Defense

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics and the destiny of the black community. It was organized by Bobby Seale, BPP Chairman, and Huey P. Newton, BPP Minister of Defense. Newton was sentenced in 1968 to serve 2 to 15 years after being convicted of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther," which further describes itself as the "Black Community News Service," states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, George Mason Murray, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement "...we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman Mao Tse-tung of the People's Republic of China and feature Mao's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

above.

Lieutenant S. N. FORD, Greensboro, North Carolina,
Police Department, Intelligence Unit, advised in spite of
the rain approximately fifty (50) individuals participated in
the march from Hayes Taylor YMCA through the downtown section
and back to Hayes Taylor YMCA on the night of March 20, 1970.
Lieutenant FORD pointed out that the marchers appeared to be
more militant than they had the previous week with a number
of them making obscene gestures, giving the black power sign
and shouting black power during the march. He also noted there
were three cars patrolling the march bearing Negro males. They
stayed right along side of the marchers and were obviously
acting as marshals for the march.

No incidents occurred on the night of March 20, 1970.

Lieutenant FORD also advised on March 21, 1970,
beginning at 1:05 P.M. approximately 75 marchers again left
Hayes Taylor YMCA and marched through the downtown section
of Greensboro, North Carolina. This group, larger than any
of the previous groups, and again more militant and more
boisterous in their conduct went through the same route downtown
and then headed back to Hayes Taylor YMCA. No incidents
occurred but Lieutenant FORD stated it was obvious that tension
was building with each of these marches.

On March 22, 1970, CE T-1 advised that the group of rent strikers, bolstered by a number of A and T State University students were planning another possible march on March 25, 1970, before the students left A and T campus. CE T-1 stated that during the march on March 20, 1970, that the individuals driving the cars along side the marchers each had a gun in the car and during the march on March 21, 1970, at least ten or fifteen of the 75 people actually carried guns on them while they were marching.

T-1 stated there was also some talk of taking over the King Cotton Hotel which is owned by the AGAPIONS and is occupied almost entirely by young Negroes. The AGAPIONS use this as their office for AAA Realty Company and the group was talking about taking over the King Cotton Hotel and just staying there until the AGAPIONS came around to the demands of the strikers.

Reference is made to memorandum at Charlotte, North Carolina, dated April 2, 1970, and captioned as above.

On April 15, 1970, Lieutenant S. N. FORD, Greensboro, North Carolina, Police Department, Intelligence Unit, advised Miss ~~KAY~~ AGAPION of the AAA Realty Company had been in contact with MAJOR HIGH, Attorney representing the strikers. MAJOR HIGH had assured Miss AGAPION that he was going to try to get all of the striking renters paid up in the immediate future. Miss AGAPION had agreed to give the tenants one more week to pay up.

Daily contact has been maintained with Lieutenant S. N. FORD and he has advised that there have been no other incidents of violence connected with the rent strike.

On May 21, 1970, Sheriff PAUL GIBSON, Guilford County Sheriff's Office, advised that AAA Realty Company had some eight or ten evictions that had to be executed. He said his deputies had served the eviction notice and the next step was to get a moving company to move the furniture out and into storage until the rent was paid. Sheriff GIBSON said he could not get any moving company to send a truck into the Negro section to move out the personal effects of the tenants; therefore, the Sheriff's Office was at a loss as to the next step they should take.

Lieutenant S. N. FORD, Greensboro, North Carolina, Police Department, Intelligence Unit, advised on October 21, 1970, that THOMAS BAILEY, LEWIS BRANDON, and DOT JOHNSON of the Greensboro Association of Poor People with approximately ten other blacks were picketing the Industries of the Blind, West Lee Street, Greensboro, North Carolina, on October 21, 1970. Signs carried by pickets showed that in addition to the Greensboro Association of Poor People that the Malcolm X Liberation University was also supporting the blind black workers.

According to Lieutenant FORD, during the lunch hour the blind black workers increased the number of the pickets to some forty to fifty. The signs protested alleged inequality of wages and working conditions of black workers.

Lieutenant FORD stated no incidents occurred and he understood that picketing would continue everyday at lunch time.

CE T-1 advised on October 21, 1970, that the program at the Industries of the Blind is a brain child of THOMAS BAILEY. According to T-1, BAILEY is not correct in his statements that blacks are being discriminated against, and he doubts if the pickets will receive any support since BAILEY does not have a true basis for these alleged complaints.

A characterization of Malcolm X Liberation University, Greensboro, North Carolina, is attached as an appendix to this memorandum.

MALCOLM X LIBERATION UNIVERSITY
GREENSBORO, NORTH CAROLINA

On December, 4, 1969, a source advised that Malcolm X Liberation University (MXLU) was incorporated in North Carolina during June of 1969, as a non-sectarian institution of learning to be located at Durham, North Carolina, and was dedicated October 25, 1969. It was announced at the dedication that the school would open with approximately fifty students. HOWARD LAMAR FULLER, a well-publicized Negro militant, was identified as the Director with the title of "Head Nigger in Charge" (HNIC). A revolutionary curriculum of nation building to develop the concept of Pan-Africanism with primary loyalty to black people is followed. The source reported that students at MXLU are interviewed prior to admission and questions asked include some referring to their willingness to take firearms practice and to use this skill to kill white people if necessary. The source stated MXLU is to train young blacks to take over U. S. institutions.

A second source reported after attending a meeting of persons interested in MXLU chaired by HOWARD LAMAR FULLER that MXLU would produce black militants, some of whom will have the capability of extremist acts.

On April 6, 1970, ARCH FOSTER, JR., who is described as an associate of HOWARD LAMAR FULLER, described Pan-Africanism, as advocated by HOWARD LAMAR FULLER, as a movement to have all black people in an alliance. Under the Pan-African type of thinking, the black man's first alliance would be to his fellow black people, regardless of the nation in which he lives.

On August 28, 1970, FULLER publicly announced MXLU has moved to Greensboro, North Carolina, for the opening of the 1970-71 school year, October 5, 1970, with from forty to seventy students; however, MXLU would continue to retain its present facilities at Durham, North Carolina, for special programs. No white persons would be admitted.

A third source reported that during April of 1970, HOWARD LAMAR FULLER and STOKELY CARMICHAEL had a discussion at MXLU wherein FULLER indicated that only black people would be allowed to attend MXLU.

A fourth source reported during June of 1970 that MXLU continues to operate at 426-28 East Pettigrew Street, Durham, North Carolina, with approximately twenty-eight students and is making plans to continue operation into 1971.

BLACK BLIND WORKERS ARE STRUGGLING IN GREENSBORO, NORTH CAROLINA.

For the past week 40 Black Blind workers have been picketing at SKIL-CRAFT, the INDUSTRIES OF THE BLIND Operation located here in Greensboro.

The workers are picketing to protest (1) the low wages of \$1.22/hr. to \$1.60/hr. and the inadequate job description; (2) poor working conditions; (3) the lack of seniority and adequate employee benefits of retirement and insurance, etc.; and (4) discrimination against Black people in pay and job promotion.

The workers are determined to get justice on their jobs just as other workers do. They need your help.

Thus far the white newspapers and television stations have not covered the story very widely in an attempt to keep Black people from finding out about the Industry's treatment of our people. These Black people need your assistance to help them get justice on their jobs. Eventhough they are handicapped, they do more than a full day's work each day. Yet they do not receive adequate wages and they must work amid dust, trash, and rubble daily. Despite the poor working conditions at the Skilcraft plant, the only first aid available is a small wooden box containing only a few band-aids and alcohol!

Until they decided to picket the workers had tried to get redress to their grievances through the Employees' Grievance Committee, by writing letters to the Board members of the Industry, and by appealing to city, state and federal officials. They had no other choice but to openly demonstrate their discontent. They are depending on the Black community to stand with them in their fight to get justice. Don't let your Brothers and Sisters down. Here's what you can do to help them:

1. Sign the petition calling for an investigation of the Skilcraft Corporation. The petitions will be at churches, at the mass meeting and at the GAPP office, 914 1/2 Gorrell Street, 275-8588.
2. Call the Board Members of the Industry and tell them you are dissatisfied with the poor working conditions, unjust treatment, and unfair wages of the Blind workers. Urge them to make changes immediately.
3. HELP THE BLIND WORKERS PICKET THE SKILCRAFT BUILDING EACH DAY, MONDAY THROUGH FRIDAY FROM 11:45 A. M. to 1:00 P. M. (920 W. Lee St.)

4. Call the office by David Smith, Monday, Oct 24th, 7:30 p.m.

On October 28, 1970, Lieutenant FORD stated that on the previous night a meeting was held at Hayes Taylor YMCA concerning a possible strike to be called by the black workers at the Industries of the Blind.

On the morning of October 28, 1970, according to Lieutenant FORD, about thirty-five to forty of the black workers had walked out of the Industries of the Blind. Lieutenant FORD said there had been no violence of any kind connected with this strike thus far, but with leadership by THOMAS BAILEY, LEWIS BRANDON, and DOT JOHNSON, he feared that the potential for trouble was always present.

A characterization of Malcolm X Liberation University, Greensboro, North Carolina, is attached as an appendix to this memorandum.

It was announced at the dedication that the school would open with approximately fifty students. HOWARD LAMAR FULLER, a well-publicized Negro militant, was identified as the Director with the title of "Head Nigger in Charge" (HNIC). A revolutionary curriculum of nation building to develop the concept of Pan-Africanism with primary loyalty to black people is followed. The source reported that students at MXLU are interviewed prior to admission and questions asked include some referring to their willingness to take firearms practice and to use this skill to kill white people if necessary. The source stated MXLU is to train young blacks to take over U. S. institutions.

A second source reported after attending a meeting of persons interested in MXLU chaired by HOWARD LAMAR FULLER that MXLU would produce black militants, some of whom will have the capability of extremist acts.

On April 6, 1970, ARCH FOSTER, JR., who is described as an associate of HOWARD LAMAR FULLER, described Pan-Africanism, as advocated by HOWARD LAMAR FULLER, as a movement to have all black people in an alliance. Under the Pan-African type of thinking, the black man's first alliance would be to his fellow black people, regardless of the nation in which he lives.

On August 28, 1970, FULLER publicly announced MXLU has moved to Greensboro, North Carolina, for the opening of the 1970-71 school year, October 5, 1970, with from forty to seventy students; however, MXLU would continue to retain its present facilities at Durham, North Carolina, for special programs. No white persons would be admitted.

A third source reported that during April of 1970, HOWARD LAMAR FULLER and STOKELY CARMICHAEL had a discussion at MXLU wherein FULLER indicated that only black people would be allowed to attend MXLU.

A fourth source reported during June of 1970 that MXLU continues to operate at 426-28 East Pettigrew Street, Durham, North Carolina, with approximately twenty-eight students and is making plans to continue operation into 1971.

BLACK STUDENT UNION - UNIVERSITY OF NEVADA, LAS VEGAS

In April, 1970, Confidential Source LV T-1 advised the Federal Bureau of Investigation that BLACK STUDENT UNION (BSU), UNIVERSITY OF NEVADA, LAS VEGAS (UNLV) had decided to tighten security and make the records of the organization unavailable to unauthorized people. The immediate reason for this action was that JULIUS CAMPBELL, an instructor in the Black Studies Program (BSP), UNLV, was discovered by members of BSU making copies of records which, at that time were readily available. The reason CAMPBELL was copying the records has not been made clear.

LV T-1 stated the staff of the BSP, UNLV, which was instrumental in re-activating BSU, UNLV, has divided into two factions of differing opinions regarding BSU operations. As a result the membership of BSU, UNLV has split along factional lines and has suffered a large membership loss.

The factional split is believed to be the reason CAMPBELL was interested in the paper records of the organization.

The Chairman of the BSU, UNLV, MICHAEL FORCH, ordered copies of all papers, membership records and plans destroyed. One copy of each record is maintained by the Chairman.

LV T-1 further advised the plans of action of the BSU, UNLV consisted merely of organizational plans and plans pertaining to political action on campus.

LV T-1 advised that due to a lack of funds BSU, UNLV has been unable to follow through on plans to purchase radio receivers to monitor and follow police calls in the Negro areas of Las Vegas. The purpose of this plan was to insure that black citizens were not going to become victims of police brutality or other mistreatment by police officers.

On May 1, 1970, Confidential Source LV T-2 advised that representatives of BSU, UNLV have attended organizational meetings of a coalition of "liberal" elements in the Las Vegas community and at the University.

On April 29, 1970, LV T-1 stated that BSU, UNLV would send

delegates to the BSU National Conference, Stanford University, Palo Alto, California, on May 1-3, 1970.

On May 5, 1970, LV T-1 advised that ~~ELAINE TRAVIS~~, Minister of Information, BSU, UNLV; ~~LUCIUS FLOYD~~, ~~LECNARD YOUNG~~, ~~ART CHAFMAN~~ and ~~CLARENCE RIDDLE~~, all on the staff of BSU, UNLV; and TOMMY JONES, a local high school student representing an organization called Security Alliance, all attended the BSU National Conference at Stanford University. ~~LECNARD YOUNG~~ has been identified as BSU Coordinator at UNLV.

On May 15, 1970, Confidential Source LV T-3 advised that BSU, UNLV is in the process of preparing an application for incorporation under the laws of the State of Nevada as a non-profit organization.

On May 15, 1970, LV T-3 further advised the only plans of BSU, UNLV so far have been along organizational and political lines and the organization has discussed no plans concerning demonstration or disturbance activity at their regular Friday meetings.

On the same date LV T-3 advised that non-students are invited to attend meetings of BSU, UNLV, however, only bonifide students and staff members of UNLV are eligible for membership.

On May 28, 1970, LV T-1 advised that in recent weeks the Black Panther Paper has been available in Las Vegas and has been seen during the regular Friday meetings of BSU, UNLV. LV T-1 stated that no plans or discussion of extremist nature have been made during the regular meetings. The source has advised that some of the people attending the meetings and some of the members of BSU, UNLV are believed capable of violence.

The source on May 28, 1970 advised BSU, UNLV plans to continue operations during the summer months.

BLACK STUDENT UNION
UNIVERSITY OF NEVADA
LAS VEGAS, NEVADA

On January 29, 1971, LV T1, who has furnished reliable information in the past, advised that the Black Student Union (BSU) at the University of Nevada, Las Vegas (UNLV), continues to be a sanctioned organization at UNLV which is an autonomous group without affiliation with any outside organization. Source advised the BSU at UNLV did not remain active or continue to have meetings following the close of the spring semester at UNLV on June 3, 1970. The BSU, UNLV, remained dormant until October 1970, when it was reactivated with Mike Forch as Chairman. Source advised that Forch stated on November 24, 1970, that the BSU, UNLV, had almost completely collapsed; and Forch further complained that the students were just not together.

The source further advised that the BSU, UNLV, has not had a meeting since December 4, 1970, and continues to remain disorganized and dormant. Source concluded that the BSU, UNLV, has no current plans for future activities or meetings at this time.

On February 2, 1971, LV T2, who has furnished reliable information in the past, advised that the BSU, UNLV, is practically defunct at the present time and that Mike Forch, its Chairman, has no future plans for activity of the group and no new meetings have been scheduled. The article indicated that in conjunction with the development of the BSU, a new Black fraternity, to be known as Kappa Alpha Psi, will also be formed. The fraternity will be made up primarily of Black students, but will not exclude white students who may wish to pledge.

On March 13, 1969, BSU, UNLV, released the following goals or demands which were published in the university newspaper:

1. Black Studies Program

Organization of a committee to set up the program

A Black dean

A completely autonomous college

Purpose: In this academic institution there should be a program on Black history.

2. Recruitment of Black Students

Organization of lecture series on awareness for high schools.

3. Academic Review Board

Determining factors for students being admitted (Black students)

Review teachers and academic programs

Lowering college requirements for Black students.

4. Clarification of College Aid

BSU should set up a committee to help students get financial aid

Demanding a percentage of grants

(BSU, UNLV)

5. Demand Adequate Economic Systems
For Black Students
6. Getting Rid of the Rebel Mascot

On May 8, 1969, confidential informant LV T-2, made available a copy of a "Resolution on Joint Committee", made by the Student Senate of the Confederated Students of the University of Nevada (CSUN). The Resolution is as follows:

"Whereas the CSUN Senate has expressed its endorsement of a Minority Studies program, and Whereas the Senate has no Negro Senator to represent the views of Black Students, and Whereas the lack of communication between peoples often promotes misunderstanding and impedes progress in the formation of new programs, then

Let it be resolved that: The CSUN Senate offers its services and facilities in the form of a Joint Committee on Minority Studies comprised of Senators and members of Black Student Union, should they so desire."

The Resolution, according to the source, came about as a result of an announcement by Dr. Donald H. Baepler, Vice President in Charge of Academic Affairs, UNLV, to the effect that a "Black Studies Program", will be made part of the 1969-1970 school year curriculum at UNLV.

Confidential informant LV T-1 on May 23, 1969, advised that the "Black Studies Program" will consist of four courses which have been loosely identified as follows:

1. Study of Black Consciousness
2. Studies in Black America
3. Problems of the Black
4. The Black of Las Vegas

Black Student Union,
University of Nevada
Las Vegas, Nevada
(BSU, UNLV)

The classes are to focus on such problems as self-identity, leadership, vocational outlook, institutions of Black society and special educational difficulties. Also stressed will be Black history, the ghetto, rural Black America, minority political action and special economic problems of Black Americans.

On May 23, 1969, confidential informant LV T-3, advised that the Black studies courses will be interdisciplinary or inter-departmental, under the direct control of Dr. Baepler. According to the informant, the instructors have not been named and neither have the exact structures of the courses been outlined.

According to this informant, the decision to include a Black Studies Program in the curriculum of UNLV resulted from three months of meetings between representatives of the BSU, the white students and Dr. Baepler.

On May 26, 1969, LV T-4 advised that the BSU, UNLV, was undoubtedly responsible in large number for the Black Studies Program.

This informant stated that the present structure of the BSU, UNLV includes as leaders Russell Harvey and James Mc Daniel, both undergraduate students; with Jerry Chandler, Graduate Student and Assistant in the Physical Education Department, and Joel Baker, Graduate Student in the School of Education, as advisors.

Informant stated BSU, UNLV, currently has approximately fifteen actual members out of approximately one hundred to one hundred twenty-five Black students on the UNLV campus.

The BSU, UNLV, has not engaged in any racial demonstration or violent activities since its formation at UNLV.

BLACK STUDENT UNION, (BSU)
UNIVERSITY OF NEVADA,
LAS VEGAS, NEVADA (UNLV)
Racial Matter

Confidential Source LV T-1 has advised that there was no Black Student Union activity at the UNLV campus during the summer of 1969 and the fall and winter semester of the 1969-1970 school year.

Confidential Source LV T-2, on January 14, 1970, advised that a Black Studies Program (BSP) was being included as part of the UNLV curriculum for the spring term of the 1969-1970 school year. T-2 stated that at that time the BSU organization at UNLV was completely disorganized. One of the stated goals of the BSP, UNLV, was to reorganize and make the BSU an active part of the university.

On January 21, 1970, T-2 advised that Lucius Floyd, Leonard Young and Clarence Riddle who were hired by UNLV to set up and operate the BSP have all had training and have been active in the BSU organization at El Camino Junior College in California.

On March 3, 1970, T-2 stated that a reorganizing meeting of the BSU, UNLV, was held on February 27, 1970, on campus. At this meeting a slate of officers was elected for the following positions: Chairman, Minister of Information, Minister of Publicity, Minister of Defense, Minister of Education and Minister of Finance.

ENCLOSURE

157-13994-4

BLACK STUDENT UNION

LV T-2 advised that Michael Forch was elected Chairman; Elaine Travis, Minister of Information; Jackie Hamilton, Minister of Publicity; and Russell Harvey, Minister of Education. The source could furnish no further identity of the elected officers.

The source stated that a Vanguard Committee was appointed from among the members to act as a check and balance to the official board. LV T-2 advised that approximately 80 people attended this meeting, including a number of local high school students and school dropouts. According to the source, this meeting was completely dominated and controlled by Leonard Young and Lucius Floyd.

On March 13, 1970, LV T-2 advised that the BSU, UNLV, was making efforts to tighten security to assure that only the right persons attend meetings of the BSU. Meetings will be open only to loyal students and Black Studies personnel.

On March 17, 1970, LV T-2 stated that a BSU, UNLV, meeting was held on the university campus on March 13, 1970. This meeting was closed to all persons except UNLV students, BSP advisors and instructors, and the security force composed of high school youth and some campus blacks. Attendance was down to about 60 persons.

Russell Harvey, Minister of Education, BSU, UNLV, came under vicious attack at the March 13th meeting. The attack was spearheaded by Floyd, Young and Riddle. The purpose of the attack was to wrest all control and influence Harvey had over the BSU. It was contended Harvey had "counter-revolutionary" interests. Harvey was not ousted from BSU, however, he was admonished severely. Further business at the meeting dealt with methods of eliminating all "counter-revolutionary" interests and bolstering leak-proof security within the organization.

T-2 has advised that BSU, UNLV, meetings are held each Friday in the Student Union Building on the campus of UNLV.

BLACK STUDENT UNION

On Saturday, March 21, 1970, the Las Vegas Review Journal, a daily Las Vegas, Nevada newspaper, contained an article which quoted Michael Forch, Chairman of the BSU, UNLV, as stating the organization had 65 members; that BSU, UNLV, has no affiliation with other black power groups; that the only purpose of BSU, UNLV, is to unite black people. Forch identified Leonard Young as the BSU coordinator at UNLV.

On April 13, 1970, LV T-2 advised that membership in BSU, UNLV, is open to all young blacks, whether they are students or not.

On April 17, 1970, the informant stated that a plan to obtain police radios and to organize groups equipped with the radios to follow police calls in the Negro neighborhoods has been devised by the BSU, UNLV.

On April 20, 1970, LV T-2 stated that BSU, UNLV, is to become a secret organization. Records and documents concerning plans of action and a list of members has been destroyed. Membership has declined to about 20 hard core members who can be described as activists. Elaine Travis, who is Minister of Information, was in charge of the destruction of the records. Jackie Hamilton, who was Minister of Publicity, resigned from BSU, UNLV, because of the secrecy move and the insulting manner of Young and Floyd.

National Negro Commission, CP, USA

NY T-1 on June 26, 1962, advised that the National Negro Commission of the CP, USA met on June 22, 1962, in New York City. CLAUDE LIGHTFOOT gave the report and stated "Comrades, there are three trends in Negro life today, King's Movement (Rev. MARTIN LUTHER KING), the Williams Movement (ROBERT WILLIAMS, former president, Monroe, North Carolina NAACP branch), and the Muslim Movement.

"The King Movement is the movement Negroes have rallied around and we support this movement. However, the Robert Williams Movement we reject, because its dangerous and we as Marxists are firmly convinced that Negroes can win equal rights through constitutional methods in this country. Therefore, the Negro people will not accept Robert Williams and the NAACP was correct in ousting him.

NY 100-7629

"The Muslim Movement we reject some of their principles. We do not believe in the separationist theory. However, the Muslims are growing numerically because they offer some program in economy and are especially attractive to Negro youth.

"Yes, there's another trend in this country in Negro life and that is us, the Marxist trend.

"One will ask himself, why has the Communist Party lost its ties with the Negro community?

"I'll say the Negro people did not leave us, we left them. We cannot continue to live on past laurels. We must begin to rebuild the Party among the Negro people.

"We cannot say this is a hard task. The Negro may have cleaned us from its ranks because its leaders wanted to clear themselves with the ruling class, just as the labor movement has done, but they found out that this anti-Communist action has been a burden rather than an aid and they now realize it. Despite ROY WILKINS (Executive Secretary, NAACP), and the NAACP cleaning out all Communists from its ranks, the state laws in many southern towns have been established, ordering the NAACP to register its membership.

"We must begin a recruiting drive for Negroes in every district. We must have a program that will attract and interest the Negro people. Part of the program must be:

1. Aid, to increase Negro vote in the South.
2. Labor to organize Negroes in the South.
3. Demand the Federal government to take a more liberal attitude towards civil rights.

NY 100-7629

4. Call for the industrialization of the South.

5. Demand the appointment of Negroes to committees whenever there is a vacancy.

6. Demand that an executive order be issued abolishing discrimination in all phases of life.

"We must have a program of direction to the Negro people as objectives in the coming elections. The Negro people have the balance of vote in 31 key areas in the North. We should press for the correct use of this vote. The Negro people should work to oust reactionary candidates.

"On the question of building the Party in the Negro community. You know Comrades there's a grave danger existing today in the tendency of saying we can't build the Party. This is untrue. The new trends and currents existing today in Negro life and in the world make it possible for us to build our Party. We must stop sitting on our hands. Time is ripe and I am confident we are going to again have a large Negro membership."

"The Worker", an east coast Communist newspaper, issue of December 20, 1959, reported that CLAUDE LIGHTFOOT, at a meeting of the National Committee CP, USA on December 14, 1959, was elected Vice Chairman.

NAACP Report for 1961

NY T-2 on August 13, 1962, furnished a copy of the "NAACP Report for 1961" issued by NAACP, 20 West 40th Street, New York 18, New York.

NY 100-7629

It is reflected in this report that total membership in the NAACP at the end of 1961 reached 380,134, a slight decline from the 388,331 enrolled in 1960. The decline reflected the impact of the economic recession in such industrial areas as Detroit, Chicago, Philadelphia and Los Angeles. In the turbulent Southeast, there was a slight increase in membership.

Despite widespread unemployment among Negro industrial workers, whose rate of joblessness was two-and-a-half times that of white workers, the Association's money income from all sources remained about the same, passing, for the fourth successive year, the million-dollar mark.

During 1961 total paid memberships in the Association amounted to 380,134. Of this number 370,444 were enrolled in the Association's 1,494 local branches, youth councils and college chapters in 48 states. The remainder consisted of annual and life members-at-large. There were units of the Association in every state except Alabama, from which the NAACP has been barred by state injunction since 1956, and Vermont, where the Negro population is minimal.

The Association's total paid membership for the year was from the following sources:

Branch Memberships	348,932
Memberships Reported by Youth Groups	21,512

Life membership income received in the National Office during 1961 attained a new high of \$273,500.00, representing the largest sum and largest number of payments of such memberships in the history of the organization. There was a total of 4,237 payments, including renewals, initial and final payments, and full \$500 purchases of life memberships. In addition, NAACP branches throughout the country retained in their treasuries a total of \$146,000.00 as their share of life membership payments solicited through their efforts.

NY 100-7629

By the end of the year there were on the Association rolls a total of 10,699 life members and subscribers, including 1,749 newly enrolled during 1961. The branches accounted for 3,813 life membership payments received by the National Office. The remaining 424 were payments by members-at-large. WILLIAM PATTERSON spoke at the meeting and stated that the purpose of the meeting was to set up a program to get CP members active in the NAACP. Only Party members were invited to attend this meeting.

AGNES WILLIS gave a report on Party activities in the Brooklyn area. She stated that she was the only Party member active in a leadership capacity in the Brooklyn NAACP branch, but due to her Party assignments, she was unable to devote very much of her time to NAACP work. She stated that she needed help in her NAACP work if a successful program is to be carried out in Brooklyn.

MURIEL SILVERBERG then gave a short report on the activities of the NAACP in Astoria, Long Island. She stated that where she lives she is able to get a group of about five progressive people together to work on NAACP activities and they do a fairly good job, but the president of the NAACP branch tends to hold the group back.

NY 100-7629

OLIVER MARTIN gave a report on NAACP activities in the Bronx in which he stated that these activities were practically non-existent. He stated that the reason for this was that the NAACP in the Bronx was broke, money wise.

The informant stated that WILLIAM PATTERSON mentioned at the meeting that he would attempt to assist AGNES WILLIS with her NAACP work in Brooklyn.

Informant advised that another meeting of this group would be held on December 16, 1961.

"The Worker", August 27, 1961, Page 3, describes WILLIAM PATTERSON as the Chairman of the New York State CP.

The informant reported that housing and jobs were to be the key issues in the drive on the NAACP.

NY T-6 on January 19, 1962, advised that RAPHAEL HENDRIX had obtained the names and addresses of all the NAACP officers in the States of New York, Connecticut and New Jersey. The informant stated that HENDRIX planned to use this list of NAACP officers as a mailing list.

DAVIS, JR., on November 14, 1961, at the home of RAPHAEL HENDRIX, 1580 Amsterdam Avenue, New York, New York. The informant advised that the meeting was called at the request of BENJAMIN DAVIS and WILLIAM PATTERSON. PATTERSON, however, did not attend the meeting.

100-7629

BENJAMIN DAVIS spoke and stated that he had recently ^{gone} to the New York State Secretariat of the CP and suggested that he be assigned to spend more time in Harlem. He stated that out of this meeting with the New York State Secretariat, grew a discussion regarding the Harlem CP and, therefore, he came to the Harlem Region Committee meeting with a list of complaints against the Harlem Region Committee. Included in the list of complaints was the following:

The CP leadership wanted to know what the Harlem CP had been doing about the NAACP and other community organizations.

"The Worker" December 20, 1959, reported that BENJAMIN J. DAVIS was elected National Secretary of the CP, USA at a meeting of the National Committee on December 14, 1959.

At this meeting, WILLIAM PATTERSON discussed the NAACP Convention to be held in July, 1962, at Atlanta, Georgia. His main topic was concerned with the segregated hotel policy in Atlanta. In order to fight the segregation, he suggested contacts be made with certain organizations and groups to bring pressure to bear for equal consideration for Negroes. PATTERSON

NY 100-7629

also suggested that letters of protest be sent to the United States Attorney General and others concerning this issue and the Negro press should be contacted in order to get an open letter printed concerning the segregation under the slogan "Freedom By '63".

COMMITTEE TO AID THE MONROE DEFENDANTS

A source advised on May 10, 1962, that the Committee to Aid the Monroe Defendants (CAMD) was formed during September, 1961, by the Socialist Workers Party (SWP) in New York City. WILLIAMS and four other defendants who were involved in a racial incident on August 27, 1961, at Monroe, North Carolina. The SWP hopes to dramatize this incident nationally and internationally through the CAMD and thus attract individuals to the SWP aims and principles by playing a leading role in the integration struggle.

The organization and impetus of CAMD activities throughout the various parts of the United States such as obtaining sponsors and the raising of funds, are the results of the efforts of various SWP branches.

Our investigation is directed solely towards establishing the extent and the result of this infiltration. The Federal Bureau of Investigation (FBI) is not investigating the legitimate activities of this organization. Address

The current Manhattan Telephone Directory reflects that the address for the National Office of the NAACP continues to be 20 West 40th Street, New York, New York.

Annual Report for 1962

The February, 1963, issue of "The Crisis", official organ of the NAACP, contains information concerning accomplishments of the NAACP during the year 1962.

NAACP income went over the million mark in 1962, amounting to \$1,066,104.00. The Association received more money from its branches than ever before in the organization's history. Over \$576,000.00 was received from branch memberships and other branch funds. Total expenditures for the Association in 1962 amounted to \$1,290,000.00, making a deficit of \$224,000.00.

NY 100-7629

Membership in the Association in 1962 increased to a total of 390,347. This figure showed an increase of 9,505 over the enrollment in 1961 and 1,308 over that of 1960.

During 1962, a total of 51 branches and 60 youth councils and college chapters were chartered by the NAACP, bringing the total of active local units up to 1,573 in 49 states. With the chartering of a new branch in Vermont last year, there remained only one state in which the NAACP is not operating - Alabama. The Association has been under injunctive ban in Alabama since 1956. Litigation to enable the NAACP to return to Alabama is still pending.

Youth membership in the organization increased from 23,512 in 1961 to 37,913.

Chicago, with a total of 22,325 members, was the largest local unit of the Association taking the lead long held by Detroit. The Motor City was second with 21,870. Two other branches enrolled more than 10,000 members - Cleveland, 13,395 and Philadelphia, 11,059.

Other branches with memberships of more than 5,000 include Washington, 9,107; Baltimore, 8,798; New York (Harlem), 8,113; Memphis, 6,917; St. Louis, 5,982; Pittsburgh, 5,347; and New Orleans, 5,253.

CP Strategy

NY T-1 on November 10, 1962, advised that the Negro-American Labor Council (NALC) CP Caucus held a meeting on November 9, 1962, at the Breslin Hotel, 29th Street and Broadway, New York, New York. At this meeting CLAUDE LIGHTFOOT discussed the NALC convention being held in New York November 9 - 11, 1962. LIGHTFOOT proposed that the Party must fight for a proposal from the NALC which would endorse the NAACP in regard to its charges of discrimination in the International Ladies

NY 100-7629

Garment Workers Union (ILGWU) and other unions in the American Federation of Labor - Congress of Industrial Organizations (AFL-CIO).

NY T-1 on November 11, 1962, advised that at the last session of the NALC convention held November 11, 1962, the convention delegates approved a proposal that the NALC would endorse the NAACP in their charges of racial discrimination against the ILGWU. The proposal, however, did not endorse the NAACP in its position that all local unions in the ILGWU guilty of job and membership discrimination should be subject to decertification as a member union of the AFL-CIO.

"The Worker", an east coast Communist newspaper, issue of December 20, 1959, reported that CLAUDE LIGHTFOOT at a meeting of the National Committee, CP, USA, on December 14, 1959, was elected Vice Chairman of the CP, USA.

NY T-2 on January 8, 1962, advised that the State Board, CP of Illinois, also known as the Coordinating Committee, is the highest governing body of the Illinois CP. CLAUDE LIGHTFOOT is a member of this Board.

NY T-3 advised in February, 1963, that a meeting of leading functionaries of the CP, USA was held in New York City on February 11, 1963.

JACK STACHEL spoke on the topic "The Growing Militance and Successful Struggles of the Negro People". The substance of his remarks on this topic were as follows:

"The Negro people will no longer accept any substitute for their full citizenship and equality. They have declared uncompromising war or struggle, not

NY 100-7629

"only against their own fanatics but also against all attempts towards tokenism and gradualism. The Negro people, themselves, in their battle for equality, wholeheartedly accept the support of all Americans who stand for application of the Constitution and love for all the people. They realize the inter-connection of the struggle of the Negro people for their own just demands and the struggle of all Americans for peace, democracy and social progress.

"Negro workers, with a few exceptions, are denied skilled jobs. There is the undisputed and shameful fact that even where the Negro workers are employed and are members of a union, they are denied the right to occupy posts of leadership in proportion to their members and ability. Obviously, the trade unions, themselves, have not succeeded in accomplishing the program of equal rights for the Negro people.

"The majority of the members of the House and Senate are anti-labor and the Kennedy Administration represents big business.

"A joint struggle by the Negroes and Labor within the trade unions, themselves, and in Congress, for equal rights for the Negro people everywhere will help defeat new anti-labor legislation now being proposed. That is why the Communist Party fully supports all those proposals by the NALC, the NAACP, and other Negro people's organizations for utilizing every and all methods, including existing laws, to compel all institutions, including the trade unions, to grant full and equal rights to the Negro workers.

"We consider the above policy as a principal guide for all Communists and we hope it will become the guide for all trade unionists."

NY 100-7629

NY T-4 on December 13, 1959, advised that on December 13, 1959, JACOB STACHEL was elected to the National Committee of the CP, USA at its 17th National Convention held December 10 - 13, 1959.

NY T-12 advised in March, 1963, that a meeting of the CP Caucus within the NAACP and members of the CP, USA National Negro Commission was held during March, 1963, in New York City for the purpose of formulating CP strategy within the NAACP.

BENJAMIN J. DAVIS gave the main report on how this full citizenship for the Negro can be obtained and urged that a national convention or conference be held which would bring together all Negro organizations. DAVIS also stated that legal victories by the NAACP have been most decisive in the Negro liberation struggle and the potential for further victories is by no means exhausted. The branch of government that has been most sensitive to the problems of the Negro people has been the Judiciary. Therefore, it has been through the courts that the most significant strides have been made in the Negro liberation struggle.

DAVIS stated that a time limit must be put on the Jim Crow System in the United States. The Supreme Court's formula of all deliberate speed as enunciated in the 1954 decision has just not worked. DAVIS offered the following proposals as possible resolutions at the 1963 NAACP National Convention:

1. That the NAACP go back to the Supreme Court and ask for a more specific deadline.
2. A resolution asking President KENNEDY for his plan to enforce the Supreme Court's decision.

NY 100-7629

3. A resolution that would ask for a test of Article IV, Section 4, of the United States Constitution, which guarantees a republican form of government, and particularly pointing out Southern states where the Negro is denied the right to vote.

4. That the second section of the 14th Amendment be enforced which calls for a reduction of representation in states where the franchise to vote is denied.

5. That the Federal Government financially starve any state that sanctions discrimination.

NY T-13 advised on May 7, 1962, that BENJAMIN J. DAVIS on May 6, 1962, while addressing the Crown Heights Forum in Brooklyn, New York, stated that he was the National Secretary of the CP, USA.

NY T-14 on January 17, 1961, advised that the Crown Heights Forum is sponsored by the Crown Heights Section of the Kings County CP and is open to both Party and non-Party members.

NATIONAL SECTION

Address

The current Manhattan Telephone Directory reflects that the address for the National Office of the NAACP continues to be 20 West 40th Street, New York, New York.

Communist Party Strategy

NY T-1 advised in August, 1963, that a meeting of leading CP, USA functionaries was held on August 1, 1963, at CP Headquarters, New York City, concerning the March on Washington, to be held August 28, 1963. One of the functionaries present, ARNOLD JOHNSON, stated that there should be a full-fledged discussion on the March on Washington, August 28, 1963, and proposed that the NAACP be contacted in order to arrange a meeting.

NY T-2 on July 22, 1963, advised that a meeting of the Polish-Bulgarian CP Club was held on July 11, 1963, at 5854 Chene Street, Detroit, Michigan. At this meeting WILLIAM ALLAN reported about his participation in the National Convention of the NAACP held in Chicago,

NY 100-7629

C. P. MILLER
July 1-6, 1963. He was very happy and full of praise for the NAACP. He remarked that BEN DAVIS, the Party National Secretary, was regarded as a hero at this convention. ROY WILKINS, the main spokesman for the NAACP and Executive Secretary, praised BEN DAVIS many times and sought his advice. ALLAN stated that the youth of the NAACP, so-called "Commandoes" are under CP influence and look to the CP for leadership. ALLAN stressed that the NAACP is "our" kind of organization because it is not exclusively Negro and the CP has a possibility of working in this group in their own manner. He also stated that the CP insists that the March on Washington must take place on August 28, 1963. He urged the members of the club to participate and to go there personally and to prod Negro leaders not to give in, but to insist that this march be held. The CP wants this march as some kind of measure of its own influence among the Negro people.

N.Y.
ALL

NY T-3 on June 11, 1963, advised that as of that date, WILLIAM ALLAN is a member of the Co-ordinating Committee of the Michigan District CP.

N.Y.

NY T-4 on July 17, 1963, advised that a meeting of the Illinois State Board of the CP was held on July 16, 1963, in Chicago, Illinois.

EARL DURHAM gave a report dealing with the NAACP convention held in Chicago, July 1-6, 1963. He stated that two major ideological problems were before the convention. One was, whether mass direct action was the order of business of the NAACP and secondly, whether it was correct to have a mass demonstration in Washington, D.C., in support of the Kennedy civil rights package. These two questions, DURHAM indicated, were decided very early in the convention and decided in a positive manner.

N.Y.
pk

NY 100-7629

DURHAM stated the NAACP convention enhanced the position of the NAACP in the Negro peoples movement. Both the decision of the convention and the temper of the delegates of the convention makes this convention the most militant almost since its birth. The NAACP is still not alone in the civil rights battle but it still can be the unifying force in this struggle. There is still a major problem of unity in the movement based on differences of tactics although there seems to be general agreement in all Negro organizations that the technique of mass direct action is the technique for freedom today. The convention leadership, although not always in control of the convention, always managed to appear in agreement with its militant factions whenever they appeared.

The problem facing the Party is still the question of isolation from the main stream and it should be noted that on July 20, 1963, a unified front of community organizations is calling a conference in which they will attempt to establish a permanent setup in this struggle for freedom. The Party should help make that conference a success and work with its limited forces to be sure that the Party is involved.

C. Lightfoot
CLAUDE LIGHTFOOT spoke and indicated that the NAACP convention is part of the new development in the Negro field. This development of mass direct action has been accepted as the main form of struggle in this period. The Party should have as its policy that of trying to influence the NAACP to be the quarterback of the team of Negro organizations participating in the struggle. The Party should also lend its support to the recruiting of Negro youth into the NAACP. An additional new feature coming from the convention was the call for the NAACP to actively fight during election campaigns for the defeat of candidates not pledged to civil rights. This means, LIGHTFOOT indicated, that the NAACP can become an

N.Y.

independent police force in the electoral struggle.

Socialist Workers Party (SWP) Strategy

NY T-5 on August 2, 1963, advised that the SWP convention was held in New York City July 18-21, 1963. A resolution on the "Negro Question" was adopted. This resolution points out the trend of Negroes today to insist not on gradual granting of full equality but rather the sharp and massive demands for immediate and full equality. The resolution also describes the leading Negro groups which includes the NAACP.

The Party plan of action is one of "behind the scenes support". The Party does not plan to boost one group or trend over another but rather to support all groups until the Negro masses decide which type of group or plan of action is best.

The SWP has been designated pursuant to Executive Order 10450.

Financial

NY T-6 on July 3, 1963, furnished information reflecting that the Emma Lazarus Federation of Jewish Women's Clubs was forwarding a \$100 contribution to the NAACP.

The Emma Lazarus Federation of Jewish Women's Clubs is characterized in the appendix attached hereto.

EMMA LAZARUS FEDERATION
OF JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On April 25, 1963, a source advised that the ELF is one of several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION Government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receives support from the "Morning Freiheit" and other Jewish progressive organizations.

The source also stated that the ELF is recognized by the CP, USA, as an important progressive national organization of women.

The address of the national office of the ELF is 160 Fifth Avenue, Room 911, New York City.

NAACP
Annual Meeting

"The Crisis," official organ of the NAACP, issue of February, 1964, contains information concerning NAACP highlights for the year 1963. The following are excerpts from the article:

NY 100-7629

"Its in the record books now. 1963 was the best year in the 54-year history of our NAACP.

"Our Executive Secretary, Roy Wilkins, reported to the annual meeting, January 6, that paid memberships shot past the half-million mark for the first time in our history. The most astonishing gains were made in youth memberships, which were increased by a whopping 47 percent over 1962.

"Complete tabulations were not in at press time; however, as of December 24, Mr. Wilkins reported the membership figures to be 426,361 adult members of branches, 55,867 youth members, 10,562 life members and 8,026 members-at-large. This comes to a grand total of 515,396.

"While New York with its 12 branches in the five boroughs enrolled some 34,011 persons, Chicago beat out Detroit for largest single branch honors. The Windy City turned in 31,690 memberships; the Motor City, 28,443.

"Other branches topping the 10,000 mark were Philadelphia, 24,481; Cleveland, 16,034; Baltimore, 12,613; Washington, D.C., 11,205; Pittsburgh, 10,457 and Brooklyn, 10,200.

"General income reached an all-time high, too, with \$1,513,653. Nearly 83 percent of that sum came from the branches in one form or another.

"Incidentally, the branches really did a bang-up job on their 1963 Freedom Fund contributions, also. The complete figures are not in yet, but as of the end of the year, the FFF contributions were hovering around the \$260,000 mark, with indications it might reach \$300,000. Leading the pack was the Philadelphia Branch with the largest sum put in the pot in 1963, giving \$9,000.

NY 100-7629

"Although we had a great year, the fight we waged made it a costly one. Not counting the cold, hard, \$270,000 in cash that we have tied up in bail bonds (\$250,000 of that in Mississippi, alone), 1963 operating expenses amounted to \$1,527,976.

"This means we went into the red for \$14,323. Add to that certain allocations, such as matching per capita state conference taxes, we ended up with \$62,493 in the loss column.

"Besides breaking the 1963 record for paid memberships, do you know what else is on the docket for 1964? It is VOTER REGISTRATION!

"Increased voter registration activity is a must this year, so get busy. At the annual meeting, Mr. Wilkins revealed that the NAACP was responsible for putting more than 83,000 new voters on the rolls in the southern states alone.

"In 1964, however, Mr. Wilkins says, we must increase that number many times over, in both the South and the North. The Secretary reminded those who attended the annual meeting, 'This is a political year . . . Congress is playing politics with the civil rights bill now. Our turn to play politics will come next November.'

"Although this year heavy stress will be on voter registration, Mr. Wilkins says no phase of the civil rights program will be neglected. The Association will push for accelerated desegregation of public schools, will campaign for more and better jobs for Negroes, and will continue to attack discrimination in housing.

NY 100-7629

"Gloster B. Current, director of branches, reports that a new trend seems to be evolving in NAACP memberships. Mr. Current says more white people are becoming active in NAACP units.

"Some of our white members have been helped to organize new NAACP units, Mr. Current revealed. Three predominantly white units were among the 120 that were chartered last year. In fact, charters for the three -- Martha's Vineyard, Mass., Branch and Youth Council, and Tri-City, Texas, Branch -- were approved at the Board of Directors meeting which followed the annual meeting.

"National Life Membership Chairman Kivie Kaplan was instrumental in the organization of the two Massachusetts units.

"Other NAACP units chartered at the January meeting were branches in Plant City and Apopka, Fla.; Georgetown, S.C.; Port Norris, N.J.; Perry County, Ill.; Dos Palos and Merced County, Calif.; and Jefferson County, W. Va.

"The new youth councils are Denison, Texas; Winnsboro, S.C.; and Jones County, N.C.; with a college chapter at Fort Valley State College, Ga."

On September 17, 1963, NY T-2 advised that as of September 1, 1963, the name of Reverend HENRY HITT CRANE, Detroit, Michigan, Minister Emeritus, Central Methodist Church of Detroit, appeared on a partial list of sponsors for the NCAHUAC.

NY T-3, on September 26, 1963, made available a letterhead for the NCRMA. This letterhead, under the caption "National Executive Committee", listed the name of Reverend HENRY HITT CRANE.

"The Worker," an east coast Communist newspaper, edition of November 5, 1963, page 4, contained an article captioned "68 Notables Urge Repeal of the Smith and Mc Carran Acts." This article went on to state that a group of 68 prominent Americans, including attorneys, clergymen, union officials, and persons active on the Civil Liberties front, last week called for the repeal of the Smith Act of 1940 and the Mc Carran Internal Security Act of 1950 and the Communist Control Act of 1954. The name of HENRY HITT CRANE appeared in this article as one of the 68 individuals urging the repeal of the above acts.

NY 100-7629

NY T-4, NY T-5, and NY T-6 during February, 1964, advised that although HENRY HITT CRANE has been and continues to be involved in activities of a subversive nature, they do not consider him to be presently under CP influence, domination or control. These informants generally stated that they consider CRANE to be one who would not decline the opportunity to have his name exposed to the limelight regardless of the cost, provided he receives some sort of notoriety from the resulting publicity. However, they stated that they could not dismiss the fact that they believed that CRANE derives great personal satisfaction from his actions which, in turn, does not distract from his ego.

EARL BURRUS DICKERSON,

Member, Board of Directors
Member, Executive Committee
Member, National Legal Committee
Member, National Life

NY T-7 advised on January 5, 1961, that to the best of his knowledge, EARL B. DICKERSON was never in the CP, but had a close working relationship with the CP or members of the CP up to about five years ago.

NY T-8 advised on February 13, 1959, that as of that date, DICKERSON was a member of the National Council of the ECLC.

The Sullivan Law Directories for the State of Illinois, lists EARL B. DICKERSON as a member of the NLG from 1938 to 1952. The "Lawyers Guild Review," Volume 13, Number 1, Winter, 1953, an official quarterly publication of the NLG, reflects that EARL B. DICKERSON was elected President of the NLG at the NLG 12th National

NY 100-7629

NY T-9 advised on September 11, 1960, that as of that date, DICKERSON was a member of the National Executive Board of the NLG, as well as National Vice-President of the NLG.

The "New York Guild Lawyer," Volume 20, Number 3, March-April, 1962, issue, which is self-described as a publication of the NLG, set forth the officers and members of the National Executive Board of the NLG, who were elected at the 25th Anniversary Convention of the NLG, which was held in Detroit, Michigan, February 22 through 25, 1962. Among the officers listed was EARL B. DICKERSON, Chicago, Vice-President.

A name check of the indices and/or printed hearings of the House Committee on Un-American Activities (HCUA) on the name EARL B. DICKERSON on October 10, 1963, by IC WAYNE E. HOLLAND reflected the following reference which was not checked against the original source:

A letterhead of the ECLC, dated April 29, 1963, listed EARL B. DICKERSON as a member of their Executive Committee.

NY T-3, on November 18, 1963, advised that as of November, 1963, EARL B. DICKERSON was listed as a member of the National Council of the NCRMA.

New York, New York
Vice-President, NAACP
Member, "Committee of 100"
in support of the NAACP
Legal Defense and Educational
Fund, Incorporated

A name check of the indices and/or printed hearings of the HCUA was made on the name JOHN HAYNES HOLMES on September 16, 1963, by IC WAYNE E. HOLLAND and reflected the following information:

Reverend JOHN HAYNES HOLMES was listed as a sponsor of the ACPFB on a letterhead dated April, 1963.

Reverend JOHN HAYNES HOLMES was a sponsor for a dinner in New York City on October 12, 1962, sponsored by the Louise Pettibone Smith 75th Birthday Tribute.

On September 12, 1960, EUGENE T. LYDDONE, Deputy Clerk, United States Supreme Court, Washington, D.C., made available to SA O. MICHAEL SMASAL a brief for Amici Curiae in the case entitled, "Communist Party of the United States - Petitioner versus Subversive Activities Control Board, Respondent." This brief was filed on September 9, 1960, and Appendix A contains a list of names of individuals who signed this brief. The name of JOHN HAYNES HOLMES is included in this list.

Records of the Bureau of Special Services (BSS), New York City Police Department (NYCPD), checked by SA AUGUST J. MICEK on February 11, 1964, reflected HOLMES's name appeared on a sponsor list for the 30th anniversary meeting of the ACPFB, which was held on November 3, 1963, at Town Hall, New York City.

NY 100-7629

"The Worker" issue of November 6, 1960, page 12, reflects that JOHN HAYNES HOLMES was a sponsor for a meeting in Washington, D.C. November 19 to 21, 1960, under the sponsorship of the National Committee to Secure Justice for Morton Sobell (NCSJMS).

A characterization of the NCSJMS appears in the Appendix under CSJMS.

The records of the BSS, NYCPD, checked by SA AUGUST J. MICEK on February 11, 1964, also reflected that HOLMES's name appeared on a list of those who had urged the release of MORTON SOBELL from jail. This leaflet also announced a meeting of the Sobell Committee to be held at Carnegie Hall on June 19, 1963.

The "National Guardian," dated April 17, 1961, contained an advertisement reflecting JOHN HAYNES HOLMES was one of the sponsors of a rally to be held in New York City on April 21, 1961, under the auspices of the NYCAHUAC.

NY T-10 on June 10, 1963, advised that Dr. JOHN HAYNES HOLMES, 10 Park Avenue, New York City, was an Initiator of the NCAHUAC.

NY T-10, on June 5, 1963, advised that at the initial meeting of the NCRMA, held on May 18, 1963, in Chicago, Illinois, the name of Reverend JOHN HAYNES HOLMES was proposed from the floor as one of the Honorary Chairmen to be selected by the Executive Board of this committee.

During the course of hearings held by the HCUA in New York City on July 6-8, 13 and 14, 1953, BENJAMIN GITLOW testified concerning the Communist infiltration of religious institutions.

CHICAGO COMMITTEE TO DEFEND
THE BILL OF RIGHTS

The Chicago Committee to Defend the Bill of Rights (CCDBR) maintains headquarters in Suite 424, 431 South Dearborn Street, Chicago, Illinois.

A source advised in July, 1960, that RICHARD CRILEY, a member of the Civil Liberties Commission, Communist Party (CP) of Illinois, met with key leaders of the CP of Illinois and discussed with them the fact that the climate in the United States on civil liberties and civil rights issues had changed to the extent that it was now possible to proceed to form a new organization with broad mass support. By doing so, CRILEY believed that people who would not associate themselves with an organization of narrow scope would join a civil liberties and civil rights organization built around a broader issue such as the abolishment of the House Committee on Un-American Activities (HCUA). The CP leaders, after receiving assurance from CRILEY that any new organization that might evolve would protect the Party interests, authorized CRILEY to proceed with his plan to form a broader organization.

A second source advised on October 31, 1960, that a new organization known as the Chicago Committee to Defend the Bill of Rights was formally launched in Chicago at a meeting on October 26, 1960. The stated primary purpose of the new organization was to seek the abolition of the HCUA, and RICHARD CRILEY was named as its Executive Secretary, after having been the guiding force in arranging the October 26, 1960, meeting.

The first source in October, 1960, advised that CRILEY again attended a meeting of the Illinois District CP leadership on October 23, 1960, at which time he reported on the organizational meeting of the CCDBR. CRILEY stated that the immediate purpose of his organization is to obtain mass support to abolish the HCUA, but the new Committee purposes will also include defense of Smith Act and Taft-Hartley victims. He said there will be no formal affiliation with any national organization of similar purpose; however, the

NY 100-7629

CHICAGO COMMITTEE TO DEFEND
THE BILL OF RIGHTS (CONTINUED)

CCDBR, according to CRILEY, will consult and have liaison with national organizations having the same purpose. According to the source, the CP leadership agreed with the general direction of the CCDBR as outlined by CRILEY.

A third source advised on May 10, 1963, that the CCDBR continues to adhere to the same aims and purposes, with RICHARD CRILEY as Executive Secretary; however, its Board of Directors has been expanded to include additional members of the clergy, educators and labor representatives, not known to be CP members.

COMMITTEE FOR A DEMOCRATIC SPAIN

A source on February 18, 1961, furnished a statement from the Committee For A Democratic Spain (CFDS) which set out its address as Post Office Box 159, Cathedral Station, New York 25, New York. The statement furnished by the source set out:

"The time has come for a new effort to persuade our government to withdraw its moral and economic support from the Fascist FRANCO regime put into power in Spain by HITLER and MUSSOLINI. For this purpose, and to give such aid as is possible to the forces inside and outside Spain seeking freedom from the FRANCO dictatorship, the Committee For A Democratic Spain has been formed.

"The Committee will issue a newsletter that will report the significant developments in the struggle for a free Spain. Through public meetings, such as this initial one, the Committee intends to inform and arouse the American people about the true character of the FRANCO regime and the real prospects for liberation in Spain.

"Special efforts will be made to influence the KENNEDY Administration and the Congress to act in accordance with our American traditions of democracy and in the interest of our true national security by breaking the bonds of aid to FRANCO and encouraging the democratic impulses inside Spain."

The source on February 18, 1961, advised that from attending the first meeting of the CFDS on February 17, 1961, the composition of the group appeared to be a "Liberal-Socialist organization."

APPENDIX

EMERGENCY CIVIL LIBERTIES COMMITTEE

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1951, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the Emergency Civil Liberties Committee:

"Emergency Civil Liberties Committee

"1. 'The Emergency Civil Liberties Committee is an organization with headquarters in New York, whose avowed purpose is to abolish the House Committee on Un-American Activities and discredit the FBI. * * * The committee finds that the Emergency Civil Liberties Committee, established in 1951, although representing itself as a non-Communist group, actually operates as a front for the Communist Party. It has repeatedly assisted, by means of funds and legal aid, Communists involved in Smith Act violations and similar legal proceedings. One of its chief activities has been and still is the dissemination of voluminous Communist propaganda material.'

'FRANK WILKINSON was called as a witness when he appeared in Atlanta as a representative of the Emergency Civil Liberties Committee to propagandize against the Committee on Un-American Activities and to protest its hearings. In 1956 WILKINSON was identified as a Communist Party member by a former FBI undercover agent within the party. Summoned at that time to answer the allegation, his reply to all questions was, "I am answering no questions of this committee." This also became his stock reply to questions when he appeared during the Atlanta hearings. * * * WILKINSON has since been convicted of contempt of Congress and sentenced to one year in jail.'

EMMA LAZARUS FEDERATION
OF JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On April 25, 1963, a source advised that the ELF is one of several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION Government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receives support from the "Morning Freiheit" and other Jewish progressive organizations.

The source also stated that the ELF is recognized by the CP, USA, as an important progressive national organization of women.

The address of the national office of the ELF is 160 Fifth Avenue, Room 911, New York City.

LOUISE PETTIBONE SMITH
75TH BIRTHDAY TRIBUTE,
Also known as Louise P.
Smith Birthday Committee,
The Royal W. France Memorial Fund

On July 19, 1962, a source made available information on letterhead stationery of the National Council of American-Soviet Friendship (NCASF) dated July 14, 1962, that the Louise Pettibone Smith Birthday Committee (LPSEC) had been recently formed through cooperation of the American Committee for Protection of Foreign Born (ACPFB), the NCASF and the Religious Freedom Committee (RFC) to hold a birthday dinner for LOUISE PETTIBONE SMITH on October 12, 1962, at the Hotel Astor, New York City. The affair was to be an "independent and individual sponsorship."

On July 11, 1962, a second source made available a letter printed on the stationery of the Louise Pettibone Smith 75th Birthday Tribute (LPSBT) dated June, 1962, and signed "RUTH C. FRANCE (Mrs. ROYAL W. FRANCE)," the Executive Secretary. This letter stated "the occasion will be used to launch a renewed effort for the defeat of the Mc Carran Internal Security Act."

The second source on July 11, 1962, made available a printed resume of the activities of LOUISE PETTIBONE SMITH issued by the LPSEC which states that "for the past twelve years she has served as Honorary Co-Chairman of the American Committee for Protection of Foreign Born."

On September 25, 1962, the second source made available a letter dated September, 1962, printed on letterhead stationery of "The Royal W. France Memorial Fund," Room 405, 49 East 21st Street, New York 10, New York. The letter contains information that at the time of his death, July 10, 1962, ROYAL W. FRANCE was working on plans for the LPSBT to be held on October 12, 1962, and it seemed fitting that a tribute to his memory should be held at this affair in the form of a fund, with the money to be used in the fight to defeat the Mc Carran Act.

On February 5, 1963, a third source advised that the Royal W. France Memorial Fund, the LPSBT, as well as the ACPFB and Veterans of the Abraham Lincoln Brigade (VALB) occupy Room 405 at 49 East 21st Street, New York, New York.

On March 15, 1963, a fourth source made available a copy of a letter dated March 7, 1963, signed RUTH C. FRANCE which indicated more than \$3,500 was being held in the Royal W. France Memorial Fund to be used for legal fees to press the fight against the Mc Carran Act.

On February 25, 1963, a fifth source advised the checking account for the LPSBT was closed March 19, 1963, and the balance of the account was transferred to the Royal W. France Memorial Fund.

Information from the fifth source is not to be made public except in the usual proceedings following the issuance of a subpoena duces tecum. The person to be subpoenaed is ROBERT MC GOWAN, Assistant Manager, Chemical Bank, New York Trust Company, 29th Street and Park Avenue, South, New York City. The source no longer has the original documents in which the check information was obtained.

A sixth source advised on May 28, 1963, that the Royal W. France Memorial Fund continues to be located in Room 405 at 49 East 21st Street, New York City.

NATIONAL COMMITTEE TO ABOLISH
THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE

The "Guide to Subversive Organizations and Publications" issued December 1, 1961, by the Committee on Un-American Activities, U. S. House of Representatives, page 115, contains the following citation regarding the National Committee to Abolish the Un-American Activities Committee (NCAUAC).

"Cited as a 'new organization' set up in the summer of 1960 to lead and direct the Communist Party's 'Operation Abolition' campaign. Seven of the national leaders of this group have been identified as Communists.

(Committee on Un-American Activities, House Report 1278 on the Truth About the Film 'Operation Abolition,' Part 1, October 3, 1961, p. 5.)"

A source has advised that the NCAUAC changed its name on March 3, 1962, to include the word "House" in its name, thereby becoming known as the National Committee to Abolish the House Un-American Activities Committee.

NATIONAL COMMITTEE TO REPEAL
THE MC CARRAN ACT (1963)

The National Committee to Repeal the Mc Carran Act (NCRMA) maintains headquarters in Room 318, 431 South Dearborn Street, Chicago, Illinois.

A source advised in May, 1963, that the NCRMA is the outgrowth of an Ad Hoc Committee of Initiators, headed by Professor CLYDE MILLER of New York, who solicited signatures to a Petition to the President of the United States in 1962 which called for the repeal of the Mc Carran Act. The NCRMA held its formation meeting at Chicago on May 18, 1963; the stated purpose of the Committee is to seek repeal of the Internal Security Act of 1950 as amended. As of July, 1963, its purpose is the same.

Source advised that the Chicago Committee to Defend the Bill of Rights (CCDBR), and its Executive Secretary RICHARD CRILEY, gave full support to organizing this new organization. At the May 18, 1963, formation meeting, Reverend WILLIAM T. BAIRD, Executive Director of the CCDBR, was named National Administrator of the NCRMA.

A second source advised in April and May, 1963, that the Communist Party, United States of America (CP, USA) interest in NCRMA has been to give it full support and approval and it takes the position that the Committee composition must be extremely broad and the Party's direct influence must be kept to a minimum. The CP believes the new Committee will serve its purpose in fighting the Mc Carran Act alone and the CP has everything to gain by taking this position. The CP reportedly has agreed to make funds available to this Committee.

A third source advised as of May, 1963, that RICHARD CRILEY was then a member of the CP.

NATIONAL COMMITTEE TO REPEAL THE
MC CARRAN ACT (1963) (CONTINUED)

CLYDE MILLER, according to the "Daily Worker," issue of March 5, 1941, was a signer of a statement to the President defending the CP.

The "Daily Worker" was an East Coast communist daily newspaper which ceased publication January 13, 1958.

LOLA BELLE HOLMES, a CP member from August, 1957, to January, 1963, advised in August, 1958, that Reverend BAIRD stated that he was a "religious communist" and that he believed there was a relationship between science, religion, and communism and was attempting to prove his theory.

NEW YORK COUNCIL TO ABOLISH
THE HOUSE UN-AMERICAN ACTIVITIES
COMMITTEE

On March 9, 1961, a source advised that the New York Council To Abolish the Un-American Activities Committee (NYCAUAC), 150 West 34th Street, New York City, New York, was formed at a meeting held in New York City on November 17, 1960. This organization was founded principally through the efforts of FRANK WILKINSON, Field Representative of the National Committee To Abolish the Un-American Activities Committee (NCAUAC).

A second source advised on September 17, 1952, that FRANK WILKINSON was a Communist Party member as of September, 1952.

A third source furnished on September 14, 1961, a copy of resolutions of the New York Council to Abolish the House Un-American Activities Committee (NYCAHUAC) which were adopted by the NYCAHUAC. One such resolution affirmed the intention to continue to work for the abolition of the House Committee on Un-American Activities (HCUA) and to continue its efforts to broaden the participation in this fight. Another resolution accepted as a modus vivendi the suggestion of the Field Representative of the "National Committee to Abolish the HCUA" (NCAHUAC) namely that local abolition committees may identify and co-ordinate their efforts as closely as they desire with NCAHUAC, still maintaining their autonomy for as flexible and independent a program as possible.

Various sources have advised during March, 1962, that Communist Party (CP) members in the New York City area have been solicited to support activities of the NYCAHUAC during attendance at CP club meetings.

On May 6, 1963, the first source advised that the NYCAHUAC continues to function from its office at 150 West 34th Street, New York City, New York.

THE PHYSICIANS FORUM, INCORPORATED

Records in the office of the Clerk of New York State Supreme Court, Foley Square, New York, reflect that The Physicians' Forum, Inc. (PF) was issued a Certificate of Incorporation on April 27, 1944, under the laws of the State of New York, to operate as a non-profit, membership organization principally in the United States. The PF, under the name of the New York Physicians' Forum, had been in existence as an unincorporated association since about 1939.

A source, on September 13, 1954, furnished a folder of PF entitled "What is the Physicians' Forum?" which stated in part that to maintain freedom of thought and expression in medicine, the Forum opposes the imposition of "loyalty oaths" as a prerequisite for licensure, for hospital appointments or privileges, in medical schools, on hospital staffs and against patients; to re-establish the freedom of the medical press, the Forum urges medical society publications to open their volumes to diverse views on controversial subjects; and to provide a forum wherein socially liberal doctors may express their views in opposition to the policies of organized medicine.

The report of the Sub-Committee to Investigate the Administration of the Internal Security Act and other Security Laws of the Committee of the Judiciary, United States Senate, 82nd Congress, 1952 on "Subversive Influence in the Educational Process" on page 37 sets out the testimony of BELLA DODD, member of the National Committee of the Communist Party from 1944 to 1948. DODD testified that the PF was established primarily by the Communist Party (CP) and although not all members of the PF were Communists, the "initiative for organizing the PF came from the CP, came from the ninth floor (35 East 12th Street, New York City), where the National Committee of the CP existed."

On April 24, 1963, the above source advised that the PF is opposed to the resumption of nuclear testing and is against compulsory membership for physicians in the American Medical Association (AMA). It continues to be active in a program of supporting legislation which would provide medical care for the recipients of Social Security benefits, and provide for Social Security benefits for physicians.

The Physicians Forum is located at 510 Madison Avenue, New York, New York.

PROGRESSIVE CITIZENS OF AMERICA (PCA)

The "Guide to Subversive Organizations and Publications," revised and published December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the Progressive Citizens of America:

- "1. On June 6, 1945, 'the Hollywood Democratic Committee became the Hollywood Independent Citizens Committee of the Arts, Sciences and Professions. Thus an old Communist front was given new life under a new name.' Headquarters were located at 1515 Cross Roads of the World, Hollywood 28. 'Ultimately the Hollywood Independent Citizens Committee of the Arts, Sciences and Professions joined hands with the C.I.O. Political Action Committee to form the new political Communist front, the Progressive Citizens of America.'

"(California Senate Fact-Finding Committee on Un-American Activities, Report 1948, pp. 253-255; also cited in 1949 Report, p. 477; and by California Joint Fact-Finding Committee on Un-American Activities, Report, 1947, pp. 236 and 369.)"

RELIGIOUS FREEDOM COMMITTEE

On March 21, 1955, a source furnished a copy of a letter from the Methodist Federation for Social Action (MFSA) dated March 7, 1955, addressed to all members of the MFSA. This letter states in part, "Out of the M.F.S.A. Defense Fund was organized the Religious Freedom Committee to defend the injunctions of the first amendment, to alert churchmen of all faiths to the danger of the attacks and to defend religious persons who might become involved with the government investigating bodies on matters challenging their religious freedom."

Material circulated by the Religious Freedom Committee during the last seven years indicates that its principal activity has been agitation for the abolishment of the House Committee on Un-American Activities.

The "Guide to Subversive Organizations and Publications" published by the House Committee on Un-American Activities, United States House of Representatives, Washington, D.C., (revised December 1, 1961,) stated the following on page 107 concerning the MFSA:

- "1. 'With an eye to religious groups, the Communists have formed religious fronts such as the Methodist Federation for Social Action ****'. (Internal Security Subcommittee of the Senate Judiciary Committee Handbook for Americans, S. Doc. 117, April 23, 1956, p. 91)."

The Address Telephone Directory for the Borough of Manhattan, New York City, as published by the New York Telephone Company on April 16, 1963, lists the Religious Freedom Committee, Inc., as being located at 118 East 28th Street, New York City.

NY 100-7629

SOUTHERN CONFERENCE EDUCATIONAL FUND, INCORPORATED

"The Southern Patriot," a monthly publication, shows that it is published by the Southern Conference Educational Fund, Incorporated (SCEF).

"The Southern Patriot" was cited as an "organ" of the Southern Conference for Human Welfare (SCHW) by the Committee on Un-American Activities, House Report 592, on the SCHW, June 12, 1947.

An amendment to the charter of the SCHW changed the name of that organization to the SCEF, and listed its purpose as being to improve the educational and cultural standards of the Southern people in accordance with the highest American democratic institutions, traditions, and ideals. The amendment was dated April 26, 1946.

A source advised on March 2, 1961, the CLAUDE LIGHTFOOT, a Communist Party (CP) functionary, stated at a meeting of the CP in Baltimore, Maryland, on February 25, 1961, that the CP is not connected with any progressive movement but indirectly they do have some influence in the SCEF.

A second source, who is familiar with some phases of CP activity in the New Orleans area, advised on May 27, 1963, that during the time the SCHW was in existence, CP members were members of and worked actively in the SCHW. However, since the formation of the SCEF, rank and file CP members have not been encouraged to work in the SCEF. The source stated that the SCEF is a progressive, liberal organization, which he considers a CP front organization because it has gone along with the CP on certain issues, particularly on the racial question.

NY 100-7629

SOUTHERN CONFERENCE EDUCATIONAL
FUND, INCORPORATED (CONTINUED)

On May 27, 1963, the second source advised that in the past he has considered JAMES DOMBROWSKI, the Executive Director of the SCEF, to be a Communist, if not an actual CP member, because he followed Communist principles.

The second source also advised on May 27, 1963, that many people who are officials and members of the SCEF, while liberal in their views, are by no means Communists.

NY 100-7629

WASHINGTON AREA COMMITTEE FOR THE ABOLITION OF
THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE

A source advised during June-August, 1961, that the Washington Area Committee for the Abolition of the House Un-American Activities Committee (WACAHUAC) was founded at a public meeting in Washington, D.C. on June 8, 1961, to campaign for the abolition of the House Committee on Un-American Activities (HCUA); an election of officers was held on June 23, 1961, with SELMA REIN being elected as Secretary; REIN has been in control of the organization since that time; REIN does not mind if individuals connected in the past with organizations cited publicly as being Communist dominated or controlled work with WACAHUAC, provided they are not publicly identified in this regard; and the organization's policy statement, as rewritten by JOSEPH FORER, was accepted by the WACAHUAC Executive Board in August, 1961.

On September 12, 1962, a second source advised the WACAHUAC is affiliated with the National Committee to Abolish the House Un-American Activities Committee. This source, on May 4, 1963, advised the WACAHUAC is still in existence.

SELMA REIN was identified by a third source on January 21, 1954, as a then current Communist Party (CP) member. On February 28, 1957, she appeared before the HCUA and refused to answer questions concerning past or present CP membership.

JOSEPH FORER is one of the attorneys who has represented the CP, USA, before the United States Court of Appeals and the United States Supreme Court. In September, 1959, a fourth source advised that a member of the National Committee of the CP, USA had recently referred to FORER as "one of the most important Communists in Washington, D.C."

YOUNG SOCIALIST ALLIANCE

The May, 1960, issue of the "Young Socialist" (YS), page 1, column 3, disclosed that during April 15-17, 1960, a national organization entitled "The Young Socialist Alliance" (YSA), was established at Philadelphia, Pennsylvania. This issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page 6, set forth the Founding Declaration of YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles, and that the supporters of the YS have come into basic political solidarity with the SWP on the principles of revolutionary socialism.

A source advised on May 6, 1963, that the original YSA was an organization formed during October, 1957, in New York City by youth of various left socialist tendencies, particularly members and followers of the SWP. The leaders of this group were the guiding forces in the establishment of the national organization.

The source further advised on May 6, 1963, that the YSA is dominated and controlled on a national basis by the SWP through having SWP members comprise exclusively the National Executive Committee (NEC) and through an official SWP representative at all YSA NEC meetings. The YSA, in reality, is the youth and training section of the SWP and the main source of new SWP members.

The headquarters of the Young Socialist Alliance are located at 125 Fourth Avenue, New York City.

The SWP has been designated pursuant to Executive Order 10450.

National Communist
Party (CP) Negro
Commission

A meeting of the National CP Negro Commission was held on February 22, 1964, at 306 East 43rd Street, Chicago, Illinois. At this meeting, BEN DAVIS of New York gave the main report. He stated that the Party will have to concern itself with the conventions of the Negro organizations, such as the NAACP.

NY 100-7629

In this connection, DAVIS stated that the NAACP was not prepared to take steps in projecting themselves into the mainstream of the civil rights struggle.

DAVIS stated that the revolution in the North has taken a national pattern on issues around jobs, school desegregation, housing, et cetera. He stated that in New York there has been considerable interest around the minimum wage law. DAVIS stated that the Negro people played a main role in the school situation in New York along with the assistance of Puerto Ricans and liberal progressive forces.

CP Attempts to Infiltrate
NAACP Convention

On April 26, 1964, a CP Subcommittee meeting on the NAACP affairs, which was open to some non-Party members, was held at the Chelsea Hotel, New York City. The purpose of

NY 100-7629

this meeting was to formulate plans for the forthcoming NAACP Convention to be held in Washington, D.C., June 22 - 29, 1964, and to analyze the role of the CP in connection with the civil rights struggle of the NAACP.

The meeting was opened by LESTER DAVIS, who stated that the problems facing the Party today in connection with the civil rights struggle and the NAACP are twofold; namely, to plan on the tactics and program to be utilized in connection with the forthcoming NAACP Convention in Washington, D.C., and to evaluate the role of the NAACP in the current civil rights struggle. He pointed out that many people have taken negative attitudes toward the role of the NAACP indicating that they are not militant enough and are not taking a direct action approach to this civil rights struggle. At this time, the floor was opened for viewpoints on the extent of the role of the NAACP in connection with the civil rights struggle and whether the Party should continue its work within the NAACP or should direct its activity to other organizations who are more militant in their approach to the civil rights problem.

~~JOHN~~ SILVERBERG stated that status must be maintained within the NAACP, but we must also seek ways of channelizing our activities elsewhere in the civil rights struggle. He stated that we must not abandon other civil rights organizations who are active in the civil rights struggle. *H.V.*

NY 100-7629

CAROLINE BALLIN stated that we owe leadership to the membership of the NAACP. She pointed out that the current leadership is not the organization but we must continue to give leadership to the membership of the NAACP. She stated that generally speaking, the current Negro leadership in the civil rights movement does not know where it is going.

WILLIAM L. PATTERSON also stated that the leadership of the NAACP is not the NAACP itself. He stated that the struggle on the civil rights issue is not simple but there is no justification for abandoning the NAACP. He stated that there was never a greater need for Party people to be active in connection with the civil rights struggle of the NAACP. PATTERSON went on to state that the CP by abandoning the NAACP would not break up the NAACP but it would simply permit the current guiding forces to do as they wish in connection with the Negro problem. PATTERSON went on to state that we must continue our effort to bring about unity of the Negro people now. He pointed out various vehicles that could be used in furthering the civil rights struggle and mentioned specifically that we should use to advantage in connection with the civil rights struggle the United Auto Workers civil rights resolution which links the plight of Negroes to the poverty struggle. PATTERSON also drew attention to the resolutions of an organization named, Women Strike for Peace, which links the Negro question to the struggle for peace. He stated that we must find ways of utilizing these resolutions at the National Convention in Washington to further the struggle for civil rights of the Negro people.

NY 100-7629

OLIVER MARTIN stated that it would be a mistake to pull out of the NAACP. He stated, however, that the current NAACP leadership is scared and are not taking chances. He added this current leadership was pushed into a direct action program by the Student Non-Violent Coordinating Committee and they are now trying to retreat from this direct action approach. MARTIN also stated that he felt badly that he did not know earlier about this meeting as he may have been able to determine the national program planned for the convention in Washington, D.C., and this program could be used in formulating tactics at this convention.

MURIEL SILVERBERG stated that she agreed with the remarks of WILLIAM L. PATTERSON and also added that we cannot consider pulling out of the NAACP.

TED BASSETT pointed out that there have been many attempts to follow up the August 28, 1963, March on Washington by many forces, but ROY WILKINS, Executive Secretary, NAACP, stepped in and prevented any further direct action programs. BASSETT then stated that the following items must be considered in connection with the NAACP convention:

1. Possibility of changing the leadership of the NAACP at the convention even though such leadership is not elected at the convention.
2. Propose activity in conjunction with the civil rights bill now pending in Congress even though many Congressmen have stated

NY 100-7629

that such activity or demonstrations will not influence their vote in connection with this matter. There must be demonstrative action in connection with this bill.

CAROLINE BALLIN stated that there is no format at the convention permitting change in the NAACP leadership, however, we should express sentiment to indicate that a change in leadership is necessary.

JOHN SILVERBERG stated that he felt the national officers of the NAACP have retreated to the traditional role of striving for legal action as opposed to direct action in connection with the civil rights issue.

WILLIAM L. PATTERSON emphasized the need of utilizing pronouncements by white individuals and organizations in advancement of the civil rights struggle. He stated that from numerous organizations and individuals statements and resolutions have been proposed favoring the civil rights problem and we should hail these programs and call on organizations requesting them to fulfill their statements with action.

The following proposals were made as possible resolutions at the NAACP Convention to be held in Washington, D.C., June 22 - 29, 1964:

1. Fight any attempt on the part of the National NAACP Office to reaffirm its role of legal action instead of direct action in connection with the civil rights struggle. Point out that to rely on court action is a retreat to gradualism.

NY 100-7629

2. Tackle the poverty question. Develop a program linking ghettos with the poverty program and urge spending of money to wipe out ghettos.

3. Explore the possibility of utilizing youth in changing the leadership of the NAACP.

4. Reaffirm or try again to get the NAACP to go back to the Supreme Court and request the Supreme Court issue a deadline for enforcement of the 1954 Supreme Court decisions.

JAMES JACKSON, on July-10, 1964; gave a report at CP Headquarters, 23 West 26th Street, New York City, on the NAACP Convention, which he attended as a reporter for "The Worker".

JACKSON stated that the NAACP is the major organization in which the Negro people exercise their involvement in the fight for freedom and equal rights. He said the NAACP has been identified from its inception with personalities of W. E. DU BOIS, "our own comrade - a member of our Party". JACKSON said that in the annual report, tribute was paid to the memory of DU BOIS, quite in contrast to any previous conventions of the NAACP, which has fought to re-write the history of the organization and leave out the efforts of DU BOIS.

NY 100-7629

Continuing, JACKSON stated that this was one of the most extraordinary conventions of the NAACP which he had ever attended. He said initially the convention was the occasion for summer vacations for school teachers, doctors, lawyers and so forth, who make up the leadership of the NAACP. There are, however, quite a few representatives of labor and trade unions involved actively on committees and in some places in the operational and executive leadership of the organization.

JACKSON stated that there are 80,000 young people organized into youth councils of the NAACP. It is estimated that 15,000 to 20,000 of them are white young people. He said that there was more attendance of white youth than at any other convention. He said there was a grateful manifestation of Negro - White unity among the young people.

JACKSON said that the leaders of the NAACP remarked that the civil rights bill was a mandate from the whole country to the President and the Attorney General particularly, to proceed with all haste and without compromise to secure for Negroes all the necessary federal protection for them to exercise their rights of American citizenship.

CP functionaries met on July 16,

gave a report on the NAACP Convention.

JACKSON said that "we" had a dele-
gation of reporters and observer at the NAACP
Convention in the person of CLAUDE LIGHTFOOT,
"who acted as observer and TED BASSETT and
myself as reporters". He stated that the
general atmosphere of the Convention in rela-
tion to attitudes towards "ourselves" was
notable. JACKSON said that they had a good
time fraternizing with the delegates and were
given "a respectful hearing insofar as our
position".

JACKSON said that anti-Communism
was not evident at this Convention. The
Convention opened on a note of triumph, confi-
dence and pride as a result of the passage of

NY 100-7629

the Civil Rights Bill by the Congress. JACKSON said that he was unprepared for the depth of anger on the subject of (Senator) GOLDWATER. The delegates were of one mind about the nature of GOLDWATER, and a plan was outlined for the participation and involvement of the NAACP in the 1964 elections.

JACKSON stated that the number one aim of the plan is to defeat GOLDWATER and, secondly, to do everything to support those candidates who supported the Civil Rights Bill, to support a massive registration campaign and, above all, to work for the implementation of the Civil Rights Bill. He stated that "our paper" was the only paper distributed at the Convention until later when the "Afro-American" also distributed one of their papers.

NY 100-7629

New York. At this meeting, DANIEL RUBEL made the nomination for the Chairman of the Conference and gave the principal report.

RUBEL stated that in Brooklyn there will be elected seven congressmen, seven state senators and twenty two state assemblymen, in the elections this fall. He said that the primaries are in June and we must start to work now. He stated that Brooklyn must have one Negro nomination for congressman this fall. He said that we must fight to make sure of this. He stated that there is already a movement afoot through the NAACP to realize this. He said that we must get petitions and take them around and get a lot of signatures. Since this is not a Communist petition, we should be able to obtain a great number of names on the petition. He said that sending a Negro to Congress from New York would be a big achievement toward democracy.

June 10, 1964

A meeting of the Peace Club of the Kings County CP was held on May 19, 1964, at 240 Crown Street, Brooklyn, New York. The main discussion at the meeting concerned itself with the demonstration sponsored by the NAACP and the Congress of Racial Equality (CORE) held May 18, 1964, at City Hall in New York City, celebrating the 10th anniversary of the Supreme Court decision concerning school integration.

WILLIAM L. PATTERSON spoke and stated that he feels and the CP also feels that it was not a good demonstration. He stated that the role of the leaders was not good in the demonstration. PATTERSON stated that nothing positive had come out of this demonstration whatsoever.

PATTERSON said that the Negro civil rights struggle should have unity of all of the different organizations at all costs. He said that this demonstration had been a big blow to the civil rights movement in New York City because it had shown the lack of unity between the organizations and the civil rights leaders.

PATTERSON stated that this demonstration is important enough to discuss at future meetings of the club. He said that

NY 100-7629

the club members should have a thorough understanding of the demonstration and the results of it.

PATTERSON stated that the growth of the Party or the Party's failure to grow will hinge on the unity that the Party may develop among the civil rights forces and their leaders; the unity between the Negro and the white; and the unity between the Negro civil rights organizations and the labor movement. PATTERSON stated that if the Party does not undertake this and succeed, it will be crucial.

PATTERSON stated that the Party has forces in the organizations such as the NAACP and CORE. He stated that these forces should speak up at meetings of these organizations and be critical of the leaders of these organizations.

PATTERSON stated that the NAACP in New York has about 22,000 members and CORE has thousands and wondered where all of these members were for the demonstration. PATTERSON stated that this demonstration had been sponsored by the NAACP and CORE and some of the unions and that they should have seen to it that it was a mass demonstration, which it was not.

On April 27, 1964, a meeting of the New York District CP Board was held at the Hotel Woodstock, New York, New York. At the meeting, WILLIAM L. PATTERSON reported on a meeting of a subcommittee of the National Negro Commission which took place on April 25, 1964. He reported that the main topic of the 25th meeting was the NAACP. PATTERSON said that it was reported a few comrades were frustrated with the NAACP and were ready to pull out of the NAACP. He said that it was mentioned

NY 100-7629

the NAACP never came out in full force in support of the March on Washington.

He stated that it appears now that new groups would be formed to carry on the many fronts necessary for a civil rights struggle but that there is needed a unity of all forces to present a united front of action. The new groups will also bring in new courses for action to advance the struggle. PATTERSON mentioned the stall-ins at the New York World's Fair as one of the new courses of action.

A meeting of the Miscellaneous Industrial Section of the CP was held under the name of the "Writers Club" at 40 East 7th Street, New York City, on May 13, 1964. At this meeting, JAMES TORMEY stated that "we" should concentrate in the NAACP and the Negro American Labor Council (NALC) because we have good contacts in these organizations, however, it is difficult to penetrate CORE or the Urban League because they have white leadership. TORMEY stated that we must concentrate our efforts in mass organization work and in our unions and even though our number is small, each of us at this meeting should be able to move thousands of people.

TORMEY mentioned that there is no need to create issues because big issues are in existence. These issues include civil rights, the war on poverty and the fight for a minimum wage of \$1.50 per hour, which must be waged by the unions.

Communists were eligible for Army commissions. This article contained a statement which had been circulated by the National Federation for Constitutional Liberties and which supported the commissioning of Communists and alleged Communists. Among the signers to this statement, according to "The Worker" article, was ARTHUR B. SPINGARN, President of the NAACP.

"The Worker" is an east coast Communist newspaper.

The National Federation for Constitutional Liberties has been designated pursuant to Executive Order 10450.

A name check of the indices and/or printed hearings of the House Committee on Un-American Activities on the names, ARTHUR B. SPINGARN and ARTHUR BARNETT SPINGARN, on April 21, 1958, by Special Employee FRANCIS E. LITTLE reflected the following reference which was not checked against the original source:

The pamphlet, "For a New Africa", Page 37, on April 14, 1944, lists one ARTHUR B. SPINGARN as a conference participant at the Council on African Affairs.

NY 100-7629

The Council on African Affairs has been designated pursuant to Executive Order 10450.

ALFRED BAKER LEWIS

The May 1, 1946 issue of the "New London Day", a daily newspaper, New London, Connecticut, reflected that ALFRED BAKER LEWIS was State Chairman of the Connecticut Citizens Political Action Committee as of that time.

The Connecticut Citizens Political Action Committee is characterized in the Appendix.

The May 26, 1946 issue of the "Bridgeport Herald", a daily newspaper, Bridgeport, Connecticut, reflected that ALFRED BAKER LEWIS of Greenwich, Connecticut, was elected Treasurer of the Connecticut Citizens Political Action Committee on May 25, 1946.

The September 9, 1949 issue of the "Hartford Times", a daily newspaper, Hartford, Connecticut, contained an article by ALFRED BAKER LEWIS which stated, --
"Those of us who are opposed to Communism should bend every

NY 100-7629

"effort to keep the Communists out in the open, not to suppress them by law or by force. They should be opposed politically, by showing how their support of truly liberal causes always harms such causes, and that their only real purpose is to advance the interests of Soviet Russia and defend her dictatorship and her acts of aggression. To try to suppress the Communists would merely drive them underground or into various camouflaged organizations and would harm, not help, the task of opposing their ideas."

Dr. HARRY J. GREENE

Dr. HARRY J. GREENE, as of December, 1947, was Vice - President of the Philadelphia Chapter of the National Negro Congress.

NY T-1
April 21, 1952

The National Negro Congress has been designated pursuant to Executive Order 10450.

Source furnished information reflecting that GREENE was a sponsor of the National Federation for Constitutional Liberties.

NY T-2
January 17, 1943

NY 100-7629

Dr. HARRY J. GREENE was present at a rally held at the Faith Hope Tabernacle Church, 1728 West Montgomery Avenue, Philadelphia, on February 12, 1956. According to the informant, the purpose of this rally was to aid indigent and oppressed Negroes in the South. Dr. GREENE, President of the Philadelphia Chapter of the NAACP, represented this organization and was the first speaker. GREENE devoted most of his time to a criticism of the Communist Party. He stated that the NAACP had led the fight against the Communist Party, both nationally and locally, and that they intended to continue this fight.

NY T-3
March 14, 1956

Dr. HARRY J. GREENE, who had been President of the Philadelphia Branch of the NAACP since 1951, will not seek re-election in 1960 due to ill health. Source said he considered GREENE to be a loyal American, who is dedicated to the cause of the advancement of the American Negro. He stated that GREENE is strongly anti-Communist, yet liberal in his outlook on social problems.

NY T-4
November 19, 1959

NY 100-7629

Judge THEODORE O. SPAULDING

Source furnished a letter which was sent out by the local chapter of the Civil Rights Congress (CRC), dated December 3, 1947, announcing a rally to be held on December 16, 1947. One of the sponsors listed on the letter was THEODORE SPAULDING.

NY T-5
December 15, 1947

CRC has been designated pursuant to Executive Order 10450.

On January 13, 1944, THEODORE SPAULDING was a spokesman for a group of NAACP officials who visited the Philadelphia Office of the Federal Bureau of Investigation for the purpose of seeking advice in dealing with a Communist element infiltrating into the Philadelphia NAACP and to go on record for the organization being opposed to such infiltration.

Source advised that he has been acquainted with SPAULDING for over twenty years and was well aware of his work in the NAACP through the years. SPAULDING was President

NY 100-7629

of the local chapter from about 1941 until about 1945 and performed an excellent job of leadership.

SPAULDING's character, reputation and loyalty to the United States were above reproach, and his work on behalf of both the community and the United States Government could never be questioned.

NY T-4
March 17, 1958

1964 Annual Report

"The Crisis" of February, 1965, contains the results of the annual meeting of the NAACP held at 20 West 40th Street, New York City, on January 4, 1965.

NAACP memberships for the year 1964, totaled 452,432, as of December 18, 1964. Included in the total are 360,500 branch memberships, 65,000 in college chapters and Youth Councils, 16,000 life members and subscribers, and nearly 11,000 memberships at large.

Chicago with 24,660 members is the country's largest NAACP branch followed by Detroit with 21,740. Other large branches include Cleveland, 17,001; Philadelphia, 12,500; Baltimore, 9,400; Washington, D.C., 9,065; Pittsburgh, 8,475;

NY 100-7629

New York (Upper Manhattan), 7,915; Brooklyn, 6,323; Memphis, 6,300; Cincinnati, 5,200; and St. Louis, 5,100.

The cutback in membership last year, much of it in the large cities, may be "accounted for by the fact that NAACP community leaders were involved in such major activities as lobbying for passage of the civil rights bill and in voter registration and get-out-the-vote campaigns".

Mr. ROY WILKINS, Executive Director, in his report to the Board of Directors, stated that the achievement above all others in 1964 was the enactment of the Civil Rights Act of 1964, and the development second in importance was the emergence of Negro American voters as a very significant force in the political affairs of the nation.

Among the items of highest priority in the NAACP Program for 1965 through 1968 will be the continuation of the voter registration. Mr. WILKINS further reported that in line with the convention resolutions, the NAACP in 1965 will continue efforts to make the Anti-Poverty Act meaningful for Negro citizens. The convention recognized that more than ever before the Association's program must be a varied and flexible one, not tied to the one method of demonstrations. The NAACP will help its branches to establish citizenship clinics in communities across the nation. With the help of the Civil Rights Act, the broad goal of these clinics will be the assumption of full citizenship responsibilities along with utilization of full citizenship rights.

COLORED PEOPLE

Character: INTERNAL SECURITY - C

Synopsis: The National Office of the National Association for the Advancement of Colored People continues to be located at 20 West 40th Street, NYC. Communist Party (CP) meetings held in April, 1965 for the purpose of discussing and influencing the National Convention of the NAACP held 6/28-7/3/65 at Denver, Colorado. In June, 1965, CLAUDE LIGHTFOOT, head of the National Negro Commission, CP, USA, stated he would attend NAACP Convention. LIGHTFOOT's attendance and activity at Convention set forth. At a meeting of the NY District Board, CP, USA held 8/2/65, NYC, CLAUDE LIGHTFOOT reported on the NAACP Convention. He considered the Convention disappointing because NAACP did not support a peace proposal and did not ask for withdrawal of American troops from Viet Nam. Officers of the NY area NAACP branches for the term 1965-1966 identified. Present or past CP members and individuals affiliated with the CP who are active in the NAACP branches identified.

Communist Party (CP) Attempts to Infiltrate

During April, 1965, a meeting was held between leading CP individuals in the Chicago area to discuss a forthcoming NAACP Convention scheduled to be held in Denver, Colorado in June, 1965. At this meeting it was stated that it was essential that Party activity in connection with this Convention must be directed to the area of voting rights and registration. It was further stated that in the South emphasis must be placed on greater voting registration and Negro representation, while in the North emphasis must be placed on increasing quality of Negro representation. It was also stated that it may not be necessary to introduce resolutions as such at this Convention; however, the Party must be alert to amend or institute discussion on ideas presented at this Convention which come within the framework of voting rights and registration.

NY T-1
April 21, 1965

NY 100-7629

During the latter part of April, 1965, a discussion was held between two Communist Party members who are active in the affairs of the NAACP concerning the forthcoming National Convention of the NAACP scheduled to be held in Denver, Colorado, in June, 1965. During this discussion it was stated a decision must be arrived upon concerning certain issues to be brought forth at the NAACP Convention. Among the issues discussed were the following:

1) The question of vote -- During the discussion, it was reiterated that the decision set down by leading Communist Party forces must be followed, namely, that there must be increased voter registration in the South and the Party must strive to improve the quality of representation in the North. It was stated that the National Office of the NAACP now appears to be ready to assert additional influence in the political action field; therefore, the Party forces at the Convention should explore the possibility of trying to commit the convention to a much broader policy for actively participating in election campaigns.

2) Foreign affairs -- a discussion was held on the current Viet Nam and African crises; however, it was decided that this problem must be set aside until it is determined what forces are available at the Convention and who would be in a position to submit such resolutions. It was felt that known Party forces at the Convention could not present such resolutions.

3) Domestic -- A discussion was held concerning the establishment of multiple branches of the NAACP throughout the United States. It was stated that this plan was tried in Texas and California and has been apparently successful. Also, it was learned that the Chicago NAACP is against this plan and hopes to present a resolution to reject this plan. If such a plan is passed,

NY 100-7629

the Chicago Branch would be broken down into five or six smaller branches. During this discussion, it was felt that should the multiple branch plan be accepted, it would bring about greater membership participation and in this way it was also felt that Party forces could function more effectively in multiple branches. It was, therefore, decided that all efforts should be made to back any resolution in favor of the multiple branch policy.

NY T-1
May 3, 1965

CLAUDE LIGHTFOOT, a leading functionary of the CP of Illinois; and head of the National Negro Commission, CP, USA, stated in June, 1965, that he would attend the National Convention of the NAACP to be held in Denver, Colorado, June 28, 1965 to July 3, 1965.

NY T-2
June 17, 1965

A meeting of top functionaries of the CP, USA was held in June, 1965 at CP Headquarters in New York City.

At the meeting CLAUDE LIGHTFOOT referred to the coming convention of the NAACP and stated that "we" must work to have a resolution put in that will allow "us" to work within that organization. As it now stands, he said that "we" can't work with them with the anti-communist resolution. This resolution must be repealed.

NY T-3
June 10, 1965

CLAUDE LIGHTFOOT was present at Denver, Colorado during the week of June 28 through July 3, 1965 at which time the National Convention of the NAACP was held.

NY 100-7629

LIGHTFOOT took with him from Chicago to Denver several hundred copies of "The Worker" and a number of pamphlets on colonialism. He later indicated these items were distributed by Denver CP people. He was able to obtain a press badge and was observed in and about the convention on several occasions.

"The Worker" is an East Coast Communist newspaper.

Prior to the Convention, LIGHTFOOT directed a CP of Illinois member, who is active in the affairs of the NAACP, to attend this convention. LIGHTFOOT suggested that they not set up a CP caucus in the true sense but he proposed to set up a group of several CP members and several persons progressive and/or sympathetic to the CP. This was done and this "group" met on three occasions during the convention. They discussed strategy in regard to defeating the Chicago Branch resolution to reject the plan of multiple branches; support for the Mississippi Democratic Freedom Party and, last, the injection of the peace issue. They were successful in the first two endeavors mainly through pressures exerted as individuals on various officers but were soundly beaten on the peace issue.

LIGHTFOOT met with various individuals from time to time to keep abreast of convention activities but did not participate as such in any discussions of the "group". He had private conversations with known CP members on several occasions.

NY T-1
July 5, 1965

NY 100-7629

On August 2, 1965, a CP, USA New York District Board meeting was held at 575 6th Avenue, Room 602, New York City. At the meeting CLAUDE LIGHTFOOT reported on the NAACP Convention and stated that this Convention of the NAACP, according to Party standards, was not as good as previous ones. LIGHTFOOT stated that the NAACP is dragging its feet in regards to the civil rights question. He stated that he was disappointed that the NAACP Convention did not support a peace proposal and did not ask for a withdrawal of American troops from Viet Nam. He stated that there was some red-baiting, in fact, more at this Convention than at other Conventions. that he had recently attended.

LIGHTFOOT stated that one of the good points in regards to the Convention was that the Party people were better organized this time than they had been before.

Communist Party (CP)
Attempts to Infiltrate

On October 9, 1965, a CP faction within the NAACP held a meeting at the Great Northern Hotel, New York City. The meeting was attended by both CP and non-CP members.

CLAUDE LIGHTFOOT, a leading functionary of the CP of Illinois, led the meeting and outlined the developments in the Civil Rights Movement, pointing out that the movement had been broken down into various stages, namely: 1. The Montgomery bus boycott; 2. Sit-ins by students; 3. Involvement of labor forces in the North; 4. The Birmingham phase which brought about larger demonstrations in the North; 5. The Watts phase which brought about a new era in the Civil Rights movement, wherein the spotlight for the first time has been placed on the economic plight of the Negroes. It is the first time an awareness of the economic nature of the Civil Rights movement has been instituted.

CLAUDE LIGHTFOOT also stated that it was now possible for the Party to influence the NAACP through direct pressure on the membership and to force the membership to become involved in various issues that are not projects of the NAACP as such, but are projects instituted by other Civil Rights organizations.

LIGHTFOOT went on to state that the object of this meeting was to map out a program for decisively influencing the NAACP in the future. He stated that it was no longer sufficient for the Party just to be in attendance at open NAACP affairs; it was now possible to influence the activities of the NAACP. LIGHTFOOT added that it was hoped that the Party could institute this influence in three directions:

NY 100-7629

1. Give leadership to economic problems and in this manner push the peace issue, noting that economic problems can only be solved through the expenditure of funds and these funds could be obtained by a reduction in war spending. It might also be suggested that there be a cut back in armaments and use these funds to alleviate economic problems.

2. Force the NAACP to become active in all Civil Rights struggles not just in those struggles which are initiated, organized, and run by the NAACP. The NAACP in the past has been hesitant to actively engage in Civil Rights struggles that are not initiated by the NAACP.

3. Attempt to get the NAACP more firmly involved in political activity.

LIGHTFOOT questioned the group whether they thought it would be feasible to develop a "left caucus" in various branches of the NAACP and the group felt that this was possible. It was stated that there were 13 branches of the NAACP in New York and possibly a "left caucus" could be developed within these branches. Also, it was stated that it might be possible to develop such a caucus within the Chicago NAACP. LIGHTFOOT stated that he felt he could develop such a caucus on the west coast, in Baltimore, and in Detroit. LIGHTFOOT mentioned to the group that he thought the group should again meet some time in the early part of 1966, in order that a planned program can be developed, in connection with the next NAACP National Convention, in order that the impact of the Party program might be felt at the next NAACP National Convention.

NY T-1
October 11, 1965

NY 100-7629

On January 22, 1966, per instructions of CLAUDE LIGHTFOOT, a CP faction within the NAACP, held a meeting at the Sheraton Cadillac Hotel, in Detroit, Michigan. Some of the individuals in attendance were not known as CP members. This meeting was held to discuss strategy and plans in connection with the forthcoming NAACP National Convention to be held sometime during the Summer of 1966. This meeting was quite informal and there was no prepared agenda.

Individuals in attendance at this meeting held discussions concerning the following matters:

1. Ways and means of developing a caucus that will be able to function at the forthcoming NAACP National Convention. In order to develop this caucus it was felt that the recently approved decentralization of some branches must be ironed out in order that all branches may become decentralized. It was felt that the CP would be able to function more efficiently under the decentralization plan. It was pointed out that while the Detroit Branch did not vote for decentralization it was felt that should there be changes effected in the structure of decentralization the Detroit Branch would go along with such a plan and in this way there would be unity throughout all NAACP branches.

2. Concerning the peace issue, it was stated that the Party could not approach this issue from a foreign policy aspect; however, this issue should be approached in relation to anti-poverty programs and educational programs pointing out the need for expenditure of additional funds for these purposes and withdraw funds earmarked for foreign policy to accomplish this.

NY 100-7629

3. Concerning the resolutions committees, it was also decided that where possible the Party should compromise and give up membership on other committees in order to obtain delegates on the resolutions committee. It was hoped to capture the four regional delegates to the resolutions committee in the Midwest area even if it meant losing membership in other committees.

It was also stated that every effort should be made to place acceptable members on the NAACP Board located in New York, since under New York laws the Board is solely responsible for running the organization.

It was also decided at this meeting that if possible all individuals present would attempt to attend similar meeting, tentatively scheduled for sometime in February, 1966, in New York City.

DETAILS:

This investigation is predicated upon information received that members of the Communist Party (CP) have infiltrated the captioned organization. Our investigation is directed solely toward establishing the extent and the result of this infiltration. The Federal Bureau of Investigation (FBI) is not investigating the legitimate activities of this organization. For the purpose of brevity, the National Association for the Advancement of Colored People will henceforth be referred to as the NAACP.

NATIONAL SECTION

Address

The current Manhattan Telephone Directory reflects that the address for the National Office of the NAACP continues to be 20 West 40th Street, New York City.

NAACP 57th Annual Convention
July 5 - 9, 1966 at Los Angeles, California

At the July 8, 1966, session of the Convention, a leaflet was read at the Convention, which had been distributed in Portland, Oregon, advising citizens to take up arms and defend themselves against police brutality. The leaflet was signed by the "Communist Party". At this point, CLAUDE LIGHTFOOT ran down the aisle to the microphone and identified himself as "an officer of the Communist Party and as such disclaimed any association with the handbill read".

NY T-1
July 28, 1966

A meeting of the Lorraine Hansberry Club, CP of Illinois, was held on July 19, 1966, in Chicago, Illinois. At this meeting, CLAUDE LIGHTFOOT, a leading functionary of the CP of Illinois, gave an analysis of the NAACP Convention. LIGHTFOOT stated that he felt the 1966 NAACP Convention reached an all-time low as far as the organization is concerned. What the leadership tried to do was to convince the participants that they should be a civil rights division of the JOHNSON

NY 100-7629

Administration. This Convention was tied hand and foot to the JOHNSON Administration. The NAACP leadership had the following objectives for the Convention:

1. Combat and attack the concept of black power
2. Divide the ranks of the Negro people
3. Throw fear in any white supporters who may be considering supporting the concept of black power

LIGHTFOOT concluded that it would be premature for the CP to abandon work in the NAACP in spite of the many problems that exist. He indicated that he had been to New York for a National Board meeting to report on the NAACP Convention. The Party's position on the topic black power is not to clash with those who advance the slogan; however, the Party does not agree with every action and concept advanced by those who advocate black power. The party will continue to work in all movements that are fighting for political representation for Negroes on the question of self defense and non-violence.

(Location, Membership, Income)

E. Power Struggle in NAACP
National Organization

This source furnished information on October 31, 1966, that there are some persons in the NAACP who want to direct the organization toward a more militant approach to the civil rights program. This movement has been brewing for several years and came into the open during the NAACP National Convention at Los Angeles, California, in July, 1966. However, resolutions leading to a change in NAACP policy were defeated in committee and never got to the floor.

NY T-3
October 31, 1966

Commenting on the recent New York State conference of NAACP held in Lido Beach, New York, in October, 1966, this source stated that the leadership of the New York State Conference tends to be of a somewhat dissident kind within the NAACP. The state leadership is interested in increasing its influence on the National Board in opposition to what they termed the "establishment." A group within the NAACP called the "Young Turks" aim to bring "new blood" into the national organization.

NY T-1
November 21, 1966

NY 100-7629

The "New York Times", October 24, 1966, Page 19, carried an article entitled "State NAACP Adopts Plan of Rebellious Youth Division." The article related that members of the NAACP Youth Division walked out of the New York State Convention of the NAACP chapters held October 23, 1966, at Lido Beach, New York. The 157 teenagers in the Youth Division returned later with a group of resolutions that were adopted by the delegates to the State Convention. Dr. EUGENE T. REED, State Chairman of the NAACP, said their resolutions were far superior to several general and vaguely worded resolutions submitted by adult-led committees. The Youth Division aimed at dealing "with the problems in the Ghetto and to make concrete suggestions for slum improvement now."

Concerning the January, 1967 elections on the National Board of the NAACP, the "conservative element" was victorious over the younger "progressive element."

II. EXTENT OF COMMUNIST PARTY
INFLUENCE IN NAACP

A. Assessment of Communist Party
Policy Regarding NAACP

The Communist Party, United States of America (CP, USA), has always been interested in attempting to get connected with movements or groups with the aid of entrenching its own leadership and drawing on that movement for members to join the CP. It is especially interested in the militant type of groups and considers these elements as already quite advanced ideologically in terms of recognizing the need for militant action. The CP favors the growth and expansion of groups who oppose United States intervention in Vietnam and whose policies generally are opposed to the JOHNSON administration.

At the same time, the CP moves as carefully as possible in order not to antagonize the moderate section of civil rights movement such as the NAACP.

NY T-7
November 23, 1966

During mid July, 1966, CLAUDE LIGHTFOOT*, Chairman of the Illinois District CP, referring to the NAACP National Convention held in Los Angeles, California, in July, 1966, said that in his judgment the NAACP reached an "all time low" for the NAACP. LIGHTFOOT, however, stated at that time that it would be premature for the CP to abandon work in the NAACP in spite of the many problems that existed.

B. Assessment of NAACP Policy
Regarding Communist Party

NY T-2 made available on June 21, 1966, a pamphlet entitled, 'NAACP, An American Organization'. The following quotation is set forth on the back of the cover page of this pamphlet:

"As in the past, the Association will employ every reasonable measure in keeping with democratic organizational principles to prevent the endorsers, the supporters and defenders of the Communist conspiracy from joining or participating in any way in the work of the NAACP.

"Resolutions, 47th Annual
NAACP Convention
San Francisco, June 26, 1956"

The pamphlet deals with a reputation of charges that the NAACP is "Communist dominated" or "subversive". It sets forth the following arguments against any allegation of CP influence or control in the NAACP:

"The NAACP position on the Communist Party is clear and unequivocal:

"1. The NAACP is not, and never has been, listed as subversive by any Federal official or agency.

"2. The NAACP was established and its basic anti-segregation program formulated before the Communist Party of the U.S.A. was organized.

"3. The NAACP is not now, and never has been, in any measure dominated by the Communist party.

NY 100-7629

VJA:mav

4. The NAACP has a long record of fighting the Communist party.

"5. The NAACP has firmly and consistently turned back efforts of the Communists to infiltrate the organization.

"6. The NAACP has, from its beginning, enjoyed the support of eminent Americans of both races and all faiths.

"7. The NAACP's Americanism has been recognized by the nation's press.

"8. The NAACP is a thoroughly American organization.

"9. The NAACP makes no concession either to the Left or the Right".

The following is excerpted from Pages 8 and 12 of the above pamphlet:

"Because the Communists have periodically tried to penetrate and capture the NAACP, the Association's annual convention in Boston, June, 1950, passed a resolution 'directing and instructing the Board of Directors to take the necessary action to eradicate such infiltration and, if necessary, to suspend and reorganize, or lift the charter and expel any unit, which, in the judgment of the Board of Directors, upon a basis of finding of the aforementioned investigation and study of local units, comes under Communist or other political control and action'.

"The business of the NAACP is to work for civil rights, for the elimination of racial barriers, for an America with full equality for all its citizens. It was founded for, and has adhered to, this high purpose. The association does not propose to be

"diverted from this goal by the enemies of our country, either of the Left or the Right. The Association will not be intimidated by the threats and smears of the white supremacy cabal. Nor will it let down the bars against the red conspiracy. The Association will continue to operate as an American organization."

This source, an official of the NAACP National Office advised on November 21, 1966, that he knows of no CP members operating within the NAACP; furthermore, the CP exercises no influence or control in the policy and direction of the NAACP.

NY T-1
November 21, 1966

Lieutenant JOSEPH LANE, Long Beach Police Department, Long Beach, New York, advised January 23, 1967, that he was not aware of any information indicating CP activities or sympathies on the part of any officers or members of the Long Beach Branch, NAACP.

NY T-6 advised January 18, 1967, that he was acquainted with most of the current officers of the New Rochelle Chapter, NAACP. He stated that the majority of the current officers and Committee Chairmen of the New Rochelle Chapter are "conservative, reliable individuals". NY T-6 knew of no attempts on the part of the CP to penetrate the New Rochelle Branch, NAACP.

NY T-5 advised March 6, 1967, that he had no knowledge of any CP membership or CP sympathies on the part of any officers or members of the Spring Valley Chapter, NAACP.

5.

NY T-4 advised March 6, 1967, that to her knowledge, none of the current officers or members of the Staten Island Chapter, NAACP, are affiliated with the CP or have any sympathy for Communism. According to this source the NAACP continues to be alert for any CP influence and, if discovered, would take immediate action to drop such person from membership.

Other security and racial informants of the New York Office, Federal Bureau of Investigation (FBI) contacted in November and December, 1966, advised that they had no evidence to report of successful CP penetration of the NAACP, either on the National or Branch level.

C. NAACP Policy Concerning United States Intervention in Vietnam

The 'New York Times', April 11, 1967, Pages 1, and 17, carried an article entitled, "N.A.A.C.P. Decries Stand of Dr. King on Vietnam".

The following is excerpted from the above article:

"The directors of the National Association for the Advancement of Colored People voted unanimously yesterday against the proposal by the Rev. Dr. Martin Luther King Jr. to merge the civil rights and peace movements.

"The 60-member board called Dr. King's plan 'a serious tactical mistake.' In a resolution adopted at its quarterly meeting here, the board said the effort to fuse the two movements 'will serve the cause neither of civil rights nor of peace.'

"Civil rights battles will have to be fought and won on their own merits, irrespective of the state of war or peace in the world.

"We are not a peace organization nor a foreign policy association. We are a civil rights organization. The N.A.A.C.P. remains committed to its primary goal of eliminating all forms of racial discrimination and achieving equal rights and equal opportunities for all Americans."

This column discusses the unsuccessful efforts by Fair Employment Practices Committee (FEPC) partisans to get FEPC legislation through the Michigan legislature. It stated in part that "To a degree, the FEPC situation in Michigan is similar to the problem facing progressives throughout the country. One group wants to work with Communists. Another cannot. I belong to the latter. The CP has messed up enough situations. They are not interested in a solution to the problem of discrimination. They love confusion".

"The Jewish Fraternalist" dated October, 1947, self-identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20, and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 4, 1966, a source advised that the ELF is one of the several mass organizations comprising the Jewish cultural progressive movement. It was stated that the central purpose of "Freedomways" is to develop a theory and positive criticism of currents in the Negro Movement, as well as to raise the level of understanding and discussion taking place in Negro life today and to project a socialist and pro-Soviet orientation.

On May 25, 1961, a second source advised that "Freedomways" was set up for the CPUSA by JAMES JACKSON.

The Second Quarter, 1966, issue of "Freedomways," self-described as "A Quarterly Review of the Negro Freedom Movement" published by Freedomways Associates, Incorporated, 799 Broadway, New York City, lists the following as its editorial staff:

A source who has furnished reliable information in the past on August 1, 1958, stated that as a result of the split in the Johnson Forest Group (JFG), which occurred in 1955, two factions emerged, the Johnson Faction and the Forest Faction. According to the source, the Johnson Faction was composed of the followers of C. L. R. JAMES, also known as James Johnson, and the Forest Faction was composed of the followers of RAE DWYER, also known as Freddie Forest. The co-founders of the JFG were C. L. R. JAMES, also known as Johnson, who was deported from the United States as an undesirable alien in 1953, and RAE DWYER, known as Forest.

The JFG has been designated pursuant to Executive Order 10450.

A second source who has furnished reliable information in the past, advised on November 26, 1962, that subsequent to the split in the JFG, the Johnson Faction took the name Correspondence Group, which continued until February, 1962, when this group again split with the majority aligning themselves with JAMES behind the leadership of MARTIN GLABERMAN of Detroit, Michigan, and the minority group aligning themselves behind the leadership of JAMES BOSGS.

On February 18, 1965, this source advised that on February 8, 1965, he had learned that the Correspondence Group, whose national Chairman was JAMES BOSGS, has ceased operations completely and no longer maintains headquarters at 7737 Mack, Detroit.

This source reported on July 18, 1962, that the majority of individuals under leadership of MARTIN GLABERMAN at Detroit, Michigan, who formerly belonged to the Correspondence Group there had taken the name Facing Reality Publishing Company or Committee, while the three

former members of the Group at New York had met informally in support of the Detroit group, which had issued neither directions nor instructions. The New York Group has no officers or headquarters.

On March 7, 1963, the same source advised that the Facing Reality Publishing Company or Committee seeks to create a Marxist society based on the dialectical concepts of Marxism-Leninism as interpreted by C. L. R. JAMES, establishing government by a Marxist political party. The prime movement in securing the support of the people is considered to be used by the workers in their daily fight against capitalism. This group rejects the vanguard party concept of Marxism and has established the theory that trade unions keep the workers under subjugation by preventing their channeling of their own efforts to take over the means of production and through this to in turn take over governmental processes. This group rejects all present forms of governments, except those new nationalist governments, as capitalists, or in the case of Russia, State Capitalist.

On May 4, 1965, the same source advised that the Facing Reality Publishing Committee continues to meet at 3513 Woodward Avenue, Detroit, Michigan.

"Jewish Life" for October, 1957, announced that after the October issue, and with the next issue to be published in January, 1958, the magazine was changing its name to "Jewish Currents," because of the claim to the name "Jewish Life" by the magazine "Orthodox Jewish Life."

APPENDIXWORLD FEDERATION OF DEMOCRATIC YOUTH

The "Guide to Subversive Organizations and Publications", revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the WORLD FEDERATION OF DEMOCRATIC YOUTH:

1. "The AYD (American Youth for Democracy) is affiliated with the World Federation of Democratic Youth, which was founded in London in November 1945 by delegates from over 50 nations. From the outset the World Federation of Democratic Youth demonstrated that it was far more interested in serving as a pressure group in behalf of Soviet foreign policy than it was in the specific problems of international youth. So strong was the Communist domination at the London conference that it aroused the deepest concern of the English bishops." Also cited as one of the "long established Soviet-controlled international organizations" which "speak identical lines of propaganda and stand together on all phases of Soviet foreign policy" and which has "affiliated organizations in the United States, which consequently have also been turned into instruments in the 'peace' campaign."

(Committee on Un-American Activities, House Report 271 on the American Youth for Democracy, April 17, 1947, pp. 12 and 13; and House Report 378 on the Communist 'Peace' Offensive, April 25, 1951, originally released April 1, 1951, p. 77)

Bulet to NY, dated 2/10/54, (NY 100-7629-945, Volume 9) (BU 61-3176) reflects that there were some instances reported that the CP was meeting with some success in its effort to infiltrate the NAACP, which success was confined to local chapters. This letter instructed all offices that sources be contacted to determine any infiltration of this organization and in the event such existed, an investigation should be undertaken. This letter reflects the Bureau was not investigating the NAACP, a legitimate organization, but only the Communist infiltration of same and that care should be taken to distinguish

between the legitimate activities and those espousing the CP line.

The above letter further pointed out that where evidence of local infiltration was developed, the case should remain in a pending status. In the event no evidence of infiltration was developed, a letter so advising would be sufficient, however, the offices should remain alert for subsequent information. The letter stated that the matter should be followed and the Bureau and NYO advised every six months by report or letter as to the situation. In the interim, any pertinent information received or developed should be furnished the Bureau and NYO.

This letter further instructed the NYO that after the initial 60 day period, the NYO should prepare a report setting forth a summary of all pertinent information reflecting the CP infiltration of the NAACP on a nation-wide basis, which procedure was to be followed every six months, on October 15 and April 15.

It is noted that the past history of the CP, USA, demonstrates that once the party has selected a target for infiltration in an attempt to influence policy, it has rarely been able to accomplish its objectives with any degree of subtlety.

Extensive investigation has been conducted by the NYO since 1954, on the basis of Communist infiltration into the NAACP, and to date a review of this case file in the NYO and of the reports submitted from other field offices to the NYO, reflects that over the years the success achieved by the CP in infiltrating the NAACP is almost non-existent in that it is weak and ineffective, and no known CP influence is in evidence. There has been no evidence reported to indicate that the CP dominates, controls or has infiltrated the NAACP to an extent where they are promulgating policy, and in addition thereto,

- B -
(COVER PAGE)

NY 100-7629

there is no evidence or indication wherein the CP, USA, exerts any influence in any branches of the NAACP. There are no known CP members in a policy-making position in the NAACP. The NYO sources could adequately alert the NYO should the CP, in the future, attempt to utilize its members to infiltrate the NAACP, at which time the Bureau would be advised immediately. Accordingly, this case is being placed in a closed status in the NYO and hereafter, any information developed and pertinent to Communist infiltration of the NAACP will be followed under the individual case caption of that particular individual and in addition thereto, will be followed in the case entitled "Communist Influence in Racial Matters; IS-C" (BU 100-442529) (NY 100-153735), UACB.

Bureau authority was received in July, 1967, to confidentially and orally alert Dr. JOHN A. MORSELL, Assistant Executive Director, NAACP, of the CP attempt to formulate plans in connection with getting the NAACP involved in anti-Vietnam activity, at the NAACP National Convention to be held in Boston during July, 1967. This information was orally furnished Dr. MORSELL on 7/5/67, by SA VINCENT J. ASCHERL, at which time Dr. MORSELL was cautioned that the source of this information was not to be divulged to anyone and that the information was to be utilized in a discreet and circumspect manner so that the FBI would not be identified as the source of the information.

✓ A characterization of the CCPAC has been set forth in the Appendix Section of this report.

The May 26, 1946, issue of the "Bridgeport Herald," a daily newspaper of Bridgeport, Connecticut, reflected that ALFRED BAKER LEWIS of Greenwich, Connecticut, was elected Treasurer of the CCPAC on May 25, 1946.

The September 9, 1949, issue of the "Hartford Times," a daily newspaper of Hartford, Connecticut, contained an article by ALFRED BAKER LEWIS which stated "Those of us who are opposed to Communism should bend every effort to keep the Communists out in the open, not to suppress them by law or by force. They should be opposed politically, by showing how their support of truly liberal causes always harms

NY 100-7629

"such causes, and that their only real purpose is to advance the interests of Soviet Russia and defend her dictatorship and her acts of aggression. To try to suppress the Communists would merely drive them underground or into various camouflaged organizations and would harm, not help, the task of opposing their ideas."

Doctor HARRY J. GREENE

Doctor HARRY J. GREENE, as of December, 1947, was Vice President of the Philadelphia Chapter of the National Negro Congress (NNC).

NY T-2
April 21, 1952

Doctor GREENE, President of the Philadelphia Chapter of the NAACP, represented this organization and was the first speaker. GREENE devoted most of his time to a criticism of the CP. He stated that the NAACP had led the fight against the CP both nationally and locally and that they intended to continue this fight.

NY T-3
March 14, 1956

Doctor HARRY J. GREENE, who had been President of the Philadelphia Branch of the NAACP since 1951, was considered to be a loyal American, who is dedicated

Among the signers to this statement, according to "The Worker" article, was ARTHUR B. SPINGARN, President of the NAACP.

PICKETING OF NAACP NATIONAL CONVENTION

As a result of a late afternoon news broadcast on July 11, 1967, that President JOHNSON was scheduled to arrive at Boston at 6:00 p.m., that date, to speak before the National Convention of the NAACP, a picket line organized by the Young Socialist Alliance (YSA) of Boston and the Socialist Workers Party (SWP), Boston elements under the name "Greater Boston Spring Mobilization Committee" began to picket the convention on the sidewalk in front of the War Memorial Auditorium at about 6:00 p.m. with approximately 150 participants. Some of the signs carried read "Hell No! We Won't Go;" "Get Troops Out of Vietnam;" "Resist the Draft;" "Bring Troops Home Now." The group marched until shortly after 8:00 p.m., by which time the number of participants had doubled. At the same time, and while the foregoing was taking place, another picket line began across the street from the auditorium. This latter group, which carried signs calling for peace in Vietnam, dispersed at about 7:30 p.m. with many joining the former picket line in front of the auditorium. Order was maintained by the Boston Police Department and no incidents took place.

DANIEL BOONE SCHIRMER was indicted under the Smith Act of 1940 on May 29, 1956, and this indictment was dismissed on November 8, 1957.

X CHARLES PIPER, 20 Kernwood Avenue, Beverly, Massachusetts, a former member of the CP, USA, New England District, who regularly furnished information to the FBI from 1953 through 1964, advised on October 17, 1960, that DANIEL BOONE SCHIRMER was a former leader of the CP, USA, New England District, and attended a meeting of the District Committee, CP, USA, New England District, held on October 16, 1960, at Chelsea, Massachusetts.

The "Boston Globe," a daily newspaper of Boston, Massachusetts, in its issue of July 14, 1967, on page 1, contained an article captioned "NAACP Reformers Endorse WILKINS." The article in part stated that ROY WILKINS had suspended CECIL B. MOORE as President of the NAACP's North Philadelphia, Pennsylvania, Branch, pending a review of charges against MOORE. MOORE had been charged with being guilty of "Conduct not in accordance with the aims, principles and purposes of the NAACP" by some members.

X STANLEY BRANCHE, Chairman for Freedom Now (CFEN), Chester, Pennsylvania, and close confidante of CECIL B. MOORE, President, North Philadelphia Branch of the NAACP, was going to Boston on July 12, 1967, to demonstrate and in some way embarrass ROY WILKINS, National NAACP figure who was present at the 58th National Convention of the NAACP at the War Memorial Auditorium, Boston.

On July 13, 1967, the Boston Police Department advised that approximately 35 pickets, including STANLEY BRANCHE and CECIL B. MOORE, were demonstrating in front of the NAACP Convention at the War Memorial Auditorium, Boston. It was advised that these pickets came from Philadelphia, Pennsylvania, in a bus and that another bus load of pickets from Philadelphia was to follow. They picketed from 2:00 p.m. to 3:00 p.m., and again from 6:30 p.m. to about 9:00 p.m., without any incidents. The pickets carried signs to embarrass ROY WILKINS.

III. EXTENT OF COMMUNIST PARTY (CP)
INFLUENCE IN THE NAACP

The CP, USA, cannot infiltrate the NAACP as far as a policy-making position is concerned, due to the complex democratic structure of the NAACP. The CP may have, at one time, attempted to infiltrate the NAACP, but at this time does not have a chance to infiltrate any policy-making position, inasmuch as anyone with any indication of sympathy toward the CP or one who follows the CP line, is stopped at the branch level, thus preventing any CP member or sympathizer to gain a policy-making position. Due to the NAACP structure, infiltration of the NAACP is not possible, and any attempts of that nature, over the years, have been stopped in the early stages.

The NAACP holds annual conventions which are open to the public, and although observers may attend the convention, observers do not and cannot present resolutions to the convention. The only resolutions presented, are those made up by the Resolutions Committee at their own private meeting, which is held separately at the time of the convention. The Resolutions Committee is a body of 35 individuals selected by the delegates to the convention, and they are identified at the convention by badges, and are well known to one another. In the event a delegate attempted to obtain a fraudulent badge, it would only be a matter of minutes before the impersonator were discovered.

NY 100-7629

With regard to the delegates elected from the seven geographical sections of the country, there are approximately 1500 delegates chosen from the numerous chapters of the NAACP, within the geographical sections. Each chapter, according to its size, elects its respective number of delegates to attend the convention. Each delegate is chosen on the basis of his long tedious work performed in that respective chapter, and in all cases the delegate is well known within the chapter for the type of work he has performed. If for any reason the individual does not conform to the policy of the NAACP at that level, he is soon discovered and in a short time is relieved of his membership in that chapter. The delegate, consequently, is one chosen who would best represent that chapter, and in numerous instances, has been the same delegate chosen year after year. The delegate is an individual who performs years of work within the chapter, is never one who has just joined a chapter, and the duties he performed according to NAACP policy, are checked long before he would be nominated and voted as a delegate.

Once the delegate is elected to attend the convention, he is considered one of about 1500 delegates. At the convention, the delegates themselves vote among themselves and elect 35 of their delegates to the Resolutions Committee. If by chance one of the delegates were not screened at the chapter level, he would certainly be screened at the National Convention long before he could become one of the 35 delegates to the Resolutions Committee. When on the Resolutions Committee, any policy presented which does not conform to the NAACP policy, or if by some reason one of the delegates presents a resolution at that level, which conforms to the CP line, he is immediately questioned at the Committee level, prior to bringing the resolution before the National Convention. In the past, there have been individuals who were elected as delegates who advocated some type of militancy, but were soon discovered and eased out of the organization, long before they ever could become a member of the Resolutions Committee.

NY 100-7529

Once the Resolutions Committee votes, agrees, and presents a resolution before the National Convention, observers who are not members of the NAACP may ask questions. This questioning does not in any way dictate policy, because even if the Resolutions Committee votes and agrees to present a particular resolution, the final approval rests with the Board of Directors of the NAACP. The Board of Directors can easily disapprove any resolution at that level. Any policy of the NAACP rests with the Board of Directors of the NAACP. The Board of Directors of the NAACP meets four times a year, and the Executive Committee of the NAACP meets monthly. The Executive Committee is composed of top functionaries of the NAACP who are the top echelon from the various districts of the United States. The Executive Committee reports to the Board of Directors, consequently anyone on the Executive Committee is one of long outstanding leadership in the NAACP, who has come up through the ranks after numerous years of devoted service and one who is well known among his associates for the duties performed. The Executive Committee seldom changes from year to year, with the exception of ill health or death, at which time a replacement is chosen based on his years of service, devotion, and his notoriety, in the respective area where he resides. Members of the Executive Committee are screened by the Board of Directors of the NAACP, long before they are approved and appointed.

The NAACP carefully notes, through their own means, the latest line dictated by the CP, and if for any reason suspects an individual of following their line or being sympathetic toward the CP, he is carefully eased out of the NAACP and his membership therein is cancelled.

There is no CP influence in the NAACP and the CP has no possible means of infiltrating the NAACP in any policy-making position whatsoever.

Doctor H. CLAUDE HUDSON, Dentist, 4266 South Central Avenue, Los Angeles, California, who is a member of the National Board of Directors of the NAACP, and a past President of the Los Angeles Branch of the NAACP, advised on October 12, 1965, that at the National Convention of the NAACP held in 1950, Boston, Massachusetts, a resolution was adopted giving the National Executive Board of the NAACP the authority to cancel the charter of any branch of the NAACP that might be found to be communist dominated or influenced. This would preclude a CP member from holding office in the NAACP or being a member of the NAACP if his CP membership were known or could be established. This resolution continued to be in effect.

The above resolution adopted by the National Executive Board of the NAACP is still in effect.

A. NEW YORK BRANCHES OF NAACP

Numerous informants, all of whom are familiar with some NAACP activity and CP policy and activity in the New York area, were contacted during October, 1967, at which time they advised that they knew of no CP infiltration into the NAACP, that they knew of no CP members who are in either a leadership capacity or in a policy-making position in the NAACP, that they knew of no CP domination of the NAACP and knew of no policy on the part of the CP to infiltrate the NAACP in order to dictate policy.

LESTER DAVIS, BRENETTA HOWELL and EARL DURHAM, all of whom are current CP members, are members of the NAACP. From instant report and from prior reports, the ELF has been an organization fighting for civil rights, against all forms of discrimination and dedicated to peace. It is one of several Jewish organizations, composed of elderly Jewish women, who support and are supported by the "Morning Freiheit", a Yiddish language communist newspaper. Its Editor, PAUL NOVICK, has been expelled from the CPUSA for bourgeois nationalism; for supporting Israel in the Arab-Israeli dispute; and for criticizing Soviet anti-Semitism.

UACB, the NYO will close this case within the next six months should the activities of subject organization continue to be insignificant as it has for the past few years.

The JDL, organized in 1968, is composed, for the most part, of young Jewish activists who consider themselves to be defenders of "Jewish rights". Demonstrations attempting to dramatize the Jewish problem in Russia and similar demonstrations against Arab establishments in the United States have often resulted in violence. Rabbi MEIR D. KAHANE, founder and National Director of the JDL, has publicly stated on many occasions that violence is sometimes necessary to accomplish the objectives of the JDL.

The Jewish Cultural Clubs and Societies is the successor to the lodges of the dissolved Jewish People's Fraternal Order, designated pursuant to Executive Order 10450. It aims to continue the cultural, fraternal and civic activities of these former lodges.

In addition to the above, the magazine "Jewish Currents" reported that Mrs. LEAH NELSON, President of the ELF, pointed out: "This year marks the 70th anniversary of the unveiling of the bronze tablet at the base of the Statue of Liberty on which is inscribed 'The New Colossus'".

The ELF announced that it had nominated the American Jewish poet, EMMA LAZARUS, (1849-1887) for election in 1973, to the Hall of Fame for Great Americans located in NY University.

The organization pointed out that EMMA LAZARUS was an outstanding leader in the struggle for human rights and believed deeply in justice, freedom and equality for all. In addition, she was conscious of the status of women and had the will and the courage to speak out and expose the "veil and screen" that robbed women of their basic rights.

The ELF held its annual concert on Sunday, March 25, 1973, at the Statler Hilton Hotel, NY, NY. ROSE RAYNES, Executive Director of the ELF, was the Chairlady. The concert was a tribute to ERNESTINE ROSE, who was described as an early Jewish fighter for the rights of women. She died in 1892.

The affair was mainly a concert which included songs and short skits. It included a guest speaker, the newly elected Congresswoman from Brooklyn, NY, ELIZABETH HOLTZMAN. She spoke on the Vietnam War, the high price of food and about ERNESTINE ROSE. She praised ERNESTINE ROSE, describing her as one of the first fighters for the rights of women.

ROSE RAYNES announced that the women should support the march on April 7, 1973, starting at Herald Square, NY, NY, to protest the high meat prices.

III. GENERAL ACTIVITIES

The "Daily World" reported the ELF urged all its members to assemble on November 6, 1971, at 11:00 a.m., at 59th Street and Sixth Avenue, New York, New York, where the ELF was scheduled to join the women's contingent of a mass march and rally, as part of a nationwide protest for peace.

The "Daily World" is an east coast communist newspaper.

NY 100-104142

The Political Committee, CPUSA, in a letter dated October 20, 1971, addressed to "All Districts and National Committee Members", stated it had established a sub-committee to discuss with PAUL NOVICK, Editor of the "Morning Freiheit", the question of his Party status. The charges against NOVICK included his position that the 1967 Arab-Israeli war was a war of self-defense on Israel's part; in his attitude toward the Soviet Union, particularly with regard to the Jewish question, he has increasingly departed from the position of the Party so that his nationalism has led him into an increasingly anti-Soviet path; his opportunist capitulation to the pressures of Jewish nationalism and Zionism has led him to depart more and more from a Marxist-Leninist position and to move in the direction of Jewish nationalism.

NOVICK's answers to these charges included the following:

"May I remind you that our Jewish mass organizations, such as the ELF, embrace a mass movement reaching into scores of thousands of members, followers, participants in celebrations, concerts. Many of these are mobilized for May Day demonstrations, Soviet celebrations, as well as for Party activities for the "Daily World". To shatter or destroy this force would only benefit the reactionaries, the racists, the anti-Sovieteers, etc. What damage this would cause the general progressive movement can easily be imagined..."

NY T-1
October 28, 1971

PAUL NOVICK, who was on the National Committee, CPUSA, was not elected to the new National Committee on May 3, 1969, at the National Convention of the CPUSA, held in New York, New York.

NY T-4
May 6, 1969

The "Morning Freiheit" is a Yiddish language communist newspaper.

NY 100-104142

The ELF and the Jewish Cultural Clubs and Societies issued a statement condemning the attacks on low-rent housing for the poor and senior citizens of Forest Hills, Queens, New York.

The statement called upon the residents of Forest Hills to withdraw their opposition to the building of low-rent housing project or "face the ignominy of acting as racists, despite claims to the contrary by the leadership".

"Morning Freiheit"
December 12, 1971
Page 16, Columns 3-4

The Jewish Cultural Clubs and Societies is the successor to the lodges of the dissolved Jewish People's Fraternal Order, designated pursuant to Executive Order 10450. It aims to continue the cultural, fraternal and civic activities of the former lodges.

Concerning the attempt to expel PAUL NOVICK, which was discussed only at the National Committee meeting of the CPUSA and did not come up at the 20th National Convention, there seemed to be an atmosphere of pacification toward NOVICK by HYMAN LUMER, ALEX KOLKIN and JACK KLING, members of the National Committee, CPUSA.

At the National Committee meeting, it was recommended that NOVICK be suspended and after six months, if he has not modified his views and aligned them more with CP policies and to carry out the decisions of the current National Convention, the suspension will automatically become an expulsion.

NY 100-140142

The former hard line attitude of the Party toward NOVICK was undoubtedly influenced by a pro-NOVICK letter from four prominent left-wing progressives in Party Jewish work. Among these four was LEAH NELSON. These four represent the total leadership of the leftist progressive Jewish mass organizations in the United States. In their letter, they said NOVICK's views are the views of each of them. This letter undoubtedly restrained the Party leadership in the NOVICK matter.

NY T-5
February 24-25, 1972

On March 1, 1972, a public rally was held in the Marc Ballroom, 27 Union Square West, New York, New York, to protest the terror activities of the Jewish Defense League (JDL). The rally was sponsored by the American Association to Combat Fascism, Racism and anti-Semitism. It was stated that the rally was endorsed by the ELF along with other organizations.

NY T-6
March 2, 1972

The JDL, founded in 1968, is composed primarily of young Jewish militants who consider themselves as defenders of "Jewish Rights". Demonstrations attempting to dramatize the Jewish problem in Russia, and similar demonstrations against Arab establishments have often resulted in violence. Rabbi MEIR KAHANE, founder and National Director, has stated publicly on many occasions that violence is sometimes necessary to accomplish the aims of the JDL.

The "Morning Freiheit" published a speech delivered by its Editor, PAUL NOVICK, at a "Morning Freiheit" Conference held on February 27, 1971, at the Hotel New Yorker, New York, New York. Speaking of the importance of recruiting readers for the newspaper, NOVICK said, in part:

"After all, the 'Morning Freiheit' is a mobilizer and organizer! It reflects the activities of the people's organizations. Yes it is the dynamo of these organizations. Greater readership of the 'Morning Freiheit' means greater membership for the Jewish Cultural Clubs and Societies, for the Emma Lazarus Federation of Jewish Women's Clubs, for the Yiddisher Kultur Farband. The affairs run by all these organizations would not be possible without the 'Morning Freiheit'. A reader of this newspaper is informed about all these activities, is capable of being a factor in the Jewish progressive movement, and in the Jewish community as a whole".

She quoted EMMA LAZARUS "We are not free until all of us are free". She emphasized that "we are not free when a black, courageous woman, ANGELA DAVIS, is in jail. The current Manhattan Telephone Directory reflects that the address for the NAACP continues to be 20 West 40th Street, New York City.

NAACP Annual Report

"The New York Amsterdam News" a Negro weekly newspaper, issue of January 9, 1960, contained an article entitled "Dr Tobias Steps Down At NAACP".

NY 100-7629

The article in part reads as follows:

"Dr. ROBERT C. WEAVER, 52 year-old Harvard - trained economist and currently a consultant with the Ford Foundation was unanimously elected chairman of the board of directors of the NAACP Monday succeeding Dr. CHANNING H. TOBIAS, who resigned 'to make way for a younger man'. Dr. TOBIAS is 77.

"Election of the liberal thinking Dr. WEAVER, former vice-chairman of the national board, high lighted the NAACP's 50th annual meeting and board session at the Association's headquarters at 20 West 40th Street.

"Board chairman for the past seven years, when he succeeded the late Dr. LOUIS T. WRIGHT, Dr. TOBIAS submitted his resignation in a letter to the board on December 31, although it had been hinted since last summer, following the annual convention here.

"At the time, Dr. WEAVER had delivered Dr. TOBIAS' annual message because of his illness.

"WEAVER, a former State Rent Administrator and one-time 'Black Cabinet' member under the Roosevelt administration, is a staunch Democrat and one of four Negroes on the Advisory Committee to the party's National Advisory Council.

"He becomes the sixth national board chairman in the NAACP's 50 year history, following OSWALD GARRISON VILLARD, MARY WHITE OVINGTON, J. E. SPINGARN, Dr. WRIGHT, and Dr. TOBIAS.-----

NY 100-7629

"GLOSTER CURRENT, NAACP membership director, noted that the NAACP ended the year with 333,923 members, an increase of 9½ percent over the previous year, despite continued attempts to cripple the organization.

"The year 1959, however, was a costly one for the NAACP, ALFRED BAKER LEWIS, treasurer, noted. He reported that it had a net operating loss in 1959, of \$169,000.

"Other officers elected by the board of directors included ARTHUR SPINGARN, reelected president; Bishop G. STEPHEN SPOOTSWOOD of Washington, D. C., vice chairman, succeeding Dr. WEAVER; Mr. LEWIS, reelected treasurer; and Dr. HARRY J. GREENE, assistant treasurer, succeeding Judge THEODORE SPAULDING.

"Fifteen persons were reelected to the 48-member national board, with one new person, JAMES STEWART, of Oklahoma City, elected to succeed ROSCOE DUNJEE, also of Oklahoma City, who retired."

NAACP National Convention

The NAACP National Convention was held in New York City, from July 13-19, 1959.

CP Efforts to Infiltrate NAACP Convention

On July 15, 1959, NY T-1 advised that a meeting of CP members was held on July 10, 1959, to discuss CP strategy in connection with efforts to influence the NAACP Convention. Those present at the meeting were:

NY 100-7629

~~PAUL SCHWARTZ~~, Section Organizer, Railroad Section, New York Communist Party; ~~BARNEY WALLACE~~, member of the Railroad Section and delegate from the Jersey City, New Jersey chapter of the NAACP to the National Convention of the NAACP; ~~BILL SCOTT~~, member of the Railroad Section New York Communist Party and NAACP delegate from his local chapter in New York to the NAACP Convention; and ~~PETTIS PERRY~~, of the National Office of the CP.

The items discussed were as follows:

1. ~~BARNEY WALLACE~~ was to attempt to get his delegation to back a resolution for reinstatement of ~~ROBERT F. WILLIAMS~~ in the NAACP. The national board of directors of the NAACP suspended ~~WILLIAMS~~ from his position as President of the Monroe, North Carolina Branch of the NAACP. This resulted because ~~WILLIAMS~~ advocated mob-violence to counteract discrimination in the South and specifically stated to combat "lynchings with lynchings" or to "meet violence with violence".

2. ~~SCOTT~~ and ~~WALLACE~~ agreed to work together in an effort to introduce a resolution recommending the NAACP support Africans in Kenya and Algeria in their freedom fight and as a corollary to this the support of colonial peoples everywhere in their freedom fight.

3. Introduce a resolution expressing objection to capital punishment.

NY 100-7629

4. BILL SCOTT was to engage a Brooklyn delegate to raise on the floor of the Convention his situation wherein he had been denied union office to which he had been duly elected. His plea would be discrimination. WALLACE would attempt to get his delegation from Jersey City to support this issue if it was raised on the floor.

NY T-3 on July 31, 1959, advised that a meeting of the 11th A.D. Club, Harlem Area CP was held on July 24, 1959. At the meeting the National NAACP Convention was discussed and it was announced that the CP had members present at the Convention who met in caucus with the delegates in order to give the NAACP a broader labor and civil rights platform. It was stated that results could not be expected at once due to the limited forces the CP have in the NAACP, however, the ground work has been started for a more militant leadership within the NAACP.

NY T-4 on July 28, 1959, advised that the National Executive Committee of the CP, USA, held a meeting in July, 1959, at which the NAACP Convention was discussed.

34
PETTIS PERRY spoke and criticized the NAACP Convention for not pointing out the unfinished task before the Negro Liberation Movement. He said that a number of Southern States are defying the Supreme Court desegregation decision and although local battles have been won Jim Crow still prevails in the South.

NY 100-7629

He claimed that there was less "red-baiting" at the Convention then heretofore, but a statement was made at the Convention that the fight against Jim Crow should be on a par with the fight against Communism in unions. PERRY accused ROY WILKINS, Executive Secretary of the NAACP of "red-baiting" for having compared Dixiecrats with Bolsheviks. He noted a number of good resolutions had been presented at the Convention, one against the Mc Carran Act and one on migratory workers.

PERRY stated that with reference to left progressive forces in the NAACP, the Party must examine these weaknesses and take some fundamental organizational steps.

Regarding the WILLIAMS case PERRY stated that the CP had at first supported ROBERT WILLIAMS in his fight against the national leadership of the NAACP, however, WILLIAMS arrived at the Convention with a document circulated by Trotskyites and the CP withdrew.

HUNTER PITTS O'DELL observed that the militancy of the NAACP Convention was restricted by petty bourgeois leadership and anti-Communism.

WILLIAM L. PATTERSON spoke and stated that the NAACP Convention did not meet its responsibility and ideologically took a step backward. PATTERSON said "we have argued in the Party that the strength of a Negro in the struggle in America exceeds his numerical strength in the population."

NY 100-7629

This being noted with reference to the NAACP as a mass organization which has tremendous potential for influence among the Negro people.

NY T-6 in July, 1959, identified PETTIS PERRY as a member of the National Committee, CP, USA.

NY T-5 on March 4, 1959, identified HUNTER PITTS O'DELL as assistant to JAMES E. JACKSON, Secretary, Negro and Southern Affairs, CP, USA.

"The Worker" an east coast Communist weekly newspaper issue of October 12, 1958, page 14, identified WILLIAM L. PATTERSON as General Manager of "The Worker".

NY T-7 on July 22, 1959, advised that a meeting was held on July 18, 1959, in New York City, of CP members and persons who had associated with CP members, for the purpose of discussing the results of CP activity in connection with the NAACP Convention.

The informant reported that OLIVER MARTIN opened up this recapitulation meeting by dealing with the question of youth participation in the National NAACP Convention. He cited the failure of the NAACP organization to integrate youth into the NAACP and accept them as fellow citizens of the organization. The youth had a separate Convention, which was held at the Henry Hudson Hotel, but no effort was made to get them into the Convention itself.

NY 100-7629

MARTIN stated that the CP also failed on this point because no effort was made by the Party to bring youth into the Convention either.

MARTIN continued stating that he made a motion on the floor of the Convention to try to have one youth on each committee set up by the Convention. This motion was agreed to in principle but was not formally adopted as such as there was no vote taken on it.

In discussing the question of the WILLIAMS Case, MARTIN stated that he thought the WILLIAMS question had been pretty much the major issue at the Convention. He recalled that he had made a plea in the defense of WILLIAMS on the floor of the Convention, but no one at the Convention wanted to repudiate the action of the National Board concerning WILLIAMS, and he was dismayed at the speed at which it reached a decision. It has been customary to study such situations and get the facts before making such a far reaching decision with such national publicity involved. MARTIN had suggested that the national leadership adopt a policy of not acting with such haste.

According to the informant MARTIN further stated that the national leadership had mobilized very thoroughly and had done a good job on WILLIAMS. He was disappointed in the Party's action at the Convention. He pointed out the party's failure to send adequate forces and the failure to send people to the Convention to be floor leaders, who could act on motions.

FY 100-7629

MARTIN added that he felt that generally it was a good Convention and was characterized by an amazing lack of "red-baiting". Only one person, A. PHILIP RANDOLPH did any "red-baiting" and he went out of his way to drag it in.

Informant advised that following MARTIN, ✓ PETTIS PERRY spoke at great length about the Convention. He reviewed the whole Convention and said in summary, he felt it was one of the most positive Conventions. Although most of the resolutions proposed or supported by the CP were defeated, some did get attention, for example, a resolution on breaking off relations with Africa, and the resolution calling for more democracy in the NAACP received attention. The resolution on more democracy was brought before the Convention and was accepted in spirit and embodied in a resolution of the Cleveland delegation.

PERRY also noted the failure of the NAACP to reintroduce or pass an anti-Communist resolution. He further noted the absence of "red-baiting" and felt there was a generally friendly atmosphere at the Convention.

He stated that it was possible at the Convention to talk with a number of people who previously would not talk with him. In general, he felt there was a freer attitude at the Convention.

-NY 100-7629

PERRY added that the Party's weakness in connection with the Convention was something that will have to be taken up. He stated "we can no longer put the Negro question down as something that only gets lip service. The NAACP is one of the major organizations of the people."

Informant advised that following PERRY's remarks, OLIVER MARTIN commented that he did not know if the Party should be happy about the fact that the anti-Communist resolution was not introduced at the Convention. He said that maybe the leadership of the NAACP did not think the CP is any longer a threat, or perhaps no one gave a thought to the Party. He added that this was probably because the Party was not effective at the Convention.

Informant reported that TED BASSETT spoke and challenged PETTIS PERRY's optimism about the Convention. In defense PERRY stated that the change in attitude at the Convention would present new opportunities for the Party in the NAACP. He added that the WILLIAMS question was a victory. The Convention repudiated the Trotskyites and there were some who felt that the Party was behind the movement. The Convention revealed an overwhelming vote against the Trotskyites.

According to the informant LESTER DAVIS spoke and also dealt with the WILLIAMS question. He stated that from a tactical standpoint the action on the WILLIAMS case was a defeat for the Party and its tactics. The Party fought to mediate and arbitrate in the situation but the national leadership of the NAACP took action to annihilate WILLIAMS.

NY 100-7629

The Party recognized that in the eyes of the people WILLIAMS was a symbol of militancy in the South and to cut him to ribbons or to annihilate him would be in effect to stifle this militancy. By uniting with WILLIAMS the Party was uniting with a courageous outlook. The national board of the NAACP in a most ruthless way cut him down. However, there was a popular movement around WILLIAMS.

DAVIS continued and stated that in spite of the fact the Party had written and introduced a compromise resolution, the Trotskyites were able to take control of WILLIAMS. In its final analysis as presented to the Convention, the resolution was primarily a Trotskyite resolution rather than a CP resolution. The informant stated that DAVIS inquired of those present if they felt the action by the Convention would have been the same if the CP resolution on WILLIAMS was submitted. The general feeling was that it would not, because in the CP resolution WILLIAMS recanted and it was stated that there would be no violence. Thus, in that light, DAVIS felt that the Party could not claim a victory in the WILLIAMS case.

DAVIS added that he did not feel the Convention had been so positive either. He asked if anyone thought that the action and resolutions would not have taken place if the Party representatives were not at the Convention. DAVIS did not feel that they had much influence or effect on the Convention.

NY 100-7629

DAVIS requested that PERRY take this question up before the CP, USA, National Committee. According to the informant DAVIS suggested that the National Committee begin now to prepare for the next convention. He further stated that resolutions for the NAACP National Convention be prepared sixty days in advance so that they could be entered into the Convention through the normal channels, that is, through the branches. In this way the resolutions would be before the Resolutions Committee and could be processed completely. Informant stated that DAVIS further proposed that the people know of the resolutions ahead of time in order that they may work on them and also that the people who are to attend should be notified in advance, about the people whom the Party wants elected to the various committees.

NY T-7 in July, 1957, described OLIVER MARTIN as a CP member in New York City, approximately ten years ago.

NY T-8 in July, 1959, identified TED R. BASSETT and LESTER DAVIS as CP members.

NY T-9 on July 23, 1959, advised that he attended the National Convention of the NAACP and stated that the conversation around the Convention was that the violence issue was raised and pushed by the Communist element. He stated that the applause when ROBERT WILLIAMS got up to speak made it appear that his supporters were well-organized and strategically placed in the audience.

NY 100-7629

Informant stated that WINIFRED NORMAN^{CH} was at the Convention but he did not observe her active in any way.

NY T-10 on July 18, 1957, advised that he knew WINIFRED NORMAN as a CP member prior to 1950.

"The Worker" issue of August 23, 1959, page 10, column 1, contained an article entitled "The NAACP's Golden Jubilee Convention" by WILLIAM L. PATTERSON. The article in part reads as follows:

"It is to be regretted that A. PHILIP RANDOLPH and other convention leaders found it necessary and possible to indulge in red-baiting after pointing the finger at the main enemy. By no stretch of imagination can Communists be put into a picture with the Negro people's enemies.

"Red-baiting has been elevated above Negro-baiting as the most important of the divisive weapons, used by reaction to split the ranks of all who seek to defend and extend constitutional liberties and human rights. Certainly it has no place in the program of an organization sympathetic to the colonial liberation movements. It should be left to the Eastlands and Rankins whom the Convention called 'avowed white supremacists and declared enemies of the NAACP.' Wherever a fighting freedom program has been proposed its initiators have been labelled 'Communists.'

NY 100-7629

"RANDOLPH, at least, knows well of the organizing part played by the Communists in the building of the CIO. He knows how they worked for the unity of the American labor movement. He knows of the great benefits derived from those struggles by Negro labor. Red-baiting as the colonial peoples have learned is destructive of unity and of constitutional guarantees.

"The public relations resolution correctly held that:

" 'Misinformation, deliberately fabricated and circulated, has promoted fears and fed prejudices, as a result of which information to dispel such fears and overcome such prejudices is vitally necessary. '

"But by whom has this racist 'misinformation' been fabricated? By state and federal governments, by jimcrow schools and brain-washed scientists. This fabrication is the product of all who have accepted the myth of white superiority broadcast by government.

"How logically is this fact substantiated by the convention resolution on the U.S. armed forces which begins:

" 'We are disturbed by increasing reports from overseas and in several areas of the United States that policies of racial segregation and discrimination exist in military establishments.

NY 100-7629

"Word has reached us that in Germany there are clubs and establishments for military personnel where whites only are welcome.' This sustains the argument that racism is a commodity for export as well as for home consumption.

"Racism has always been an export commodity but its use to placate murderous Nazis with whom our government connives in Europe holds a lesson which must be driven home. In this context what role does the government play?

"The convention did not give the answer.

"A resolution 'combatting racial and religious tensions' failed to point to the origin of this phenomenon. It fails also to castigate the creation of ghettos, the tensions and frustrations of which give rise to psychological genocide destroying the morale not only of Negro but of all youth.

"It would seem that the NAACP leadership no longer sees the United Nations as the third level on which the struggles for Negro rights can be projected. When the great Dr. W. E. B. Du Bois was on its staff it recognized this vantage point and saw in the UN's Universal Declaration of Human Rights a major weapon of struggle. But this truly great American, although a founder of the NAACP, was not even invited to the convention. This was not in conformity with the views of the rank and file of the NAACP who deeply appreciate the role this great man is playing.

NY 100-7629

"There were divergent views in the leadership of the convention. This might well be changed by the exercise of more powerful Negro and militant white labor influence. The convention was one of contrasts. A united front of tremendous political weight could be effected by a stronger orientation toward the African Asian liberation struggle. Victory in the Negro struggle is within the grasp of those prepared to intensify and deepen the fight all along the line. A survey of the real world that confronted the 50th anniversary convention of the NAACP reveals that every prerequisite necessary for victory against racism is now present. But the enemy is tough and ruthless. Militant democratic struggles will mobilize millions.

"The convention re-affirmed its slogan of 'Free by 63.' What is the concept of this 'free'? From what is it derived? Is it to be given? The lessons of fifty years of struggle must forever dispel this idealism. If it is to be fought for the struggle must be planned.

"'Free by 63' presupposes a fierce revolutionary struggle to throw off the backs of the Negro people the social forces now seated there. Mr. RANDOLPH has described these. The task of dislodging them cannot be so lightly posed. The struggle must be a determined and relentless one. Alliances with those who will neither falter nor quail must be realized. American reaction has no gifts of freedom for the Negro people. The program of action that can win freedom by 63 is already late indeed and has not yet been drafted. Yet the people will alone decide the issues in their favor.

NY 100-7629

"Undoubtedly there are thousands of white as well as Negro citizens who are unhappy about the failure of the NAACP leadership to make mass democratic militant actions the center of their program. There are more who regret that a call for mass youth activities was not raised. The NAACP leadership needs the compelling initiative of the people to realize that here indeed is the heart of successful struggle.

"The Golden jubilee did not deepen the understanding of the nature of the Negro struggle. It did not draw heavily upon the lessons of the past 50 years, yet history made these available.

"Had this been done a program more appealing to the millions not yet in the organization would have resulted. Building would begin to zoom. Nevertheless the event was of a positive character.

"Great militancy must be injected by the masses into the program formulated by the Convention. Youth can do this. Negro labor should play a far greater role in the drafting of the tactics of struggle. More democracy is needed in the organization.

"'Free by 63' is in the light of the world situation not impossible. But the Negro movement must become an organic part of the liberation struggles under which millions of colonial peoples are realizing equality of rights, opportunities, and peace."

NY 100-7629

The "New York Times" issue of May 4, 1959, page 3, contained an article under a Moscow dateline of May 3, 1959, which was concerned with reporting the fact that W. E. B. DU BOIS was the third American to have won the Lenin Peace Prize from the Soviet Union and quoted DU BOIS in part "I have never been a member of the CP but I think Communism is the best system for all countries".

SWP Attempts to
Infiltrate NAACP Convention

NY T-2 on July 24, 1959, advised that a meeting of the SWP, New York local, was held on July 23, 1959, at 116 University Place, New York City, New York.

At the meeting NAT WEINSTEIN gave a report on the NAACP Convention. He stated that from his point of view it was the worst Convention he had attended. The machinery and leadership completely steamrollered the supporters of ROBERT F. WILLIAMS by pushing through a unit rule on voting, passing out literature, denouncing WILLIAMS' stand and "red-baiting" the whole issue. In the final showdown only seventeen voted in support of WILLIAMS. He said that the CP elements played a cautious role and did not expose their hand. WEINSTEIN further stated that Reverend MILTON GALAMISON, President, Brooklyn NAACP Branch, frightened the Brooklyn delegation with threats of reprisals from the national leadership if they stirred up any trouble. WEINSTEIN stated that a big disappointment was CONRAD LYNN, Attorney for WILLIAMS, who was supposed to lead the pro-WILLIAMS forces. WEINSTEIN stated that LYNN did not know how to conduct a minority struggle.

NY 100-7629

WEINSTEIN stated that the majority of the delegates were middle class and professional people and that many poor delegates from the South could not afford to go to the Convention. The Convention adopted resolutions for working within democratic machinery such as the courts to bring about equal rights and integration for the people. WEINSTEIN stated that this was contrary to the feelings of the Negro people, which is why such groups such as the Negro nationlists were making headway among the Negroes. He said that the NAACP leadership was out of touch with the Negro masses.

Informant stated that WEINSTEIN further said that the Convention was a failure from "our point of view" because WILLIAMS' stand on meeting "violence with violence" was not given a hearing and the steamroller machinery of the leadership carried the day. He said that one of the hopes they had for the Convention was the building of a small but strong left-wing element in the NAACP to step up the struggle for integration. This was not achieved and the only course remaining was to begin to build more firmly from the branch level for such a faction throughout the United States in preparation for a battle with the national leadership of the NAACP.

NY T-2 identified NAT WEINSTEIN on September 18, 1959, as a member of the New York local SWP.

NY T-2 on August 12, 1959, advised that the New York local, SWP met on August 6, 1959, at 116 University Place, New York City. At the meeting GEORGE WEISSMAN, a member of the SWP, gave his analysis

NY 100-7629

of the NAACP Convention. His analysis differed somewhat from that of NAT WEINSTEIN in that he was more optimistic about the possibilities of developing a left-wing within the NAACP around the WILLIAMS issue. WEISSMAN discussed some of the problems in dealing with a man like WILLIAMS and stated that WILLIAMS is a natural leader of the Negro community and therefore it is possible to build around him a mobilization of the Negro masses, in the integration and civil rights struggle. He said that WILLIAMS has good and bad points. According to WEISSMAN, WILLIAMS has told the SWP that he would not be a puppet which is a good point, since the SWP does not want a puppet but an independent thinker. WILLIAMS is a man of principle and a courageous fighter. The bad points are that he is stubborn and will not retreat and is given to off-the-cuff statements which he refuses to modify. It was this trait that the NAACP Bureaucrats were able to take advantage of in the defeat which they handed WILLIAMS at the Convention. WEISSMAN stated that the NAACP leaders quoted at the Convention WILLIAMS' first fiery statement about counter-terror and "lynching the lynchers". Although WILLIAMS had, after much persuasion, been convinced to back down on his position, the NAACP leaders read from the original statement and asked WILLIAMS whether he still stood by his original statement. According to WEISSMAN, WILLIAMS refused to back down. WEISSMAN further stated that at the opening of the Convention WILLIAMS may have had as much as one-third of the delegates backing his stand. However, because of his obstinacy in refusing to back down and his association with the Negro nationalists, who picketed and caused a rumpus in his defense, many of the delegates, who might have stood by him, capitulated to the leadership.

WEISSMAN also stated that WILLIAMS wavers and pouts. For the longest period he insisted that he was going to quit the NAACP and nothing anyone could say would dissuade him. WILLIAMS presently is publishing a news -

NY 100-7629

letter called "Crusader" on a weekly basis in which he states that he will remain in the NAACP. He will fight the leadership and according to WEISSMAN this is a great opportunity to spurt the growth of a left-wing.

WEISSMAN stated that not only the SWP but all factions of radicals are after WILLIAMS. At the Convention WILLIAMS was completely under the shadow of the CP and several ex-SWP splits including the Marcyites. As such WILLIAMS is recognized as a great possibility for the left.

WEISSMAN concluded by stating that although the Convention was a decisive defeat for WILLIAMS and a complete victory for the NAACP leadership, it showed that the well-to-do Negroes such as lawyers, ministers, and professionals, who were in the majority at the Convention, were really the backbone of the anti-WILLIAMS sentiment, whereas the rank and file Negro and the poor Negro masses are really for WILLIAMS and for his kind of radical struggle. WEISSMAN stated that herein lies the struggle of the NAACP, that of the Negro masses against the bourgeois leadership which the Party could take part.

NY T-2 on July 24, 1959, advised that a meeting of the SWP, New York local was held on July 16, 1959, at 116 University Place, New York City. Assignments were made at the meeting for coverage of the NAACP Convention at which comrades would sell issues of "The Militant".

"The Militant" is a weekly newspaper published by the SWP.

SWP Attempts to Infiltrate
NAACP Branches

NY T-2 on July 9, 1959, advised that the SWP National Convention was held June 26-28, 1959, at Mountain Spring Camp, Washington, New Jersey. At the Convention's Negro Panel held the evening of June 27, 1959, NAT WEINSTEIN reported on his work in the Brooklyn NAACP Branch Labor Committee. He went into the whole situation in the Brooklyn Labor Committee and described his role and those of their comrades and the situation with the Stalinists and the struggle against the leadership of the NAACP in regard to integration and civil rights struggles generally. WEINSTEIN reported that he would be attending the NAACP Convention and the big question at the Convention would be the ROBERT WILLIAMS case.

The informant advised that CLAUDE DE BRUCE, an SWP member, described the work of the comrades in the SWP in Chicago where there is a great struggle against the NAACP leadership in which the rank and file had to form an independent organization after being dissolved by the NAACP Bureaucrats. He stated that the attempt to make this independent group the regular NAACP branch for Chicago failed after the NAACP ordered the group to dissolve and in the voting the regular NAACP won only through dishonest means. DE BRUCE stated that attempts to get delegates from the independent group to the NAACP Convention failed also through dishonest means. He stated that the independents planned to go to New York and present their case before the Convention.

NY 100-7629

Informant further stated that the Sunday session, June 28, 1959, of the SWP Convention, opened with a report by GEORGE WEISSMAN on the Negro Struggle Panel which was held the previous evening. WEISSMAN gave the Party's activities in this field consisting of work in youth councils in the NAACP, work in election campaigns and referendums concerning integration in housing, election of Negroes and progressives to office in city councils and support for WILLIAMS in the NAACP on the issue of terror. In general WEISSMAN reported that there has been a great increase in the opportunities in the various branches in the Negro struggle and that there was evidence of the development of a left-wing within the NAACP nationally.

NY T-11 on June 30, 1959, advised concerning the SWP Convention that during the Negro Panel session, all speakers condemned the present conservative approach of the NAACP and that the Party urged all to voice opposition and work to move the NAACP to the left in its work in the Negro community. It was announced that activity in the NAACP was strong and every delegation apparently has a member in the NAACP. It was ruled that ROBERT WILLIAMS' stand that Negroes should defend themselves by violent means if necessary should be upheld.

CP Attempts to Infiltrate

NY T-12 on August 4, 1959, advised that CLARENCE MARKHAM was present at the Harlem Region Headquarters, CP, USA, 203 West 126th Street, New York City, on August 3, 1959. The informant stated that MARKHAM attempted to get some members for mass organization work in the NAACP.

NY T-13, on August 5, 1959, advised that CLARENCE MARKHAM acted as chairman of a meeting of the 13th AD Club of the Harlem Region, CP, USA, held on July 29, 1959.

NY T-14, on August 20, 1959, advised that the last class on Independent Political Action was held at the Faculty of Social Science (FSS) 80 East 11th Street, New York City, on August 18, 1959.

The class was dedicated to two reports, one on the NAACP and the other on peace. The report on the NAACP stressed that this organization makes use of the courts to fight its battles. During the discussion, it was stressed that this is important but it should be taken further than just the courts. There should be more independent action.

The FSS is characterized in the Appendix Section attached hereto.

NY 100-7629

NY T-20 on September 22, 1959, advised that a meeting of the Harlem Region CP was held on September 18, 1959. At the meeting CP members were asked to attend a meeting at the NAACP office on September 22, 1959, to discuss the school integration question. The informant stated that it was agreed among the members present that in order to get results in the struggle to integrate schools, the CP will have to take the leadership.

NY T-20 on October 20, 1959, advised that the Harlem CP Staff held a meeting during October, 1959. According to the informant, RAPHAEL HENDRIX gave a report of her work in the Harlem Branch of the NAACP.

NY T-27, on October 30, 1959, advised that ^{CX} RAPHAEL HENDRIX was assigned to a committee to obtain benefactors and sustainers for the Harlem Region CP.

NY T-3, on November 30, 1959, advised that the Sunday afternoon session of the New York County CP Convention was held on November 22, 1959, at 74 Fifth Avenue, New York City. At the convention the final draft resolution on the Negro question was read by PAUL ROBESON, Jr., who acted as chairman during the discussion of the resolution. The informant stated that an amendment to the draft resolution was accepted by the convention, that during the period of 1960, the CP will fight for unity within the NAACP and that all criticism of the NAACP will be withheld.

SWP Attempts to Infiltrate

NY T-2, on October 9, 1959, advised that a meeting of the SWP, New York Local, was held on October 4, 1959, at 116 University Place, New York City. At the meeting TOM KERRY spoke urging for intensification of the work of the SWP in the NAACP branches, and suggested that the newly elected Exec-

NY 100-7629

utive Committee, New York Local, SWP, get every SWP member to join either the Manhattan, Brooklyn or Bronx Branch of the NAACP.

NY T-22, on August 24, 1959, advised that TOM KERRY was elected a member of the National Committee, SWP, on June 28, 1959.

NY T-2, on October 28, 1959, advised that a meeting of the New York Local, SWP, was held on October 15, 1959, at 116 University Place, New York City. The informant stated that DICK GARZA, a member of the Executive Committee, New York Local, SWP, gave the Executive Committee's report. He said that all members of the Local are expected to join the NAACP especially since there will be elections coming up. He also mentioned that a new NAACP branch is being set up in the Greenwich Village area and since many of the comrades live in the area, the Party can expect to have a fairly good representation in that branch.

NY T-2, on October 28, 1959, advised that the New York Local, SWP, met on October 8, 1959, at 116 University Place, New York City. At the meeting DICK GARZA, the new organizer, New York Local, SWP, gave his report for the Executive Committee. He announced the plans for the next two forums and urged everyone to get behind the fund drive and if possible, to raise their pledges. GARZA stated that the Party was entering a phase of greatly expanded activity, and this would require a greater expenditure of funds as well as physical action. GARZA included among some of the activities, intensified action on the question of minority groups, such as Negroes, in particular the NAACP. He stated that every member of the branch local would be urged to join and become at least partially active in the NAACP.

The informant stated about twenty persons attended the meeting and among those present were OTTO SKOTTEDAL and GEORGE STRYKER. c*

The November 3, 1952 issue of "Newsday" carried an article under a photograph of OTTO SKOTTEDAL reflecting that SKOTTEDAL was running for Congress for the second time on the American Labor Party (ALP) ballot. The article described him as a member of the NAACP.

The ALP is characterized in the Appendix Section attached hereto.

NY T-2, on August 20, 1959, identified GEORGE STRYKER as a member of the "Workers World Party (WWP).

The WWP is characterized in the Appendix Section attached hereto.

Brooklyn NAACP Branch

Address

The Brooklyn NAACP Newsletter of January, 1960 reflects its address as temporarily at 1170 Fulton Street, Brooklyn, New York.

SWP Attempts to Infiltrate

NY T-2, on October 9, 1959, advised that a meeting of the Willie Reid Defense Committee was held on October 1, 1959, at the Siloam Presbyterian Church, Marcy and Jefferson Avenues, Brooklyn, New York. The informant stated that

NY 100-7629

there were about 45 persons present at the meeting which had been called under the sponsorship of the Brooklyn NAACP Branch.

The opening speech was made by TED POSTON who spoke of his own knowledge of the Willie Reid case and the methods of Florida justice. He urged everyone to get behind the campaign to prevent WILLIE REID from being extradited to Florida where he can only expect certain death because he had incurred the enmity of the sheriff, the legal officer who began the extradition proceedings.

One of the lawyers who is representating WILLIE REID, gave most of the details of the case. WILLIE REID had been arrested in a gambling house which was well known for its dishonesty. He was winning when a fight broke out in which WILLIE defended himself with a knife. He was arrested and tried in less than five minutes without benefit of counsel. Florida law provides a penalty of one year for the crime he should have been tried for. However, he was charged instead with assault with intent to kill which carries a penalty of fifteen years. According to the attorney, REID was sentenced to the chain gang and after serving two years escaped and came to New York. Extradition proceedings are now being brought against him.

The informant stated that GEORGE WEISSMAN spoke as the Secretary of the Defense Committee and told of plans for the petition drive. He gave out petitions and urged everyone to get not only signatures but also money contributions which are needed for the legal fees and for publicity to build the committee. WEISSMAN stated that the Committee would meet again for mass distribution in Brooklyn.

According to NY T-2, the Willie Reid Defense Committee was formed by the Brooklyn NAACP Branch, however, two members of the New York Local, SWP, had been influential in the

NY 100-7629

formation of the committee and actually were its driving force. The informant stated that it was his opinion that the SWP in New York hoped to utilize the committee as a propaganda outlet for its own aims and purposes.

The informant stated that practically all of the work done in attempting to obtain signatures for the petitions was carried out by various members of the New York Local, SWP. He added, however, that the campaign "never caught fire" inasmuch as it was later found to be extremely difficult to talk a person into contributing or signing a petition in behalf of WILLIE REID. This public apathy, according to the informant, was based primarily on the fact that the WILLIE REID case was not strong enough due to the fact that REID had actually committed a crime and there was no death penalty involved.

NY T-2, on October 28, 1959, advised that the SWP, New York Local, held a class in Marxist studies on October 18, 1959, in Brooklyn, New York. The informant advised that the class was conducted by NAT WEINSTEIN. The informant also stated that the class was conducted under the auspices of the SWP for contacts, particularly Negroes, in the Brooklyn area, especially those in and around the Brooklyn NAACP Branch. The informant advised that the class was viewed by the SWP, New York Local, as the basis for a future branch in Brooklyn. The space for the class was rented by LEO ADLER as living quarters for Comrade LEO and the cost for the space would be born by Comrade LEO and the Party. However, it was expected that those attending the class would be contributing 50¢ a session which money, along with the money from Comrade LEO, would more than pay for the rent.

NY T-2, on December 8, 1959, furnished the following information regarding the Labor Educational League

NY 100-7629

(LEL) in Brooklyn, New York:

The LEL in Brooklyn, New York, is the brain child of NAT WEINSTEIN which resulted from WEINSTEIN's activities within the Labor Committee of the Brooklyn NAACP Branch. Various contacts of WEINSTEIN for example, JULIUS and MATTIE CARTER within the Labor Committee of the Brooklyn NAACP, have to date, been unwilling to join the SWP, however, they expressed a willingness to participate in socialist discussions and classes.

As a result of the above, WEINSTEIN initiated a series of socialist economic classes consisting of a four to five week course based on Marxist pamphlets. In the process of this class attended by WEINSTEIN's contacts within the Brooklyn NAACP and several SWP members in New York City, an Executive Committee was formed. The individuals elected to this committee were not members of the SWP and adopted the name LEL.

The SWP exercises control of the LEL through NAT WEINSTEIN inasmuch as he has considerable influence among individuals within the LEL who consistently adhere to his ideas and suggestions. The SWP also exercises control through approximately five SWP members who are also in the LEL. The SWP also exerts influence through the speakers at the classes and courses held thus far namely, NAT WEINSTEIN and TOM KERRY.

The SWP at the current time, is hopeful that the LEL will develop in the future into the Brooklyn Branch of the SWP. The SWP considers that the formation of the LEL is the first big break through by the SWP into the Negro community in the New York City area.

CP Attempts to Infiltrate

NY T-15, on August 25, 1959, advised that Club Number 1, East Bronx Section, Bronx County CP, held a meeting on August 18, 1959. At the meeting BELLA ALTSHULER, told the members about a discussion she had that day with CONRAD LYNN, an attorney, about the Negro problem and the role of the NAACP. According to ALTSHULER, CONRAD LYNN was completely dissatisfied with the leadership of the NAACP on many Negro questions and accused the NAACP of preventing many sensitive issues reaching the floor of the last NAACP Convention.

The informant stated that SHELDON MADDUX disagreed with CONRAD LYNN's statements. MADDUX stated that the Negro should not be rushed into a situation wherein violence could result. He felt that the Negro and the NAACP should go really slow on the question of getting the Negro the rights to which he is entitled.

CHARLES FITZPATRICK stated at the meeting that some of the leaders of the NAACP were beguiling the Negro people and that now is the time to act. He stated that the NAACP leaders should utilize the Constitution of the United States and insist on the rights for the Negro as guaranteed by the Constitution. If the rights are acceptable by the Negro ten years from now "why don't they insist on them now."

NY T-15 identified BELLA ALTSHULER, SHELDON MADDUX and CHARLES FITZPATRICK as members of Club Number 1, East Bronx Section, Bronx County CP.

NY T-16, on December 11, 1957, furnished information which disclosed that CONRAD LYNN was listed as a National Council member of the Emergency Civil Liberties Committee (ECLC) and was a member of the Executive Committee of the ECLC.

NY T-17, on August 14, 1959, advised that a meeting of the Prospect Club, Bronx County CP, was held on August 4, 1959. At the meeting BELLA ALTSHULER stated that BABETTE JONES had asked to rejoin the CP and was being considered by the Party for re-enrollment. ALTSHULER further stated that in the event JONES was readmitted in the CP, she would continue her work within the NAACP.

NY T-21 advised on September 28, 1959, that a meeting of the East Bronx Section of the CP was held on September 17, 1959. At the meeting it was announced that on October 1, 1959, there would be a conference on juvenile delinquency sponsored by the Bronx NAACP Branch. All those present who were active in mass organizations were urged to participate.

NY T-15, on October 14, 1959, advised that BELLA ALTSHULER and CHARLES FITZPATRICK visited the Bronx NAACP Branch Office during October, 1959, for the purpose of obtaining NAACP support for an affair honoring Judge HUBERT T. DELANEY. The affair would be sponsored by the Bronx Civil Liberties Committee (BCLC).

The BCLC is characterized in the Appendix Section attached hereto.

NY T-15, on October 22, 1959, advised that a special meeting of the BCLC was held on October 19, 1959. The informant stated that BELLA ALTSHULER announced that she and CHARLES FITZPATRICK had spoken to the Executive Board of the Bronx Branch of the NAACP and that it was the first time that the NAACP agreed to take tickets for a BCLC affair.

NY 100-7629 .

NY T-23, on November 10, 1959, advised that the Prospect Club, East Bronx Section, Bronx County CP, held a meeting on October 27, 1959. At the meeting BELLA ALTSHULER discussed the Bronx NAACP in relation to an affair for Judge HUBERT T. DELANEY. She stated that the Bronx NAACP would not take an active part in the affair due mainly to the president of the Bronx NAACP Branch.

Queens County

NY T-28, on December 15, 1959, advised that the Queens County CP Committee met on December 1, 1959, in a special session of the Queens County Convention to discuss the Negro question. The informant advised that WILLIAM PATTERSON spoke and stated "We must penetrate the NAACP. We must meet regularly with those comrades who are in there and move this organization for more action, especially in certain parts of the city where the leadership just talks. Comrades must be careful in not exposing themselves."

Financial

NY T-18, on September 29, 1959, made available information which reflected that CORLISS LAMONT issued a check payable to the NAACP for the amount of \$500 during September, 1959.

LOUIS BUDENZ, a former self-admitted member of the CP and ex-Managing Editor of the "Daily Worker", testified in September, 1953, at Washington, D. C., before the United States Senate Permanent Subcommittee on Investigations that he knew CORLISS LAMONT as a member of the CP, USA, in the 1930's and 1940's.

The "Daily Worker" was an east coast Communist Newspaper which suspended publication on January 13, 1958.

NY 100-7629

JONES was once placed on a committee by the Bedford-Stuyvesant Section Executive Committee and while that committee never acted, the mere placing of his name on the committee indicated that he was probably a member of the CP or at least sympathetic enough to be trusted as a CP member would be.

The informant never observed JONES at a CP meeting and had no other reason to connect JONES with the CP other than the attitude of CP members toward JONES.

APPENDIXFACULTY OF SOCIAL SCIENCE

On September 11, 1957, a confidential source advised that MAX WEISS had stated the Communist Party (CP) in New York State would set up a Marxist institute which will teach a "US" version of Marxism. This institute would be intended primarily for young people and will also be available to "People who can't come into the Party and the fringe groups." The informant stated that WEISS had advised that he (WEISS) would be in charge of this institute and in the organization of it. The informant stated that WEISS had stated that the program of this institute would be "important and well thought out."

On August 14, 1958, another confidential source advised that the classes began in October, 1957, at Academy Hall, 853 Broadway, New York City. With the beginning of the second series of classes in January, 1958, the classes were held at Adelphi Hall, 74 5th Avenue, New York City. These classes have also included the Sunday Evening Forums, all of which have been administrated by HAROLD COLLINS. The classes have always been referred to by the various instructors as "the School" or as "classes on Marxist theory" and no formal name has ever been applied to the school.

The schedule of classes for the 1958 Fall Term listed the school as Faculty of Social Science, 80 East 11th Street, New York City, with HERBERT APTHEKER as its Director.

HERBERT APTHEKER testified on July 14, 1954, in the case US versus KUZMA, ET AL (Smith Act), United States District Court, Eastern District of Pennsylvania. He testified that he was, at that time, a member of the CP and that he had been a member of the CP since 1939. He also testified that he had never been an officer in the CP, however, he had offered his services as a CP teacher. He testified further that he had taught classes in American History and theory of Marxism-Leninism under CP auspices, and that all his writings since 1939 or 1940 had been consciously guided by what he thought was "light of Marxism-Leninism."

FACULTY OF SOCIAL SCIENCE (CONT'D)

On June 16, 1958, another confidential source advised that HAROLD COLLINS was acting in an educational capacity in the New York State CP and as an instructor at a CP cadre training school.

The CP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

EMMA LAZARUS FEDERATION
OF JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report on the National Convention of the ELD of the JPFO which took place in New York City on January 20, and 21, 1951. At this convention it was noted the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

The address of the national office of the ELF is 160 Fifth Avenue, Room 911, New York City.

Both the IWO and the JPFO have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

The "Guide to Subversive Organizations and Publications," revised and published as of January 2, 1957, to supersede Guide published on May 14, 1951, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the "Morning Freiheit:"

- "2. 'The Freiheit has been one of the rankest organs of Communist propaganda in this country for almost a quarter of a century.'

On November 22, 1955, a confidential source advised that the Bronx Committee for the Freedom of Political Prisoners was formed in 1952 by Communist Party (CP) members in the Bronx, New York. WORKERS WORLD PARTY

On April 17, 1959, a source advised that on February 12, 1959, a Socialist Workers Party (SWP) minority group, under the leadership of National Committee member Sam Ballan, known in the SWP as Sam Marcy, split from the SWP.

The source stated that this minority group, referred to as the Marcyites, after many years of program and policy differences on varied issues concerning tactics and interpretation of political events, split from the SWP on the grounds that the Party was liquidating itself by departing from the Marxist precepts of Leon Trotsky and retreating from the fight for the world socialist revolution. The final issue which ultimately forced the split was the minority's opposition to the SWP regroupment policy which involved cooperation with the Communist Party (CP) periphery - individuals characterized by the minority as petty-bourgeois.

The minority program, according to the source, advocates the unconditional defense of the Soviet Union and has as its goal the building of a revolutionary party with a complete proletarian orientation for the purpose of overthrowing capitalism in the United States and throughout the world.

On June 10, 1959, the source advised that this minority group had chosen the name Workers World Party with headquarters located at 46 West 21st Street, New York, New York.

The SWP and the CP have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

- "1. 'For years, the Communists have put forth the greatest efforts to capture the entire American Labor Party throughout New York State. They succeeded in capturing the Manhattan and Brooklyn sections of the American Labor Party but outside of New York City they have been unable to win control.'
(Special Committee on Un-American Activities, House Report 1311 on the CIO Political Action Committee, March 29, 1944, p. 78.)

DETAILS(I) LOCATION AND OFFICERS

On August 8, 1974, a Special Agent of the Federal Bureau of Investigation (SA, FBI), by means of a pretext, spoke to an unidentified woman in the office of the Emma Lazarus Federation of Jewish Women's Clubs (ELF) 150 Fifth Avenue, New York, New York..

Sources whose identities are concealed have furnished reliable information in the past.

NY 100-104142

She advised that the following are the national officers of the ELF:

President	LEAH NELSON
Vice President	MOLLIE GOLDSTEIN
Treasurer	MIRIAM SILVER
Executive Director	ROSE RAYNES

SA, FBI
August 8, 1974

The ELF is recognized by the Communist Party, USA (CPUSA) as an important national organization of women dedicated to peace, civil rights and against all forms of discrimination. Its leadership consists of CPUSA members.

LEAH NELSON and ROSE RAYNES were both extended written invitations to be guests of the CPUSA, at its 20th National Convention held February 18-21, 1972, New York, New York.

Title 50, United States Code (USC), Section 781 (Internal Security Act of 1950) stated that, as a result of evidence adduced before various committees of the Senate and House of Representatives, Congress found the existence of a world communist revolutionary movement, whose purpose is to establish a communist totalitarian dictatorship in the world's countries through the medium of a worldwide communist organization. Communist

NY 100-104142

action organizations in various countries endeavor to carry out the objectives of the world communist movement by bringing about the overthrow of existing governments by any means. The communist organization in the United States -- the CPUSA -- pursuing its stated objectives, presents "a clear and present danger to the security of the United States." The subversive Activities Control Board, established by Section 791 of the above Act, found the CPUSA to be a communist action organization. This finding was upheld by the United States Supreme Court in June, 1961. The CPUSA has continued to be an arm of the international communist movement dominated by the Soviet Union. The CPUSA, in its dependence on the Soviet Union, has never knowingly adopted a position contrary to Soviet policy. Its leaders frequently confer with Soviet leaders to receive guidance and direction on the policies the CPUSA is to follow. There has been no evidence that the primary aims of the CPUSA as they conform to Soviet objectives, have changed over the years.

MOLLIE GOLDSTEIN attended a meeting of the Allerton Club, Bronx County, CPUSA, on October 3, 1961, and an open meeting of the same club on January 23, 1962, both held at 683 Allerton Avenue, Bronx, New York.

(II) ACTIVITIES

The "Morning Freiheit" (MF) reported that the ELF sent an urgent appeal to the United Nations through its Secretary General, KURT WALDHEIM, to stop the Arab terrorist and crimes such as occurred at Maalot at Kiryat Shemona, Israel, killing innocent children, women and men in Israel. The appeal stated in part:

"Acts of terror and retaliation will not bring peace to the Middle East. The immediate issue now is terrorism, which is a threat to world peace and must be stopped."

The ELF statement was signed by LEAH NELSON, President, MOLLIE GOLDSTEIN, Vice-President and MIRIAM SILVER, Secretary - Treasurer.

May 26, 1974, Page 16

The MF is a Yiddish language Communist newspaper.

The "New York Post" reported on June 19, 1974, about 200 elderly citizens, ELF members and friends, honored EMMA LAZANUS on her 125th birthday. The article stated that these senior citizens sailed over to Liberty Island to honor the woman who wrote "The New-Colossus" enshrined on a plaque at the base of the Statue of Liberty.

NY 100-104142

The paper pointed out that she actually was born July 22, 1849, and that she wrote the much quoted lines "give me your tired, your poor, your huddled masses" to help raise money to import a pedestal for the statue from France.

"New York Post"
June 20, 1974, Page 23

The MF reported that July 22, 1974, marks the 125th anniversary of the birthday of EMMA LAZARUS, whose poem, "The New Colossus", is inscribed on a plaque on the Statue of Liberty.

The article pointed out that EMMA LAZARUS, showed her sympathies for the poor and oppressed. She used her pen to oppose anti-Semitism and to protest the persecution of the Jewish people in Czarist Russia. She was conscious of the status of women and the deprivation of their rights.

III. GENERAL ACTIVITIES

The "Daily World" reported the ELF working for women's rights, called upon the United States Senate to vote against the Equal Rights amendment passed by the lower House. The article stated the following:

"Mrs. LEAH NELSON, President of the Federation stated, 'This amendment as passed by the House is misleading and under the guise of equality, in reality will eliminate many laws now in effect protecting working women'."

"Daily World", September 5, 1970
Page 3, Columns 1 - 2

The "Daily World" is an east coast communist newspaper.

The editorial of the "Morning Freiheit", "Time For Wider Activities", pointed out Fall, the season of renewed civic and cultural activity in the ranks of Jewish progressive workers, was beginning. It stated things are lively in the ranks of the very active ELF, and urged the utmost support for the progressive Jewish organizations including the ELF.

A characterization of the "Morning Freiheit" is in the Appendix of this report.

Page 10, Column 5

The "Morning Freiheit" had a report of the 50th anniversary celebration of Women's Voting Rights, sponsored by the ELF and held at the Penn Garden Hotel, New York City, on October 25, 1970.

ROSE RAYNES, Executive Secretary, was the Chairlady. LEAH NELSON, National President, spoke about the memory of EMMA LAZARUS, JANE ADAMS, ERNESTINE ROSE and other deceased female leaders of rights of women.

BELLA ABZUG, Congresswoman from the 19th Congressional District, New York City, was the guest speaker. She called upon those present to "cherish the tradition of the female fighters for their right to vote and for freedom for the Negro people, which always went side-by-side with the fight for the rights of women."

"Morning Freiheit", November 10, 1970
Page 7, Columns 1 - 3

The ELF appealed to Governor NELSON ROCKEFELLER of New York, to withdraw his order to extradite ANGELA DAVIS to California.

The appeal pointed out that sending ANGELA DAVIS to California in the present atmosphere "is just like handing her over to legal lynchers". The appeal continued:

"We, as Jewish women, are very much concerned, because we know what it means to be members of an oppressed minority."

"Morning Freiheit", November 17, 1970
Page 8, Columns 1 - 2

NY 100-104142

The "Daily World" for November 18, 1970, also included the above appeal and reported the appeal to Governor ROCKEFELLER was signed by LEAH NELSON, President of the ELF.

"Daily World", November 18, 1970
Page 9, Column 1

ANGELA DAVIS was apprehended in New York City on October 13, 1970, for Unlawful Flight to Avoid Prosecution in the State of California. A warrant had been issued charging her with kidnapping and murder. DAVIS is a self-admitted CP member who had been a teacher at the University of California at Los Angeles.

Page 1, Columns 2 - 4

Leaders of the progressive Jewish organizations in the United States on December 1, 1970, adopted a declaration asking for "Security For Israel and Secure Peace in the Middle East." Among the signers of this declaration were LEAH NELSON, MOLLIE GOLDSTEIN and ROSE RAYNES of the ELF.

"Morning Freiheit", December 20, 1970
Page 5, Columns 1 - 5

The "Morning Freiheit" contained reports of protests throughout the world against the convictions in the Soviet Union, of eleven people for conspiracy to hijack a plane out of the country. Included among the protests was one sent by

NY 100-104142

the progressive Jewish organizations to ANATOLY F. DOBRYNIN, Soviet Ambassador in Washington, D. C. Among the progressive Jewish organizations protesting were the Jewish Cultural Clubs and Societies (JCCS), the "Morning Freiheit", the ELF, "Jewish Currents" and others.

The protest was in the form of telegram asking the Ambassador to ask the government of the Soviet Union to nullify the death sentences and to lessen the jail sentences of the other Jewish defendants. The telegram pointed out that the extremity of the sentences "has astounded many supporters of peace, coexistence and socialism. This made possible the intensification of anti-Soviet agitation among many of those people who want to worsen relations between the Soviet Union and the United States."

Characterizations of the JCCS and "Jewish Currents" are in the Appendix of this report.

The ELF on December 14, 1970, protested the showing of the British film "Oliver Twist" on television station Channel 9, in New York City, on December 12, 1970.

NY 100-104142

The protest was sent to the sponsors of the show. In the protest, Mrs. LEAH NELSON, President of ELF stated the following:

"In the early fifties, when this film was first presented, we protested its showing due to portrayal of the anti-Semitic character Fagin, and its brutality.

"To repeat the showing of this film in 1970 is an insult to all Americans for in addition to its anti-Semitic character it tends to encourage the crimes of mugging, pickpocketing and even murder in our communities. We call upon you to withdraw your sponsorship of this film and hope that it will not be repeated."

EMMA LAZARUS FEDERATION
OF JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self-identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), Page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

"The Morning Freiheit" (MF) on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention, it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 4, 1966, a source advised that ELF was recognized by the Communist Party (CP), United States of America (USA), as an important national organization of women whose leadership was primarily made up of Communists. The source stated the ELF was dedicated to peace, in protecting the rights of foreign born, and against bomb testing, Negro discrimination and the rearmament of West Germany.

The source also stated the ELF renders support to and receives support from the MF and other Jewish progressive organizations.

The building directory at 150 Fifth Avenue, New York, New York, as viewed by a Special Agent of the Federal Bureau of Investigation on May 13, 1970, disclosed the ELF is located in Room 632.

The IWO and JPFO have been designated pursuant to Executive Order 10450.

A second source, on May 20, 1969, described the MF as a Yiddish, Communist newspaper.

JEWISH CULTURAL CLUBS AND SOCIETIES

A source advised on April 27, 1954, that the former leaders, including GEDALIA SANDLER, Executive Secretary of the Jewish People's Fraternal Order (JPFO), Jewish nationality section of the International Workers Order (IWO), had established a committee at 1133 Broadway, New York, New York. Through this committee they were organizing cultural clubs and societies based on JPFO lodges which had been dissolved on December 15, 1953, in the course of proceedings by the New York State authorities culminating in the liquidation of the IWO.

A second source advised on March 15, 1961, that a meeting of the National Groups Commission of the Communist Party, United States of America (CP, USA) was held on March 2, 1961, in New York City. GEDALIA SANDLER was among those present and spoke of his experiences in maintaining the Jewish lodges after the dissolution of the IWO, which to avoid prosecution, have no national name or organization.

SANDLER stated that these lodges "lived" as clubs and societies by maintaining their cultural, fraternal and civic activities, but which activities are less political than in the former lodges. New York gave leadership to the rest of the country since the New York lodges were the strongest and had the more politically developed comrades.

A third source advised on May 11, 1970, that the Jewish Cultural Clubs and Societies (JCCS) is located in Room 1429, 1133 Broadway, New York, New York.

The IWO and the JPFO have been designated pursuant to Executive Order 10450.

"JEWISH CURRENTS", FORMERLY
KNOWN AS "JEWISH LIFE"

"Jewish Life" for October, 1957, announced that after the October issue, and with the next issue to be published in January, 1958, the magazine was changing its name to "Jewish Currents," because of the claim to the name "Jewish Life" by the magazine "Orthodox Jewish Life."

The May, 1970, issue reported that "Jewish Currents" is published by Jewish Currents, Incorporated, Room 601, 22 East 17th Street, New York City.

Concerning "Jewish Life," the "Guide to Subversive Organizations and Publications," dated December 1, 1961, and prepared by the Committee on Un-American Activities, United States House of Representatives, stated:

- "1. Cited as a Communist-front which 'first appeared in November, 1946, as a monthly published by the Morning Freiheit Association, publishers of the Yiddish Communist daily... Morning Freiheit. The first issue contained this announcement of policy: Jewish Life dedicates itself to strengthening the friendship of the Jewish People with the Soviet Union...' Its editor, LOUIS HARAP, has been identified as a Communist in sworn testimony. LEAH NELSON, President of the ELF, was the first speaker. She pointed out except for her poem, EMMA LAZARUS has been forgotten by all except the ELF. She stated every year the ELF goes to the Statue of Liberty to refresh themselves. She spoke, in addition, against racism, anti-Semitism and for peace.

The next speaker was EVA WEISS from the American Jewish Congress. She told the audience if EMMA LAZARUS were alive today, she would be a leader in the Women's Liberation Movement. She too spoke on racism and civil rights. NK

MIRIAM FRIEDLANDER, Executive Director, Citizens Committee for Constitutional Liberties, was the last speaker. She told the audience the people today are faced with the same repressions as the immigrants. She pointed out young Jewish liberals face repression by the FBI, the police, and law and order people. BLACK PANTHER PARTY
Also Known As
Black Panther Party for Self-Defense

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics and the destiny of the black community. It was organized by BOBBY SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense, NEWTON was sentenced in 1968 to serve 2 to 15 years after being convicted of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther", which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON MURRAY, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "...we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning Citizens Committee for Constitutional Liberties:

"CITIZENS COMMITTEE FOR CONSTITUTIONAL LIBERTIES (NEW YORK CITY)

"1. 'On the basis of its investigations and hearings to date, the committee concludes that the National Assembly for Democratic Rights and a coordinating and organizing group in support thereof, titled the "Citizens Committee for Constitutional Liberties", are Communist fronts. Created, dominated, and controlled by members and officials of the Communist Party, the National Assembly for Democratic Rights and the Citizens Committee for Constitutional Liberties were organized as propaganda devices for the conduct of "mass activity" in support of the avowed objective of "reversal or nonapplication" of the Supreme Court decisions of June 5, 1961, which upheld the constitutionality of the registration and disclosure provisions of the Internal Security Act of 1950 as applied to the Communist Party, and the Smith Act membership clause making punishable active and purposive membership in the Communist Party.

'***The long-range objective of the Citizens Committee for Constitutional Liberties is to serve as the vehicle for concealed Communist participation in and direction of, propaganda and agitational activities aimed to nullify the Internal Security and Smith Act

EMMA LAZARUS FEDERATION
OF JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self-identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), Page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

"The Morning Freiheit" (MF) on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention, it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 4, 1966, a source advised that the ELF was recognized by the Communist Party (CP), United States of America (USA), as an important national organization of women whose leadership was primarily made up of Communists. The source stated the ELF was dedicated to peace, in protecting the rights of foreign born, and against bomb testing, Negro discrimination and the rearmament of West Germany.

The source also stated the ELF renders support to and receives support from the MF and other Jewish progressive organizations.

As of July 23, 1969, the ELF maintained its headquarters in Room 632, 150 Fifth Avenue, New York, New York.

The IWO and JPFO have been designated pursuant to Executive Order 10450.

A second source, on May 20, 1969, described the MF as a Yiddish, Communist newspaper.

JEWISH CULTURAL CLUBS
AND SOCIETIES

A source advised on April 27, 1954, that the former leaders, including GEDALIA SANDLER, Executive Secretary of the Jewish People's Fraternal Order (JPFO), Jewish nationality section of the International Workers Order (IWO), had established a committee at 1133 Broadway, New York, New York. Through this committee they were organizing cultural clubs and societies based on JPFO lodges which had been dissolved on December 15, 1953, in the course of proceedings by the New York State authorities culmination in the liquidation of the IWO.

A second source advised on March 15, 1961, that a meeting of the National Groups Commission of the Communist Party, United States of America (CP, USA), was held on March 2, 1961, in New York City. GEDALIA SANDLER was among those present and spoke of his experiences in maintaining the Jewish lodges after the dissolution of the IWO, which to avoid prosecution, have no national name or organization.

SANDLER stated that these lodges "lived" as clubs and societies by maintaining their cultural, fraternal and civic activities, but which activities are less political than in the former lodges. New York gave leadership to the rest of the country since the New York lodges were the strongest and had the more politically developed comrades.

On March 6, 1969, SANDLER addressed over two hundred leaders of the Jewish Cultural Clubs and Societies (JCCS), at a meeting in New York City, according to the "Morning Freiheit", of March 17, 1969. SANDLER spoke of the diverse cultural work of the clubs. He discussed the war in Vietnam and said that it appears that the peace demonstrations will be renewed. The JCCS will participate in them.

A third source advised on July 8, 1969, that the JCCS is located at Room 1429, 1133 Broadway, New York City.

He wrote that it would be impossible for the ELF and the other Jewish organizations to continue their operations without the MF "which mobilizes the masses for their campaigns, activities and affairs. In this field it is definitely, the dynamo, the cement, the organizer, the mobilizer, just as it is their ideological pathfinder."

NY 100-104142

The article reported the work of the ELF was evaluated in the light of the present critical period in this country and plans were discussed on how to strengthen and expand the organization "in order to make a larger contribution toward a better life, to peace and a just society.

"On the agenda were: our work for peace, our position on unity with the Negro people, the celebration of the 50th anniversary since women won their rights in 1920, and the appeal by the progressive Jewish organizations to Israel to work more intensively for the adoption of the United Nations Resolution of November, 1967".

The article reported the President of the ELF, LEAH NELSON, opened the conference underscoring the statement that this is a critical, feverish period with the forces of reaction trying to continue the present course of the war, spending billions for death and destruction, and holding down the struggle to improve the living conditions of the masses.

She stated the people, especially the poor Negro masses, as well as the workers and common people, along with the liberal and progressive people, "all of whom support the just struggles by means of 'sit-ins', boycotts, strikes, draft protests, conferences and by electing representatives to the Congress, Senate and other institutions." NELSON concluded as follows:

"We, Jewish progressive women, accept the responsibility to help build a healthy Jewish life here, against anti-Semitism and racism, poverty and oppression! Always going forward to a better life for mankind, for America!"

Instant article next reported on the speech of ROSE RAYNES, Executive Director. She pointed out that since 1951, when the ELF was founded, it has engaged in important work for civil rights, for peace, against anti-Semitism and in promoting cultural life by publishing books about EMMA LAZARUS and about women in the Civil War.

NY 100-104142

RAYNES described the innumerable accomplishments of the organization such as joining a committee to beautify the burial place of EMMA LAZARUS, at the Cypress Hills Cemetery, New York City; by making the name EMMA LAZARUS better known through publishing her biography and organizing celebrations on her birthday; establishing closer ties between the Jews and Negroes; by supporting school decentralization; and by supporting the "Poor People's Campaign and various strikes".

RAYNES concluded her report by stating "we must build this organization more intensively and come to our convention in 1971, with more members, when we celebrate the 20th year of our existence."

The article continued by reporting the speech made by MOLLY ILSON, Civil Rights Chairlady. She pointed out the NIXON Administration is dragging the nation toward reaction stating, "since RICHARD NIXON became President, the ultra right has become arrogant. As Jews we cannot hope to end anti-Semitism while racism spreads across the land."

NELSON's article was concluded with the statement the conference ended "with determination to carry on the work, and the awareness that our role in Jewish-American life is important and timely, and with the hope that our 20th anniversary will be celebrated in a world of peace and justice."

At the National Leadership and National Board meeting held October 4-6, 1969, ROSE RAYNES in her report reviewed the accomplishments of the ELF since 1951, in the area of civil rights, peace, fighting racism and anti-Semitism, and in the cultural field by making EMMA LAZARUS better known.

NY 100-104142

RAYNES reported the following specific accomplishments: (1) Obtaining 60,000 signatures in the petition campaign for the United States ratification of the two United Nations treaties against Genocide and against all forms of racial discrimination; (2) Contributing books to public libraries; (3) Foster better understanding between the Black and Jewish people through support of community control of New York public schools, contributing to the Poor People's Campaign, contributing to the Memphis strikers and the South Carolina hospital strikers; (4) Participating in many meetings, parades and demonstrations against the war in Vietnam; (5) Conducting annual pilgrimages to the Statue of Liberty to honor EMMA LAZARUS; (6) By collecting thousands of signatures on behalf of the American Association To Combat Fascism, Racism and Anti-Semitism protesting the cancellation of the Statute of Limitations for the prosecution of Nazi war criminals. In addition, the ELF as an affiliate of this committee, had representation on the delegation to the West German Consulate along with having ELF on the picket line demonstrating the need for the cancellation of the Statute of Limitations.

The ELF had an announcement in the MF signed by LEAH NELSON, President, and ROSE RAYNES, Executive Director, calling upon its members to participate in a people's conference on January 10, 1970, at Academy Hall, New York City, to plan for a Warsaw Ghetto Uprising Meeting, sponsored by the American Federation For Aid To Polish Jews. The announcement continued in part:

"The slogan of the Ghetto fighters, 'Never To Forget, Never To Forgive' places upon us the serious responsibility of continuing with more energy and determination, the struggle for an end to the barbaric war in Vietnam, an end to anti-Semitism and racism, peace in the Middle East and throughout the world."

APPENDIX1.AMERICAN ASSOCIATION TO COMBAT
FASCISM, RACISM AND ANTI-SEMITISM

A source advised on January 25, 1960, that a meeting was sponsored by "The Worker", an east coast Communist newspaper, on January 24, 1960, at the Park Plaza, New York City. EVELYN WIENER, described by the source as the Chairman of the New York County Communist Party (CP), invited the audience to attend a protest meeting to be held in Union Square, New York City, on January 26, 1960, to protest anti-Semitism in West Germany.

A second source, on January 26, 1960, advised that the CP had prepared 6,000 leaflets in connection with anti-Semitism to be distributed at a rally to be held that day at Union Square, New York City. These leaflets, according to the source, were not distributed since the CP was not openly represented at the meeting. However, according to the source, known Communists participated openly in the meeting.

On September 13, 1961, a Special Agent of the Federal Bureau of Investigation, by means of a suitable pretext, spoke to SAM PEVZNER, who stated that he is the public relations officer of the Committee Against Nazism and Anti-Semitism. He stated that the organization initially known as the Committee to Stop the Revival of Nazism and Anti-Semitism, originated as an "ad hoc" committee to sponsor a rally on January 26, 1960, in New York City, to protest the rise of Nazism and anti-Semitism. It is now a continuing organization springing into action when the need arises.

On May 4, 1966, a third source stated that the Committee Against Nazism and Anti-Semitism changed its name to the Committee to Combat Nazism and Anti-Semitism.

A fourth source, on May 17, 1968, advised that the Committee to Combat Nazism and Anti-Semitism is located in Room 1106, 1182 Broadway, New York City, and is now known as the American Association to Combat Fascism and Racism.

This fourth source informed on May 17, 1968, that SAM PEVZNER is a member of the CP, United States of America (CP, USA).

The organization is now known as the American Association to Combat Fascism, Racism and Anti-Semitism and is located at 1182 Broadway, Room 1407, according to its flyer of June 24, 1969.

The 1943-1944 American Jewish Year Book reflects that the American Federation for Polish Jews (AFPJ) was founded in 1908, for the purpose of promoting social and cultural activities among its affiliates and guarding and promoting the interests of the Jews in Poland.

A source advised on May 12, 1949, and May 16, 1963, that at the convention of the AFPJ held in New York City, on March 26 and 27, 1949, a "left wing Communist element" was elected to direct the activities of this organization.

On December 20, 1949, the above source reported that the above Federation was under the full control of the "left-wing and progressive elements."

A second source stated on May 17, 1968, that the AFPJ continues to function from its headquarters at 1182 Broadway, Room 1106, New York, New York, and is still controlled by Communists and "left-wingers."

The AFPJ is located at 1182 Broadway, Room 1407, New York, New York.

"The Jewish Fraternalist" dated October, 1947, self-identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), Page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

"The Morning Freiheit" (MF) on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention, it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 4, 1966, a source advised that the ELF was recognized by the Communist Party (CP), United States of America (USA), as an important national organization of women whose leadership was primarily made up of Communists. The source stated the ELF was dedicated to peace, in protecting the rights of foreign born, and against bomb testing, Negro discrimination and the rearmament of West Germany.

The source also stated the ELF renders support to and receives support from the MF and other Jewish progressive organizations.

As of July 23, 1969, the ELF maintained its headquarters in Room 632, 150 Fifth Avenue, New York, New York.

The IWO and JPFO have been designated pursuant to Executive Order 10450.

A second source, on May 20, 1969, described the MF as a Yiddish, Communist newspaper.

Approximately 275 persons were present on February 16, 1969, at the Brotherhood-in-Action Auditorium, for a meeting sponsored by the ELF.

LEAH NELSON, President of the ELF, praised Dr. MARTIN LUTHER KING and Senator ROBERT KENNEDY, stating they were killed fighting for a cause.

NELSON spoke on racism, anti-Semitism and genocide. She stated the ELF would have 60,000 signatures to present to the United States Senate urging the ratification of the United Nations Conventions to eliminate racial discrimination and genocide.

The guest speaker was Congresswoman SHIRLEY CHISHOLM, New York City, the first Negro woman elected to Congress. She spoke against the war in Vietnam, integration, friendship between the black and white people and against genocide. She praised the ELF stating the Jews have helped the black people and said, "we will fight together".

February 17, 1969

LEAH NELSON, writing in the "Morning Freiheit", reported on March 17, 1969, a delegation from the ELF visited the United States Senate in order to have the Senate approve two United Nations treaties against genocide and racism.

She wrote the delegation consisting of ten women including three Negro leaders, were very well received when the delegation personally delivered 60,000 signatures, on petitions to the President and the Senate, to approve the United Nations treaties against genocide and racism.

NELSON stated the delegation was photographed with representatives of Senator WILLIAM FULBRIGHT's staff; it was well received by the secretary of Senator AIKEN of Vermont; and spoke to Senator PROXMIRE of Wisconsin. NELSON concluded her article as follows:

NY 100-104142

"The Emma Lazarus Federation has made an important contribution to this campaign, a positive, historic contribution. We shall continue this important work as progressive women."

A characterization of the "Morning Freiheit" is in the appendix of this report.

Mr. LESTER F. MC CLANAHAN, Management Assistant for the New York Group of the National Parks Service, United States Department of Interior, Liberty Island, on June 12, 1969, advised subject organization, ELF, through its Executive Director, ROSE NELSON RAYNES, arranged to hold its annual ceremony to honor EMMA LAZARUS at the Statue of Liberty, on June 19, 1969.

The "Morning Freiheit" reported the ELF would honor EMMA LAZARUS on her 120th Anniversary of her birthday, June 19, 1969, 1:30 p.m., on Liberty Island, New York. The theme being "Until We Are All Free - None Of Us Are Free". This theme comes from the writing of EMMA LAZARUS. The article quoted LEAH NELSON, President, stating, "This year we are dedicating our recognition of EMMA LAZARUS to unity of the Negro and Jewish people - to put an end to racism, discrimination, and anti-Semitism".

"Morning Freiheit",
June 17, 1969,
Page 2, Columns 1-2

SAS of the FBI, on June 19, 1969, observed the proceedings on Liberty Island, New York, sponsored by the ELF. The proceedings started at 1:30 p.m., with 130 elderly women in the audience. HELEN EPSTEIN, Vice-President of the Brooklyn Council of the ELF, was the Chairlady.

She explained the purpose of the meeting was to celebrate the 120th anniversary of the birth of EMMA LAZARUS, whose poem, "The New Colossus" is inscribed on the base of the Statue of Liberty.

NY 100-104142

EPSTEIN stated the ELF was paying homage to EMMA LAZARUS, the champion of justice and equality. "We try to implement our program to this champion. To safeguard liberty and Jewish-Black unity are the orders of the day. We will fight for justice for all people. We must end the unconstitutional war in Vietnam". She mentioned the ELF helping financially the black hospital workers in South Carolina.

The first speaker was BARBARA COLTON of the American Jewish Congress. COLTON stated her inspiration was the March on Washington in 1963, when she found her identity as a Jew. She stated that today Jews must involve themselves in good relationships between Jews and blacks in all communities. This Jewish-Black relationship is being strained today with the rise of black anti-Semitism. This has come about because of Jewish landlords in the ghettos and the number of Jewish teachers. She claimed Negroes are basically Christians and "anti-Semitism is a disease of Christianity". She stated black power is a search for pride and identity.

The next speaker was FRANKLIN GRAHAM, a Negro, Director of Housing of the New York City Commission on Human Rights. He told the audience "we must build a good society where blacks and whites can move together with dignity".

He stated it is strange while white Americans wish to give freedom to the world, here in America they refuse to give it to black Americans. He claimed if we cannot live together we will all perish together and black racism will not be stopped until racism is taken out of our society.

ROSE RAYNES was the last speaker. She said the ELF is against anti-Semitism, racism and the war in Vietnam. According to RAYNES, the ELF presented 60,000 signatures to the United States Senate urging this government to ratify the United Nations resolution against genocide. She stated the ELF has been in picket lines to support the black hospital workers in South Carolina. In addition, she urged the audience to present themselves on a picket line on June 24, 1969, at the West German Consulate, New York City, to protest West Germany Statute of Limitations against trying German war criminals. The ceremony ended at 3:25 p.m.

IV. MISCELLANEOUS

The ELF joined a number of organizations such as the Jewish Cultural Clubs and Societies, the Yiddisher Kultur Farband, and the "Morning Freineit", in sending a statement to the Polish Embassy in Washington, D.C., to the Polish Mission at the United Nations, to the Communist parties in the European Socialist States and to the Communist parties in Western Europe and the Western Hemisphere.

The statement criticized the government of Poland for its anti-Zionist campaign with anti-Jewish connotations. It stated in Poland, Jews are identified with Zionism. In addition, too harsh a stand is taken with regard to small offenses by people of Jewish extraction, offenses of a kind that is often overlooked in others.

The statement pointed out Jews are given exit permits to go to Israel only so that the records show the emigrants want to go to Israel only, even if they wish to go to other countries. It went on to show how the leading Jewish actress in Poland, due to the anti-Jewish climate and discrimination, left Poland. The statement concluded as follows:

"A thousand years ago Poland extended hospitality to the persecuted Jews of Germany and other European countries. Now, leaders of Poland have brought matters to a point where a thousand years of Jewish life in Poland may be approaching its end. We urge that this tragedy be averted and that Poland be set again upon the course of a truly socialist and humanist approach on the national and Jewish questions."

"The Jewish Fraternalist" dated October, 1947, self-identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), Page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

"The Morning Freiheit" (MF) on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention, it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 4, 1966, a source advised that the ELF was recognized by the Communist Party (CP), United States of America (USA), as an important national organization of women whose leadership was primarily made up of Communists. The source stated the ELF was dedicated to peace, in protecting the rights of foreign born, and against bomb testing, Negro discrimination and the rearmament of West Germany.

The source also stated the ELF renders support to and receives support from the MF and other Jewish progressive organizations.

The ELF National Office was moved and is now located at 150 Fifth Avenue, Room 632, New York, New York.

The IWO and JPFO have been designated pursuant to Executive Order 10450.

JEWISH CULTURAL CLUBS
AND SOCIETIES

A source advised on April 27, 1954, that the former leaders, including GEDALIA SANDLER, Executive Secretary of the Jewish People's Fraternal Order (JPFO), Jewish nationality section of the International Workers Order (IWO), had established a committee at 1133 Broadway, New York, New York. Through this committee they were organizing cultural clubs and societies based on JPFO lodges which had been dissolved on December 15, 1953, in the course of proceedings by the New York State authorities culminating in the liquidation of the IWO.

A second source advised on March 15, 1961, that a meeting of the National Groups Commission of the Communist Party, United States of America (CP, USA) was held on March 2, 1961, in New York City. GEDALIA SANDLER was among those present and spoke of his experiences in maintaining the Jewish lodges after the dissolution of the IWO, which to avoid prosecution, have no national name or organization.

SANDLER stated that these lodges "lived" as clubs and societies by maintaining their cultural, fraternal and civic activities, but which activities are less political than in the former lodges. New York gave leadership to the rest of the country since the New York lodges were the strongest and had the more politically developed comrades.

These clubs and societies still maintain a medical plan, funeral benefits and mutual aid funds. There are about 132 clubs and societies nationally, 63 of which are located in New York City.

A third source furnished information on May 15, 1968, that the clubs and societies are located at 1133 Broadway, room 1429, New York, New York, under the name of the Jewish Program Service Committee, but are more widely known as the Jewish Cultural Clubs and Societies.

The IWO and the JPFO have been designated pursuant to Executive Order 10450.

B. The ELF and Polish Anti-Semitism

LEAH NELSON, as President of the ELF, was a signer with a number of organizations, of a statement adopted November 16, 1968, at a meeting of leaders and activists of New York progressive Jewish organizations held at the Mc Alpin Hotel, New York City. The assembly authorized the sending of the statement to the Polish Embassy in Washington and the Polish Mission at the United Nations, and to the Communist parties in the Western Hemisphere.

The statement criticized the Polish government for its anti-Semitic acts. The statement concluded as follows:

"A thousand years ago Poland extended hospitality to the persecuted Jews of Germany and other countries in Central and Western Europe. Now, leaders of Poland have brought matters to a point where a thousand years of Jewish life in Poland may be approaching its end. We urge that this tragedy be averted and that Poland be set again upon the course of a truly socialist and humanist approach on the national and Jewish questions."

"Jewish Currents," January, 1969
Pages 8-11

A characterization of "Jewish Currents" is in the appendix of this report.

C. The ELF and the War in Vietnam

The "Morning Freiheit" reported the ELF sent a telegram to President JOHNSON with an appeal for faster and effective negotiations in Paris, to result in an immediate end to the war in Vietnam.

In the telegram, the ELF declared it supported the

NY 100-104142

statement by United States Senator GEORGE MC GOVERN who condemned "the sabotage tactics in Paris by the South Vietnamese delegation."

Subject organization, according to the paper, also sent a telegram to Senator MC GOVERN stating it supported completely his condemnation of Vice President KY at the Paris peace talks. The telegram was signed by LEAH NELSON, President of the ELF.

"Morning Freiheit," December 26, 1968
Page 8, Columns 1-2

"Jewish Currents" in an article entitled "Hemispheric Solidarity In Montreal," reported the Hemispheric Conference to End the War in Vietnam, was held in Montreal, Canada, November 28-December 1, 1968. The article stated that the conference was "colorful, intense, unpredictable, tottering on the brink of failure in its early hours, and emerging finally to a victorious and united expression of solidarity with the embattled people of Vietnam, and of condemnation of American colonialist policies in initiating and continuing the war."

The magazine reported present at the conference was a delegation of six from the ELF, headed by MOLLIE GOLDSTEIN, Vice President.

"Jewish Currents," February, 1969
Pages 5-8

D. Miscellaneous

The "Morning Freiheit" reported during the Summer of 1968, a delegation from the ELF delivered to the secretary of ARTHUR J. GOLDBERG, the then United States Ambassador to the United Nations, a petition with seven thousand signatures, which was an appeal to stop racial discrimination in all its forms.

The article pointed out that subject organization adopted a plan to conclude the signature campaign by sending a delegation of members with tens of thousands of signatures

NY 100-104142

on petitions, during 1969, and to deliver them to the White House. The article concluded as follows:

"The members, fighters against anti-Semitism and racism, for peace and justice, are carrying forward the traditions of EMMA LAZARUS, ERNESTINE ROSE and all the heroic women fighters, who helped strengthen the democratic principles of our land."

"Morning Freiheit," November 7, 1968

A characterization of the "Morning Freiheit" is in the appendix.

The magazine "Jewish Currents" included a one-page Hanuka greetings it received from the ELF.

The greeting included a statement the ELF will continue to gather signatures on its petition to the President of the United States and the United States Senate for the ratification of two United Nations treaties, "for the Elimination of Racism and to Prevent the Crime of Genocide."

In response to a letter as to why the
progressive Jews in the United States do
not join in the fund drives of the commu-
nity as a whole, but prefer their own cam-
paigns, the editor of the "Morning Frei-
heit" answered that none of the progressive
organizations in Israel receive the
slightest assistance from any general
funds in that country. He stated they
have been subject to an unjustified boy-
cott beginning with the leadership of
Premier BEN GURION. Mentioned among the
institutions that were receiving their

NY 100-104142

support from abroad was the Agudath Tarbut L'Am. He called for support of that organization since it has suffered destruction in the Arab-Israeli war in the Spring of 1967.

Page 6, Columns 4-5

A characterization of the CCNA, now known as the American Association to Combat Fascism and Racism, is in the appendix of this report.

1.AMERICAN ASSOCIATION TO COMBAT
FASCISM AND RACISM

A source advised on January 25, 1960, that a meeting was sponsored by "The Worker", an east coast Communist newspaper, on January 24, 1960, at the Park Plaza, New York City. EVELYN WIENER, described by the source as the Chairman of the New York County Communist Party (CP), invited the audience to attend a protest meeting to be held in Union Square, New York City, on January 26, 1960, to protest anti-Semitism in West Germany.

A second source, on January 26, 1960, advised that the CP had prepared 6,000 leaflets in connection with anti-Semitism to be distributed at a rally to be held that day at Union Square, New York City. These leaflets, according to the source, were not distributed since the CP was not openly represented at the meeting. However, according to the source, known Communists participated openly in the meeting.

On September 13, 1961, a Special Agent of the Federal Bureau of Investigation, by means of a suitable pretext, spoke to SAM PEVZNER, who stated that he is the public relations officer of the Committee Against Nazism and Anti-Semitism. He stated that the organization initially known as the Committee to Stop the Revival of Nazism and Anti-Semitism, originated as an "ad hoc" committee to sponsor a rally on January 26, 1960, in New York City, to protest the rise of Nazism and anti-Semitism. It is now a continuing organization springing into action when the need arises.

On May 4, 1966, a third source stated that the Committee Against Nazism and Anti-Semitism changed its name to the Committee to Combat Nazism and Anti-Semitism.

A fourth source, on May 17, 1968, advised that the Committee to Combat Nazism and Anti-Semitism is located in Room 1106, 1182 Broadway, New York City, and is now known as the American Association to Combat Fascism and Racism.

This fourth source informed on May 17, 1968, that SAM PEVZNER is a member of the CP, United States of America (CP, USA).

September 22, 1964

In response to a letter as to why the progressive Jews in the United States do not join in the fund drives of the community as a whole, but prefer their own campaigns, the editor of the "Morning Freiheit" answered that none of the progressive organizations in Israel receive the slightest assistance from any general funds in that country. He stated they have been subject to an unjustified boycott beginning with the leadership of Premier BEN GURION. Mentioned among the institutions that were receiving their support from abroad was the Agudath Tarbuth L'am. He called for support of that organization since it has suffered destruction in the Arab-Israeli War in the Spring of 1967.

ROSE RAYNES, Executive Director of the ELF, made arrangements to hold the ELF's annual ceremony to honor EMMA LAZARUS, at the Statue of Liberty, Liberty Island, New York City, at 1:30 PM, on June 20, 1968.

Mr. LESTER F. McCLANAHAN,

June 19, 1968

On June 20, 1968, SAS, FBI, observed the ELF proceedings held in an open area at the flag pole, behind the Statue of Liberty. Approximately 225 elderly women and six men attended the affair.

The proceedings started at 1:50 PM with the singing of the National Anthem.

MOLLIE BERGER GOLDSTEIN described as the First Vice-President of the ELF, was the Chairlady for the occasion. She introduced the first speaker, ANNA T. WITHEY, described as an attorney for the New York City Commission on Human Rights.

WITHEY described the operations of the Human Rights Commission and the services available to women regardless of race, color, or creed. She stated that the Commission will fight any discriminatory practice against a woman being promoted to an executive position because she is a woman. She stated that the Commission is interested in upholding employment rights of women and not such discriminatory practices of some restaurants refusing to serve a woman not accompanied by a male escort, or refusing to rent an apartment to a woman because of her homosexuality.

The next speaker was RUTH TANNENBAUM, introduced as a member of the Brooklyn Division of the American Jewish Committee and a member of its National Board. She stated that she participated in the Poor Peoples March in Washington, D.C., on June 19, 1968. She told the audience that it was proper to talk about Human Rights because EMMA LAZARUS was a champion of human rights. She emphasized

NY 100-104142

that there must be equal opportunity for all in the United States. TANNENBAUM stated that Negroes constitute 18 per cent of the population of New York City but less than 18 per cent hold white collar jobs. The Puerto Ricans with its large population in New York City, hold only two per cent of white collar jobs. She concluded her talk by stating that the old and the young must join forces in fighting for human rights because human rights are the basis for world peace.

VIOLA SCOTT THOMAS of the American Museum of Immigration, was the next speaker. She told the audience that she has a close relationship with the ELF because of the organization's contribution of \$5,000.00 to the museum being built at the base of the Statue of Liberty and her personal relationship with the deceased Executive Director of the ELF, June Gordon. She described the ribbon cutting ceremony when the museum was opened on May 17, 1968, by Mrs. LYNDON B. JOHNSON. She told the gathering that she hopes that the museum will be completed in 1970, and that the ELF will be included in the Hall of Records as one of the donors.

The New York District CP Convention was held June 10-12, 1966, in New York City. At this convention June Gordon was elected to the New York District CP Committee.

NY T-11
June 20, 1966

The last speaker was ROSE RAYNES. In her talk she told the audience that EMMA LAZARUS, the champion of human and civil rights, gave "heart" to the Statue of Liberty with her poem, "The New Colossus" at the base of the Statue of Liberty. She urged all to spread the teachings of EMMA LAZARUS and to supply the city libraries with material concerning EMMA LAZARUS.

According to RAYNES, the ELF will in the Fall, deliver to Congress petitions with 75,000 signatures urging Congress to ratify two United Nations resolutions condemning Genocide and Racism.

NY 100-104142

The ceremony was concluded at 3:10 PM. The audience was invited to visit the American Museum of Immigration.

C. Miscellaneous

The "Morning Freiheit" reported that the ELF issued a press release advising that it had sent a congratulatory letter to the Negro singer EARTHA KITT, for her anti-Vietnam war statement at a reception in the White House. The letter to EARTHA KITT stated in part:

"The courageous stand you took in the White House, on January 18th, fills us all with pride and hope.

"Nobly, honorably and fearlessly you spoke for all peace-loving people in the United States and for all those to whom justice is dear. You stated in conversations with Mrs. JOHNSON and with all the assembled guests, who were invited by Mrs. JOHNSON:

"'You are sending off the best sons of the land to get shot and crippled. American youth is revolting because of the Vietnam war'.

"We are told that when Mrs. JOHNSON rose to speak, there were tears in her eyes. Was this because of the fact that she had sympathy with the young people? We believe not. It was because her beautiful soap-bubbles burst.

"We in the Emma Lazarus Federation of Jewish Women's Clubs thank you and send you our most cordial greetings.

"Respectfully yours,
LEAH NELSON, President,
Emma Lazarus Federation
of Jewish Women's Clubs".

APPENDIX1.AMERICAN ASSOCIATION TO COMBAT
FASCISM AND RACISM

A source advised on January 25, 1960, that a meeting was sponsored by "The Worker", an east coast Communist newspaper, on January 24, 1960, at the Park Plaza, New York City. EVELYN WIENER, described by the source as the Chairman of the New York County Communist Party (CP), invited the audience to attend a protest meeting to be held in Union Square, New York City, on January 26, 1960, to protest anti-Semitism in West Germany.

A second source, on January 26, 1960, advised that the CP had prepared 6,000 leaflets in connection with anti-Semitism to be distributed at a rally to be held that day at Union Square, New York City. These leaflets, according to the source, were not distributed since the CP was not openly represented at the meeting. However, according to the source, known Communists participated openly in the meeting.

On September 13, 1961, a Special Agent of the Federal Bureau of Investigation, by means of a suitable pretext, spoke to SAM PEVZNER, who stated that he is the public relations officer of the Committee Against Nazism and Anti-Semitism. He stated that the organization initially known as the Committee to Stop the Revival of Nazism and Anti-Semitism, originated as an "ad hoc" committee to sponsor a rally on January 26, 1960, in New York City, to protest the rise of Nazism and anti-Semitism. It is now a continuing organization springing into action when the need arises.

On May 4, 1966, a third source stated that the Committee Against Nazism and Anti-Semitism changed its name to the Committee to Combat Nazism and Anti-Semitism.

A fourth source, on May 17, 1968, advised that the Committee to Combat Nazism and Anti-Semitism is located in Room 1106, 1182 Broadway, New York City, and is now known as the American Association to Combat Fascism and Racism.

This fourth source informed on May 17, 1968, that SAM PEVZNER is a member of the CP, United States of America (CP, USA).

APPENDIX1.AMERICAN FEDERATION FOR AID TO POLISH
JEWS OF THE AMERICAN ALLIANCE OF
JEWISH POLISH SOCIETIES, INCORPORATED

The 1943-1944 American Jewish Year Book reflects that the American Federation for Polish Jews (AFPJ) was founded in 1908, for the purpose of promoting social and cultural activities among its affiliates and guarding and promoting the interests of the Jews in Poland.

A source advised on May 12, 1949, and May 16, 1963, that at the convention of the AFPJ held in New York City, on March 26 and 27, 1949, a "left wing Communist element" was elected to direct the activities of this organization.

On December 20, 1949, the above source reported he had been informed by a member of the Communist Party, United States of America (CP, USA) that the above Federation was under the full control of the "left-wing and progressive elements."

A second source stated on May 17, 1968, that the AFPJ continues to function from its headquarters at 1182 Broadway, Room 1106, New York, New York, and is still controlled by Communists and "left-wingers."

EMMA LAZARUS FEDERATION OF
JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self-identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), Page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

"The Morning Freiheit" (MF) on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention, it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 4, 1966, a source advised that the ELF was recognized by the Communist Party (CP), United States of America (USA), as an important national organization of women whose leadership was primarily made up of Communists. The source stated the ELF was dedicated to peace, in protecting the rights of foreign born, and against bomb testing, Negro discrimination and the rearmament of West Germany.

The source also stated the ELF renders support to and receives support from the MF and other Jewish progressive organizations.

The ELF National Office was moved and is now located at 150 Fifth Avenue, Room 632, New York, New York.

The IWO and JPFO have been designated pursuant to Executive Order 10450.

The "Guide to Subversive Organizations and Publications" revised and published as of December 1, 1961, to supersede Guide published on January 2, 1947, prepared

"JEWISH CURRENTS", FORMERLY
KNOWN AS "JEWISH LIFE"

"Jewish Life" for October, 1957, announced that after the October issue, and with the next issue to be published in January, 1958, the magazine was changing its name to "Jewish Currents", because of the claim to the name "Jewish Life" by the magazine "Orthodox Jewish Life".

The May, 1968, issue reported that "Jewish Currents" is published by Jewish Currents, Incorporated, Room 601, 22 East 17th Street, New York City.

Concerning "Jewish Life", the "Guide to Subversive Organizations and Publications", dated December 1, 1961, and prepared by the Committee on Un-American Activities, United States House of Representatives, stated:

- "1. Cited as a Communist-front which 'first appeared in November, 1946, as a monthly published by the Morning Freiheit Association, publishers of the Yiddish Communist daily... Morning Freiheit. The first issue contained this announcement of policy: Jewish Life dedicates itself to strengthening the friendship of the Jewish People with the Soviet Union...' SERVICE BUREAU OF JEWISH EDUCATION

On March 12, 1953, a source made available a pamphlet captioned, "Questions and Answers About the Progressive Jewish Children's Schools", which states that for more than 20 years the children's schools of the Jewish People's Fraternal Order (JPFO) constituted the progressive wing of secular Jewish education.

On March 17, 1951, another source reported that as of January 17, 1951, the school system of the JPFO was then known as the Committee for Progressive Jewish Education (CPJE), the former name being the National School and Cultural Commission of the JPFO.

On September 14, 1955, the second source, mentioned above, advised that on the afternoon of September 13, 1955, the CPJE acceded to the demands of the New York State Department of Insurance as liquidator of the International Workers Order (IWO) that the CPJE surrender itself to the State as an asset of the IWO. The State, on that date, took control and closed the office of the CPJE located in Room 903, 160 Fifth Avenue, New York City.

On January 23, 1956, a third source made available a letter of the Service Bureau of Jewish Education (SBJE), Room 1005, 1123 Broadway, New York City, dated January 19, 1956, which reflected that although "to a certain extent, the attacks on our schools paralyzed our normal contact with you", the SBJE established its own office, opened and is serving all progressive Jewish children's schools.

A fourth source advised on May 17, 1968, that courses in the various progressive children's schools serviced by the SBJE are taught with a Marxist-Socialist philosophy and the SBJE is dominated by the Communist Party (CP) inasmuch as most of the SBJE leadership, as well as many of the school teachers, are either CP members or supporters of the CP.

The current Borough of Manhattan (New York City) Telephone Directory reflects the address of the SBJE as 1123 Broadway, New York City.

In response to a letter as to why the progressive Jews in the United States do not join in the fund drives of the community as a whole, but prefer their own campaigns, the editor of the "Morning Freiheit" answered that none of the progressive organizations in Israel receive the slightest assistance from any general funds in that country. He stated they have been subject to an unjustified boycott beginning with the leadership of Premier BEN GURION. Mentioned among the institutions that were receiving their support from abroad was the Agudath Tarbut L'Am. He called for support of that organization since it has suffered destruction in the Arab-Israeli War in the Spring of 1967.

II GENERAL ACTIVITIES

Criticism of Anti-Semitic Statements Made by Student Non Violent Coordinating Committee (SNCC)

In a press report on August 21, 1967, the ELF revealed the contents of a letter of protest which they had sent to the SNCC, objecting to an anti-Semitic statement which the student organization had recently published.

The letter was signed by Mrs. LEAH NELSON, then President of the ELF, and was addressed to STANLEY WISE, Executive Secretary of SNCC. The letter stated:

"The Emma Lazarus Federation of Jewish Women's Clubs protests very strongly against the astounding and upsetting anti-Semitic article in the June issue of the news letter of the 'Student Non-Violent Co-Ordinating Committee'.

"Such anti-Semitic statements encourage racists and anti-Semites and will bring harm not only to the Jewish masses, but also to the Negro masses in their heroic struggle for equality.

"We are certain that the majority of the Negro people do not agree with your position, as it was expressed in that article, because the just-completed investigation by the 'Anti-Defamation League' of the B'nai B'rith showed that in the city ghettos the majority of the Negroes are actually less anti-Semitic than the other Americans.

"Since its founding, our organization has participated in the struggles for equality, justice and for the elimination of racism, anti-Semitism and all forms of discrimination. We shall continue this just fight.

"We appeal to you to change your position."

Sixth National Convention,
September 15 - 17, 1967

The Sixth National Convention of the ELF was held on September 15 - 17, 1967, at the Sheraton Atlantic Hotel in New York City.

The Friday morning session on September 15, 1967, consisted in the registration of delegates, and adopted the rules of the convention.

The Friday afternoon session featured an address by JACK O'DELL, Associate Editor of "Freedomways" magazine regarding new developments in the Civil Rights Movement in the Jewish community.

In addition, T. H. ~~TETENS~~, author and researcher on German problems and who was associated with the United States War Crimes Commission in Germany during 1946 and 1947, spoke in regard to anti-Semitism.

The key note address was given at the Friday evening session by LEAH NELSON. A report of the dangers of anti-Semitism and the ultra-right was given by ROSE RAYNES, then acting Executive Director of ELF.

The Saturday morning and afternoon sessions on September 16, 1967, heard reports from the delegations throughout the country, which brought out that the main activity of the ELF has been and will continue to be the obtaining of signatures on the ELF Petition to Eliminate Racism by the end of 1968. It was reported that during the recent Arab-Israeli conflict ELF sent \$3,000 in additional funds to the nursery in Israel supported by the ELF, as well as \$500.00 worth of blood plasma.

The convention banquet was held on Saturday evening at the hotel. Guest speakers included MORRIS SCHAPPES, Jewish historian and Editor of "Jewish Currents"; Mrs. AMY SWERDLOW of Women Strike for Peace; and Mrs. LAURA VALDEZ, a Negro attorney and a representative of the National Association for the Advancement of Colored People (NAACP). Mrs. VALDEZ gave a strong speech against the Black Power position. She

NY 100-104142

described the United States as the greatest country in the world and the only country where there is hope for people from all walks of life. She stated that racial problems in the United States cannot be solved by the Negroes alone and they must have the help of the white people.

The Sunday morning session on September 17, 1967, heard the report from the Credentials Committee. There were a total of 258 delegates, alternates, guests and observers at the convention.

The delegation break down was as follows:

<u>District</u>	<u>Delegates</u>	<u>Alternate Delegates</u>
Brooklyn	75	31
Bronx	22	8
Manhattan	12	2
Miami	8	1
New Jersey	8	2

Resolutions were adopted at the convention on peace, the Middle East and Civil Rights. Some resolutions were not completed at the convention and were to be resolved by circularizing them among the clubs for discussion. Included in these resolutions to be so handled were community work, cultural work and anti-Semitism.

(54)
In regard to the Anti-Semitism Resolution, EVA MAMBER, former National Vice-President and a member of the Boston delegation, during the early stages of the convention, and not on the convention floor, fought for a resolution condemning the Soviet Union and their support of the Arab nations in the Israeli-Arab Crisis. MAMBER also wanted the convention to condemn the Soviet Union for anti-Semitism in the Soviet Union. Since this resolution was not in final form, it was sent back to the committee for further editing and was to be circulated later to the ELF Districts and Clubs. MAMBER was the only National officer who was not re-elected at the convention.

The election of officers took place at the Sunday afternoon session.

Several resolutions were adopted at the convention on the topics of peace, the Middle East and Civil Rights.

A resolution on peace adopted by the convention called "upon our government to return our nation to sanity; to halt the senseless killing and destruction; to stem the dangerous irresponsible trend toward provoking China's entry into the conflict...We urge that there be a halt to the further draft and shipment of our young men and to return those in Vietnam to their homes and normal life...We call upon the United States Government to halt the bombing of North Vietnam..."

NY 100-104142

On the Middle East situation: "We reaffirm our stand that Israel is here to stay, to be made secure, democratic and stable...to live in peace with her Arab neighbors...We call upon our government to exert its influence to bring about a just peace in the Middle East. We call upon the Israeli people to appeal to their government to use its initiative and every means possible to change the state of belligerency into a state of peaceful co-existence with all people in the Middle East."

On civil rights the convention stated: "As progressive Jewish women we pledge to leave no stone unturned to eliminate the second class citizenship of the Negro people and to devote ourselves to the work in the legislative field of eliminating the ghettos and slums that keep them imprisoned."

AMERICAN INSTITUTE FOR MARXIST STUDIES

A source advised on April 9, 1963, that on April 7, 1963, at a meeting of the District Committee of the Communist Party, United States of America (CPUSA), of New England, held in Boston, Massachusetts, HERBERT APTHEKER stated he was developing an organization called American Institute for Marxist Studies (AIMS), which would eventually legalize the CP. He stated AIMS would publish literature on History, Science, Physics, Archeology and other subjects which would be put out quarterly with various supplements.

A second source advised on June 30, 1966, that HERBERT APTHEKER was elected to the National Committee, CPUSA, at the 18th National Convention of the CPUSA, held June 22-26, 1966, in New York City.

A third source advised on June 7, 1963, that on June 3, 1963, HERBERT APTHEKER spoke at the CPUSA, New York District Board meeting concerning AIMS. APTHEKER stated that AIMS would unite and strengthen the CP although the CP would not be connected with it. He stated AIMS was being formed to operate within the scope of the McCarran and Smith Acts and would legally bring Marxist material and opinions to the attention of American scholars and the general public.

A fourth source reported on August 29, 1966, that AIMS issues a "Newsletter" every other month. This source also made available the information that AIMS issues publications and holds symposiums concerning Marxism.

A fifth source advised on May 9, 1967, that as of that date, AIMS was located on the fifth floor west of 20 West 30th Street, New York, New York.

COMMITTEE TO COMBAT NAZISM AND ANTI-SEMITISM, Formerly Known As the Committee Against Nazism and Anti-Semitism

A source advised on January 25, 1960, that a meeting was sponsored by "The Worker", an east coast Communist newspaper, on January 24, 1960, at the Park Plaza, New York City. EVELYN WIENER, described by the source as the Chairman of the New York County Communist Party (CP), invited the audience to attend a protest meeting to be held in Union Square, New York City, on January 26, 1960, to protest anti-Semitism in West Germany.

A second source, on January 26, 1960, advised that the CP had prepared 6,000 leaflets in connection with anti-Semitism to be distributed at a rally to be held that day at Union Square, New York City. These leaflets, according to the source, were not distributed since the CP was not openly represented at the meeting. However, according to the source, known Communists participated openly in the meeting.

On September 13, 1961, a Special Agent of the Federal Bureau of Investigation, by means of a suitable pretext, spoke to SAM PEVZNER, who stated that he is the public relations officer of the Committee Against Nazism and Anti-Semitism. He stated that the organization, initially known as the Committee to Stop the Revival of Nazism and Anti-Semitism, originated as an "ad hoc" committee to sponsor a rally on January 26, 1960, in New York City, to protest the rise of Nazism and anti-Semitism. It is now a continuing organization springing into action when the need arises.

On May 4, 1966, a third source stated that the Committee Against Nazism and Anti-Semitism changed its name to the Committee to Combat Nazism and Anti-Semitism.

A fourth source, on May 16, 1967, advised that the Committee to Combat Nazism and Anti-Semitism is located in Room 1106, 1182 Broadway, New York City.

This fourth source informed on May 16, 1967, that SAM PEVZNER is a member of the CP, United States of America.

OF JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self-identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), Page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

"The Morning Freiheit" (MF) on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention, it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 4, 1966, a source advised that the ELF was recognized by the Communist Party (CP) United States of America (USA) as an important national organization of women whose leadership was primarily made up of Communists. The source stated the ELF was dedicated to peace, in protecting the rights of foreign born, and against bomb testing, Negro discrimination and the rearmament of West Germany.

The source also stated the ELF renders support to and receives support from the MF and other Jewish progressive organizations.

The ELF National Office was moved and is now located at 150 Fifth Avenue, Room 632, New York, New York.

The IWO and JPFO have been designated pursuant to Executive Order 10450.

The "Guide to Subversive Organizations and Publications", revised and published as of December 1, 1961, to supersede Guide published on January 2, 1957, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the "Morning Freiheit":

II. GENERAL ACTIVITIES

A. Annual ELF Ceremony at Statue of Liberty, June 20, 1967

The ELF advised that it was holding its annual ceremony at the Statue of Liberty, Liberty Island, New York, at 1:30 p.m. on June 20, 1967, in celebration of the 118th anniversary of the birth of EMMA LAZARUS. Arrangements for the affair were made by ROSE NELSON, the new ELF Executive Director.

LESTER F. MC CLANAHAN
June 20, 1967

On June 20, 1967, SAS of the FBI observed the proceedings of the ELF ceremony which had as its theme the anniversary of the birth of Emma Lazarus and civil rights. The ceremony was held in an open area at the flag pole, behind the Statue of Liberty. Approximately 120 elderly women and five men attended the affair.

The ceremony was opened at 1:45 p.m. with TANYA SANDLER singing the National Anthem.

MOLLIE ILLSON, Civil Rights Director of the ELF, was the Chairlady for the occasion.

NY 100-104142

ILSON paid tribute to EMMA LAZARUS and read a verse from her sonnet "The New Colossus".

ILSON introduced WILLIAM F. KUNSTLER as an attorney for the American Civil Liberties Union in the civil rights field. KUNSTLER stated that the Negro has reached a period in the United States when he is unable to get any of his rights, and because of this, the Negro is now prepared to do what the Israelis have done in the Sinai Desert - some will call it a rebellion. He stated that the Statue of Liberty has faced the open sea to greet new immigrants to the American shore since the turn of the century. The Negro has always faced the back of the Statue and has asked why were the immigrants coming here. The Negro was brought here in slavery while the immigrant chose this land for freedom. The Negro has been in a bondage worse than that of the Israelites, the Negro being forcefully separated from his wife and children.

He stated the Negro has a rocky road to climb by himself, without the aid of the whites and wishes to breathe freely in the eyes of the other people.

KUNSTLER stated the Statue should no longer face the sea. It should be turned around to face the country, to shine on the ghettos of Detroit, Chicago, and Watts.

The Americans, according to him, bear an eternal scar and stigma, and must all atone for the enslavement of the Negro. His enslavement has no equal, whether it would have been under a czar or Hitler. The African boy wonders whether it would have been better for him to die in the Nazi ovens or better to suffer a lifetime as a Negro in the South.

WILLIAM E. KUNSTLER *RY-A*

WILLIAM E. KUNSTLER was introduced as one of the lawyers for MORTON SOBELL at a rally of the Committee to Secure Justice for Morton Sobell (CSJMS) held at Hunter College, New York, New York, on April 11, 1967.

^{S.I}
ILSON introduced JACK O'DELL as the Associate Editor of "Freedomways" magazine. O'DELL stated he had not known of the deeds of EMMA LAZARUS until he read the ELF book "Emma Lazarus - Woman with a Torch".

He related that over a decade has passed since her death and her teachings go unheeded. Racism, genocide, and colonial exploitation are still practiced. He stated that 400,000 people marched on April 15, and the Government responded by escalating the war in Vietnam. There should be an end to the bombing of Vietnamese women and children. The Government should stop plotting the overthrow of so-called unfriendly nations. He concluded by stating that the American people must rededicate themselves to the principles which EMMA LAZARUS lived for.

A characterization of "Freedomways" is contained in the Appendix of this report.

of Arab-Israeli Dispute

for the protection of the security of Israel. The text of the resolution was sent to the United States Ambassador to the United Nations, ARTHUR J. GOLDBERG, and to the Ambassador of the Soviet Union, NIKOLAI FEDORENKO.

The resolution states that, in the name of the thousands of Jewish women, they appeal that all possible steps be taken to immediately stop the blood-spilling in the Middle East and not to permit the destruction of Israel. The resolution points out that most of the inhabitants of Israel are victims of Nazi barbarism and that all they want is to be permitted to live in a world at peace. The masses in Israel, the resolution states, just as the masses in the Arab states, want to live in peace with each other, and that there must be an end to the frightful talk about wiping out Israel.

"We, the members of the national board of the Emma Lazarus Federation of Jewish Women's Clubs, at our meeting on Monday, June 12th, 1967, voiced our heartfelt joy over the fact that the shooting and murder in the Near East came to an end and that Israel was saved from destruction.

"We appeal to you to do everything possible to secure the peace, based on the cease-fire resolution, adopted by the Security Council of the United Nations. Without this the people - the Israelis as well as the Arabs - will suffer additional frightful loss of life of innocent men, women and children.

NY 100-104142

"Through you we appeal to all governments to negotiate all differences and problems. And we also appeal to your great world organization to use its influence and experience to see to it that these negotiations start immediately and that all differences be settled immediately, in order to secure the peace.

AMERICAN FEDERATION FOR AID TO POLISH
JEWS OF THE AMERICAN ALLIANCE OF
JEWISH POLISH SOCIETIES, INCORPORATED

The 1943-1944 American Jewish Year Book reflects that the American Federation for Polish Jews (AFPJ) was founded in 1908, for the purpose of promoting social and cultural activities among its affiliates and guarding and promoting the interests of the Jews in Poland.

A source advised on May 12, 1949, and May 16, 1963, that at the convention of the AFPJ held in New York City, on March 26 and 27, 1949, a "left wing Communist element" was elected to direct the activities of this organization.

On December 20, 1949, the above source reported he had been informed by a member of the Communist Party, United States of America (CP, USA) that the above Federation was under the full control of the "left-wing and progressive elements"

A second source stated on May 16, 1967, that the AFPJ continues to function from its headquarters at 1182 Broadway, Room 1106, New York, New York, and is still controlled by Communists and "left-wingers".

APPENDIX1.AMERICAN INSTITUTE FOR MARXIST STUDIES

A source advised on April 9, 1963, that on April 7, 1963, at a meeting of the District Committee of the Communist Party, United States of America (CPUSA), of New England, held in Boston, Massachusetts, HERBERT APTHEKER stated he was developing an organization called American Institute for Marxist Studies (AIMS), which would eventually legalize the CP. He stated AIMS would publish literature on History, Science, Physics, Archeology and other subjects which would be put out quarterly with various supplements.

A second source advised on June 30, 1966, that HERBERT APTHEKER was elected to the National Committee, CPUSA, at the 18th National Convention of the CPUSA, held June 22-26, 1966, in New York City.

A third source advised on June 7, 1963, that on June 3, 1963, HERBERT APTHEKER spoke at the CPUSA, New York District Board meeting concerning AIMS. APTHEKER stated that AIMS would unite and strengthen the CP although the CP would not be connected with it. He stated AIMS was being formed to operate within the scope of the McCarran and Smith Acts and would legally bring Marxist material and opinions to the attention of American scholars and the general public.

A fourth source reported on August 29, 1966, that AIMS issues a "Newsletter" every other month. This source also made available the information that AIMS issues publications and holds symposiums concerning Marxism.

A fifth source advised on May 9, 1967, that as of that date, AIMS was located on the fifth floor west of 20 West 30th Street, New York, New York.

COMMITTEE TO COMBAT NAZISM AND
ANTI-SEMITISM, Formerly Known As
the Committee Against Nazism and
Anti-Semitism

A source advised on January 25, 1960, that a meeting was sponsored by "The Worker", an east coast Communist newspaper, on January 24, 1960, at the Park Plaza, New York City. EVELYN WIENER, described by the source as the Chairman of the New York County Communist Party (CP), invited the audience to attend a protest meeting to be held in Union Square, New York City, on January 26, 1960, to protest anti-Semitism in West Germany.

A second source, on January 26, 1960, advised that the CP had prepared 6,000 leaflets in connection with anti-Semitism to be distributed at a rally to be held that day at Union Square, New York City. These leaflets, according to the source, were not distributed since the CP was not openly represented at the meeting. However, according to the source, known Communists participated openly in the meeting.

On September 13, 1961, a Special Agent of the Federal Bureau of Investigation, by means of a suitable pretext, spoke to SAM PEVZNER, who stated that he is the public relations officer of the Committee Against Nazism and Anti-Semitism. He stated that the organization initially known as the Committee to Stop the Revival of Nazism and Anti-Semitism, originated as an "ad hoc" committee to sponsor a rally on January 26, 1960, in New York City, to protest the rise of Nazism and anti-Semitism. It is now a continuing organization springing into action when the need arises.

On May 4, 1966, a third source stated that the Committee Against Nazism and Anti-Semitism changed its name to the Committee to Combat Nazism and Anti-Semitism.

A fourth source, on May 16, 1967, advised that the Committee to Combat Nazism and Anti-Semitism is located in Room 1106, 1182 Broadway, New York City.

This fourth source informed on May 16, 1967, that SAM PEVZNER is a member of the CP, United States of America.

The "Morning Freiheit" (MF) on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20, and 21, 1951. FREEDOMWAYS ASSOCIATES, INC.

The records of the New York State Secretary of State, Albany, New York, show that the Certificate of Incorporation of Freedomways Associates, Inc., was filed on March 2, 1961.

On May 24, 1961, a source advised that a report was given on "Freedomways" at a meeting of the National Board, Communist Party, USA (CP, USA), held on May 24, 1961. It was stated that the central purpose of "Freedomways" is to develop a theory and positive criticism of currents in the Negro Movement, as well as to raise the level of understanding and discussion taking place in Negro life today and to project a socialist and pro-Soviet orientation.

On May 25, 1961, a second source advised that "Freedomways" was set up for the CP, USA by JAMES JACKSON.

The First Quarter, 1967, issue of "Freedomways", self-described as "A Quarterly Review of the Negro Freedom Movement" published by Freedomways Associates, Incorporated, 799 Broadway, New York City, lists the following as its editorial staff:

JOHN HENRIK CLARKE, Associate Editor
 ESTHER JACKSON, Managing Editor
 J. H. O'DELL, Associate Managing Editor
 JOHN L. DEVINE, Art Editor

A third source made available information on July 1, 1964, indicating that JOHN HENRIK CLARKE attended the first and founding meeting of the American Institute for Marxist Studies (AIMS) which was held on December 19, 1963, and continued on January 10, 1964.

This source also made available information on August 14, 1964, indicating that CLARKE is an "Associate" of AIM

On July 24, 1963, a fifth source described JOHN DEVINE as a CP member.

A characterization of AIMS is set out separately.

1.JEWISH CULTURAL CLUBS AND SOCIETIES

A source advised on April 27, 1954, that the former leaders, including GEDALIA SANDLER, Executive Secretary of the Jewish People's Fraternal Order (JPFO), Jewish nationality section of the International Workers Order (IWO), had established a committee at 1133 Broadway, New York, New York. Through this committee they were organizing cultural clubs and societies based on JPFO lodges which had been dissolved on December 15, 1953, in the course of proceedings by the New York State authorities culminating in the liquidation of the IWO.

A second source advised on March 15, 1961, that a meeting of the National Groups Commission of the Communist Party, United States of America (CP, USA) was held on March 2, 1961, in New York City. GEDALIA SANDLER was among those present and spoke of his experiences in maintaining the Jewish lodges after the dissolution of the IWO, which to avoid prosecution, have no national name or organization.

SANDLER stated that these lodges "lived" as clubs and societies by maintaining their cultural, fraternal and civic activities, but which activities are less political than in the former lodges. New York gave leadership to the rest of the country since the New York lodges were the strongest and had the more politically developed comrades.

These clubs and societies still maintain a medical plan, funeral benefits and mutual aid funds. There are about 132 clubs and societies nationally, 63 of which are located in New York City.

A third source furnished information on May 15, 1967, that the clubs and societies are located at 1133 Broadway, Room 1429, New York, New York, under the name of the Jewish Program Service Committee, but are more widely known as the Jewish Cultural Clubs and Societies.

The IWO and the JPFO have been designated pursuant to Executive Order 10450.

APPENDIX1.SERVICE BUREAU OF JEWISH EDUCATION

On March 12, 1953, a source made available a pamphlet captioned, "Questions and Answers About the Progressive Jewish Children's Schools", which states that for more than 20 years the children's schools of the Jewish People's Fraternal Order (JPFO) constituted the progressive wing of secular Jewish education.

On March 17, 1951, another source reported that as of January 17, 1951, the school system of the JPFO was then known as the Committee for Progressive Jewish Education (CPJE), the former name being the National School and Cultural Commission of the JPFO.

On September 14, 1955, the second source, mentioned above, advised that on the afternoon of September 13, 1955, the CPJE acceded to the demands of the New York State Department of Insurance as liquidator of the International Workers Order (IWO) that the CPJE surrender itself to the State as an asset of the IWO. The State, on that date, took control and closed the office of the CPJE located in Room 903, 160 Fifth Avenue, New York City.

On January 23, 1956, a third source made available a letter of the Service Bureau of Jewish Education (SBJE), Room 1005, 1123 Broadway, New York City, dated January 19, 1956, which reflected that although "to a certain extent, the attacks on our schools paralyzed our normal contact with you", the SBJE established its own office, opened and is serving all progressive Jewish children's schools.

A fourth source advised on May 15, 1967, that courses in the various progressive children's schools serviced by the SBJE are taught with a Marxist-Socialist philosophy and the SBJE is dominated by the Communist Party (CP) inasmuch as most of the SBJE leadership, as well as many of the school teachers, are either CP members or supporters of the CP.

The current Borough of Manhattan (New York City,) Telephone Directory reflects the address of the SBJE as 1123 Broadway, New York City.

The JPFO, the Jewish Nationality Section of the IWO, and the IWO have been designated pursuant to Executive Order 10450.

The August-September, 1966 issue of "Yiddishe Kultur" carried an article by JUNE GORDON regarding the cultural contributions of the ELF. GORDON stated that the ELF came into being in 1951 when it was felt that culture could become an important weapon against the struggle of Nazism and anti-Semitism. It was also believed that the humanism in Jewish culture and the experience gained in the hundreds of years of struggle to retain their Jewish heritage, could, if they joined with the Negro people and others in their fight for peace and freedom, make an added contribution to Jewish culture and the culture of others.

The petition also sought United States ratification of the 1948 United Nations Convention on Genocide.

The article stated that the petitions were presented to the United States Mission to the United Nations by a delegation of six women, among whom were LEAH NELSON, MOLLIE ILSON, MOLLIE BERGER and MIRIAM SILVER.

NELSON stated for the delegation, that in avoiding approval of the Genocide Treaty, racists are encouraged to murder civil-rights fighters, bomb Negro churches, and invite the murder of Jews and Negroes by the George Lincoln Rockwell Party.

The delegation declared that the ELF would continue the struggle and collect thousands of signatures until the Senate was "forced" to ratify the Genocide Treaty.

APPENDIX

1.

AMERICAN NAZI PARTY OF THE
WORLD UNION OF FREE ENTERPRISE
NATIONAL SOCIALISTS, Also Known
As The George Lincoln
Rockwell Party

In his book "This Time The World", copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader", a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's Party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by ADOLF HITLER. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual", an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first, "to make ourselves known to the masses"; second, "the dissemination of our

"program and truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "the attainment of power through the votes of the newly-won masses".

On August 19, 1966, the source advised that GEORGE LINCOLN ROCKWELL presently believes that he has completed the first two phases in his struggle for power and is well into the third stage, to wit, "the organizing of the people who have been converted to our propaganda". The source added that ROCKWELL had previously believed that he would be elected Governor of Virginia in November, 1965, and when defeated, he made the statement that he was not ready for stage four.

CITIZENS COMMITTEE FOR CONSTITUTIONAL LIBERTIES

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning Citizens Committee for Constitutional Liberties:

"CITIZENS COMMITTEE FOR CONSTITUTIONAL LIBERTIES (NEW YORK CITY)

"1. 'On the basis of its investigations and hearings to date, the committee concludes that the National Assembly for Democratic Rights and a coordinating and organizing group in support thereof, titled the "Citizens Committee for Constitutional Liberties", are Communist fronts. Created, dominated, and controlled by members and officials of the Communist Party, the National Assembly for Democratic Rights and the Citizens Committee for Constitutional Liberties were organized as propaganda devices for the conduct of "mass activity" in support of the avowed objective of "reversal or nonapplication" of the Supreme Court decisions of June 5, 1961, which upheld the constitutionality of the registration and disclosure provisions of the Internal Security Act of 1950 as applied to the Communist Party, and the Smith Act membership clause making punishable active and purposive membership in the Communist Party.

'***The long-range objective of the Citizens Committee for Constitutional Liberties is to serve as the vehicle for concealed Communist participation in, and direction of, propaganda and agitational activities aimed to nullify the Internal Security and Smith Acts

'*** Committee investigation disclosed that the Citizens Committee for Constitutional Liberties was formed on or about June 12, 1961 ***.' (Committee on Un-American Activities, Report and Hearings on Manipulation of Public Opinion by Organizations Under Concealed Control of the Communist Party (National Assembly for Democratic Rights and Citizens Committee for Constitutional Liberties), House Report 1282, Part 1, October 2 and 3, 1961, pp. 137, 143 and 144.)"

APPENDIX1.COMMITTEE TO COMBAT NAZISM AND ANTI-SEMITISM, Formerly known as the Committee Against Nazism and Anti-Semitism

A source advised on January 25, 1960, that a meeting was sponsored by "The Worker," an east coast Communist newspaper, on January 24, 1960, at the Park Plaza, New York City. EVELYN WIENER, described by the source as the Chairman of the New York County Communist Party (CP), invited the audience to attend a protest meeting to be held in Union Square, New York City, on January 26, 1960, to protest anti-Semitism in West Germany.

A second source on January 26, 1960, advised that the CP had prepared 6,000 leaflets in connection with anti-Semitism to be distributed at a rally to be held that day at Union Square, New York City. These leaflets, according to the source, were not distributed since the CP was not openly represented at the meeting. However, according to the source, known Communists participated openly in the meeting.

On September 13, 1961, a Special Agent of the Federal Bureau of Investigation, by means of a suitable pretext, spoke to SAM PEVZNER, who stated that he is the public relations officer of the Committee Against Nazism and Anti-Semitism. He stated that the organization initially known as the Committee to Stop the Revival of Nazism and Anti-Semitism, originated as an "ad hoc" committee to sponsor a rally on January 26, 1960, in New York City, to protest the rise of Nazism and anti-Semitism. It is now a continuing organization springing into action when the need arises.

On May 4, 1966, a third source stated that the Committee Against Nazism and Anti-Semitism changed its name to the Committee to Combat Nazism and Anti-Semitism and is located in Room 1106, 1182 Broadway, New York City.

This third source on May 4, 1966, advised that SAM PEVZNER is a member of the CP, United States of America.

EMMA LAZARUS FEDERATION OF
JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self-identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20, and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 4, 1966, a source advised that the ELF is one of the several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receives support from the "Morning Freiheit" and other Jewish progressive organizations.

The source also stated that the ELF is recognized by the Communist Party, United States of America (CP, USA) as an important progressive national organization of women.

- "1. A 'Communist Yiddish daily.'
(Attorney General FRANCIS BIDDLE,

- "2. 'The Freiheit has been one of the rankest organs of Communist propaganda in this country for almost a quarter of a century.'

"JEWISH CURRENTS," Formerly known as "Jewish Life"

"Jewish Life" for October, 1957, announced that after the October issue, and with the next issue to be published in January, 1958, the magazine was changing its name to "Jewish Currents," because of the claim to the name "Jewish Life" by the magazine "Orthodox Jewish Life."

The May, 1966, issue reported that "Jewish Currents" is published by Jewish Currents, Incorporated, Room 601, 22 East 17th Street, New York City.

Concerning "Jewish Life," the "Guide to Subversive Organizations and Publications," dated December 1, 1961, and prepared by the Committee on Un-American Activities, United States House of Representatives, stated:

- "(1) Cited as a Communist-front which 'first appeared in November, 1946, as a monthly published by the Morning Freiheit Association, publishers of the Yiddish Communist daily...Morning Freiheit. The first issue contained this announcement of policy: Jewish Life dedicates itself to strengthening the friendship of the Jewish people with the Soviet Union...' Its Editor, LOUIS HARAP, has been identified as a Communist in sworn testimony. (Committee on Un-American Activities, Report, Trial by Treason: The National Committee to Secure Justice for the ROSENBERGS and MORTON SOBELL, August 25, 1956, page 93.)"

"NATIONAL GUARDIAN

Approximately 450 people attended the ELF
rally on February 27, 1966. WILLIAM KUNSTLER, Civil
Rights Attorney, spoke on the Civil Rights movement in
the United States and pointed out that only 27 more nations
were needed to ratify the UN Convention Against Discrimination.
He added that no progress will ever be made in such countries
as Rhodesia and the Union of South Africa, where Negroes
are persecuted.

JUNE GORDON spoke on Civil Rights and the
Warsaw Ghetto Uprising commemoration.

NY T-19
February 28, 1966

There were approximately 400 people at the
ELF rally on February 27, 1966. WILLIAM KUNSTLER explained
in detail how the Convention Against Racial Discrimination
would work, and pointed out that this is the first time in
history that "world social law has been adopted on an
international scale". He stated that the United States
should be the first country to ratify this declaration.

JUNE GORDON spoke primarily of the Warsaw Ghetto
Uprising during World War II and related that racism must be
combated everywhere.

CLEVELAND ROBINSON stated that what is needed now
is more action and less talk, and joined with the others
in urging that the United States sign this declaration.
He said that discrimination is mostly a form of political
and economic power structure, and when people realize

NY 100-104142

this they will be aroused and destroy this system. He said it was foolish to claim that the United States is fighting for freedom in Vietnam while there still is racial discrimination at home.

GEDALIA SANDLER dwelt mostly on genocide which began with the slaughter of millions of Jews by Nazis in Europe. He called on all organizations, Jewish, Negro and Puerto Rican, to fight against the killing of Negroes in the United States.

NY T-23
February 28, 1966

The MF of March 2, 1966 contained a report of the rally on February 27, 1966, stating it was attended by 500 people. According to WILLIAM M. KONSTLER, the International Treaty which the General Assembly recently passed, appoints commissions and tribunals in member nations to act on charges of racial discrimination. The second aim of the meeting was to request United States Senate approval of the Genocide Treaty, which declares as an international crime the annihilation of nations. The United States Delegates to the United Nations voted in favor of this treaty in 1948, and the United States is the only big power not having approved it.

B. Annual Affair at Statue of Liberty, June 21, 1966.

The ELF scheduled its annual ceremony at the Statue of Liberty on June 21, 1966, 1:30 p.m., in celebration of the 117th anniversary of the birth of EMMA LAZARUS.

LESTER F. MC CLANAHAN,
Management Assistant
for the New York Group
of the National Park
Service, United States
Department of Interior,
Liberty Island, New York
June 20, 1966

On June 21, 1966, SAS of the FBI observed the proceedings of the ELF ceremony which had as its theme the anniversary of the birth of EMMA LAZARUS. The affair was held at the flag pole in an open area behind the statue and was opened at 1:35 p.m. with the singing of the National Anthem.

NY 100-104142

ROSE NELSON RAYNES, Chairlady, paid tribute to EMMA LAZARUS as a crusader for the rights of Jews and of all people. She stated the issues today are peace, good housing, and civil rights; and called for a negotiated peace in Vietnam to "bring our boys home now". She also asked that Congress adopt the United Nations resolution calling for an end to all forms of racial discrimination in this country and throughout the world. RAYNES stated that the ELF had collected 5,000 signatures on petitions calling for the ratification of the resolution. These petitions would eventually be presented to United States Ambassador to the United Nations, ARTHUR J. GOLDBERG.

RAYNES introduced as guest speaker Dr. GRACE M. JAMES, a pediatrician specializing in mental health and emotional retardation. Dr. JAMES has practiced in Louisville, Kentucky, and was active in the civil rights movement there. She has been attending the Albert Einstein College of Medicine of the Yeshiva University in New York, and will be returning to Kentucky.

Dr. JAMES mentioned she had attended the recent White House Conference on Civil Rights in Washington, D.C., and was pleased with the intentions of the President in holding the conference. Dr. JAMES spoke briefly of the social changes brought about over the years through the efforts of women. She stated that Jews broke away from the ghettos of Europe to come to this country of their own volition and were able to keep their families together, while Negro families were broken up by their slave owners and live in American ghettos. This brought about the unstable condition that exists in the Negro family. All responsibilities are left to the Negro mother, who must not only take care of the home, but must also go to work to support her children. Loneliness causes the Negro woman to gamble, drink, and at time to become promiscuous.

NY 100-104142

Dr. JAMES called upon all present on the occasion to reach out and help others regardless of their race and creed. She stated that they have a challenge to fulfill the rights granted in the Civil Rights laws that were enacted by Congress, since these are the rights of all Americans.

RAYNES introduced LEAH NELSON as National President of the ELF. NELSON stated that on May 17, 1966, the ELF had received engraved invitations for her as National President and for MOLLIE IILSON as the Civil Rights Director of the ELF, to attend the White House Conference on Civil Rights in Washington, D.C. on June 1-2, 1966. NELSON spoke of the proceedings of the conference and was critical of the fact that no commitments were made as to how much would be spent to carry out a program. She stated that she and IILSON attended the workshop of the Committee for Administrative Justice, where IILSON called for the ratification of the United Nations resolution against racial discrimination.

NELSON stated that IILSON had introduced a resolution on the revision of textbooks in public schools, since Negro and Puerto Rican children do not learn of their heritage through the present books. IILSON also called for the establishment of a thousand Day Care Centers throughout the country for Negro children.

NELSON felt that the role played by the ELF at the conference was significant. They were disappointed that no reports of their efforts appeared in the press.

RAYNES introduced CHARLES R. ALLEN, JR. as a journalist and author of the book, "Nazi War Criminals Among Us". ALLEN spoke briefly of the significance of the Statue of Liberty and what it means to the Negro, the Jew and the white person. He called the riots in the Watts section of Los Angeles, in Philadelphia, and in Harlem, New York, general insurrections against discrimination. He asked for an end to all ghettos and second class citizenship for Negroes.

NY 100-104142

ALLEN quoted a statement of JAMES MEREDITH that MEREDITH will be armed the next time he goes to Mississippi. He stated its too bad that people don't like to hear this, but this is the way it will have to be. He stated EMMA LAZARUS would have aligned herself with those in the struggle for civil rights and peace. He further stated that people are getting sick and tired of President JOHNSON's policy in Vietnam. The people intend to use the polls to express their dissatisfaction.

The affair ended at 3:10 p.m. with the singing of "We Shall Overcome". About 250 people were in attendance, the majority of whom were elderly women. The group was urged to observe JUNE GORDON, Executive Director of the ELF, place a wreath beneath a bronze plaque, which carries a sonnet of EMMA LAZARUS, within the pedestal of the statue.

Its major effort centered upon MORTON SOBELL', the ROSENBERGS' codefendant. The National Committee to Secure Justice in the Rosenberg Case - a Communist front which had been conducting the campaign in the United States - was reconstituted as the National Rosenberg - Sobell Committee at a conference in Chicago in October, 1953, and 'then the National Committee to Secure Justice for Morton Sobell in the Rosenberg Case'..."

APPENDIXEMMA LAZARUS FEDERATION OF
JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20, and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 18, 1965, a source advised that the ELF is one of the several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION Government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receive support from the "Morning Freiheit" and other Jewish progressive organizations.

The IWO and JPFO have been designated pursuant to Executive Order 10450.

APPENDIX1.JEWISH CULTURAL CLUBS AND SOCIETIES

A source advised on April 27, 1954, that the former leaders, including GEDALIA SANDLER, Executive Secretary, of the Jewish People's Fraternal Order (JPFO), Jewish nationality section of the International Workers Order (IWO) had established a committee at 1133 Broadway, New York, New York. Through this committee they were organizing cultural clubs and societies based on JPFO lodges which had been dissolved on December 15, 1953, in the course of proceedings by the New York State authorities culminating in the liquidation of the IWO.

A second source advised on March 15, 1961 that a meeting of the National Groups Commission of the Communist Party, United States of America, was held on March 2, 1961, in New York City. GEDALIA SANDLER was among those present and spoke of his experiences in maintaining the Jewish lodges after the dissolution of the IWO, which, to avoid prosecution, have no national name or organization.

SANDLER stated that these lodges "lived" as clubs and societies by maintaining their cultural, fraternal and civic activities, but which activities are less political than in the former lodges. New York gave leadership to the rest of the country since the New York lodges were the strongest and had the more politically developed comrades.

These clubs and societies still maintain a medical plan, funeral benefits and mutual aid funds. There are 132 clubs and societies nationally, 63 of which are located in New York City.

A third source furnished information on May 18, 1965 that the clubs and societies are located at 1133 Broadway, Room 1429, New York, New York, under the name of the Jewish Program Service Committee, but are more widely known as the Jewish Cultural Clubs and Societies.

The IWO and the JPFO have been designated pursuant to Executive Order 10450.

The May, 1965, issue reported that "Jewish Currents" is published by Jewish Currents, Incorporated, Room 601, 22 East 17th Street, New York City.

Concerning "Jewish Life," the "Guide to Subversive Organizations and Publications," dated December 1, 1961, and prepared by the Committee on Un-American Activities, United States House of Representatives, stated:

"National Guardian

- "1. 'established by the American Labor Party in 1947 as a "progressive" weekly * * *. Although it denies having any affiliation with the Communist Party, it has manifested itself from the beginning as a virtual official propaganda arm of Soviet Russia.' 1.APPENDIXSOUTHERN CONFERENCE EDUCATIONAL FUND, INC.

"The Southern Patriot," a monthly publication, shows that it is published by the Southern Conference Educational Fund, Inc. (SCEF).

"The Southern Patriot" was cited as an "organ" of the Southern Conference For Human Welfare (SCHW) by the Committee on Un-American Activities, House Report 592, on the SCHW, June 12, 1947.

The SCHW was cited as a communist front by the Committee on Un-American Activities, House Report 592, June 12, 1947.

An amendment to the charter of the SCHW changed the name of that organization to the SCEF, and listed its purpose as being to improve the educational and cultural standards of the Southern people in accordance with the highest American democratic institutions, traditions, and ideals. The amendment was dated April 26, 1946.

A source advised on March 2, 1961, that CLAUDE LIGHTFOOT, a Communist Party functionary, stated at a meeting of the Communist Party in Baltimore, Maryland, on February 25, 1961, that the Communist Party is not connected with any progressive movement but indirectly they do have some influence in the SCEF.

A second source, who is familiar with some phases of Communist Party activity in the New Orleans area, advised on May 28, 1965, that during the time the SCHW was in existence, Communist Party (CP) members have not been encouraged to work in the SCEF. The source stated the SCEF is a progressive, liberal organization, which he considers a CP front organization because it has gone along with the Communist Party on certain issues, particularly on the racial question.

On May 28, 1965, the second source advised that in the past he has considered JAMES DOMBROWSKI, the Executive Director of the SCEF, to be a communist, if not an actual Communist Party member, because he followed communist principles.

The second source also advised on May 28, 1965, that many people who are officials and members of the SCEF, while liberal in their views, are by no means communists.

APPENDIX1.W. E. B. DU BOIS CLUBS OF AMERICA (DCA)

A source has advised that on October 26-27, 1963, a conference of members of the Communist Party (CP), including national functionaries, met in Chicago, Illinois, for the purpose of settling in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. These delegates were told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W. E. B. DuBois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution are, "It is our belief that this nation can best solve its problems in an atmosphere of peaceful coexistence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-Communism to divide and destroy the unified struggle of the working people."

Over the Labor Day weekend, 1965, the DCA held a conference in Chicago, Illinois, and a new slate of officers was elected to the National Executive Committee (NEC) of the DCA. Since Labor Day, 1965, identities of those serving on the NEC has varied; however, according to a third source as of May, 1966, thirteen of the fifteen members of the NEC were members of the CP in the San Francisco Bay area.

As of May, 1966, the headquarters of the DCA was located at 1830 Fell Street, San Francisco, California.

APPENDIX1.YOUTH AGAINST WAR AND FASCISM

A confidential source advised on March 29, 1965, that the Youth Against War and Fascism (YAWF), formerly known as the Anti-Fascist Youth Committee, was established by the Workers World Party (WWP) in the summer of 1962, to bring college and high school youth into the periphery of WWP activities and thereby gain recruits for the organization.

A second confidential source advised on October 23, 1964, that a flyer distributed by the YAWF describes that organization as a militant organization of young workers and worker-students for combating war and fascism.

The first source advised on March 9, 1966, that the YAWF maintains its headquarters at 58 West 25th Street, New York City, and publishes a magazine called "The Partisan".

CITIZENS COMMITTEE FOR CONSTITUTIONAL LIBERTIES

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning Citizens Committee for Constitutional Liberties:

"CITIZENS COMMITTEE FOR CONSTITUTIONAL LIBERTIES (NEW YORK CITY)

"1. On the basis of its investigations and hearings to date, the committee concludes that the National Assembly for Democratic Rights and a coordinating and organizing group in support thereof, titled the "Citizens Committee for Constitutional Liberties," are Communist fronts. Created, dominated, and controlled by members and officials of the Communist Party, the National Assembly for Democratic Rights and the Citizens Committee for Constitutional Liberties were organized as propaganda devices for the conduct of "mass activity" in support of the avowed objective of "reversal or nonapplication" of the Supreme Court decisions of June 5, 1961, which upheld the constitutionality of the registration and disclosure provisions of the Internal Security Act of 1950 as applied to the Communist Party, and the Smith Act membership clause making punishable active and purposive membership in the Communist Party.

* * * The long-range objective of the Citizens Committee for Constitutional Liberties is to serve as the vehicle for concealed Communist participation in, and direction of, propaganda and agitational activities aimed to nullify the Internal Security and Smith Acts.'

* * * Committee investigation disclosed that the Citizens Committee for Constitutional Liberties was formed on or about June 12, 1961 * * *.' (Committee on Un-American Activities, Report and Hearings on Manipulation of Public Opinion by Organizations Under Concealed Control of the Communist Party (National Assembly for Democratic Rights and Citizens Committee for Constitutional Liberties), House Report 1282, Part 1, October 2 and 3, 1961, pp. 137; 143 and 144.)"

EMERGENCY CIVIL LIBERTIES COMMITTEE

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the Emergency Civil Liberties Committee:

"Emergency Civil Liberties Committee

"1. 'The Emergency Civil Liberties Committee is an organization with headquarters in New York, whose avowed purpose is to abolish the House Committee on Un-American Activities and discredit the FBI. * * * The committee finds that the Emergency Civil Liberties Committee, established in 1951, although representing itself as a non-Communist group, actually operates as a front for the Communist Party. It has repeatedly assisted, by means of funds and legal aid, Communists involved in Smith Act violations and similar legal proceedings. One of its chief activities has been and still is the dissemination of voluminous Communist propaganda material.'

'FRANK WILKINSON was called as a witness when he appeared in Atlanta as a representative of the Emergency Civil Liberties Committee to propagandize against the Committee on Un-American Activities and to protest its hearings. In 1956 WILKINSON was identified as a Communist Party member by a former FBI undercover agent within the Party. Summoned at that time to answer the allegation, his reply to all questions was, "I am answering no questions of this committee." This also became his stock reply to questions when he appeared during the Atlanta hearings. * * * WILKINSON has since been convicted of contempt of Congress and sentenced to one year in jail.

2.

EMERGENCY CIVIL LIBERTIES COMMITTEE (CONT'D)

'Disputing the non-Communist claim of the organization, the committee finds that a number of other individuals connected with the ECLC also have been identified under oath as Communists.

* * *

(Committee on Un-American Activities, Annual Report for 1958, House Report 187, March 9, 1959, pp. 34 and 35.)

'To defend the cases of Communist law-breakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the * * * Emergency Civil Liberties Committee. When the Communist Party itself is under fire these fronts offer a bulwark of protection.'

APPENDIXEMMA LAZARUS FEDERATION OF
JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20, and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 18, 1965, a source advised that the ELF is one of the several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION Government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receive support from the "Morning Freiheit" and other Jewish progressive organizations.

APPENDIX1.JEWISH CULTURAL CLUBS AND SOCIETIES

A source advised on April 27, 1954, that the former leaders, including GEDALIA SANDLER, Executive Secretary, of the Jewish People's Fraternal Order (JPFO), Jewish nationality section of the International Workers Order (IWO) had established a committee at 1133 Broadway, New York, New York. Through this committee they were organizing cultural clubs and societies based on JPFO lodges which had been dissolved on December 15, 1953, in the course of proceedings by the New York State authorities culminating in the liquidation of the IWO.

A second source advised on March 15, 1961 that a meeting of the National Groups Commission of the Communist Party, United States of America, was held on March 2, 1961, in New York City. GEDALIA SANDLER was among those present and spoke of his experiences in maintaining the Jewish lodges after the dissolution of the IWO, which, to avoid prosecution, have no national name or organization.

SANDLER stated that these lodges "lived" as clubs and societies by maintaining their cultural, fraternal and civic activities, but which activities are less political than in the former lodges. New York gave leadership to the rest of the country since the New York lodges were the strongest and had the more politically developed comrades.

These clubs and societies still maintain a medical plan, funeral benefits and mutual aid funds. There are 132 clubs and societies nationally, 63 of which are located in New York City.

A third source furnished information on May 18, 1965 that the clubs and societies are located at 1133 Broadway, Room 1429, New York, New York, under the name of the Jewish Program Service Committee, but are more widely known as the Jewish Cultural Clubs and Societies.

The IWO and the JPFO have been designated pursuant to Executive Order 10450.

II. PROGRAM AND
GENERAL
ACTIVITIES

A. ELF Annual Ceremony At
Statue Of Liberty
June 23, 1965

NY 100-104142

On June 22, 1965, LESTER F. MC CLANAHAN, Management Assistant for the New York Group of the National Park Service, United States Department of the Interior, Liberty Island, New York, advised that the ELF was holding its annual ceremony at the Statue of Liberty on June 23, 1965, 1:30 p.m., in celebration of the 116th Anniversary of the birth of EMMA LAZARUS.

LESTER F. MC CLANAHAN
June 22, 1965

On June 23, 1965, SAS of the FBI observed the proceedings of the ELF ceremony which had as its theme the anniversary of the birth of EMMA LAZARUS; the 100th anniversary of the end of the Civil War and slavery; and the 100th anniversary of Modern Yiddish Literature. The affair was held at the flag pole in an open area behind the statue and was opened at 1:40 p.m. with the singing of the National Anthem.

JUNE GORDON, ELF Executive Director, as chairlady, spoke briefly of the deeds of EMMA LAZARUS in the struggle against anti-Semitism.

GORDON introduced LEAH NELSON, ELF President, who stated that some ELF members had gone to Washington, D. C., in the morning, in a "walk" for the end of the war in Vietnam, sponsored by the Women Strike For Peace. She and others would have joined the walk had not this ceremony been previously scheduled. She stated that all peace-loving Americans had joined with the Women Strike For Peace on June 8, 1965, at Madison Square Garden to cry out for peace.

NY 100-104142

NELSON stated that the ELF is dedicated to end the shame of discrimination and anti-Semitism; and dedicated to end the second class citizenship of the Negro. Quoting from EMMA LAZARUS, she stated "until we are all free--none of us are free". NELSON stated the ELF wants an end to Birchites and Nazis, and concluded with a declaration of the ELF that it is devoted to bring about peace and happiness; and bring about justice and freedom to the Negro people.

IRENE KLEBANSKY, a teacher for the Progressive Jewish Children's Schools of the Service Bureau of Jewish Education (SBJE), was the next speaker and was critical of religious Jews. She spoke on the theme of the 100th anniversary of Modern Yiddish Literature.

RUTH G. GORING, Assistant to Brooklyn Borough President ABRAHAM STARK, paid tribute to EMMA LAZARUS and spoke of the role of women both Negro and white, who have fought various oppressors throughout history. She stated that the most conspicuous of the minorities is the Negro. She stated that today more than 100 years after the Civil War, we are fighting a civil rights war. The brunt of lack of education is borne by the Negro people. The lack of equal economic opportunity hinders them. Changes will have to be made in the struggle for civil rights. She stated the time for commitment and action is now. "We should all ask what can I do."

JUNE GORDON called for a vote, which was unanimous, that a telegram be sent calling for the withdrawal of all expenditures on war materials and that the money be used to build homes and schools, hospitals, and parks to end segregation. She stated that then "we will have no enemies."

NY 100-104142

GORDON made no mention as to whom the telegram would be directed but it was apparent from her comments that it would be intended for President LYNDON B. JOHNSON.

The ceremony ended at 2:55 p.m.

LOUIS J. HAFNER, Supervisory Ranger, National Park Service, estimated that there were about 200 individuals in attendance, including several elderly men. He also stated that very few of the visitors to the site observed the ceremony.

NY T-9 and NY T-10
June 21, 1965

Women Strike For Peace had reserved six coaches on Train Number 111 for about 400 people on a New York to Washington, D.C. Train leaving New York City, 8:00 a.m., June 23, 1965, and returning the same date at 6:00 p.m. The Women Strike For Peace planned to have buses waiting at Union Station in Washington, D.C., to transport them to the White House where they were to picket for one hour protesting the War in Viet Nam. They were thereafter going by bus to the United States Capitol Building for a demonstration.

III. CONNECTIONS WITH
THE CP, USA

A meeting of the New York District CP Board was held on February 8, 1965, at 853 Broadway, Room 15G, New York City, which was attended by JUNE GORDON. ROBERT THOMPSON, Organizer, New York District (NYD) CP, gave the main report at the meeting on the subject of Viet Nam.

THOMPSON stated that the people in South Viet Nam needed to be liberated and that imperialism was still strong there, holding back their liberty. He stated the imperialistic countries will never win and North Viet Nam will triumph in the end.

He stated the main question is what can we do to dramatize the situation in Viet Nam. He suggested that action should be taken by students in the City Colleges, and also that discussions be set up by civil rights leaders, peace leaders, and trade union leaders.

THOMPSON suggested that they should get someone to place an ad in "The New York Times" against the war in Viet Nam. He also suggested that telegrams be sent to Senators, and Congressmen in Washington, D.C., denouncing the situation in Viet Nam.

NY T-2
February 12, 1965

The informant furnished a mimeographed letter of the ELF dated February 9, 1965, over the name of JUNE

NY 100-104142

GORDON, ELF Executive Director, captioned "Urgent for Immediate Action on Viet Nam." The letter was addressed to "Dear Sisters" and stated the following:

"Whatever you have already done regarding the alarming developments in and around Viet Nam it CANNOT BE ENOUGH!

"We are rushing this to you to engage your efforts and those of your Club Executive to contact your total membership by telephone to:

- 1 - Send telegrams IMMEDIATELY to President JOHNSON protesting the bombing of North Viet Nam (see sample messages).
- 2 - Engage your total membership in efforts to move their relatives, neighbors and co-workers at their place of employment, to send similar telegrams to President JOHNSON.
- 3 - Contact all local Religious and Community leaders for similar action.
- 4 - Check with all local peace groups on their plans and rally your club membership for cooperation in all public events such as -
 - - NEIGHBORHOOD WALKS
 - - CITY-WIDE DEMONSTRATIONS

"TO MAKE THE ABOVE POSSIBLE set up a COMMITTEE to telephone all members for action on short notice.

- 5 - PLAN AN EMMA LAZARUS CLUB PUBLIC MEETING for your neighborhood, or a meeting sponsored by several clubs, if this will enable you to plan

NY 100-104042

"a larger and more successful meeting to rally your neighborhood for action.

"Recalling your vigorous participation in the defeat of GOLDWATER who called for a policy of "nuclear defoliation". In Viet Nam, we are confident you will NOW go all out to STRENGTHEN the President by acting, together with all peace loving Americans, to help him carry out the mandate of the people for Peace through negotiation with all the nations concerned over Viet Nam."

NY T-11
February 12, 1965

ELF members were to be asked to send telegrams to President LYNDON B. JOHNSON, urging the recall of United States troops from Viet Nam. Sample telegrams for club members had been received from the National Office of the ELF.

1.APPENDIXAFTON TOURS, INCORPORATED

Records of the Foreign Agents Registration Section (FARS), Department of Justice, Washington, D.C., reflect that ALEXANDER SVENCHANSKY registered Package Express and Travel Agency, Incorporated, Brooklyn, New York, on February 24, 1958, as an agent of Intourist Limited, Moscow, USSR. The purpose of the business was given as transmitting parcels to citizens of the USSR. SVENCHANSKY named Afton Tours, Incorporated, 1776 Broadway, New York City, as a branch of Package Express and Travel Agency.

FARS records reflect further that Afton Tours was registered individually as an Intourist agent from May 1, 1959, to December 24, 1960, when the registration was terminated by action of the FARS. Package Express and Travel Agency, as of August 7, 1964, continues to be registered with the FARS.

A source advised during the Fall of 1964 that Afton Tours continues to operate from 1776 Broadway, New York City, and that the bulk of its business consists of arranging tours for groups and individuals to the USSR. According to the source, most of Afton Tours' group tours are sponsored by Communist front organizations. In addition, the source stated that nationally known Communist Party leaders have used Afton Tours for both domestic and foreign travel.

ALEXANDER SVENCHANSKY was linked with a Soviet espionage ring in testimony before the Senate Internal Security Sub-Committee on November 2, 1953, by HARRY GOLD, confessed atomic spy.

1.APPENDIXAMERICAN FEDERATION FOR AID TO
POLISH JEWS OF THE AMERICAN
ALLIANCE OF JEWISH POLISH
SOCIETIES, INCORPORATED

The 1943-1944 American Jewish Year Book reflects that the American Federation For Polish Jews (AFPJ) was founded in 1908 for the purpose of promoting social and cultural activities among its affiliates and guarding and promoting the interests of the Jews in Poland.

A source advised on May 12, 1949, and May 16, 1963, that at the convention of the AFPJ held in New York City on March 26 and 27, 1949, a "left-wing Communist element" was elected to direct the activities of this organization.

On December 20, 1949, the above source reported he had been informed by a member of the Communist Party, United States of America (CPUSA), that the above Federation was under the full control of the "left-wing and progressive elements."

The same source stated on October 29, 1964, that the AFPJ continues to function from its headquarters at 1182 Broadway, Room 1106, New York, New York, and is still controlled by Communists and "left-wingers."

APPENDIXCITIZENS COMMITTEE FOR
CONSTITUTIONAL LIBERTIES

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning Citizens Committee for Constitutional Liberties:

"CITIZENS COMMITTEE FOR CONSTITUTIONAL
LIBERTIES (NEW YORK CITY)

- "1. 'On the basis of its investigations and hearings to date, the committee concludes that the National Assembly for Democratic Rights and a coordinating and organizing group in support thereof, titled the "Citizens Committee for Constitutional Liberties," are Communist fronts. Created, dominated, and controlled by members and officials of the Communist Party, the National Assembly for Democratic Rights and the Citizens Committee for Constitutional Liberties were organized as propaganda devices for the conduct of "mass activity" in support of the avowed objective of "reversal or nonapplication" of the Supreme Court decisions of June 5, 1961, which upheld the constitutionality of the registration and disclosure provisions of the Internal Security Act of 1950 as applied to the Communist Party, and the Smith Act membership clause making punishable active and purposive membership in the Communist Party.

'* * * The long-range objective of the Citizens Committee for Constitutional Liberties is to serve as the vehicle for concealed Communist participation in, and direction of, propaganda and agitational activities aimed to nullify the Internal Security and Smith Acts.'

2.APPENDIXCITIZENS COMMITTEE FOR CONSTITUTIONAL
LIBERTIES (CONT'D)

' * * * Committee investigation disclosed that the Citizens Committee for Constitutional Liberties was formed on or about June 12, 1961 * * * (Committee on Un-American Activities, Report and Hearings on Manipulation of Public Opinion by Organizations Under Concealed Control of the Communist Party (National Assembly for Democratic Rights and Citizens Committee for Constitutional Liberties), House Report 1282, Part 1, October 2 and 3, 1961, pp. 137, 143 and 144.)"

1.APPENDIXCOMMITTEE TO COMBAT NAZISM
AND ANTI-SEMITISM, Formerly
known as the Committee Against
Nazism And Anti-Semitism

A source advised on January 25, 1960, that a meeting was sponsored by "The Worker," an east coast Communist newspaper, on January 24, 1960, at the Park Plaza, New York City. EVELYN WIENER, described by the source as the Chairman of the New York County Communist Party (CP), invited the audience to attend a protest meeting to be held in Union Square, New York City, on January 26, 1960, to protest anti-Semitism in West Germany.

A second source on January 26, 1960, advised that the CP had prepared 6,000 leaflets in connection with anti-Semitism to be distributed at a rally to be held that day at Union Square, New York City. These leaflets, according to the source, were not distributed since the CP was not openly represented at the meeting. However, according to the source, known Communists participated openly in the meeting.

On September 13, 1961, a Special Agent of the Federal Bureau of Investigation by means of a suitable pretext, spoke to SAM PEVZNER, who stated that he is the public relations officer of the Committee Against Nazism and Anti-Semitism. He stated that the organization initially known as the Committee To Stop The Revival of Nazism and Anti-Semitism, originated as an "ad hoc" committee to sponsor a rally on January 26, 1960, in New York City, to protest the rise of Nazism and anti-Semitism. It is now a continuing organization springing into action when the need arises.

On February 9, 1965, a Special Agent of the Federal Bureau of Investigation through a suitable pretext, was told by SAM PEVZNER that the Committee Against Nazism And Anti-Semitism changed its name recently to the Committee To Combat Nazism And Anti-Semitism and had moved to Room 1106, 1182 Broadway, New York City.

A third source on May 14, 1964, advised that SAM PEVZNER was a member of the CP, USA, at that time.

APPENDIXEMMA LAZARUS FEDERATION OF
JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report of the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. At this convention it was noted that the ELD changed its name to Emma Lazarus Federation of Jewish Women's Clubs (ELF) and adopted a new constitution.

On May 14, 1964, a source advised that the ELF is one of several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.

The source stated that the ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the BEN GURION Government of Israel, bomb testing, anti-Semitism, Negro discrimination, and the rearmament of West Germany.

The source related that the ELF renders support to and receives support from the "Morning Freiheit" and other Jewish progressive organizations.

The source also stated that the ELF is recognized by the CP, USA, as an important progressive national organization of women.

The address of the national office of the ELF is 160 Fifth Avenue, Room 911, New York City.

JEFFERSON BOOK SHOP, INCORPORATED

A source provided information in the spring of 1945 which indicated that the Jefferson Book Shop, Incorporated, (JBS) had officially opened on April 1, 1944.

The records of the New York County Supreme Court reflected that on December 3, 1946, papers were filed with the Department of State, State of New York, incorporating the JBS, Incorporated, to sell books and magazines at wholesale and retail among other purposes.

LOUIS F. BUDENZ, former Managing Editor of the "Daily Worker," an East Coast Communist newspaper which suspended publication on January 13, 1958, and a self-admitted member of the Communist Party (CP) until 1945, advised in March, 1947, that the JBS was one of a number of outlets for Communist Party literature which had been set up by the CP.

A second source advised on February 14, 1961, that at a meeting of the New York District CP Staff held that date, DANIEL RUBEL gave a report on the operation of the JBS. He announced that it had shown a small profit in 1960 and that approximately 35 per cent of the sales was of Marxist - Progressive material. A number of suggestions were advanced by those present to improve the sales of CP literature at the JBS and it was announced that 63 young people, who had come into contact with the party through the JBS, were thinking about joining the party and some were recruits into the party.

A third source advised on February 1, 1961, that on that date HY LUMER, CP, USA Educational Director, referred to DANIEL RUBEL as being in charge of literature distribution of the New York District of the CP, USA.

The Address Telephone Directory for the Borough of Manhattan, New York City, as published by the New York Telephone Company on April 20, 1964, lists the JBS as being located at 100 East 16th Street, New York City.

APPENDIXSERVICE BUREAU OF JEWISH EDUCATION
Also known as Service Bureau For
Jewish Education, Jewish Education
Service, Committee For Progressive
Jewish Education

On March 12, 1953, a source made available a pamphlet captioned, "Questions and Answers About The Progressive Jewish Children's Schools," which states that for more than twenty years the children's schools of the Jewish People's Fraternal Order (JPFO) constituted the progressive wing of secular Jewish education.

On March 17, 1951, another source reported that as of January 17, 1951, the school system of the JPFO was then known as the Committee for Progressive Jewish Education (CPJE), the former name being the National School and Cultural Commission of the JPFO.

On September 14, 1955, the second source, mentioned above, advised that on the afternoon of September 13, 1955, the CPJE acceded to the demands of the New York State Department of Insurance as liquidator of the International Workers Order (IWO) that the CPJE surrender itself to the State as an asset of the IWO. The State, on that date, took control and closed the office of the CPJE located in Room 903, 160 Fifth Avenue, New York City.

On January 23, 1956, a third source made available a letter of the Service Bureau of Jewish Education (SBJE), Room 1005, 1123 Broadway, New York City, dated January 19, 1956, which reflected that although "to a certain extent, the attacks on our schools paralyzed our normal contact with you," the SBJE established its own office, opened and is serving all progressive Jewish children's schools.

A fourth source advised on May 14, 1964, that courses in the various progressive children's schools serviced by the SBJE are taught with a Marxist-Socialist philosophy and the SBJE is dominated by the Communist Party (CP) inasmuch as most of the SBJE leadership, as well as many of the school teachers, are either CP members or supporters of the CP.

The ELF, in an undated letter from JUNE GORDON, stated that funds were needed in the 1961 Fund Drive to help carry through two major campaigns, in addition to the ELF's standing obligation for the support of the Emma Lazarus Day Nursery in Israel and the "cultural and other services" the Federation must provide for the clubs. The letter stated that the two major projects are the campaign for an amendment to provide a Statute of Limitations on the Walter-Mc Carran Law and the Centenary of the Civil War, with particular emphasis upon the role of the Jewish people in the historic event.

The letter stated that the ELF had 25,000 copies of the folder, "For Your Loved Ones," printed for mass distribution in relation to the petition drive for 25,000 signers. In addition, MOLLIE ILSON went on a tour to Los Angeles to help launch the petition drive.

The letter also stated that the ELF will invest more than \$1,000 in the production of material to bring forward the role of the Jewish people in the Civil War, through projects in junior high schools, high schools, public libraries and community centers.

(NY T-1, January 25, 1961)

NY 100-104142

On April 5, 1961, JUNE GORDON spoke about the financial condition of the ELF. She stated that the Federation has 2000 members from whom it receives \$1.60 per member each year, or a total of \$3,200.00, which is not enough to pay her wages of \$3,900.00. She stated that the ELF has one technical secretary in its office and pays \$150.00 per month in rent. She stated that of the money raised in Fund Drives, 25 per cent or \$2,000.00 goes to Israel.

(NY T-9, April 5, 1961)

E. Membership

The informant furnished the following membership figures of the ELF:

	<u>1959</u>	<u>1960</u>
Bronx	199	202

Total	2,004	2,069

(NY T-1, May 17, 1961)

On April 5, 1961, GORDON stated that the ELF has 2000 members and had hoped to build its membership up another 1,000 members. She attributed their lack of success in getting new members to the difficulty in getting younger people interested in their work.

(NY T-9, April 5, 1961)

NY 100-104142

F. "The Lamp", Official Publication

The ELF Cultural Committee decided against preparing a calendar of program suggestions for this year because it was determined that there was no need for the calendar. Only one issue of "The Lamp", official ELF publication, was published during the year because of the lack of material received from local clubs for the publication, and because its value to the clubs was never acknowledged by the clubs.

(NY T-1, March 22, 1961)

II. PROGRAM AND GENERAL ACTIVITIES

A. Fourth National Convention,
November 3 - 5, 1961

The ELF issued an "Action Letter" dated February 7, 1961, in preparation for its Fourth National Convention in celebration of the 10th anniversary of the ELF. The convention is scheduled to be held at the George Washington Hotel, 23rd Street and Lexington Avenue, New York City, on November 3, 4, and 5, 1961.

According to the letter, convention delegates will be elected on the basis of one delegate for every 10 club members and major fraction thereof. Fares and hotel costs for out-of-town delegates will be paid for by the organization, which has estimated the convention costs as close to \$3,000.00.

The letter states that the ELF has allocated the delegations for which it will finance fare and hotel costs as follows:

	<u>Delegates</u>
Los Angeles	5
San Francisco	1

NY 100-104142

	<u>Delegates</u>
Chicago	6
Detroit	2
Miami	2
Boston and environs	6
Washington, D.C.	1
New Haven	3
Lakewood, New Jersey	2
Newark, New Jersey	4
Paterson, New Jersey	3
Toms River, New Jersey	2

The letter states that the organization is able to finance the convention as a result of a resolution adopted at its last convention, that each club raise through a fund raising event the sum of one dollar for each member in 1959 and 1960. It states that as of then very few clubs had fulfilled their obligations in forwarding the convention funds.

(NY T-1, February 8, 1961)

B. JUNE GORDON Defense Committee

The ELF Executive Board met on August 8, 1960, in regard to the Deportation Order of the Immigration and Naturalization Service (INS) against JUNE GORDON. The meeting adopted a plan to issue a statement for the ELF to help organize a June Gordon Defense Committee, and launch an ELF petition campaign for an amendment to the Walter-Mc Carran Law.

According to the informant, the ELF as such could not undertake the expense of her legal defense. However, due to the response of New York club executives, funds were to be solicited from club members and friends in the month of September, since the ELF organizational fund drive takes place in October.

NY 100-104142

C P memo

C. Petition Campaign for Statute of Limitations
Amendment on Walter-Mc Carran Law

The January, 1961 issue of "Jewish Currents" contained an article stating that a petition calling upon Congress to amend the Walter-Mc Carran Law to provide for a five year but not more than a ten year statute of limitations within which proceedings for

NY 100-104142

deportation must be instituted, was being circulated by the ELF. The article stated that the campaign for 25,000 signatures was launched in November, 1960, and the petitions were to be presented to Congress not later than March, 1961.

Emma Lazarus clubs and community delegations were to visit local congressmen to solicit support for the amendment.

("Jewish Currents", January, 1961,
pages 28 and 29)

A characterization of "Jewish Currents"
is contained in the Appendix hereto.

By letter dated February 17, 1961, the ELF announced a club leadership meeting on Tuesday, March 14, 1961, 1:00 p.m. at the ELF office, 160 Fifth Avenue, Room 911, New York City. According to this letter, some progress was being made in support of amendments to the Immigration Laws by the ELF and other organizations and individuals, including Congressmen and State Assemblymen.

The meeting was called to discuss these developments and organize themselves for an all out drive on the ELF petitions. Completed petitions were to be brought to the meeting.

(NY T-1, February 20, 1961)

On March 3, 1961, JUNE GORDON was preparing to advise the Emma Lazarus Clubs of Washington, D.C. that she was going there on a "personal" errand and while there wished to join them in a club meeting.

(NY T-1, March 6, 1961)

- 15 -

NY 100-104142

By letter dated March 28, 1961, over the name of JUNE GORDON, ELF club members were advised that the deadline of the petition drive had been extended to May 1st.

The letter stated that with the help of their members, it would be possible to have a mass delegation of ELF members present the petitions to the Joint Congressional Committee on Immigration and Nationality Policy and to President JOHN F. KENNEDY sometime in May, preferably on the eve of Mother's Day.

(NY T-1, March 30, 1961)

As of March 30, 1961, MOLLIE ILSON was preparing to write a letter to Congressman EMANUEL CELLER to congratulate him as a new member of the Joint Committee on Immigration and Nationality Policy, and to convey to him how it was always her pleasure to have met him when receiving delegations from his constituents.

The letter was to include enclosures of copies of an ELF folder ("For Your Loved Ones - For Your Own Protection") and a petition, both dealing with the need of a statute of limitations in the Walter-Mc Carran Act. His comments or advice were requested.

Congressman CELLER was also being requested to furnish the ELF available material and drafts of bills or amendments on the subject of immigration.

(NY T-1, March 30, 1961)

In March, 1961, the ELF prepared for its membership sample letters for addressing to organizations and newspaper editors of readers' columns, and sample press releases for ELF clubs regarding the ELF petition campaign.

(NY T-1, March 30, 1961)

NY 100-104142

This informant furnished a copy of the ELF pamphlet "For Your Loved Ones - For Your Own Protection".

(NY T-12, January 24, 1961)

This informant furnished a copy of the above pamphlet and the ELF "Petition for a Statute of Limitations on Deportation and Denaturalization".

(NY T-13, April 6, 1961)

On April 5, 1961, JUNE GORDON spoke of the need for a Statute of Limitations on the Walter-Mc Carran Law and how it is part of the program of obtaining civil rights for all the people in the United States. She stated the ELF had collected about 20,000 signatures on a petition for such a statute and had 50,000 copies of a folder printed at the cost of \$600.00, which shows how the law is a denial of one's civil rights.

GORDON stated that they intend to present the petitions to either President JOHN F. KENNEDY or Congress. Since their quota of signatures had not been reached, they were extending the deadline to May or even November, when it could become a highlight of the ELF Convention.

GORDON stated that one of the reasons she came to Washington, D.C. was to see if there was anyway that the amendment could be speeded in Congress. She stated she believed that Congressman EMANUEL CELLER would be very helpful in this regard.

(NY T-9, April 5, 1961)

NY 100-104142

On May 17, 1961, the clubs were advised that the Executive Committee had resolved to extend the petition campaign to October and to elect a national delegation at its convention to present the petitions to an appropriate committee in Congress on Monday, November 6, 1961, and to canvass Congressmen. The clubs were advised that several bills to amend the law had been introduced in the House of Representatives and in the Senate. The clubs were, therefore, urged to intensify their efforts in the petition campaign and organize a letter campaign to Congressmen calling for action in support of public hearings on all these bills.

The clubs were also advised that though the Los Angeles and Miami clubs have turned in the largest number of petitions in proportion to their membership, only half of their goals were achieved.

(NY T-1, May 18, 1961)

D. Civil War Centennial
Activities

As of March 24, 1961, the ELF was preparing to send a letter over the name of MOLLIE ILSON, ELF President, to a member of the Civil War Centennial Commission.

The letter expressed the satisfaction of the ELF in that this member of the Commission was scheduled to speak on the subject of "Recognition of the Outstanding Role of Women in the Civil War" at the National Assembly of the Commission being held at Charleston, South Carolina, on April 11 and 12, 1961.

NY 100-104142

The letter mentioned the accomplishments of ERNESTINE ROSE in the Civil War period and that the ELF was forwarding a copy of its book entitled "Ernestine Rose and the Battle for Human Rights," written by YURI SUHL.

The letter further stated that the ELF had planned extensive club programs around the Civil War Centennial. A request was made that the ELF be furnished available material on the subject of women in the Civil War.

(NY T-1, March 24, 1961)

The October, 1960 issue of "Jewish Currents" contained an advertisement for the above book, describing it as a biography of a daughter of a Polish Rabbi who in her day (1810-1892) became one of the three top leaders of the Women's Suffrage Movement in the USA - an ardent abolitionist - a champion of free public schools.

("Jewish Currents", October, 1960)

YURI SUHL

YURI SUHL held a Communist Political Association (CPA) Card Number 31349 as a member of the Henry Forbes Club, CPA, New York City, in May, 1945.

(NY T-14, May 15, 1945)

The CPA has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

As of March 24, 1961, the ELF was preparing.

NY 100-104142

to send a letter to FRED SCHWENGAL, House of Representatives, Washington, D.C., regarding the Civil War Centennial. The informant was unable to state if the first mentioned letter was intended for Representative SCHWENGAL.

The ELF was also preparing to send a letter to CONRAD WIRTH, Civil War Centennial Commission, National Parks Service, Department of Interior, Washington, D.C. The letter requested that the ELF be placed on the Commission's mailing list since the ELF, in concert with other cultural and civic organizations, had drawn up plans for educational projects in celebration of the Civil War Centennial.

(NY T-1, March 24, 1961)

The ELF issued a two page mimeographed "Action Letter", dated March, 1961, regarding its preparation of a "Pictorial Panel Highlighting Jewish Participation in the Civil War". According to this letter, the Panel would be available to ELF clubs for presentation to high schools, public libraries and Jewish community centers by the end of April.

(NY T-1, March 24, 1961)

III. CONNECTIONS WITH THE CP, USA

This informant furnished a copy of the ELF petition and pamphlet for a Statute of Limitations on the Walter-Mc Carran Law, which were obtained at a meeting of the Bronx County CP Committee on January 4, 1961.

(NY T-6, January 19, 1961)

NY 100-104142

A meeting of the Peace Club, Crown Heights Section, Kings County CP, was held on January 9, 1961 at 32 Ludlam Place, Brooklyn, New York. Copies of the above ELF pamphlet and petition were distributed at the meeting.

(NY T-8, January 10, 1961)

A meeting of the Allerton Club of the Northeast Bronx Section of the CP was held on January 10, 1961 at 683 Allerton Avenue, Bronx. MOLLIE BERGER gave a report on the work of the ELF. She implied that her work in the ELF was getting more results than the CP club activities, and excused her poor attendance at club meetings to her activity in the ELF.

(NY T-2, January 25, 1961)

MOLLIE BERGER stated at the above meeting that her activity in the ELF prevented her from being active in the CP club.

(NY T-15, January 25, 1961)

As of May, 1961, the ELF was one of several mass organizations comprising the Jewish cultural progressive movement. JUNE GORDON is the leading force in the organization, whose membership is largely made up of Communists.

The ELF claims to be for peace and interested in protecting the rights of the foreign born. It is against the Ben Gurion Government of Israel, bomb testing, anti-Semitism, Negro discrimination and the rearmament of West Germany.

NY 100-104142

The ELF renders support to and receives support from the "Morning Freiheit" and other Jewish progressive organizations.

The ELF is recognized by the CP, USA as an important progressive national organization of women.

(NY T-6, May 11, 1961)

A characterization of the "Morning Freiheit" is contained in the Appendix hereto.

These leaflets, according to the source, were not distributed since the CP was not openly represented at the meeting. However, according to the source, known Communists participated openly in the meeting.

JEWISH WOMEN'S CLUBS

"The Jewish Fraternalist" dated October, 1947, self identified as the official publication of the Jewish People's Fraternal Order (JPFO) of the International Workers Order (IWO), on page 6, contained an article which reflected that the Emma Lazarus Division (ELD) of the JPFO was to hold its first national convention in New York City on November 15 and 16, 1947, after having been first established at a National Women's Conference called three years previously by the JPFO.

The "Morning Freiheit" on January 25, 1951, contained a report on the National Convention of the ELD of the JPFO which took place in New York City on January 20 and 21, 1951. JUNE GORDON, ELF Executive Director, who is a member of the New York State Communist Party (CP) Board and Committee, is the leading force in the organization, whose leadership is largely made up of Communists.
